The little blonde girl was playing normally at her home in Walla Walla Wednesday morning, although she had had a slight cold. Mrs. Ernest Warren, her mother, gave her a halfpill for medication, three of which on preceding days the child had swallowed without any difficulty.

This time the half-pill descended into Marcia's trachea, blocking the bronchial passage, and she became unconscious. By the time she reached the hospital, after initial first aid measures had failed to revive her, her heart had stopped beating. Heart massage and a defibrillator restored her heart action after an estimated 30 minutes.

An elapsed time of four minutes in supply oxygen to the brain through the blood stream may cause permanent damage. Without normal brain and nerve cells to control chest action, respiration is possible only with the aid of an iron lung.

Wherever you fish for sport-on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport-bowling or strolling, golfing or gardening -a frosty glass of beer makes a naturally great accompaniment.

CURITY BANA 100 YEARS SERVICE 1965 TATIONAL ASSOCIATION

Generating \$80,000,000 for a better Idaho!

100 years ago Idaho's schools consisted of a few poorly lighted and heated one-room cabins with a single teacher responsible for educating those children fortunate enough to attend. First Security was just beginning, too, in a trading post no more glamorous than one of those early school houses.

Today, Idaho's schools and First Security Bank have changed dramatically . . . each a vital part of the growth of this state.

Through the years First Security has devoted a large share of its financial energy towards Idaho's development. In the past 20 years alone, we have been the principal factors in arranging for over \$80 million in financing for new and expanded schools, hospitals, municipal buildings, community recreational facilities, assurance of water storage and supply, improved health and sanitation systems and other civic improvements. We are proud of the fact that the Idaho communities whose financing we have assisted have earned a sound reputation for financial responsibility in meeting their public obligations.

This is another one of the ways First Security has usefully served Idaho during the past 100 years. We look forward to providing more helpful financial relivices to the people of this state the kind of banking that is building Idaho.

Farmers were really disappointed this morning (Tuesday) to see that it was raining — as they have been really busy trying to seed peas and get fertilizer on. They feel that it is time these things were done and just get in a few days at a time — until it rains again!

W. S. C. S. To Meet
The Leland W. S. C. S. will hold its regular business and devotional meeting on Thursday, May 6 in the church basement. Mrs. Elsie Hoffman is in charge of the program. There will be quilting all day with pot-luck at noon.

Birthday Dinner

The monthly Birthday Dinner, hon-oring all May birthdays will be held on Sunday, May 16, in the church basement. Everyone is welcome.

Homemakers Club The Leland Homemakers Club will meet Wednesday, May 12, in the afternoon, with Mrs. Gordon Peters for its regular business session. Mrs. Roy Craig will have charge of the project. Materials will be furnished to make "Tissue Blotters."
