JULIAETTA DOINGS IN PAST WEEK

MRS. JIM CUDDY Phone 288-2668

Rebekah Lodge Hold Dinner

Juliaetta Rebekah Lodge No. 9 held an evening dinner at the Country Kitchen on Friday, April 29.

Those attending from Juliaetta were Mrs. Eugene Taylor, Mrs. Cecil Gruell, Mrs. Gordon Penland, Mrs. Floyd Heimgartner and Mrs. Onal Cope.

Rev. and Mrs. Perry Winkle took the Northwest District Bible Quiz Team to Northwest Nazarene College at Nampa last week, to compete in a Bible Quiz tournament.

Other News

Mrs. David Peterson returned on Thursday from Council, Idaho, where she was visiting with her son-in-law and daughter, Mr. and Mrs. K. Lawrence.

Mr. and Mrs. James T. Cuddy of Avery were Saturday and Sunday guests of Mr. and Mrs. James R. Cuddy.

Ray Hudson is visiting at Puyallup, Wn., with his son and daughter-in-law, Mr. and Mrs. David Hudson.

Mrs. Mary Otosen received word Thursday that she was now the great-grandmother of twins, a boy and a girl. They are the first children of Mr. and Mrs. Arnie Blankens, Crossett, Arkansas, and the first grandchildren of Mr. and Mrs. G. C. Otosen of Tacoma.

Mr. and Mrs. Cecil Gruell attended a state meeting and banquet Sunday at Grangeville of the Rural Star Route Carriers Association.

Mrs. Jim Anschutz and daughters of Longview spent the week-end with her parents, Mr. and Mrs. Wm. Carlton. Mrs. Anschutz attended the May Day activities at the University of Idaho, where her son, Jim, received an award for being the outstanding Senior of Orton Hall.

Mr. and Mrs. James V. Muscat, Sally and Clark spent the week-end on the coast, visiting relatives at Bellevue, Wash.

Mr. and Mrs. Jerry Brattler and family have moved into the Hazel Hill property. They formerly resided in the Werner Brammer house.

Mr. and Mrs. Miller, Sunnyside, Wn., are visiting their son-in-law and daughter, Mr. and Mrs. Gilbert Sprout and family.

Mr. and Mrs. J. M. Murray visited the Vernon Grandlund family in Troy, Sunday.

Mr. and Mrs. Leonard Fairfield and Ed. Gordon of Lewiston, and Mrs. Loe Thayer of Verona, Ore., were Tuesday dinner guests in the Rufus Fairfield home.

GARDEN CLUB BUSY

The Hill & Valley Garden Club observed Arbor Day by planting nine juniper trees, and cleaning up the grounds they are beautifying just north of the Kendrick High school, Monday morning.

Some 20 members of the Garden Club attended the District Federation of Garden Club at Moscow on Wednesday, April 27. The local club had the best representation of any club attending.

Members are reminded of the Chrysanthemum show to be held in Moscow, Wednesday, May 18.

LIONS, LATAH C. OF C. HOLD JOINT SESSION, KENDRICK

Wednesday evening of last week the Latah County Chambers of Commerce and the Kendrick Community Lions Club held a joint session at Kendrick, in the High School cafeteria — with a total of 89 present.

Following a delicious 8:45 dinner served by the School Foods Service Ass'n, the business of the evening was taken up.

The Lions Club — spearheaded by George F. Brocke, Jr., Locust Blossom ticket sales committee chairman — "decorated" the visitors with Locust Blossom Festival Buttons — at \$1.00 each. The buttons can, of course, be redeemed for the activities of the day, May 28.

Next several committee reports were heard from Lions Club members on Festival activities.

E. M. White, Lions Club president, introduced Mrs. Douglas Harris of the Kendrick Club, who in turn, introduced Renee Reed, Blossom Festival outgoing queen for the past year. She in turn introduced the Queen and Princess candidates for this season, Pat Johnson, Louise Hoffman, Nancy Hoisington, Vicki Jo Halseth, Shari Harris and Liz Allen.

These candidates will take part in School next Wednesday, May 11 — the winners will ride on a float in the parade Saturday, May 28.

The meeting was then turned over to the Latah Chambers of Commerce, and after hearing committee reports which favored the rebuilding of the Highway between Deary and Harvard, and a report on the "Consolidation of Highway Districts Within Latah County" the speaker of the evening, Philip Jungert, Lewiston, was introduced.

Mr. Jungert, president of Greater Idaho, Inc., spoke on the topic: "Greater Idaho." Mr. Jungert gave a "wide open Idaho," with licensed gambling, slot machines, wide open sale of liquor 24 hours a day, seven days a week. He cited as the reason for this the prosperity enjoyed by the State of Nevada — and maintained that Idaho, with its beautiful scenery, should do as well or even better than Nevada!

If any there, other than M. Jungert, favored what he was proposing, they maintained complete silence — and during the question and answer period which followed his talk, many piercing questions were asked. Converts to his way of thinking were noticeable by their absence!

However, despite deep disagreement between Mr. Jungert and his audience, no impolite questions or remarks were heard.

SUDDENLY SUMMER ARRIVED, OR IS IT?

Following a chill and windy Thursday, an even chillier Friday — the "weatherman" decided that it was time to warm things up a bit, and Saturday the temperature began to climb, and under cloudless skies recorded a reading of 74 degrees.

Sunday was another beautiful day, with the "official" thermometer recording 84 degrees.

Monday "Old Sol" really came out of hiding, and a reading of 90 degrees was recorded — to hit the high of the year to date — and according to the Lewiston Weather Bureau, the nearest official station, a reading of 90 degrees was also recorded there, to set a record for that day to date.

The Potlatch river is quite low for this time of the year, and unusually clear, a sure sign that most of the back-country run-off has taken place. The Clearwater river is also reported quite low for this time of year, and islands and bars are literally loaded with logs from the annual P. F. I. log drive. It will take a lot of work to get them all back into the water and into the mill pond!

Farmers say that a rain — a real rain — is badly needed, as the winds of the past two weeks greatly sapped field moisture.

Lawn sprinklers are a very popular item about town, and can be seen in operation almost everywhere during the afternoon and evening.

RIDGE RIDERS AT ASOTIN FAIR

SENIOR DINNER HELD SUNDAY EVE. AT COM. CHURCH

Sixteen graduating seniors and their families, and many others, were present for the "Hawaiian Luau" dinner given by the Woman's Society of Christian Service at the Kendrick Community Church Sunday evening.

The atmosphere was very real, in a setting of rotating colored lights, decorations of Hawaiian shells and flowers, guitars, soft music and leis for all, and Hawaiian food.

Mrs. Howard Hoffman was master of ceremony for the program following the dinner. Mrs. Rollo Bacon led in the Lei Day coronation of king and queen seniors, and in playing a fun game.

Mrs. Bob Magnuson presented a Youth Honorary Life Membership Pin to Janet Westendahl for her years of service and devotion to the church.

Rev. Larry Eddings of Grangeville, guest speaker, spoke on "The Probable Future of the Seniors," after being introduced by Rev. David Zaske.

John Farrington, Senior class president, thanked the W. S. C. S. for the dinner given to honor the seniors, and for the enjoyable evening.

Mrs. H. B. Tandy led all present in singing Hawaiian songs, and accompanied herself on the piano.

Committee members working on the annual dinner were Mrs. D. A. Christensen, Mrs. George Brocke, Sr., Mrs. Howard Hoffman, Mrs. Rollo Bacon, Mrs. Marvin Long and Mrs. Robert Magnuson. Junior High M. Y. P. members and leaders were attired in Hawaiian costumes and assisted throughout the evening.

FOODS SERVICE ASS'N HOLDS MEET HERE

Latah County, Nez Perce County and Lew-Ida Chapters of the School Foods Service Ass'n met at an invitational dinner and joint installation meeting on Friday evening, April 22, at the Kendrick High School cafeteria. The Latah County chapter was host for the dinner.

Mrs. Orla Forbes of Payette, president of the State School Foods Service Ass'n was installing officer. Mrs. Ella Martin, school lunch supervisor of Weiser, accompanied her on the trip north. Others present were from Lewiston, Troy, Moscow, Grangeville, Clearwater Valley, Craigmont, Juliaetta, Southwick and Kendrick. Special guests were Wm. Willard, Craigmont; John Crowe, Lewiston; Manning Onstott and E. M. White.

Mrs. Wm. Willard, area representative of the State School Foods Service Ass'n gave the invocation. The welcome was by Miss Kendrick, Renee Reed, who gave this recipe for a good school:

"Welcome — In trying to think of what would be an appropriate welcome for you this evening, I came across this recipe: 'It is the recipe for a good school.'"

"You take 1 cup of leadership, 1 cup of fun, 1 1/2 cups of good hard work, a dash of spice, 1/2 cup of friendliness, 1/2 cup of helpfulness, 1 cup of health, 2 cups of growing up, and 2 cups of cooperation. Mix all ingredients well and you will have a satisfied faculty; well-rounded, ambitious young people, and ultimately a better America."

"Because you of the School Foods Service Ass'n contribute so much to the success of this recipe by helping to make well-nourished, healthy Americans, I'd like to welcome you on behalf of Kendrick and Kendrick High School. I'm sure your evening will be a very beneficial and enjoyable one."

COMBINED CIRCLE AND SHOWER THUR.

Twenty-two women were present for the combined W. S. C. S. Circle meeting and "Baby Girl" shower held for Mrs. David Zaske and daughter, Annette Cherie at the home of Mrs. W. L. McCreary Thursday afternoon.

Mrs. Howard Hoffman played recorded tapes and gave a report on the W. S. C. S. Conference meeting at Richland, Wash.

A group of ten dolls were on display which have been made and donated by Mrs. Paul Lind. The dolls will be given to Mrs. H. B. Tandy for her work as Clearwater Group Ministry worker.

Fun games were played, after which Mrs. Zaske opened the many practical and varied gifts for their new daughter.

Mrs. Manning Onstott served punch and Mrs. A. O. Kanikkeberg poured, at the serving table during the refreshment hour.

Assisting hostesses were Mrs. David Clayton, Mrs. John Deobald and Mr. Ben F. Cook.

KENDETTA CLUB HOLDS INITIATION

The Kendetta Junior Women's Club held its annual initiation and dinner on Saturday evening, April 23, at 6:30 p. m. The meeting was held in the Jack Parsley home on Cedar Ridge with 20 present, including members and their husbands.

Those installed for the coming year were: Mrs. Jack Parsley, president; Mrs. Douglas Harris, vice president; Mrs. Neil Grinolds, recording secretary; Mrs. Larry Galloway, treasurer; and Mrs. Raymond Swanson, corresponding secretary.

SOUTHWICK CHATTER

MRS. CHARLES KLATT Phone 289-4674

Weather Remarks

The past few days have been warm and sunny — at times actually hot. Many are busy planting gardens, the loggers are logging, and the farmers very busy in the fields.

Rain is badly needed at this time, however, as the fields are quite dry and a good rain would help greatly to finish seeding.

Other News

Week-end guests in the home of Mr. and Mrs. Wade Candler were Mr. and Mrs. Clifford Brown and Marvin Mendenhall of Kamiah, and Mr. and Mrs. Elmer Suddreth of Lewiston. On Saturday all went fishing at Spring Valley, and reported good luck.

Mr. and Mrs. Jack Mustoe and Mark were Sunday dinner guests of Mr. and Mrs. Tommy King and Sarah.

Mr. and Mrs. Given Mustoe were Sunday evening supper guests of Mrs. Effie Stump in Juliaetta.

Mrs. Rollin Armitage and Mrs. Arnie Cuddy attended a W. C. T. U. meeting in Juliaetta, Thursday afternoon.

There was a very good crowd out for the colored slide showing of "Holy Land" by Rev. Arthur Twist at the Southwick Community Church Sunday evening.

Rachel Reece of Cavendish was a Monday over-night guest in the Tommy King home.

Mrs. Gertrude Pederson of Juliaetta was a Saturday over-night guest of Mr. and Mrs. Verlin Benjamin and family. On Sunday all were dinner guests of Mrs. Pederson.

Several families from this area attended the parade and Music Festival in Lewiston, Saturday.

CUB SCOUT PACK MEETING HELD MON.

The monthly Cub Scout Pack meeting was held at the High School cafeteria, Monday evening, April 25. Den 1 of Juliaetta won the Parents' Attendance award. Skits were given by Dens I and V.

Awards were presented at an impressive Candle Light ceremony to the following: Bear Badge, Donald Parks, Ricky Benjamin, Edson Sprout.

KENDETTA CLUB IS BUSY ORGANIZATION

The Kendetta Junior Women's Club has been very active during the past month. Plans were made at the April meeting for the Miss Kendrick Pageant, and chairmen appointed. Over-all Chairmen for the Pageant are Sharon Harris and Shirley Heppner. Members are being kept busy working with the queen candidates and completing Pageant plans.

Miss Renee Reed is working with the candidates on a physical fitness routine to be presented at the Pageant. Club members are working together, and with other community clubs to build the Kendrick Community Float. If the float can be completed in time, it will be entered in the Orchards Blossom Festival on May 14. Mrs. Larry Galloway is the float chairman.

Pageant May 11 at K. H. S.

The Kendetta Club Pageant will be held Wednesday evening, May 11, at 8:00 o'clock at the Kendrick High School gym. Pat Johnson, Louise Hoffman, Nancy Hoisington, Vickie Jo Halseth, Shari Harris and Liz Allen, all juniors, are the candidates.

The contestants will be performing in Physical Fitness, Talent and Evening Gown Modeling categories. The modeling will immediately precede the coronation of the chosen Queen. Renee Reed, Miss Kendrick, will crown the new Miss Kendrick.

Admission to the Pageant will be by Locust Blossom Festival Button — which will be on sale at the door. These buttons may be purchased at any time from Lions Club or V. F. W. members. They are also on sale at almost every local place of business. Just wear yours to the Pageant.

SPRING CONCERT IS ENJOYABLE AFFAIR

The Kendrick Spring Music Concert last week, was a preview of the selections played by the High School Chorus and Band, and individuals and ensemble competition at the Lewiston Music Festival. 4-H CLUB CONGRESS JUNE 19 TO 24

U. of I., Moscow — Seven hundred boys and girls attending the annual 4-H Club Congress on the University of Idaho campus, June 19 to 24, will have the assistance of a wide variety of experts in crossing the "Bridge to the Future," Dan E. Warren, state 4-H leader for the agricultural extension service, announced this week.

Speakers and consultants will include Louise Shaddock, Boise, secretary of the Idaho Department of Commerce and Development; Dorothy Emerson, Washington, D. C., consultant of the National 4-H Foundation; Emmie Nelson, Chicago, field representative of the National 4-H Service Committee; Ray Cox, Reno, state 4-H Club leader for Nevada; Mrs. Roy Crosby, Boise, registered nurse; Sharon O'Brien, New York, field representative of the Simplicity Pattern Co., and Mrs. Carol Miller, Seattle. Several others are expected before the program is completed early in June.

The annual barbecue, one of the most popular events, will take on new flavor and interest, Warren said. Peter Formuzis, marketing specialist of the U. S. Fish and Wildlife Service, Seattle, will teach fish cookery and serve barbecued salmon. In following the theme, "Bridge to the Future," the 4-H members will have opportunities for leadership and social development. They will explore courses of higher education at the university, and live for a week in college environment.

GOLDEN RULE

BY ALMA BETTS

Word was received here of the death of a former resident, Leonard Martin, later of Aberdeen, Wn. He passed away last Sunday evening at a Seattle hospital of injuries received while on his job. Viola Martin, her daughter Mrs. Irene Tarbet and Mary Jane Elbon of Lewiston drove to Coeur d'Alene where they joined Mr. and Mrs. Kenneth Pearson to go on to attend the funeral at Aberdeen on Saturday morning. Leonard leaves a wife, two daughters and one son.

Mrs. Albert Lawrence and Amy drove to Lewiston Wednesday to a Palouse Area Missionary meeting, with 18 churches participating. They heard a missionary speaker from Brazil. Bonnie spent the day with Mrs. John Pavel.

Mr. and Mrs. Henry Hasse visited his mother, Emma Hasse, at the Alma Betts home, Tuesday evening. Mrs. Russell Perkins attended the shower honoring Sheryl Beck, soon to be a bride, at the Clifford Parks home, Tuesday afternoon.

Mrs. D. V. Kuykendall returned home from California, Wednesday. She went there to attend the funeral of her brother, Ernest Koepf, who passed away very suddenly.

Mr. and Mrs. D. V. Kuykendall drove to Lewiston Sunday, where they joined Mr. and Mrs. Gerald Kuykendall, to go on to Pomeroy to the home of Mrs. Gerald Kuykendall's parents, to celebrate their little granddaughter Bridget's second birthday anniversary.

Dick Watson and son David of Pierce visited in the George Finke home Saturday.

Mr. and Mrs. George Finke joined Mr. and Mrs. Cecil Choate and others at the Vern Choate home in Kendrick Sunday evening, to help honor Vern's birthday anniversary.

Callers and visitors in the Alma Betts home Saturday were Mr. and Mrs. Don Christensen and son Steve, Dean Luce and Mrs. Lewis Wilson, all of Orofino; Mr. and Mrs. John Pavel and Mrs. Rollin Armitage.

Mrs. LaVine Thornton and daughter Evelyn, and Mrs. Wilber Stal-naker of Vancouver, Wn., spent the past week with Mr. and Mrs. Emil Beyer. They left for their home on Saturday.

John Darby of Kendrick visited with Wm. Kauder, Monday.

Alma Betts accompanied her daughter, Mrs. Don Christensen of Orofino, to Lewiston, Monday.

Mrs. Marlene Bowers and daughters were Sunday dinner guests in the Albert Lawrence home.

Kendrick has no parking meters!

PARK PATTEN

BY MRS. JERRY SMITH

CLUB NOTE — The Boulder Creek Club members reported real success on their baked food sale Saturday. Credit was given to the choice of the opening day of fishing season and the fact that Freytag's Grocery is located on one of the through routes to several "fishing holes." Tickets for items for the Deary Starberry Festival are now ready.

WEATHER AND ROADS — Park, like the surrounding areas, is experiencing a very dry spring. Most field crops are in, and residents are praying for rain. Most housewives are holding off a little longer on planting their gardens, however, even though the warming trend seems to mean and earlier than usual summer. Dry weather has made it difficult to work on roads without raising clouds of dust. Several logging trucks are again hauling in the area.

OTHER ITEMS — Mrs. Wilma Thompson and Mrs. Versal Wise participated in the District meeting of the Rebecca Lodge, Saturday, in Deary.

Sunday dinner guests in the Ted McKinney home were his parents, Mr. and Mrs. Don McKinney, and his brother and sister-in-law, Mr. and Mrs. Ed. McKinney and sons.

Visiting Mr. and Mrs. Charley Enger, Sunday, were their son-in-law and daughter, Mr. and Mrs. Ronald Kasper and infant daughter Rhonda.

Mr. and Mrs. Everett Brown and family visited the Jerry Smith family Friday evening.

Sunday visitors in the Jerry Smith home were Mr. and Mrs. J. D. Baum-

gartner and Charles Jelleberg.

INCOME WAY UP

St. Paul, Minn. — The annual meeting of the Northern Pacific Railway Co. stockholders was held last week in the St. Paul offices of the company.

In reporting on 1965, Robert S. Macfarlane, Northern Pacific president, said that company earnings in 1965 were the highest since the World War I year of 1918. He reported net income for 1965 of \$28,033,000, equal to \$4.65 per share, an increase of 19.3 percent over 1964 income of \$23,401,000, equal to \$3.90 per share.

Total Northern Pacific revenue for 1965 was \$225,641,000, up almost \$15 million over 1964. Freight revenue for 1965 was \$178,006,000, up \$13,838,000 or 8.4 percent over 1964.

Non-rail revenue for 1965 was \$21,439,000, down \$993,000 from the preceding year. Non-rail income for 1964 however, included a profit of over \$1 million representing part of the consideration involved in the exchange of Northern Pacific lands for those of others. By excluding this transaction from 1964, year-to-year comparisons would show total non-rail income for 1965 greater than that of 1964.

Editor's Sarcastic Remark: And yet the poor company could not afford to operate the bug from Spokane to Lewiston — and are shedding copious tears because their try for consolidation with other railroads was denied by the I. C. C.!!

NOT FOR FISHERMEN

Boise — These adult spring chinook salmon from the Hells Canyon reach of the Snake river are being transferred to holding ponds at Rapid River, a tributary of the Salmon River near Riggins.

These fish will be spawned by hatchery workers and the eggs hatched and reared to the age of smolts, then released directly into Rapid River.

Editor's Note — "Not for Fishermen" is right. We presume the commercial gillnetters at the mouth of the Columbia will get them!

GREAT EXERCISE

Two women were gossiping. Said one: "What I say is — give a man enough rope and he'll hang himself!" "Oh, I don't agree," said the other. "I gave my first husband enough rope, and he skipped!"

EROSION LIGHT SAYS S. C. SERVICE

Moscow — Damage to farm land from erosion this spring is generally the lightest it has been for the past 10 years. Very few wheat fields show soil losses of 50 tons per acre, whereas last year it was common to find losses of 75 to 100 tons per acre.

It appears that erosion on slopes this year is largely limited to fields where the soil is in poor shape from erosion of previous years. This has left a poor surface condition that seals over quickly. Steep north slopes also show erosion damage.

Even though serious loss damage was escaped on slopes of the palouse hills this year, there has been severe damage on many of the draws being farmed. Here water accumulated

from the hills and cut gullies as it ran down the draws. Fields that have grass waterways escaped this damage. This condition occurs each spring in spite of light runoff, and points up the need for grass waterways.

It seems that the unusually dry fall season left a dry sub-soil that did not become completely recharged with moisture this spring. The pattern is about the same throughout the entire county.

MENTAL STATE?

Chicago — Some of us may have mental resistance that helps fight off the flu after infection, while others become ill because they are psychologically vulnerable, reports the American Medical Association. There is even a suggestion, although the statistical evidence is not strong, that mental make-up helps prevent the infection itself.

PARK PATER

BY MRS. JERRY SMITH

(Delayed)

MOTHER'S TEA — Five Park women attended the Mother's Tea at the Deary High school Friday afternoon. Mrs. Mickey Baumgartner, Mrs. Helen McKinney, Mrs. Hazel Enger, Mrs. Thompson Straton and Mrs. Wilma Thompson enjoyed the afternoon's entertainment co-sponsored by the F. H. A. Chapter and Home Ec. department of the school.

OTHER ITEMS — Mr. and Mrs. Jerry Smith and family joined his brothers and sisters and their families at a gathering in the home of his step-father and mother, Mr. and Mrs. Vester Daniels at Lenore, Saturday. Others present were Mr. and Mrs. Roscoe Hunter and children of Lenore; Mr. and Mrs. Don Smith of Moscow; Mr. and Mrs. Clinton Smith and Clem Smith, all of Lewiston.

Saturday visitors of Charles Jelleberg were Mr. and Mrs. Brattler of Juliaetta.

ROAD REPORT — The Boulder Creek road is now open to traffic, but is rough and rutted and not recommended for any but skilled drivers. Four-wheel drive vehicles can make the five-mile trip quite easily.

SCENIC WONDERS TO BE POPULAR — Spokane — Interest in camping and driving for the pleasure of viewing nature's scenic wonders will continue to surge at a more rapid rate in 1966 than other forms of recreation, predicts the AAA.

Predictions are based on a nationwide survey of trends among clubs affiliated with the organization. The clubs overwhelmingly reported increasing numbers turning to camping as a form of recreation last year, and anticipated the interest would be even greater this year.

Some of the clubs said this indicated a resistance to rising costs in travel, but, paradoxically, most of the reporting clubs said the average traveler spent more last year on his vacation than he did the year before. The entire Pacific Northwest, as well as much of the west coast, benefited, said the report.

In general, the clubs predicted longer and more frequent trips by car in 1966, and a continued interest in visits to national parks.

CALORIES DO COUNT!

Yes, unfortunately, calories do count, in spite of all you hear to the contrary. Not only that, but they have a sneaky way of counting UP, if you don't watch them. Or even if you do!

What are calories, anyhow, and how do they work?

Doesn't everybody know what a calorie is? Don't the ladies talk about them in the super-market, the laundromat, or over the back fence? Don't even the men talk about them as they eat their hearty lunches while they talk business, or order another hot dog at the ball game?

Of course — but what are calories, really?

The simplest way to explain them is to say that they are units of heat or energy. The body requires them regularly in correct amounts. If it gets too few, weight is lost. If it gets too many, weight is put on. It's as simple as that.

How Many Needed

The number of calories the body needs depends on several factors. In proportion to size, babies need more than anybody else. This requirement grows less as they grow older. Even in adolescence, when spectacular growth calls for more total calories in the diet, the need for calories per pound of body weight is less than earlier in life. And this trend continues throughout life.

As an adult, one needs fewer calories in proportion to body weight, and in old age, even fewer, because the activity grows less as one grows older.

All common foods have been chemically analyzed and their calorie value is known. Calorie lists have been published in many forms. In general, proteins supply four calories per gram or about 60 per ounce; carbohydrates have the same calorie value. Fats supply 9 calories per gram or 135 per ounce. These are the values of the pure substances; foods are mixtures, and their caloric value is determined by actual tests in which they are reduced to ashes and their energy output observed in terms of heat, by recording how much their burning raises the temperature of a measured amount of water.

Energy Needs Vary

Calorie needs vary with activity; people who work seated at a desk use much less than those who work actively with their muscles. It is said that sitting and thinking uses no more calories than just sitting. Most people can keep their weight about right by observing it periodically and eating less or getting more activity when they find themselves gaining. If this doesn't work, a huddle with the doctor might be advisable, since some disease processes influence energy requirements.

HOW DOES YOUR TOWN RATE?

The Hill & Valley Garden Club of Kendrick is in receipt of the following questionnaire from its state association — and suggested that it be published for all to evaluate:

Are the town approaches neat and uncluttered?

Are the highway rights-of-way well kept?

Are there fine long-lived well maintained large shade trees strategically located and well spaced?

Are there some well located and selected shrub masses or groups of small ornamental trees?

Are there no objectionable bill boards or signs?

Are there no shoddy roadside stands?

Are there no unscreened city dumps?

Are there no automobile graveyards?

Are the parks and playgrounds an asset to the community?

Are they adequate in size?

Are new areas being developed and reserved as new subdivisions are opened up?

What about planning, zoning ordinances and public services?

Has your town an officially adopted city plan which will guide the future development and expansion of the community?

Has your town a street tree ordinance?

Has your town a municipal garbage and refuse collection?

Has your town an approved water supply?

Has your town a supervised community dump?

Has your town an adequate sewage disposal system?

Are your streets and sidewalks clean and in good repair?

Do you have adequate litter disposal?

Are your alleys clean and neat?

Are there facilities and settings for special community activities such as pageants, celebrations, concerts?

Are there points of historical interest? And have they been restored to their original condition and well maintained?

Has your town made the most of outstanding natural features such as lakes, river or streams and rocky bluffs? — Have they been attractively developed and are they kept well and neat?

To how many of the above questions can you answer "Yes?"

NO COFFEE GROUNDS

E. M. White, local sewer supervisor asks Kendrick residents to please refrain from putting coffee grounds down the sewer system — as the equipment is incapable of "digesting them" and they must be removed.

Bill says: "Put them in your garbage can or on the flower beds — as angle worms love them" and they can do no harm in either spot.

STILL COOLING

ANNOUNCES CANDIDACY

Dr. C. L. Chehey, Moscow businessman, this week announced he will be a candidate for the Republican nomination for State Senator from District 5 (Latah county).

Chehey has been active in politics since his release from two years active duty as a U. S. Naval officer. He served as a senate assistant in the 38th Legislative Session, and was this spring considered to be a potential candidate for Idaho's Secretary of State.

In his announcement he said: "It is important with a smaller senate and the new strength of the populous areas in the south that Latah county send a vigorous, able and positive senator to Boise. Strong positions must be taken on fiscal matters, education, agriculture and timber legislation. Because I believe the basis of all good government rests in the will of the people, I would ask to meet with all interested groups in each of the communities of our county before and during the legislative session. Only in this way can the opinion of the electorate be known and represented. I am acutely aware of the problems of our area, and the University, and believe I can do more for Latah county."

Chehey, a native and life-long resident of Idaho, is 32, married with five children, and an alumnus of the University of Idaho. He is chairman of the education committee of the Moscow Chamber of Commerce, a member of Rotary, Elks lodge, Naval Reserve and Navy League.

BOOK ON TREES

U. of I. Moscow — A new edition of "Native Trees of Idaho" has just been published by the University of Idaho Agricultural Extension Service.

The booklet, a basic guide to conifer and broadleaf trees native to the state, was written by F. D. Johnson of the College of Forestry, with the assistance of Vernon H. Burlison, extension forester, and Roger L. Guernsey, Idaho state forester.

"Native Trees of Idaho" identifies 19 native conifers and 31 native broadleaf trees. Illustrations show the main identifying features of each tree and distribution maps show where each is to be found. The booklet also includes a key to assist in identification.

The 36-page booklet may be purchased for 25c per copy through the local county extension offices.

4-H's Look After Time, Money, Skills

New Management Project Shows How

"Work smarter . . . not harder," advises Mary Ann Dean, home economist. "Think, plan ahead, compare, evaluate your time, talents and cash before you take on any major projects around the house."

A 4-H girl explains to her mother how much she expects to save in hard-earned cash by signing up for the new 4-H Home Management program. Linda Lopez, 17, a 9-year 4-H'er, is particularly interested in the program because she will enter college next fall with plans to major in home economics.

Miss Dean's comments are directed to 4-H Club members about to embark on the new 4-H Home Management program announced by the National 4-H Service Committee in cooperation with the Extension Service. The practical home-based program was designed to fill a need of older club members, and was a couple of years in the planning stage.

Annual awards will consist of eight \$500 scholarships (national winners); one expense-paid trip per state to the National 4-H Club Congress in Chicago, and four gold-filled medals of honor per county. Winners will be announced next fall by the Cooperative Extension Service.

Information on how to take part in the 1966 program can be obtained from the county extension 4-H office.

The Weekly Handyman

A Service of Thor Research Center For Better Farm Living

Often the man who is handy with a hammer and screwdriver for putting pieces of wood together is at a loss when it comes to fastening something to hardened concrete.

Usually all that's involved is making a hole and inserting some type of inexpensive plug or holder that will receive an ordinary wood or metal screw.

Q—"I wish to secure a new workshop machine to the concrete floor. There are holes in the legs for attaching it. How should I do this?"

A—Here are some ways to do the job:

With an electric drill, use a carbide-tipped bit to drill holes in the concrete. The holes also can be made (with more time and effort) with a hammer and star drill. Fill these holes with melted lead. Then drill pilot holes in the hardened lead that will receive large wood screws or lag screws, which have square bolt-type heads and are tightened with wrench. Then screw down the machine.

Another way is to drill holes in the floor and then insert expansion shields. Put the machine in place and run down lag screws into the holes.

Or, after drilling the holes, you can set bolts in them with the heads down, so the threaded ends stick up the desired heights above the floor. Fill the holes with melted lead. After it hardens, secure the machine with nuts fastened to the protruding bolts.
