JULIAETTA DOINGS TO WED IN NOV.

MRS. ERVIN MABBOTT Phone 288-2254

Graveside Services Held

Graveside committal services were held Friday at 2:00 p. m. for Jerice Anne Pederson, infant daughter of Mr. and Mrs. Jerome Pederson, Juliaetta, at the Juliaetta Cemetery. The Rev. Perry Winkle, pastor of the Church of the Nazarene, Juliaetta, officiated. Brower-Wann Funeral Chapel of Lewiston was in charge.

Jerice Anne was born Oct. 30, at Tri-State Memorial Hospital, Clarkston, and died at 11:00 p. m. Tuesday, Nov. 9.

Surviving are her parents: two grandmother, Mrs. Ray Taylor of Clarkston and Mrs. Gertrude Pederson, Juliaetta; a grandfather, Harold Enyeart, Wenatchee, Wn.; two great-grandmothers, Mrs. Anna Enyeart and Mrs. Fay Corkill, both of Clarkston, and a great-great-grand-mother, Mrs. Barbara Weissenfels, also of Clarkston.

Hospital Patiene For Surgery

Mrs. M. A. Miller entered the St. Idaho, Caldwell, Idaho. Joseph's Hospital in Lewiston Sunday morning and underwent major surgery Tuesday morning. She is doing as well as could be expected at this time.

Mr. Miller returned home last Thursday after spending about two weeks in the hospital.

HUGE ANTLERS

Boise - Huge Antlers totalled 410 points on a preliminary measurement and were the second largest ever measured in Idaho. The big bull was bagged last month on South Mountain in the Owyhees by Cecil Coonts of Wilder, who fired the killing shot and Bill Blackman of Homedale. The top Idaho elk trophy, measuring 414 and 4/8 points, ranks Number 4 in the all-time Boone and Crockett Club record books. It was bagged on the Weiser River by Elmer Bacus in 1954. The Idaho Fish and Game Department says that new Idaho game trophy records are set almost every year in several different categories.

your neck about the house being cold and drafty...before you're up to your neck in snow...fix yourself some low-cost storm windows out of Warp's FLEX-O-GLASS and get 'em up. It's easy! Warp's crystal-clear FLEX-O-GLASS lasts for years at a fraction the cost of glass. Only 90¢ a square yard at your local hardware or lumber dealer.

months of the year, a University of Idaho horticulturist believes.

potato industry is taking giant strides toward keeping fresh Idaho Russets on the housewife's table 12

Walter C. Sparks, whose potato storage research at the Aberdeen branch Agricultural Experiment station has gained worldwide recognition, estimates that storage for more than 4 million sacks (hundred-weight) of potatoes has been hullt. weight) of potatoes has been built during 1965 alone in southern Idaho.

And, he says, at least half of these new facilities are equiped with the humidity, airflow and temperature controls necessary for extended

potato storage.
"Most of the shippers are aiming

at a 12-month marketing season for fresh Idaho Russets, Sparks points out. "Now our fresh season runs from about mld-August until May. That leaves nearly three months each summer when no fresh Idaho pota-toes are available and buyers have

to turn to other sources. From a storage standpoint, the year-around marketing goal is well

within reach. "Our research proves we can store potatoes for 10½ or 11 months with no more storage loss than we used to

have in eight months," Sparks says.

The three critical factors, are humidity, airflow and temperature." "For successful storage, you must be able to hold humidity above 90 percent, to force airflow through the potatoes at a rate of 10 cubic feet per minute per ton, and to keep temperature within a range of 40 to 45 degrees in the pile," the horticult-

"If airflow and humidity are adequately controlled and if a good sprout inhibitor has been used, the U. of I., Moscow - The Idaho best storage temperature is 45 devirtually no reduction in quality and grees throughout the storage period.

Make sure your dollars are working... not waiting!

The harvest is just about over, providing a breathing spell for many people in this area. They now have time to think about some of the other problems of everyday living.

For example, the best use of their yearly income. Do they save it? . . . Invest it? . . . Use it for improvements? . . Buy more stock or equipment?

Many people have found the manager at First Security Bank can help them decide how to make the most of this cash. He understands money matters. yet he talks your language and knows your business, too.

He can show you the advantages of safeguarding your money at a bank while helping it grow with guaranteed bank interest . . . or investing your money for longer range profits . . . or putting your money in a new car or needed improvements with the help of First Security financing. But most important. he can show you how to keep your dollars working, growing, earning . . . not just waiting idle until you really need them.

Why not come in at your convenience.

Our research provides more usable energy to meet your needs

This 1,000,000-pound tower — heaviest load ever carried crosscountry on rails — is one of 8 for Standard Oil's remarkable new Isomax refining unit, being built to serve the West's expanding demand for petroleum energy.

The Isomax Process, a revolutionary technique developed by Standard Oil scientists, is uniquely efficient in its ability to refine less desirable heavy oils into the highest quality motor fuels.

It is a major breakthrough in supplying the ever increasing need for more specialized high-quality fuels...so important to oil conservation that Standard Oil licenses the process to other oil companies throughout the Free World.

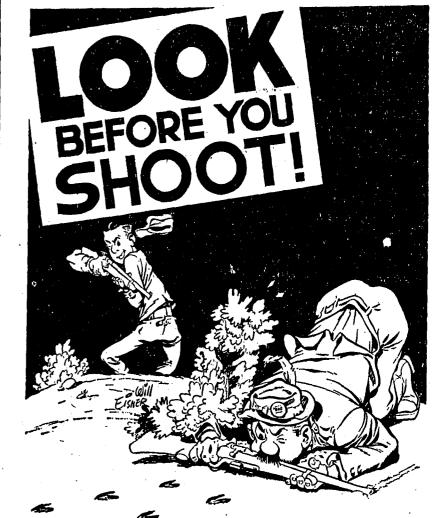

The Isomax Process means better gasolines for today's cars, and for cars now being designed for the future...another proud research "first" by Standard Oil-for you.

The research skills which created the Isomax Process go into the development of all our products at the Sign of the Chevron... to take better care of your car. Your boat, too!

LAW ENFORCEMENT MEET SCHEDULED

Evans of the Montana-Idaho Division roach in obtaining the cooperation of the FBI today announced that a of the public and to impress upon specialized law enforcement confer- law enforcement officers that they ence is to be sponsored by the FBI not only must be right -- but also at Lewiston, Idaho on November 17, must look right.

1965. This conference, entitled "Responsibilities of Law Enforcement," following persons will attend and following persons will attend and following persons with attendiant the tresponsibilities of the tresponsibilitie is designed to highlight the tremendous responsibilities facing all levels of law enforcement at the present time and how the profession ston, Sheriff; Kenneth E. Deyoung, these matters.

According to Mr. Evans, the conference will be attended by representatives of the FBI and law enforcement agencies in this area. The meeting is being held in connection with a series of several conferences throughout the Nation between now and November 30, 1965.

FBI Director J. Edgar Hoover ending fight against the criminal cox presented the mags for the property world. Mr. Hoover noted that the ing ceremony.

Mrs. Robert Heppner sang a praymosistic property will deal with the inguity of the property of the p

sources and the various facilities available to aid the law enforcement officer in his work will be discussed in detail.

Seminars will be held in an Lewiston - Special agent Robert attempt to determine the best app-

> share the speaker's platform at the conference in this area: William IL Lieutenant, Idaho State Police.

W. S. C. S. MEETS

Special observance of Veteranz Day was held at the Woman's Society of Christian Service meeting last Thursday in the Kendrick Community Church.

Both the American Flag and the Christian Banner were honored by their individual Pledge of Allegiance. Mrs. Pearle Long and Mrs. Andrew Cox presented the flags for the open-

er medley, accompanied by Mrs. H.

C. Schupfer. Mrs. David Zaske closed the day's session with Thanksgiving medita-
