### WRESTLING SPORT

Wrestling is a valuable high school and college sport and speculation about the effects of "making weight" - crash dieting and dehydration to get under competitive weight limits - shouldn't be allowed to eliminate it, says a University of Texas physical education professor. He concedes that taking off too many pounds too quickly can be harmful to young athletes, but says much more needs to be learned about the various practices of ob- NIVIVI TUINI IIIIN taining weight loss.
