## JULIAETTA DOINGS IN PAST WEEK

MRS. WM. LUBLOW  
Phone 276-3506

### Take Part In Fair Activities

Leonard Eckman, captain of the Juliaetta Volunteer Fire Dept., and Eugene Taylor, department member, participated in an exhibit on the "Extinguishing of Gasoline Fires" at the Latah County Fair last Thursday, Sept. 15. They worked in cooperation with members of other Volunteer Fire departments.

### Firemen To Meet Monday

The Juliaetta Volunteer Fire Department will meet at the City Hall next Monday evening, Sept. 26. All members are urged to attend.

### Showing Improvement

Mrs. Ted Peters and Paula, Mr. and Mrs. Jack Browning and Mr. and Mrs. Tom Peters drove to Walla Walla Sunday to see Ted Peters, a patient in the Veterans Hospital there.

Mrs. Peters says he now responds to them — seems worried, and cries — and the doctors say it is a good sign.

He has been in a semi-coma for several weeks now, following the sting of a honey bee on his neck.

### Home On Leave

Pfc. Wm. L. Bunch, USMC, son of Mr. and Mrs. Harlen Bunch, is now on leave, and visiting with home folk. He leaves Sept. 23rd for Aviation School at Memphis, Tenn.

### Eighty-eight Years Young

Mrs. Mary Ottosen was congratulated by a large number of friends and relatives last Wednesday, Sept. 14th, her 88th birthday anniversary.

Mr. and Mrs. Eben Adams, Mrs. Herda Gunther, Moscow, and Mrs. Ollie Buckalew, Palouse, all former Juliaetta residents, joined friends from Juliaetta and Kendrick to wish Mrs. Ottosen many more happy birthdays. She received many gifts, cards and phone calls.

Mrs. Ottosen, who has been totally blind for nearly ten years, remains alert and active. Her main pleasure is following news and sports on the radio.

Her daughter, Mrs. Cecil Gruell, with whom she makes her home, served birthday cake and ice cream to the guests.

### Foot In Cast

Cecil Gruell suffered a painful injury to his left ankle a week ago Saturday, when he jumped to the ground from the high side boards of a cattle truck. The ankle was badly sprained and ligaments torn. His foot was placed in a cast for at least three weeks.

### Home Getting "New Look"

The George Eggers home is getting a new look these days. Dwayne Eggers of Missoula, Mont., is here for a few days helping to apply the new siding. The house will have a very attractive appearance when finished.

### Celebrate 47th Anniversary

Mr. and Mrs. Gary Eggers, Bovill, helped his parents, Mr. and Mrs. Geo. Eggers celebrate their 47th wedding anniversary by taking them to the Lumberjack Days at the Orofino Fair.

Mrs. Lura Nelson was also a guest.

### Other News

Mrs. Sperm Schrock of Lewiston was a Sunday dinner guest of Mr. and Mrs. DeWitt Penland.

Sunday afternoon callers in the W. L. Candler home were Bob Chiberg, Allen and Darlene of Cedar ridge.

Mr. and Mrs. Willard Bowen were Sunday dinner guests of Mr. and Mrs. Ben Weatherby at Lewiston. The Weatherbys are former residents of Juliaetta.

Mr. and Mrs. Arlie Allen, Mrs. David Peterson, Mrs. Carl Baden and Mrs. Dick Cuddy drove to Moscow Saturday afternoon to attend the District Orient Meeting of the Seventh Day Adventists at the Moscow Jr. Academy.

Mr. and Mrs. James Morley and daughter Penny have moved to the Werner Brammer house from Elk City. He will be the new sawyer at the Gem State Lumber Co. mill here. Penny has enrolled as a senior in Kendrick High school.

Wednesday Mrs. Floyd Miller and Mrs. Wm. Lublow visited the new Children's Home at Lewiston, and toured the Senior Boys Dept.

A district Sunday School rally was held Wednesday evening at the First Church of the Nazarene in Lewiston. Several car loads of young people attended from here.

Nancy and Bob Hilliard left Saturday for Northwest Nazarene College at Nampa. Burton Bowen will leave for there next Friday.

The Twin City Pals held an auction sale last Tuesday. The proceeds will be used for the next Club project.

Mrs. M. C. Halliday, Ruth Leland, Mrs. Maeci Nye and Mrs. Clarence Dougherty attended the Fair at Moscow, Friday. They visited with six friends at the Latah Nursing Home.

Mrs. Nessie Grandburg of Seattle

## GEM STATE LUMBER CO. BUSY PLACE

Installation of the new Beloit Debarker is being completed at the present time at the Gem State Lumber Company in Juliaetta. Construction is now underway on the long log deck that feeds the logs to the debarker.

The dry kiln has been in operation for about a month, and results are said to be quite satisfactory.

The sawmill is running two shifts a day. The sawyers are Eud Holt of Big Bear ridge, who has been employed there for a number of years, and Jim Morley, who is new to this area. Mr. Morley was previously employed as a sawyer for Shearer Lumber Co. at Elk City. The Morleys now reside at Juliaetta.

## ELSIE HEIMGARTNER, AREA PIONEER, DIES THURSDAY, SEPT. 15

Mrs. Elsie M. Heimgartner, 53, a resident of the Juliaetta and Stony Point area all her life, died at the family home on Potlatch ridge at midnight, Thursday, Sept. 15, after suffering a stroke.

Mrs. Heimgartner was born on July 12, 1913, on Potlatch ridge, a daughter of Mr. and Mrs. William Zumhove. She was united in marriage to Leslie Heimgartner on May 10, 1933, at Lewiston. They made their home near Juliaetta.

She was a member of the Lutheran Church and of the Lutheran A. L. C. W.

Survivors include her husband at the family home; a son, Robert Heimgartner, Yakima, Wash.; two daughters, Mrs. Marie Straw of Mountain Home, Idaho, and Elaine Heimgartner, Juliaetta; her mother, Mrs. Magleana Zumhove, and a brother, Walter Zumhove, also of Juliaetta, and five grandchildren.

Funeral services were held at 2:00 p. m. Monday at the Brower-Wann Memorial Chapel in Lewiston, with Rev. Theo Meske, pastor of the Juliaetta Lutheran Church conducting. Mrs. Jack Lohman sang hymns, accompanied at the organ by Mrs. Oscar Slind.

Active pallbearers were cousins, Adolph Denner, Walter Denner, Tom Denner, George Denner, Ernest Denner and William Straw. Honorary bearers were brothers-in-law: Roy, Everett, Wayne, Lawrence and Elmer Heimgartner, and Bill Harri.

Interment was in the Lewis-Clark Memorial Gardens, Lewiston.

## COLLECTORS MEET

A meeting of the Watch and Clock Collectors' Chapter was held at the home of Mr. and Mrs. Herman Schupfer, Sunday afternoon.

Twenty-four people from Pasco, Walla Walla, Spokane, Lewiston, and surrounding areas attended. Many brought interesting clocks, watches and other items to display and discuss.

and her brother, Harold Roberts of Moscow, called on Mrs. Maude Dougherty Tuesday of last week.

Mr. and Mrs. J. M. Murray attended the Latah County Fair at Moscow Saturday afternoon. Their grandson, Ray Granlund, Troy, won the Grand Championship with his fat steer.

Mr. and Mrs. Jack Mabbott and daughter Judy Jaye of Connell, Wn., visited from Thursday until Sunday with relatives here in Juliaetta, and Kendrick.

Mrs. Donna Burch and sons and Mrs. Jeannie Selzer and son, all of Pierce, visited Saturday with Mrs. Burch's parents, Mr. and Mrs. Ervin Mabbott.

On a hunting trip near Elk City this past week-end Mrs. Tom Mabbott had the good luck to bag a five-point bull elk. She was in a hunting party of eight, and was really thrilled with her "beginners luck."

## EVENTS OF INTEREST AT K. H. S. PAST AND COMING WEEK

### Tigers Defeat Prairie 51-7

The Tigers of Kendrick High School took the measure of the Prairie Pirates at Cottonwood Friday afternoon by a score of 51 to 7 in District 2 Eight-man football competition.

The Tigers scored early in the opening stanza after an intercepted forward pass gave them the ball on Prairie's 44-yard line.

A 43-yard pass and run play put the ball on the Prairie one-yard line where Gary Craig carried it over for the touchdown. Ken Heimgartner went over for the point after.

The Tigers added still another touchdown in the first quarter when Craig hit Gary Pea on a roll out pass that covered 70 yards. Burt Kimbley kicked the extra point.

The Tigers held a 20-0 lead by the half-time, after Craig passed to Bill Ball on a 78-yard pass and run combination.

A blocked punt, a pass and an off-tackle dash added three more scores to the Tiger column in the third period. The longest was a 75-yard scoring effort that bore fruit when Craig passed to Pea, who lateraled to Kimbley and Kimbley carried the ball over.

In the fourth quarter two more passes netted Kendrick touchdowns before Prairie's Jim Weimer ran back a kickoff 75 yards, for his teams only score.

### To Play At Home Friday

Local fans will have their first opportunity to see the Tigers in action on the home field this Friday evening at 7:30, when Coach Hall's boys will tangle with Nez Perce under the lights at Muscat Field.

### Pictures To Be Taken

School pictures will be taken at the Grade School, Junior High and High School, Thursday, September 22nd. Leo's Studio of Spokane will be taking the pictures.

### National Assemblies Program

Friday morning at 9:00, the first National School Assembly program will be held at the High school. Dr. Yong Park, from Manchuria, will be the speaker. He received his Doctorate degree from Harvard, and has written a book titled "America and Its Perspective." This will also be the topic of his speech.

### New Tables For Cafeteria

New tables arrived last week for the Elementary School cafeteria at Juliaetta. They are very attractive and add much to the appearance and utility of the room.

### Pep Rally Scheduled

As a prelude to Friday's home football game with Nezperce, a Pep Assembly will be held Friday afternoon, down town, in the Kendrick park.

### F. F. A. Is Busy Group

The F. F. A. held a meeting on Sept. 13th to initiate Greenhands. Those initiated were: Dave Klatt, Ronnie Dammarell, Rick Candler, Steve Howerton, Tom Kimbley, Nel, Sneve, Bob Allen, Stan Clayton, LeRoy Sprout, Ron Jones, Jim Fey, David Bateman, Tom Polumsky and Jerry Galloway.

October 8th was the date set for the annual F. F. A. Sweetheart Dance. Candidates for Chapter Sweetheart are Penny Morley, Lesley Gold, Janie Fey and Joy Davis. On the same date a Land Judging contest and District Meeting will be held.

Those attending the Latah County Fair and receiving ribbons were: Cliff Lukehart, fat lamb, red ribbon; Mike Holt, fat lamb, red ribbon; Gary Draper, fat lamb and breeding ewe, two red ribbons; Joe Guier, feeder steer, red ribbon; Charles Lyons, fat steer, white ribbon; Mark Heimgartner, fat steer, blue and red ribbons; Dennis Deobald, fat steer, white ribbon; Von Zumhove, feeder steer, red ribbon. The Chapter's fair booth, entitled "Vocational Agriculture Shop Program" won a red ribbon. Everyone received a great deal of experience, and are waiting for another chance next year.

All F. F. A. members are bringing in apples, and with the use of Don Hepler's cider press, grinding the apples and making cider.

## BEAR PROTECTED

Boise — Notice is hereby given that due to the vulnerability of bear, caused by the recent dry conditions in Idaho timberlands, the following emergency closure is hereby ordered:

"It shall be unlawful to pursue, hunt, shoot, capture, trap or kill or attempt any of the above within 200 yards of the perimeter of any dump ground or public campground within the State of Idaho, from Sept. 17, 1966, to December 31, 1966. — Robert Salter, Asst. Director, Idaho State Fish and Game Dept.

## LIONS TO MEET

The Kendrick Community Lions Club will begin their regular meetings next Wednesday evening, Sept. 28th, with a 6:45 dinner at the Kendrick Fire Hall.

Clair Reed, president, asks that all Lions be present to really get the winter season underway.

## JANET COULTER AND KEVIN CRAWFORD WED AT COEUR D'ALENE, SUNDAY, AUG. 28

## CRAIG D. LEWIS, 10, DIES SAT., SEPT. 17

Craig Douglas Lewis, 10, died at the family home at Kendrick Saturday morning, Sept. 17, at 4:10 a. m. He had been ill for two and a half months.

He was born at Moscow, Sept. 6, 1956, and had lived all his life at Kendrick. He was in the fifth grade at the Juliaetta Elementary School. Craig was a member of the Kendrick Community Church and active in the Cub Scouts.

Surviving are his parents, Mr. and Mrs. Norman F. Lewis, Kendrick; two sisters, Karen Diane Lewis and Janet Kristine Lewis, Kendrick; paternal grandparents, Mr. and Mrs. Virgil B. Lewis, Juliaetta; maternal grandparents, Mr. and Mrs. James D. Archibald, Troy, Idaho, and maternal great-grandmother, Mrs. Marian McElroy, Moscow.

Private graveside services for the family were held at the Kendrick Cemetery at 2:00 p. m. Monday, with Rev. David Zaske, pastor of the Kendrick Community Church officiating.

Memorials may be made to the Kendrick Community Church Memorial Fund or to the Lewiston Children's Home, Short's Chapel, Moscow, was in charge of arrangements.

## WEATHER WARM, DRY, FOR WEEK-END

Disappointment was the rule for last week-end, as the hoped for rain failed to materialize, and the weather continued warm and dry — in fact, "hot for this time of year."

Woods and fields were tinder dry the rain of last Tuesday doing but very little to alleviate the deep-dry dryness of the area.

Wednesday the temperature began to rise, recording 66 degrees.

Thursday was a bit warmer, with a reading of 72 degrees.

Friday "old sol" did still better, and the reading was 82 degrees.

Saturday, under cloudless skies, a reading of 91 degrees was recorded.

Sunday it was a bit milder, with a reading of 84 degrees.

The Potlatch river is the lowest it has ever been in the memory of many long-time residents, and it will take a lot of rain to raise it even to its average level for this time of the year.

Several local cattle raisers are beginning to worry about water for their animals, not only those grazing in the forest, but those who depend on ponds.

Some farmers are plowing, "let the clods be what they may," but others prefer to wait for rain, so that all land working may be done simultaneously.

Monday, under all but cloudless skies, the mercury recorded 78 degrees, and the evening was warm well into the night hours.

## SOUTHWICK CHATTER

MRS. CHARLES KLATT  
Phone 289-5237

### On The Weather

Last Tuesday evening we had what could be called "an old fashioned" storm. There were tremendous claps of thunder that seemed to shake the ground — hail in some areas — and then rain. The rain was a downpour at first, but changed to a steady fall. Mother Nature put on quite a show, but the moisture was greatly appreciated.

### Guest Speaker at Church

Rev. Arthur Twist from Moscow will be the guest speaker at the Southwick Community Church this coming Sunday morning. Everyone is cordially invited.

### Other News

## FACTORY WITHOUT A ROOF

UNDER THE MAGIC TOUCH OF NATURE, seedlings grow into great trees that reseed themselves.

BUT, IN THESE DAYS OF EXPLODING POPULATIONS and high living standards, nature, alone, is unable to furnish our needs completely. So man, has learned to make our forests even more healthy, productive. He has created a great industry that has expanded employment and payrolls, providing all of us with a better life.

IT IS A MASTER PLAN called tree farming. It means much more than selective planting and careful harvesting. Tree farming is aerial photography, ground surveys and electronic computers.

TREE FARMING TAKES FORESTERS, scientists and loggers to protect the forest from fire, insects and disease, to harvest tree crops, to control erosion, to provide food and shelter for wildlife, to develop accessible recreation for the public, while at the same time growing trees for tomorrow's forest product.

AS AMAZING AS OUR FORESTS is the wonder of tree farming.

IN A SENSE, our forests are more than trees . . . they are FACTORIES WITHOUT A ROOF.

**WOOL GROWERS ARE URGED TO VOTE**

All eligible wool growers were urged today to cast their ballots in the referendum on the wool and lamb market-development program. Clarence A. Jensen, Chairman, Agricultural Stabilization and Conservation Latah County Committee, said that he hopes for the most representative vote possible.

Growers eligible to vote are all those who have owned sheep or lambs 6 months of age or older for at least 30 consecutive days since last January 1.

The vote will be held at the ASCS county office(s) through September 23. Voting may be in person or by mail as soon as the ballots are received.

The vote will determine whether or not deductions will continue to be made from payments to producers under the wool program. These deductions finance a program of advertising, promotion, and related activities to enlarge or improve the market for wool and lamb. The promotion program is carried out under an agreement made between the Secretary of Agriculture and the American Sheep Producers Council (ASPC), a producer organization, as authorized by the National Wool Act.

A similar agreement has been in effect since the 1955 marketing year, following approval by growers voting in referendums. For the agreement to be extended through 1969, as authorized by law, the September referendum must show approval by at least two-thirds of the total number of producers voting or by producers having at least two-thirds of the volume of production represented by the total vote. If a new agreement is not approved by producers, no deductions will be withheld from payments on 1966 marketings, and ASPC programs will be continued only as long as the present reserve fund permits or until some other agreements may be approved by producers.

By approving the proposed new agreement, producers would authorize deductions from payments of up to 1 1/2 cents a pound on shorn wool and 7 1/2 cents a hundredweight on unshorn lambs, compared with 1 cent and 5 cents in the past. The higher deductions, recommended by most of the State and Regional member organizations of ASPC, would finance moderately expanded promotion programs for both wool and lamb.

The Chairman said that ballots have been mailed to all known wool and lamb producers by the ASCS county offices serving the county where the producer's farm or ranch headquarters is located, and this county office is where the ballots should be cast. Ballots may be mailed to the county office or delivered in person as soon as they are received. They should reach the office no later than the close of business on September 23 in order to be counted.

**FORD ANNOUNCES NEW WARRANTY**

Lewiston — Kay Hoff, president of Hoff Ford, Lewiston, this week announced that all purchasers of 1967 model Ford cars and light trucks will receive a 24-month or 24,000 mile basic vehicle warranty along with a 5-year or 50,000-mile warranty on the power train components, which include the engine, transmission, drive line and rear axle.

The new warranty, Mr. Hoff said, is the best the industry has to offer

and will be an important factor in backing up the superior performance which customers have come to expect from Ford cars and trucks.

The 24,000-mile warranty was pioneered by the Ford Motor Company on the Lincoln Continental, and was later extended to the entire vehicle line.

Terms of the new warranty provide that for 24 months or for 24,000 miles on the entire vehicle, whichever ever comes first, and for 5 years or 50,000 miles on the power train, whichever ever comes first, free replacement, including labor, will be made by authorized dealers of any

part with a defect in material or workmanship or materials.

**SHOSHONE FALLS IS 212 FEET IN HEIGHT**

Higher than Niagara, Shoshone, on the Snake River, near Twin Falls, plunges over a basalt rim nearly a

thousand feet wide and drops two hundred and twelve feet. Water used for irrigation robs the falls of much of their force and grandeur at some seasons. With this irrigation however, the people of Twin Falls County have succeeded in raising fabulous crops of wheat, grains, and alfalfa as well as fruits and vegetables demonstrating the fertility of the otherwise arid land.

with the establishment of the Halliday Stage Line in 1863 which stopped at the "Home Station" at Rockcreek, the first building in the county.

This is good hunting country with big game, duck, pheasants, sage birds and other birds in season. The climate is mild in winter and hot enough in the summer for pleasant activities.

CORNER MAIN & TROY HIGHWAY  
116 E. 2nd MOSCOW, IDAHO TU 2-1489  
WHERE GOOD WILL IS IMPORTANT

**A NEW ERA IN TRANSPORTATION**

The week of September 18-24 has been designated as National Highway week. With the object of improving the public's understanding of

highway needs and benefits, highway officials across the Nation are planning press conferences, speeches, radio and TV appearances and a variety of other public information activities.

Roads and streets are so ubiquitous in everyday life that the average citizen can be pardoned for tak-

ing them for granted and for assuming that this is one subject, at least in which he needs little further education.

On the other hand, because roads are such a pervasive part of everyone's daily life, highway progress is a matter of major importance to all of us. Comfort and convenience in travel, economic growth, and the health and safety of thousands upon thousands of Americans all depend on our ability to keep pace in highway development with the continued growth of automobile and truck traffic.

Because roads and streets are everywhere -- everywhere, at least, where people live -- it is important to blend them into our rural landscapes and our cityscapes. Generally, a road should be as unobtrusive as possible. We simply don't have room for monumental roads. From the standpoint of drivers and passengers, a road should present a series of pleasing vistas, not so dull as to lull him to sleep.

Expressways -- a necessity for the

movement of today's traffic volumes -- should be located so that they can play a supporting role in the development of residential, industrial and commercial neighborhoods.

In short, we expect the road to be more than a road. It should be a tool in the revitalization of our cities and the preservation of the countryside.

An understanding of these broader functions of the highway is an important objective of National Highway Week.

**DODGE ANNOUNCES NEW '66 MODELS**

Lewiston — Dodge revealed a double surprise package this week — completely restyled versions of its two "prestige" models — the 1967 Polara and Monaco.

"Longer, lower profiles, a semi-fastback roof for hardtop models and high-style front and rear end treatments strengthen their roles as the luxury leaders of the Dodge line," Ken Stanford said.

In addition to the unexpected exterior styling changes, the new Polaras and Monacos boast strikingly new interiors, too. The result is a combination of beauty, comfort and performance unmatched in the medium priced field.

New "body sculpture" sheet metal on the '67's blend with crisp, angular front ends and a rakish rear-deck treatment for the "big car" look in a total of 15 models and six body styles.

The new Polaras and Monacos are half a foot longer overall than their 1966 counterparts, with 122-inch wheelbases this year for better riding and handling. A new recessed grille and delta-shaped tail lights set flush into a tapered rear deck lend a tone of elegance and motion to both models.

Extra luxury with sporty-car flavor is offered again in two bucket-seat, floor console and fancy trim versions — the Monaco 500 and the Polara 500. Bucket seats are also available in the Monaco 4-door hardtop and, for the first time, in Monaco station wagons.

The 117-inch wheelbase Coronet model has been expanded to include a new series called the Coronet R/T (indicating its ability to perform on the road or track) which is powered by an all-new, high-performance V-8 "440 Magnum." Basic body design on the Coronet Deluxe, Coronet 440 and Coronet 500 lines is an evolution of last year's crisp, sculptured lines.

High style changes in the 1967 Dart include new side sheet metal with a crisp, sculptured treatment; a distinctive, recessed grille; delta-shaped tail lights; a new roof line; curved side panels and a unique concave backlight. It will be offered in 12 models and four body styles.

There's no substitute for a good breakfast. You'll find all the items at Blewett's, in Kendrick. adv

Six Distinct Car Lines for Chevrolet in 1967

Five 1967 Chevrolet models appear to be stanaing at attention as the Camero, newest member of the family, makes its introductory bow to the public (foreground). While each Chevrolet model has distinctive styling motifs, the all new Camaro features a new approach to the "long hood-short deck" design so successfully introduced to U. S. buyers by the Corvette. All Chevrolet built passenger cars go on public display at dealers on September 29.

LIKE KENDRICK

Clair Reed, president of the Kendrick Community Lions Club received the following letter, under date of Sept. 16 - which is completely self-explanatory: "On Aug. 27 we were in your town. Our pickup broke down while towing a trail horse, and your townspeople were so hospitable we would like to congratulate you for having them. One mechanic worked on our pickup for 3 1/2 hours Sunday morning in order to get it fixed. The parts we needed were located, and my husband was driven around town to find the trailer court owner, where we were told to 'just pull in, hook up to what you need - no charge.' "We certainly appreciated all this as it is a long way home when you are broken down. "If you have a local paper we would like this printed, as we surely feel you have a wonderful little town. "Thanks again. - Mr. and Mrs. Charles Needles and Mrs. Jack Freisen, Cascade, Idaho."

Clair Reed, president of the Kendrick Community Lions Club received the following letter, under date of Sept. 16 - which is completely self-explanatory: "On Aug. 27 we were in your town. Our pickup broke down while towing a trail horse, and your townspeople were so hospitable we would like to congratulate you for having them. One mechanic worked on our pickup for 3 1/2 hours Sunday morning in order to get it fixed. The parts we needed were located, and my husband was driven around town to find the trailer court owner, where we were told to 'just pull in, hook up to what you need - no charge.' "We certainly appreciated all this as it is a long way home when you are broken down. "If you have a local paper we would like this printed, as we surely feel you have a wonderful little town. "Thanks again. - Mr. and Mrs. Charles Needles and Mrs. Jack Freisen, Cascade, Idaho."

WRITES FROM CAL.

In a brief note accompanying a subscription renewal, E. E. (Gene) Groseclose, now at Alameda, Calif., said in part: "Seems you are having California weather along the Potlatch in Idaho, and it's cold here in California, even in the San Joaquin valley. "I've taken up shooting doves and pigeons here in California. About the only kind you can do. "Only buck deer I've seen here in California was on a private ranch in a gun club area. One really appreciates Idaho open hunting after you've been here a while. "On my last visit home it made me sad to find not a Chinese pheasant on either of my places down the canyon. I believe insecticide spraying for grasshoppers put the finishing touches to the Chinks, Huns and Bobwhites. However, a few California quail and chucks seem to have survived both spraying and fire on 'Squaw' or 'John Soumar' point at the end of Potlatch ridge in my back pasture."

BIRDS VERY, VERY SCARCE THIS YEAR

From all information coming into the Gazette office, birds will be very, very scarce this year, particularly in the Chinese pheasant line. In fact, the latter specie is said to be all but "extinct" this year. Farmers on two of our ridges said "no birds this year." Said one: "I just haven't seen any Chinks at all this year. But I guess it really doesn't matter - for by the time the so-called dove and partridge seasons are over everything that moves is killed off anyway. Last year I had two fine bunches of Chinks - and three days after the 'dove season' opened all I had was a pile of empty shotgun shells! It just makes you sick the rotten sportsmanship that is displayed - and the apparent inability of the Fish and Game Department to do anything about it." Said the other farmer: "Birds? Are you kidding? Last year the dove hunters completely cleaned my place, and I haven't had a chink or a hun since! And since they moved the game farm to south Idaho there never will be any birds in 'this area again. I'd love to meet the guy who invented this dove season and really give him a piece of my mind!"

Other News Mr. and Mrs. Elmer Weaver and baby, Lewiston, were week-end guests of Mr. and Mrs. Sam Weaver and Cheryl, Sunday Mr. and Mrs. Richard Schliefer and Pamela Hall, Lewiston, were visitors. Mr. and Mrs. Jack Parsley and children visited with Mr. and Mrs. Chas. Candler at Lewiston, Saturday evening.

LATAH COUNTY HAS 914 FARMS NOW

A total of 914 farms was counted in Latah County during the 1964 Census of Agriculture, the U. S. Department of Agriculture announced. In the last previous Census of Agriculture (1959), the total counted in the county was 3,029 farms. The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 424.0 acres and that the average value of the county's farms (land and buildings) in 1964 was \$83,815. Other important county statistics in the report are: 1. Value of all crops sold by county farms in 1964, \$9,912,187; in 1959, \$8,052,994. 2. Value of all farm products sold by farms in the county in 1964, \$11,620,130; in 1959, \$9,876,238. 3. Value of all livestock and livestock products sold by county farms in 1964, \$1,706,948; in 1959, \$1,823,244. Information obtained for the first time in an agricultural census included the amount of income received by the county's farmers from recreational services as well as data on the use of pest-control chemicals in the county in 1964.
