This new multi-purpose grease offers greater protection than any other similar grease, in wheel bearings, chassis points, track rollers and general automotive lubrication. It forms a tough film that fights moisture, rust and extreme temperatures over 500° F... even under extended lubrication intervals.

Convenient 14½ oz. cartridges are leakproof, easy to load. RPM Multi-Motive Grease is available in cartons of 12 cartridges complete with lever-type grease gun. RPM, CHEVRON DESIGN®
