COOL As The Morning Dew

Sleep in the cool of the pines this summer . . . with air conditioning!

Remember the last time you slept in the cool of the pines? The wind sighed gently in the trectops, the brook babbled happily on its way and the cool, fresh air beckoned you to dreamland. You can enjoy sleep like that every night if you install air conditioning in your home. No matter how hot it stays outside, your air conditioner will bring the cool of the pines to you. It costs so little to enjoy a good night's sleep all summer long.

FEAR OF HIGHWAY CAN BE DANGEROUS

Spokane - Fear of the highway brought on by dramatized holiday death statistics can be as deadly and overconfidence generated by stimulants, the Inland (AAA) Automobiles

Association declares. A greater value from safety campaigns would be achieved if programs were aimed at advising motorists off things they need to know.

Driver competence and personal responsibility should be stressed as

Changing conditions and developments occur frequently. Freeways have come into substantial milage. Monday Mr. and Mrs. Walter Big- traffic laws change, cars are faster and proper decisions are more a dri-

The AAA official says that holidage driving safety messages which pre-dict slaughter on the highways tend prised Mr. and Mrs. Norla Callison Mrs. George Havens and Rayner call and give me their news Tuesday to emphasize speed and drunk direving and are not designed for the average driver.

The average, law-abiding driver who neither drinks nor speeds isnores the messages because they are not addressed to him. Highly emotional people may react to the NEWEST OF GRASSES scare campaign with fear, a dangerous mental condition at the wheel of an automobile.

Studies indicate that holiday perstrong regrowth characteristic, has ists who prepare themselves and follow sensible rules of conduct. Preparations recommended are:

1. Plan your trip. Know where you are going, how to get there and how long it will take.

2. Have your car checked to be

sure it is in good condition. Be sure you have accommodations at your destination and at any overnight stops along the way. If you are staying at a motell or hotel make advance reservation. Make frequent stops for rest

Regar " can extend the length of SMOKEJUMPERS ARE

Missoula - Forest Service smokejumpers have started training at the northern region's aerial fire depot im preparation for the approaching fire

Between May 5 and July 8, approximately 190 smokejumpers will complete training at the fire depot, gar consistently produced more second-and third-cutting forage than northern region includes approximately 27 million acres of public The new brome is basically a land in 16 National Forests in eastbunchgrass type.
