CHURCH TO OBSERVE 75TH ANNIVERSARY

The Cameron Emmanuel Lutheran Church, Cameron, Idaho, will observe its Diamond (75th) Anniversary on Sunday, Nov. 13th, with a full day of observance planned. Morning services will be at 10:45 with Pastor Judson Crary, assistant to the district president of the North Pacific District American Lutheran Church, as the guest speaker.

CHARLES SCHULTZ, AREA PIONEER, DIES AT JULIAETTA SAT.

Charles Schultz, 82, a pioneer of the Cameron area, died at the family home in Juliaetta, Saturday, Nov. 5, at 5:30 a. m., of the infirmities of age.

Mr. Schultz was born Nov. 15, 1883, in Bluseth County, Minn. He came west as a young man and farmed in the Cameron district for 35 years, retiring in 1945, and moving to Juliaetta where he had since made his home.

He was married to Hanna Gladden at Moscow, Nov. 12, 1912. She survives him at the family home.

Other survivors include two daughters, Mrs. Raymond Steen of San Carlos, Calif., and Mrs. Gerald (Viola) Schmidt, Kendrick; three brothers, Fred Schultz and John Schultz, both of Dutton, Mont., and Albert Schultz of Lewiston, Idaho; a sister, Mrs. Emma Hodges, Dutton, Mont.; six grandchildren and two great-grandchildren.

Funeral services were held at the Juliaetta Methodist Church, Wednesday, Nov. 9, at 2:00 p. m., with the Rev. David Zaske, officiating. Interment was in the Juliaetta Cemetery, with Short's Funeral Chapel of Moscow in charge.

TO HOSPITAL

Paul Supple entered the St. Joseph's Hospital at Lewiston, Monday. He is undergoing diagnosis.

The services will be followed with a pot-luck dinner at noon in the social rooms.

At 2:30 p. m. there will be a program, with Rev. Sherwin Schmidt, a true son of the congregation, giving an address. There will be musical numbers fitting to the occasion.

The program will be followed by a coffee hour.

Above is pictured the new Cameron Emmanuel Lutheran Church, completed in 1965, in which all events of the day will take place.

MISS ANN CUDDY DIES AT SEATTLE

Miss Ann Cuddy, 38, a native of Southwick and Cedar ridge, died at Seattle Wednesday morning, Nov. 2 at 5:30 o'clock after a sudden illness. She was a secretary for the Willner's Department Stores at Seattle.

Her parents, Mr. and Mrs. C. A. Cuddy of Southwick and two brothers, David of Lewiston and Charles of Orofino, went to Seattle on Tuesday when notified of her illness. Other survivors, who later went to Seattle were a sister and her husband, Mr. and Mrs. Leonard (Virginia) Cole, and a brother, J. Rollin Cuddy, all of Lewiston, and several nieces and nephews.

She was born at Southwick on March 8, 1928, where she resided until moving to Seattle in 1953. Miss Cuddy was a graduate of Kendrick High School.

Funeral services were held Saturday afternoon at 2:00 o'clock at the Brower-Wann Memorial Chapel, with Rev. C. Richard Boyd of the Lewiston Methodist Church officiating. Organist was Mrs. Adeline Puckett and soloist was Duane Meske, who sang "Lead Kindly Light" and "In The Garden."

Pallbearers were Elmer Cuddy, James Holt and Rollin Armitage of Southwick; Phil Southwick of Princeton, and Edwin E. Hanks and Harry Johnson, both of Lewiston. Interment was in Normal Hill Cemetery.

Miss Cuddy's uncle and nephew, William Winters and son David, both of Corning, Calif., came to attend the funeral.

OPEN HOUSE HELD

Mr. and Mrs. Arnold Wallace, now of Othello, Wash., were honor guests at an Open House, at their home, on Sunday afternoon, in celebration of their 25th wedding anniversary. Their four children were hosts for the occasion.

Among those attending from here were Mr. and Mrs. Oral Craig, Mr. and Mrs. Bill Weyen and Debbie, Mr. and Mrs. Wayne Harris and family, Neal Craig, and Mr. and Mrs. Ronald Craig, the latter of Lewiston.

EVENTS OF INTEREST AT K. H. S. PAST AND COMING WEEK

Tigers Defeat Trojans 45-20

In the final game of the 1966 football season the Kendrick Tigers broke open a tight District II eight-man football contest here in the second half, and went on to win a 45-20 victory over the Trojans of Troy Friday evening under the lights.

The win gave Kendrick a 7-2 record and a tie with Troy and Genesee for second place in the District II eight-man football league.

Senior Ken Heimgartner, playing his final game, scored five touchdowns to lead the Tigers, who broke a 20-20 tie midway in the third quarter.

Troy opened the scoring when Mike Strom hit Ken Sexton with a 47-yard pass to give the Trojans a 6-0 lead. The try for point failed.

Gary Craig connected with Burt Kimbley with a 16-yard scoring pass in the second quarter for Kendrick, and Craig plunged for the extra point.

A Craig to Bill Ball pass to Heimgartner lateral was good for 35 yards and another Tiger score, and Kimbley added the extra point.

Troy, however, came to life, and Strom connected with Bob Parkins for a 15-yard touchdown and Bill Sexton added the conversion as the gun sounded ending the half, 14-13 in favor of Kendrick.

The Trojans' Bill Sexton took the second half kickoff and raced 70 yards for a touchdown, and Bob Parkins ran the extra point.

From then on it was all Kendrick, as Heimgartner scored on runs of eight and 36 yards to give the Tigers a 32-20 lead at the end of the third quarter.

A Craig to Ball to Heimgartner lateral pass play was good for 24 and 36 yards and touchdowns in the fourth quarter.

THIEVES BUSY OVER WEEK-END HERE

Car Is Stolen — Found
A thief or thieves were very busy in Kendrick over the week-end of Nov. 5-7, with quite a variety of items missing.

Late Saturday evening an F-85 Oldsmobile sport coupe belonging to Mr. and Mrs. Arnie Zumhofs was stolen from where it was parked near their apartment in the Brocke Apartments in the west part of town. The vehicle was found apparently undamaged, about 6:00 o'clock Monday morning, Nov. 7, across the railroad tracks at the rear of the Giff Candler home in the west part of town. The gas tank was empty.

Car Burglarized

Saturday evening, Nov. 5, between 6:00 and 7:00 o'clock the car belonging to Mr. and Mrs. Darrel Brocke, and parked at the rear of the George F. Brocke, Sr., home was broken into and several articles, including a hunting knife, a hatchet, a leather ammunition belt full of .270 rifle shells, a Robner electric tester, a set of 1/2-inch sockets and a plastic container with a small socket and screwdriver set as contents, taken.

Rifles Stolen Sunday Afternoon

Sunday afternoon Nov. 6, sometimes between 2:00 and 4:00 o'clock a Model 777 Winchester 22 rifle with a Weaver scope sight, and a 300 Savage rifle with Tasco scope sight were stolen from the pickup truck of Albert Clemenhagen, parked on Main Street — parked between the First Security Bank and the Antelope Inn.

Value Not Yet Set

A dollars and cents value has not as yet, to our knowledge, been placed on the stolen and un-recovered items — but it would run into quite a few dollars.

The thefts are being investigated by E. M. White, Chas. Klatt and the Latah county sheriff's office.

MANY DO NOT LIKE 'NEW TIME'

Since the return to this area of Pacific Standard Time on October 30th, there has been a great deal of dissatisfaction expressed — for workers now go home in the dark, whereas, under Daylight Saving Time, they went home in the daylight hours, and perhaps had a little time to do something about their home, yard and flower beds.

You hear: "I don't have any use for this early morning daylight — I prefer mine in the evening."

And: "I can't see where anybody gained anything by going back to Standard Time, it put the daylight hours on the wrong end."

And: "Give me back my evening light — these winter days are long enough anyway."

It seems to us that this area is, for location and nature, tied far more closely to Mountain Time or, if you prefer, to Daylight Saving Time than to the present "Pacific Standard Time." Why the switch is necessary, when we were doing very well, is not understandable. Let's get together and ask legislative action to keep "Daylight Saving Time" as our time standard.

RAIN AND CHILL FOLLOWS SUMMER

Following a week of the most beautiful "Indian Summer" weather that anyone could imagine — a week which ended with a sharp frost (28 degrees) — rain began falling Saturday morning in a steady drizzle that discouraged those planning to use the day to clean up leaves — or fish or hunt.

The sharp frost of Friday morning really brought the leaves tumbling down. So fast did they fall from the big locust trees that line Main Street, that they looked like falling snow in the bright sunlight. By evening, many of the trees were bare, others carried leaves only on the protected bottom limbs.

The frost put an end to the colorful beauty of the hillsides, bringing down the bright red, yellow and pale green leaves on trees and brush.

But come what may, here it is the second week of November — and we have had a truly beautiful fall — even though more rain would have been most welcome to farmers and cattlemen — and even by the loggers.

Being born poor need not be a permanent handicap, but only hard work will erase it.

SALMON HATCHING

Boise — Salmon hatching channel on Running Creek, a tributary of the Selway river, is enlarged by workmen of the Idaho Fish and Game department as part of the Clearwater re-introduction program for chinook salmon, which was started in 1961. Plastic sheeting will serve as lining for artificial hatching channel. The program will be continued through eight years, or two salmon life cycles whenever eggs are available from the Bonneville station and the salmon

escapement to Idaho is enough to make egg-taking feasible.

About 1 1/4 million eggs were taken from holding ponds this year at Bear Valley, Decker Flat and the Lemhi river, and another million were received from the federal hatchery on the lower Columbia river. They were partially hatched at the egg-eying station near Lewiston.

Let us trim, cut, wrap and care for your meat. We'll do it the way you want it. And we'll make salomi for you, too. Blewett's Market, Kendrick. Adv

MONITORING SET

A satellite monitoring station is being built at Pennsylvania State University to "pull" messages from the sky and teach us more about the physics and chemistry of space and the atmosphere. The station will be able to pick up signals from most of the satellites passing over the U. S. A.

WATCH SUNGLASSES

Spokane — One of the most dangerous driving practices is wearing sunglasses at night, say traffic experts. "Motorists sometimes foolishly think the way to reduce headlight glare is to wear sunglasses, but this practice can be deadly," say the experts.

Tinted glasses can be very helpful in bright sunlight, but when worn at night, particularly if the windshield is tinted, they decrease the already limited amount of light reaching your eyes. Anything that reduces night glare also reduces visual acuity.

Waltz through washday

WASH AND DRY THOSE WRINKLES GOODBYE!

Thanks to the new "Permanent Press" fabrics and modern laundry methods you'll save hours of ironing. "Permanent Press" garments iron themselves as they tumble-dry in the automatic electric dryer.

Proper laundering is important with "Permanent Press" fabrics. Line drying just won't do because "Permanent Press" materials need a measured amount of heat and a gradual "cool-down" period—best done in the tumble-drying action of an electric dryer.

Many new electric washers and dryers have special settings that make handling of the new miracle fabrics fully automatic. With just the push of a button you can "wash and dry those wrinkles goodbye!"

Waltz through Washday!

See an Electrical League Dealer today for tips on how you too, can waltz through washday with new modern fabrics and a time-saving automatic electric washer and dryer team.

CHINK SEASON AT END, NO BIRDS

As the Chinese pheasant season nears its end — Nov. 13th — nimrods in this area echo the reports coming from Lewiston, Moscow, and other surrounding areas — no birds. Talks with local hunters have served to bring into sharp focus the fact that since the Lapwai Game Farm was discontinued some years ago birds have been growing scarcer and scarcer. Of course this absence of planted birds has been one of the main causes, but another is the so-called "dove season," which allows poachers to take to the fields and highways, and the few Chinks that nature has provided become history before the real bird season opens.

Local sportsmen are at a loss to understand why the farm was discontinued (we were told it was for "economy reasons"), and birds from south Idaho would be planted. Evidently someone forgot their promises!

The "economy" doesn't register with local sportsmen, for the Fish and Game Commission seems to have plenty of money to purchase ground, particularly in south Idaho, fence it for deer pasture, etc., save fish from irrigation ditches, etc.

Most local sportsmen believe this commission needs a "thorough house-cleaning!"

MANY TAKING THE DRIVER ED. COURSES

Spokane — More teen-agers are taking driver education courses than

ever before in history, according to the AAA, which reports that 1,780,700 youngsters enrolled in such classes during the last school year.

This compares with only 994,212 enrollees ten years ago.

At present the AAA club said, some 13,150 U. S. schools offer approved courses in driver education, and the total is rising every year, as more states adopt financial legislative aid for this training. Both Idaho and Washington states have programs which provide financial aid for driver education programs.

A recent survey of Inland Empire high schools showed more than 60 percent of high schools in the area are conducting driver education programs. Many of these schools provide special summer driver education programs when conflicts with other school and classroom activities do not exist.

The AA club warned that recent publicity on the need for safer cars should not eclipse the value of driver education in preventing highway accidents.

HOW MANY IN '66?

Wash., D. C. — A total of 90,356,748 motor vehicles were registered in the United States in 1965, an increase of 4.7 percent over the preceding year. Of the total 75,252,040 were passenger cars, 14,790,437 were pickups and trucks, and 314,271 were busses.

The total for 1966 is expected to run some millions over that figure.

There is no substitute for good food, and you will find every kind to tickle your palate at Blewett's Grocery in Kendrick. **adv**

TO HOLD SHOW

"Carol for Another Christmas" is the name of a film being shown at the Kendrick Theater this Sunday evening at 7:30. The film is a Rod Serling adaptation of Charles Dickens' "A Christmas Carol," done in a very modern way. The purpose is to dramatize the purpose and efforts of the United Nations, but is done in story form. It is sponsored by the Kendrick Community Church and any money raised will be used in church studies.

CEDAR RIDGE AND LINDEN MRS. ROBERT PRATT

Friendly Neighbor Club The Friendly Neighbor Club met on Thursday, Nov. 3, instead of the previously announced Wednesday, for an all day session, at the Gold Hill Hall. Mrs. Billy Wilson was hostess.

Members cleaned the hall and hung new curtains at the windows. Mrs. Neil Grinolds presided at the business meeting following a tasty pot-luck luncheon.

New officers for 1967 were elected as follows: Mrs. Marion Souders, president; Mrs. George Lyons, vice president; Mrs. Alva Craig, treasurer; Mrs. Elmer Cuddy, secretary. Members decided to again send gifts to the North Idaho Hospital at Orofino for Christmas gifts to the patients.

Please bring these to the Dec. 1 Club meeting. These might include cosmetics, games, cards, new clothing, craft supplies, costume jewelry, shaving supplies (except razor blades), yarn, thread. The gifts should be left unwrapped, but gift wrapping and tie may be included.

Further plans were discussed for the coming annual Christmas party for members and their families, and Dec. 10 was tentatively set as the date. Definite plans will be completed later.

Mrs. Neil Grinolds will be hostess at the next meeting, Dec. 1.

KENDETTA CLUB

Members of the Kendetta Junior Women's Club held a busy meeting Oct. 31 in the home of Mrs. Doug. Harris, with Mrs. Neil Grinolds as co-hostess. Christmas articles were made for the coming cooked food sale set for Dec. 17.

Plans were made to have a baked food sale and turkey drawing on Saturday, Nov. 19, in the former bakery building, with all members to sell tickets. The next meeting will be at the Y. W. C. A. in Lewiston, Nov. 16, where members will observe new ways to make Christmas decorations.

EVERGREEN CLUB

The Evergreen Friendship Club will meet on Wednesday, Nov. 16, at 1:30 p. m. in the home of Mrs. A. O. Kanikkeberg, with Mrs. R. L. Blewett as co-hostess. The lesson will be "Wild Game Cookery." Roll call will be "Your Worst Boo-boo."

ALUMNI EVENING PLANNED BY L.C.N.S.

Lewiston — Lewis-Clark Normal School students are planning the school's first Alumni game for the first basketball game of the season, Nov. 22.

Graduates of the school when it was either a two-year or four-year institution, or under any of its former names, are invited to the game and pre-game tea which will be at 7:00 p. m. at the Student Union. Free tickets for the basketball game will be given to Alumni at the tea.

Names and addresses are desperately needed. The social committee of the Student Senate, which is planning the evening, requests anyone knowing the whereabouts of Alumni please send names and addresses to the office of Student Affairs, Lewis-Clark Normal School. Also, anyone interested in attending please write or call the office of Student Affairs, SH 3-9391, so it may be known how many to plan for the tea.

W. S. C. S. TO MEET

The November meeting of the Kendrick W. S. C. S. will be held at the Kendrick Community Church this Thursday, Nov. 10, at 2:00 p. m.

A play, "Two In A Trap," given by Mrs. Oakley Wallace and Mrs. Howard Hoffman, will be presented before the business meeting. Hostesses will be Mrs. Herman Schupfer, Mrs. W. A. Watts and Mrs. George F. Brocke, Sr.

STONY POINT ITEMS

MRS. GLEN STEVENS Phone 276-3312

Friendship Club The Friendship Club met Thursday with Mrs. Lois Johnston at Lenore and quilted a small quilt and did handwork. They signed a card for Mrs. Lena Zumhoffe, a member of the club, who is in Mountain Home with her granddaughter, Mrs. Marie Straw, at present. The Club will meet Nov. 17th with Mrs. Eldon Heimgartner.

Other News Mr. and Mrs. Wayne Heimgartner, Mr. and Mrs. Roy Heimgartner and Dale, Mr. and Mrs. Eldon Heimgartner, Larry Heimgartner, Mr. and Mrs. Marion Stevens, Lloyd Stevens, Pat Kerby, Mr. and Mrs. Lyle Kerby and Mr. and Mrs. Elton Anky were among Lapwai rooters attending Lapwai's football game with Meridian High School in Meridian, Friday evening. Although Lapwai lost the game 28 to 56, observers felt that Lapwai played a good game. The Heimgartner families stayed over-night and returned Saturday. Mrs. Effie Powell returned from a visit in Boise and Buhl Friday, and visited over the week-end in the Glen Stevens home.

About 175 friends greeted Mr. and Mrs. Leslie Maguire on the occasion of their Golden Wedding Anniversary, Sunday. A reception was held at the Cottonwood Creek Community Church.

Everett and Ronald Heimgartner were Sunday dinner guests in the Roy Heimgartner home. Th Raymond Heimgartner family called in the evening.

BIRTHDAY PARTY — Tammy Thompson celebrated her fifth birthday anniversary two days early, at a surprise party given by her older sister, Anita. Present were 12 of her little friends, and five mothers. OTHER ITEMS — Mr. and Mrs. Charley Stratton visited with Mrs. Jerry Smith Monday afternoon. Mr. and Mrs. Ted McKinney and sons were Sunday dinner guests at the Duane Thompson home, as were her uncle and aunt, Mr. and Mrs. Richard Wise.

FUNGUS THREATENS MANY TREE STANDS

U. of I. Moscow — The "Indian Paint Fungus" is causing major destruction in Idaho's grand fir and hemlock forest stands, and is a leading contender for Idaho's most important forest destroyer, according to Dr. Arthur D. Partridge, department of forest management. More than 60 percent of the grand fir stands are infected by the fungus which blankets the northern half of Idaho. Dr. Partridge said the fungus disease is the principal cause of volume and, therefore, of dollar loss in grand fir and hemlock forests.

He said the disease is native to Idaho and surrounding states, but the increased importance of grand fir and hemlock, once considered as "weed trees" to the wood products industry has brought about research to eliminate or control the disease. The University of Idaho College of Forestry, Wildlife and Range Sciences, Potlatch Forests, Inc., Inland Empire Paper Co., U. S. Forest Service and Idaho State Forest Service are embarking on their fourth year of cooperative research. Dr. Partridge said the use of antibiotics to control the disease has not proven effective. He said the most probable solution to the destruction of the disease is found in proper stand management. It is possible to predict potential infection under certain growing conditions, and it is possible to modify such conditions to reduce or eliminate loss of valuable trees.

New approaches are being taken to control the disease, he said. All aspects of grand fir and hemlock forest growth and development are being evaluated.

CAPITOL BUILDING

Boise — The first state capitol of Idaho was built in 1855 on the east side of the present Capitol, between Jefferson, State and 7th Streets. It was torn down in 1919 to make way for the present east wing, completed in 1920.

The present Capitol buildings, following the same classical style of architecture as our national capitol, was started in 1905 and finished in 1920 at an approximate cost of \$2,290,000.

Located in the heart of Boise, in the center of two city blocks, it covers 50,646 square feet, with over two acres of floor space. Idaho sandstone was used in facing the outside walls and Alaskan marble was used on the floors, staircases and trimmings. The inside walls are all Vermont marble. The vertical height from the dome, which is topped with a bronze eagle, down past the four grand staircases to the base, measures 195 feet.

The ceremonial entrance on Jefferson Street has a replica of the Liberty Bell, presented to Idaho by the United States Treasury department.

On the grounds are found three trees planted by Presidents making official visits to Idaho: A Water Oak planted by President Harrison on May 8, 1891; a Sugar Maple planted by President Theodore Roosevelt on May 28, 1903; and an Ohio Buckeye planted by President Taft on October 9, 1911.

Within the building several displays of art objects and exhibits pertaining to the history and economics of the state may be seen.

APPOINTED MARCH OF DIMES CHM.

Boise — James G. James of Boise has been appointed Idaho Chairman of the 1967 March of Dimes, Basil O'Connor, president of the voluntary health organization, announced this week from New York.

Mr. James will direct the enlistment and work of thousands of March of Dimes volunteers throughout this state during the traditional campaign in January to raise funds to combat birth defects and to do further research in this health area.

"It's time to get rid of the idea that birth defects strike only at 'other people' and 'other people's children,'" Mr. James said. "A birth defect can hit any family, rich or poor, any race, any nationality."

The Idaho chairman said that the March of Dimes, which led the successful offensive against polio, attacks birth defects by financing research and supporting 77 birth defect centers at major medical institutions throughout the United States.

2 1/4 MILLION 4-H'ers SCORE WITH 8 MILLION PROJECTS

MORE than 2 1/4 million 4-H boys and girls are expected to complete 8 million individual projects this year, an average of about four projects per member.

The statistics, supplied by the Cooperative Extension Service, represent a lot of ingenuity and initiative. All 4-H projects, meetings and events must be worked in among school, church, home chores and part-time jobs.

There are a possible 100 different projects or activities available to youngsters between 9 and 19 years old from coast to coast, depending on where they live, their needs, resources and interests. Most center around specific projects in foods, home improvement, safety, health, livestock, clothing, home and farm management, leadership and community service. Certain standards and goals have to be reached.

To group overall accomplishments into one recognition program, the Extension Service developed the national 4-H Achievement program. In this program, one boy and girl from each state is selected annually for having the most outstanding 4-H record. Fifty win trips to the National 4-H Club Congress in Chicago the first week of December. Twelve will receive national \$500 scholarships, and nearly 10,000 are expected to earn county achievement medals.

Sponsor of the achievement awards for the last 15 years is the Ford Motor Company Fund. During the 4-H Congress, Ford will host a luncheon and entertainment for the entire delegation of 2,300 delegates and guests.

Highlights of two 1965 winners' accomplishments are examples of what can be expected from the top 1966 records. An 18-year-old Alabama girl excelled in more than a dozen projects including food preservation, sewing, cooking, home improvement, dairy animals, demonstrations and exhibits.

She is now a sophomore at the University of Alabama. Her future goal is a medical career. A Colorado college student joined 4-H when he was 9. His first project was rabbits. By 1965 he had 15 steers in the herd lot, won top state honors in the field crops program and reserve champion beef showmanship award at the Intermountain Stock show.

Working with livestock influenced his desire to become a veterinarian.

A. L. C. W. Meeting

Thirteen ladies met last Tuesday afternoon for the regular meeting of the A. L. C. W. Plans were made for the "75th" Anniversary of the church, which will be observed on November 13th.

Diamond Anniversary

Next Sunday, Nov. 13th, will be a joyful occasion for all in Cameron — when the 75th or "Diamond Anniversary" of the congregation is observed. Rev. Cary and Dr. S. C. Siefkes will speak in the morning — followed with a pot-luck dinner in the church social room.

The program in the afternoon will begin at 2:30. There will be several musical numbers and an address by Rev. Sherwin Schmidt, followed by a coffee hour. Everyone is welcome — and bring a relative or friend.

All Aid members are asked to bring two dozen cookies.

Birthdays Honored
