No matter how you drive, RPM Motor Oils make your engine perform better and last longer.

The way we drive has a lot to do with how much wear our engines get. Stop-and-go, long, hard driving can increase engine wear. Unfortunately, most of us can't change the way we drive. But we can protect our engines, by changing to RPM Motor Oil. "RPM" protects in all kinds of driving... stop-and-go, long hauls, heavy-duty. In fact, with "RPM" and proper oil changes, your engine can outlast the life of your truck, car, or other equipment. Try it. Call us soon about any of the complete "RPM" line.

PARK PATER
BY MRS. JERRY SMITH

HEAT WAVE — Park's weather has held warm and dry for a long time — almost too long, although there is still quite a bit of hay out. The farmers hope rain won't be too long in coming, as the grain seems to be cooking in the head, rather than maturing normally, which is expected to make for low yields and small kernels.

ANOTHER GRANDDAUGHTER — Mr. and Mrs. Linn Enger of Deary are the proud parents of a baby girl, Linda Dawn, born July 14. Grandparents are Mr. and Mrs. Charley Enger of Park.

TEACHER VISITS — Mrs. Joe Anderson of Genesee; her brother-in-law, Bob Gough of Elk River, and a sister-in-law from Spokane, visited briefly in Park Sunday. Mrs. Anderson, the former Olivia Fedman, taught school in Park in 1915. The group visited briefly with Charles Jelleberg, who was one of the 8th graders that year.

PROPERTY SOLD — Jerry Smith and Charles Gudmunson "ferried" building supplies to Gudmunson's new property in Juliaetta, Sunday. The Park Ranch & Cattle Co. (formerly Bohman & Powell) will assume title to Gudmunson's Park property at the end of the crop year.

The Hymnals were first put on the market two weeks ago, and proved so popular that over a million have been ordered. These new books were purchased through the Memorial Fund of the Community Church.
