JULIAETTA DOINGS IN PAST WEEK

MRS. WM. LUBLOW
Phone 276-3506

Sad News Received

Mr. and Mrs. Lloyd Candler received word recently that her grandson's wife, Mrs. Darrell Bowen, had been killed in a car accident Friday of last week. Mrs. Bowen and their two small children have been residing in Texas, while Darrell is serving in the Medical Corps of the Armed Forces in the Viet Nam war zone. As of latest report he has not been located. Further details are not known at this time.

Birthday Club Meets

The Birthday Club enjoyed supper Friday evening in the Lude Groseclose home. Members present were Mrs. L. Groseclose, Mrs. Rufus Fairfield, Mrs. Martin Shove, Mrs. Axel Swanson, Gertrude Pederson and Lura Nelson.

Fire Alarm Sounds

The fire alarm sounded at 9:45 p. m. last Thursday, signaling a fire in the Asa Cook, Jr., home. The blaze was extinguished easily, with only minor damage being suffered.

To Hospital

Mrs. Dan Dillman was taken to the Gritman Memorial Hospital at Moscow Saturday by the J-K Ambulance. Ervin Mabbott and Floyd Heimgartner were in charge of the ambulance.

Phone Number Same

The Ervin Mabbott phone number (village marshal) is the same as it was before they moved — 276-3801.

Released From Hospital

Mrs. Helen Groseclose was released from the hospital Wednesday. She stayed over-night with her son, Ted and family, and then returned home. Her daughter, Mrs. Don Kidwell of Portland is staying with her while she is convalescing.

Ike Ostman was released from the hospital on Friday, but is still quite ill.

Margaret Wing was also a patient in the St. Joseph's Hospital for a day, and was brought home Friday night. She underwent minor surgery on an eye.

Other News

Visitors in the Ervin Mabbott home Saturday were their daughter, Mrs. Gene Burch and three sons of Pierce, and Geo. Chamberlain of Clarkston.

Mrs. Elton Hilliard left Sunday night to visit her mother, Mrs. Ferris, at Oroville, Calif.

Mr. and Mrs. Jerry Pederson of Electric City, Wn., were guests over the week-end of his mother, Mrs. Gertrude Pederson. They took Mrs. Pederson to the home of her daughter, Mrs. Elmer Browlett at Colfax, on their way home.

Visitors in the Henry Brammer home Thursday evening were Mr. and Mrs. Ted Meyer of Leland.

Thursday afternoon callers at the Fairfield home were Mrs. Edith Fairfield, Mrs. Roy Whittum and Mrs. Hannah Schultz.

J. R. Torgerson of The Dalles, Ore., presently a student at L.-C. N. S. in Lewiston, was a dinner guest of the J. M. Murrays, Thursday evening.

Mr. and Mrs. J. M. Murray visited Sunday in the home of their son-in-law and daughter, Mr. and Mrs. Vernon Granlund at Troy.

The Holiness Association will hold a meeting at the Church of the Nazarene next Saturday, for all denominations. It will begin at 10:00 a. m., followed by a pot-luck dinner and an afternoon session. Rollin Armitage will be the morning speaker and a Captain of the Salvation Army, Bud Stewart, will speak in the afternoon.

Mr. and Mrs. Ira H. Havens of Lewiston were Wednesday evening visitors of Mr. and Mrs. Ira W. Havens in Juliaetta.

School Notes

The Christmas and New Year's Holidays are over, and now the basketball season is on full blast.

The 20 fifth and sixth grade boys lost their first game to Deary by two points on Jan. 7. Those making points for the "Jesters" were: Miles Souders, Roger Candler, Mike Dammarell, while the defense was led by Miles Souders and Ronnie Silflow.

The Cheerleaders, Pam Halseth, Lisa Lyons, Jan Deobald and Sonja Hoisington have new sweaters with a big blue "J" on the front. They did a fine job at the game.

Charlotte Souders and Ada Harris kept score for Deary and the Jesters.

To Sell Magazines

The Juliaetta Elementary fifth and sixth grade students will be starting their annual magazine sale about the middle of February. This is one of the school's money making projects. The other one is the auction sale which is held every October.

NEW ARRIVALS

BACON
Mr. and Mrs. C. Rollo Bacon are the proud parents of a three-weeks old adopted daughter, Shari Lisa. She came to live with her parents on Thursday, Jan. 12. She joins a brother, Jeffrey.

JR. MISS CONTEST

Louise Hoffman, Kendrick's Junior Miss, graciously represented her home town in the Idaho State Junior Miss Pageant at Moscow, Saturday evening. The pageant was held at the Moscow Junior High School Fieldhouse.

There were twenty three other Junior Miss contestants from towns as far north as Bonners Ferry and as far south as Twin Falls. Local towns participating were Lewiston, Moscow, Craigmont, Orofino, Cottonwood, and Kamiah.

LOUISE HOFFMAN

Each girl was the guest of a Moscow family during her week's visit. Louise and Terri Thornock (Idaho's new Junior Miss) were house guests of Dr. and Mrs. Strobel of Moscow.

A big surprise was in store for the girls their first night in Moscow. A reception was held in their honor in the Appaloosa Room of the Student Union Building at the University of Idaho. Members of the University R.O.T.C. not only escorted the girls but gave them a royal welcome as they furnished an arch of swords for the girls to walk through as they were announced at the reception. They met Moscow's dignitaries at the reception, including Moscow's mayor and the president of the Chamber of Commerce.

The contestants were furnished cars by Gub Mix Chevrolet and were dinner guests of both the Chamber of Commerce and the Moscow Lion's Club.

Educational clinics were held for the girls which included instruction in charm, appearance, hair styling, and being a hostess.

Each contestant was presented gifts from KRPL Radio, the Moscow Lions Club, Breck, Inc., and the Chamber of Commerce Ambassadors.

Louise, attired in a beautiful blue sari from India, presented a saxophone solo for her talent at the pageant entitled "Persian Market." She was accompanied by Mrs. Raymond Swanson.

Idaho's Junior Miss and four runners were named by a panel of five judges at the conclusion of the pageant. They were: Sue McFarland, Salmon, 4th runner-up; Janelle Burkett, Lewiston, 3rd runner-up; Cindy Kern, Moscow, 2nd runner-up; Andrea Anderson, Mullan, 1st runner-up; and Terri Thornock, Twin Falls, Idaho's new Junior Miss.

Louise, who was sponsored by the Kendrick Junior Women's Club and the Kendrick Lion's Club, reports sharing a marvelous week with twenty three of the most wonderful girls in the state.

ON HONOR ROLL

Eugene, Ore. — The University of Oregon has recorded the largest fall term honor roll in its history, with 565 students having achieved grade point averages of 3.5 or higher during the fall term. This total was exceeded by the 1966 honor roll for the winter term, which was 19 students higher, with 584 listed.

Students included on the Honor Roll from Kendrick, Idaho are Miss Cecelia Annette Jones, daughter of Mr. and Mrs. D. H. Jones, Kendrick, Idaho.

GRANGE VISITATION

Tuesday, Jan. 3, at the regular Grange meeting, plans were made for the visitation to the Princeton Grange. A group made the visitation on Saturday, Jan. 7.

Those attending were the Messrs. and Mesdames Wm. Johnson, Gerald Ingle, Dick Cuddy, Wayne Davis, Manning Onstott, Roy Glenn and Andrew Cox. Others going were Mrs. K. D. Ingle of Mt. Deary Grange; Mrs. Edd Kent, Mrs. Gordon Peters and Mrs. Art Foster.

Saturday, Jan. 14 a delegation of 10 attended Pomona Grange at Moscow.

SURGERY PATIENTS

Mrs. Louis Wright and Mrs. Frank Benscoter both entered St. Joseph's Hospital, Lewiston, on Monday, and each underwent major surgery on Tuesday morning. Further details are lacking at this time.

WALTER A. SPARBER DIES FRIDAY AT VA HOSPITAL IN WN.

Walter A. Sparber, local contractor, and a resident of Kendrick since 1923, died Friday, Jan. 13, at the Veterans Hospital in Walla Walla, following an illness of about two weeks. He entered the hospital on Wednesday, Jan. 11.

Mr. Sparber was born at Fertile, Minn., Nov. 1, 1906, a son of the late Charles and Josephine Sparber. His mother passed away when he was a child, and the family was raised by their grandparents the late Mr. and Mrs. Herman Sparber.

He moved with his grandparents to Canada, then to Anatone, Wn., in 1915, and to Kendrick in 1923. Here he attended high school.

In 1942 he was called into the Service and spent more than three years in the U. S. Army. He was an over-seas combat veteran of the fighting on Attu in the North Pacific.

On completion of his Army service he returned to Kendrick and engaged in construction work, specializing in roofing and concrete work, and later in painting. He had never married.

Mr. Sparber was a member of the Kendrick Community Church and of the V. F. W.

Survivors are a sister, Mrs. Irma Heinricher of Shelton, Wash.; a brother, Orville Sparber, Kendrick, and a half-sister, Miss Vera Sparber, Centralia, Wn., and one nephew, Jack Heinricher of Cupertino, Calif.

Funeral services were held Wednesday afternoon at 2:00 o'clock at the Kendrick Community Church with Rev. David Zaske, pastor, officiating. Music was furnished by Mrs. Burton Souders, Jr., and Mrs. Jack Lohman, accompanied at the organ by Mrs. Max Clemenhagen. Hymns were "It Is Well With My Soul" and "God Will Take Care of You."

Pallbearers were Ed. Brown, Jerry Brown, Vernon Choate, Ernest Heimgartner, Marion Rowden and Clair Reed. Interment was in the Kendrick Cemetery, with the graveside military services in charge of the local V. F. W. Brower-Wann of Lewiston was in charge of arrangements.

P. T. A. HOLD MEET MONDAY EVENING

The January meeting of Joint Dist. No. 283 P. T. A. was held at the Juliaetta school Monday evening with Bob Heppner, president, presiding. Thirty members were present.

Mrs. Howard Hoffman introduced the speaker for the evening, Dr. Don Adams of Washington State University, who gave a very informative talk on "Air Pollution," using slides to help.

Douglas Christensen reported that a fund raising night would be Saturday, Jan. 28, which will be a pancake feed and game night.

A motion was made that the P. T. A. favor a law that would make it necessary that auto driver license applicants show legal proof that they have liability insurance.

Mrs. Heppner reported that Kindergarten would start Feb. 27.

Mrs. Callison's fifth grade room was the toy tiger for the best parents attendance.

Cookies and coffee were served by the Kendrick mothers, with Mrs. Max Clemenhagen, chairman.

RAIN, RAIN AND MORE RAIN LOCALLY

While some parts of the nation were reporting snow and more snow along with bitter cold and icy roads, the weather in the Potlatch canyon has been one of rain, rain and more rain, with mild temperatures, and even interlude of sunshine and wind.

Thursday, following several days of "March like" weather, a drizzly rain set in, a rain which continued almost without let-up until Saturday about noon, when it really began to pour. This pouring rain continued unabated until the early hours of Sunday morning when it tapered off into a drizzle and then quit about noon.

Then the wind began to blow and it really blew, breaking dead limbs from trees, scattering winter accumulation of debris about town, and even tearing some shingles from roofs. It died away during Sunday night, to be replaced by clouds, and later Monday by brilliant sunshine.

During all this the temperature remained well above freezing, and Sunday afternoon a high of 52 degrees was recorded.

All this sent local streams, including the Potlatch river into roaring torrents, for the high of the 1966-67 winter — although still quite a ways from flood stage. The rain, however, almost completely melted all snow in the higher elevations and stopped all but a few minor logging operations.

The rapid rise of the water carrying huge quantities of silt, stopped steelhead fishing for all but a few hardy souls, and they weren't having much luck.

You know these late, late, late, late TV movies are old when you hear such remarks as (gangster to hood): "Here's 35 cents, Charlie. Get me a pack of cigarettes."

MISS LOEDA MEYER BECOMES BRIDE OF HORST REIL IN CHURCH CEREMONY JAN. 6

Friday evening, Jan. 6th, at 7:00 o'clock, Miss Loeda Meyer, daughter of Mrs. Herman Meyer and the late Herman Meyer, became the bride of Horst Reil, son of Mr. and Mrs. Johann Reil of Edgewood, Oldenburg, Germany. The double ring ceremony took place at the Cameron Emmanuel Lutheran Church with Rev. Theo Meske officiating at the candlelight ceremony.

The bride and groom approached the altar together, which was flanked by large baskets of white carnations, lilies and gladioli, and lighted tapers in tall candelabra. Her self-made floor-length gown was of white slipper satin. It was fashioned with long sleeves, scoop neckline and bell skirt, with a detachable over-train. Her elbow-length illusion tulle veil was edged with lace and was held by a white velvet bow headpiece. She wore a pearl necklace, a gift of the groom, and her cascade bouquet was of stephanotis and gardenias.

Miss Dorothy Meyer, a sister of the bride, a missionary in India, was maid of honor. The bridesmaids were Mrs. Reinhardt Schroeder and Mrs. Marvin Silflow, a sister of the bride. Their identical floor-length gowns were of dark blue velvet fashioned with empire waistline. Their headpieces and muffs were of white fur. Joan Silflow served as flower girl; Carolyn and Mariann Silflow were candlelighters, all were dressed as the bridesmaids.

Reinhardt Schroeder was best man for the groom, and William Thornton, Jr., and Dale Silflow served as ushers.

Mrs. Oscar Slied, organist, played the wedding music and accompanied Miss Dorothy Meyer as she sang "God Gave Me You," and Reinhardt Schroeder who sang "The Wedding Prayer," "So nimm denn meine Haende" and "The Lord's Prayer."

At the reception in the church social room following the ceremony, the bride and groom cut the traditional first piece from the five-tiered wedding cake which was baked and decorated by Mrs. Theo Meske. Among those pouring punch and serving were Mrs. Harlan Olsen, Mrs. John Blair, Mrs. Homer Parks, Mrs. Gerald Schmidt, Mrs. William Thornton, Jr., Mrs. Doug. Christensen and Ann Meske. Mr. and Mrs. Ted Meyer were in charge of the guest book and gift table.

The bride graduated from the Kendrick High School and received her degree in 1964 from Pacific Lutheran University, Tacoma. The groom attended schools in Germany. She is a parish worker at Trinity Lutheran Church in Lewiston, and he is engaged in farming. Following a wedding trip to Oregon they are now at their farm home near Kendrick.

Out-of-state guests here for the wedding were Mr. and Mrs. Harlan Olsen and Mr. and Mrs. Lawrence Abitz, all of Seattle; Mr. and Mrs. Wallace Christensen and family of Spokane; Mr. and Mrs. Delbert Hoffman, Spangle; Mr. and Mrs. Wallace Hinton of Colfax; Mr. and Mrs. Carl L. Wegner and Mr. and Mrs. Leonard Hansen, all of Pullman; Miss Mildred Brammer of Itasca, New York, and Miss Dorothy Meyer of Nayudupet, Nellore Dist., S. India who brought many gifts from a host of friends in India. She was able to come because of Miss Hermina Meyer's help and encouragement in India, and also because one's sister's

well as could be expected.

EVENTS OF INTEREST AT K. H. S. PAST AND COMING WEEK

Tigers Drop Trojans

The Kendrick Tigers, defending district Class 4-A high school basketball champions, hit for nine straight points in the opening minutes of the final stanza and held on to defeat the Trojans of Troy 67 to 59, Tuesday night of last week.

The win, which put the Tigers into the White Pine League lead at two wins and no losses, was sparked by Mike Merz, 6-foot 6-inch center for the Tigers, who hit 23 points and pulled down 27 rebounds although he sat out most of the third quarter with four fouls.

The Tigers led 16-13 at the end of the first quarter, when the Trojans, sparked by Mike Strom and aided by a tight defense, took the lead at halftime 34 to 29.

However, the Tigers forged ahead again 49 to 46 at the third quarter break, and never again trailed.

Kendrick scoring: Gary Craig 9; Gary Pea 8; Mike Merz 23; Ken Heimgartner 7; Burt Kimbley 6; Von Zumhofe 10 and Ron Salter 4.

The Kendrick Jr. Varsity beat Troy 46 to 45 — with neither team able to score during the final three minutes of play.

Pirates Down Tigers

The Prairie Pirates (Cottonwood) overcame the Kendrick Tigers 68 to 59 in a non-conference basketball contest at Cottonwood Friday evening.

The Pirates jumped into an early lead in the first few minutes, went on to build up a 38-32 half-time margin. At the end of third period the Pirates led by 13 points. The Tigers regained 4 but lost the contest by 9 points.

The rebounding of Jim Wimer, and the hot shooting of Keith Eckert (44 percent on field goals) helped put the Pirates on top.

Kendrick scoring: Gary Craig 14; Gary Pea 10; Mike Merz 8; Ken Heimgartner 15; Bert Kimbley 8; Von Zumhofe 4.

Kendrick won the J. Varsity contest 63 to 54.

Senior Ball Enjoyed

The annual Senior Ball, at the High School gym was highly enjoyed by those attending on Saturday evening. Some 30 couples danced to the music of the Van G's in the beautifully decorated gym. Pastel colored murals and paintings were used as wall coverings, with a crepe paper ceiling over all.

Nancy Hoisington was crowned Queen and Burt Kimbley, King, of the ball. Chaperones were Mr. and Mrs. Chet Hall, Mr. and Mrs. Doug. Christensen and Mr. and Mrs. Emil Silflow.

Day's Vacation

There will be no school on Friday of this week, due to the ending of the semester. Classes will resume on Monday, with report cards to be issued on Wednesday.

Games Scheduled

The Jr. Varsity and Varsity teams will meet Elk River at Elk River on Friday, Jan. 20. They will play Culesac here on Tuesday, Jan. 24.

LIONS MEET WED., MULL SCOUT NEEDS

The Kendrick Community Lions Club met Wednesday evening at the Kendrick Fire Hall, with an excellent turn-out. Following the 6:30 smorgasbord dinner served by the School Foods Service Ass'n, business of the evening was taken up.

Chief item of discussion was the problem of the Boy Scout troop, its need for parent assistance, Charter signing, and other associated problems.

To date no parents have volunteered to help Scoutmaster Jerry Brown in working with the Scouts. It is a vital necessity that there be at least one adult helper present at each meeting — and two would be welcome.

The matter was tabled until the next meeting of the Club, which will be Jan. 25.

The matter of a theme for the annual Locust Blossom Festival was taken up, and R. L. Blewett, chairman of this committee, was asked to meet with members of the Kendrick Club, the V. F. W. and the Garden Club to pick out a theme.

The date of the annual Festival for 1967 was set for Saturday, May 27, and W. L. McCreary of the Publicity committee instructed to so notify the Idaho Department of Commerce and Development so that it might be listed in the Calendar of Coming events.

TRAIL RIDERS HOLD ANNUAL BANQUET

The Kendrick Trail Riders Motorcycle Club held its annual pot-luck dinner at the Fraternal Temple Saturday evening. Some 60 were present which included members, wives and families.

Election of officers followed the delicious dinner, with the following being chosen: Don Millard, president; Don Bateman, vice president; Mrs. Bill Weyen, secretary-treasurer, and Bill Weyen, racing chairman.

G. F. BROCKE TELLS OF LEGISLATIVE DOINGS AT BOISE

This week has been a slow week as to floor action in the Idaho Legislature. Wednesday the Governor presented his Budget Message to the membership of the House and Senate.

The total general fund budget set at 152.1 million dollars was given as a guide line, which if held within this figure would leave 8 to 10 million dollars for tax relief.

So far very few bills have been introduced. The main bills being the Municipal Recodification Bill, the Trading Stamp Bill and the bill to create a Medical School in Boise.

Many other bills are in the committee and will come forth later in the session.

I introduced today (Jan. 12) a bill that will require the purchaser of a motor vehicle license show proof of financial responsibility before a license will be issued. This bill is now in the Printing Committee.

The Tax Equalization Law is now being investigated by the Revenue and Taxation Committee. So far no decisions have been made and no doubt they will be held up until a later date as a court case is pending.

A new idea in taxation was presented to the Revenue and Tax Committee. The plan calls for a levy on income in lieu of property taxes. The committee will give this plan careful consideration.

The Education Committee is working on many problems, one being the public school formula, which is the method of distributing state school funds to the many school districts in the state.

CAMERON CLUB

The Cameron Home Demonstration Club met at the home of Mrs. Marvin Silflow on Tuesday afternoon, Jan. 10. The program for 1967 was planned. Helen Mielke presented the lesson on "Burns."

An all-day meeting will be held on Feb. 14 at the home of Mrs. Theo Meske. The lesson will be on "Arts and Crafts." Sunshine Sisters will be revealed and new ones drawn.

IN NURSING HOME

Mrs. N. H. Stedman was moved on Saturday from the Tri-State Hospital to the Resthaven Nursing Home at Clarkston. She is getting along as well as could be expected.

30 NATIONS LISTED FOR JAMBOREE

For the 11 million members of the various programs of Boy Scout associations around the globe, 1967 will be an active year, celebrating the 60th anniversary of the worldwide movement. Scouting marks its founding from the experimental camp which Lord Robert Baden-Powell conducted with 22 boys on England's Brownsea Island in 1907 from July 30 to August 10. His successful ideas for boy's activities, carried out under the Scout Oath and Scout Law, now benefit boys and young men throughout most of the free world through the programs of almost 100 National Boy Scout Associations. The original Brownsea Island encampment will be recreated as a feature of one of the high points of the 60th anniversary celebration, the XII WORLD JAMBOREE, to be held August 1-9, 1967, at Farragut State Park, Idaho. Thirty nations have now confirmed their intentions to send contingents totalling 1,536 Scouts and leaders.

MAN NECESSARY

Man's reliability, versatility and ingenuity make him impossible to replace on board both aircraft and spacecraft in the foreseeable future, reports Robert G. Loewy, director of the University of Rochester Space Science Center. He says that "man's reliability is worth the price of providing a habitable compartment with its life support system, instruments and manual controls, in preference to the alternative cost of increased communications and computing, and automatic sensing, switching and duplication required to obtain an equivalent level of reliability."

“Handlebar” Mustaches Are Out of Style . . .

BUT HONEST VALUES, HONEST PRICING, COURTEOUS SERVICE NEVER HAVE — AND NEVER WILL!!

And that's the reason Kendrick's business and professional men don't make use of the many so-called "Sales Gimmicks" that are a part of so many types of businesses today!

They believe that a bargain should be a real bargain — and carry with it true value — not only to the purchaser, but to the seller — for repeat business is the basis on which towns are built — and built to stay!

Money spent at home stays at home! It builds schools and churches, roads, homes, business firms — and pays the taxes that maintain a community. In short — it builds a nation!

The moral of this advertisement is very simple

ALIENS MUST REPORT WHEREABOUTS NOW

R. G. Hoffeller, District Director of the Immigration and Naturalization Service, advised today that the annual alien address report program is again under way. According to Mr. Hoffeller, 9,189 aliens reported their addresses last year in Idaho and Montana. The number this year is expected to be slightly smaller. Mr. Hoffeller attributes this anticipated decrease to

settling of the aliens in more populated areas of the United States. The immigration official pointed out that the address reports are required by law and willful failure to comply with these requirements may lead to serious consequences. Forms with which to make the reports are available at all Post Offices and Immigration and Naturalization Services Offices. It is an easy matter to fill out one of the cards and return it to the same office. Mr. Hoffeller added that trained personnel will be on hand in all offices of the Immigration and Nat-

uralization Service to answer any questions the reporting aliens may have regarding immigration and naturalization matters. Sufficient trained personnel are not available to furnish this assistance in all Post Offices.

NEW INNOVATIONS IN FARMING SEEN

U. of I., Moscow — Soil, or a soil-type medium, may be used only to anchor agricultural crops in the future, according to Russell R. Poyner, general supervisor of a large farm equipment manufacturing business. He spoke at the opening day session of the College of Agriculture Experiment station conference, which ended Friday. He talked on the subject, "Outlook for the Mechanization of Agriculture."

Poyner explained that in the future a hydroponic type farming may be used extensively, with plants seeded in sand, for instance. Under the sand will be a barrier of asphalt or plastic two or three feet below the surface to keep nutrients and water from seeping beyond the reach of plant roots.

Power for farm implements may come from the atom in the future, too, he said. The tractor, for instance, would be fuel at the factory, and this fuel would last for a considerable time. Turbine power is definitely a possibility, he said.

During the next ten years we'll see self-guided systems for tractors, he reported. This will enable the operator to devote his entire attention to the implements hitched to the tractor, whether it be a fertilizer applicator, harvester, seeder, or some other implement.

Interestingly enough, social acceptance is a very important factor in how fast new innovations can be put into effect by the agricultural researcher or the implement manufacturer, he stated.

Fortunately, plowing is socially accepted. However, stubble mulching, where the soil is not turned over completely and plant stubble is still visible has not enjoyed this social acceptance but is gaining in popularity.

The next decade will see considerable changes in comfort and conveniences built into farm equipment.

NEW IDAHO FIRM

Cascade Cartridge, Inc., Lewiston manufacturer of ammunition, is the third acquisition in a six month period by Omak Industries, Inc., of Portland, Oregon. Cascade Cartridge, founded in 1950 by Richard A. Speer, produces powder actuated tools, ammunition primers for hand-loading, .22 caliber cartridges and shotgun shell primers. The firm, employing 155 persons, will see no personnel changeover. Idaho, a leading state in wild game and bird hunting will profit from the acquisition. The Portland-based industry, a major manufacturer of powder-actuated tools and pins, is interested in research and development possibilities in ammunition and power loads at Cascade Cartridge. A study will be underway by the new management to investigate the feasibility of getting into the shotgun shell bus-

ness, which would be a major expansion. Omak plans to continue and expand all of Cascade's present programs and to initiate plans of their own which include development of a combination lunch-conference room and improvements on the exterior plant.

Speer will retain the position of president of the firms Lewiston and Mexican operations, but will live in the Tacoma area. Harley Steiner, assistant to the president, will be designated general manager of the Lewiston plant.

JR. GIRL SCOUTS

Elections were held for new patrol leaders by the Jr. Girl Scouts. Chosen were Jill Sherman and Delta Heath. Chosen as Reporters were Sandra Arnett and Cynthia Fey. — Cynthia Fey, Sandra Arnett.

FIRST BUTTERCUP

Harold Roberts, former American ridge resident, but now of Moscow, came into the Gazette Wednesday afternoon, Jan. 10 with a buttercup — the first we have seen of the 1967 season. Harold said he found it at the top of the American ridge grade.

NEW SOFT WHITE WHEAT APPROVED

U. of I., Moscow — A new Federation-type soft white spring wheat with improved disease resistance has been approved for release in Idaho, Dr. A. M. Finley, head of the University of Idaho Department of Plant Sciences, announced today.

The variety, named Federation-67 is intended to replace old type Federation for production in the irrigated areas of southern Idaho and eastern Oregon. The new wheat will be released jointly by the University of Idaho and Oregon State University, Finley said. Federation-67 is resistant to both stem rust and stripe rust. It also has good resistance to mildew and some races of common smut. Dr. Warren K. Pope, Idaho plant breeder who developed the variety, said Federation-67 outyields its parent variety by as much as 50 percent in years when rusts are prevalent. When disease is not a problem, the new variety has yielded at least as well as the old. Average yield at 26 regional testing sites in 1965, a year with few disease problems, was 47 bushels for Federation-67 compared with 44 for Federation. Regional tests are conducted at both irrigated and dryland locations. In quality and growth characteristics, Federation-67 is essentially the same as Federation, Pope said. It produces a good quality flour for cookies and cakes. Seed stocks of the new variety

will be increased this year under supervision of the Idaho Crop Improvement association, Finley said. Supplies will be available commercially for 1968 planting.

Mr. and Mrs. Charley Enger received word that their son, Linn and family, had started accounting classes at Spokane Community College. They moved to Spokane in December.

LEGISLATIVE SESSION PROMISES TO BE VERY BUSY ONE

Boise - The 39th Idaho Legislature, slowed down during its first week by reorganization efforts, swung into a faster pace this week as legislators turned their attention to matters which will confront them for the next 50 or more days.

First matter to be completed was the naming of leadership posts and the selection of committee members.

After committee appointments were approved, legislators received the first bill, commonly known as the "feed bill", this calls for \$600,000 to pay the expenses of this session of the legislature.

Important matters already being discussed, and in some cases already drafted in bill form, include annual sessions of the legislature, more state aid for institutions of higher education, state aid for additional vocational training, increasing from two to three cents per hundredweight the tax assessed for advertising Idaho potatoes and tax relief for Idaho taxpayers.

In the House, a new position was created, when Harold Snow, Moscow, was appointed speaker pro-tem.

Also expected to receive early attention are bills which will increase from five to 10 days the period during which school district election absentee ballots may be issued and the creation of a full-time Tax Commission to be intergrated with the office of the State Tax Collector.

At the end of the last week members of the House Appropriations and Senate Finance committees completed a four-day tour to most state institutions to hear budget requests.

The two committees sit jointly as the Finance-Appropriations Committee to consider budget requests of all state agencies and institutions and to submit recommendations to the legislature.

Other bills which may be acted on this week include one calling for stamp redemptions incash as well as merchandise, recodification of municipal laws as suggested by a Legislative Council committee, a uniform commercial code for the state and a measure which would allow city government to extend sewer and water lines to suburban subdivisions and require developers to provide lateral connections.

One measure which is being discussed with apparent interest calls for annual salaries for legislators. Sen Orval Hansen, R., Idaho Falls, said he will introduce the bill. He indicated the annual salary would amount to more than the \$10 per day for 60 days, plus \$25 per day expenses now paid legislators.

TOWN TEAM WINS

Kendrick romped to its fifth Valley basketball league victory without a loss by dumping Colton here Sunday 112 to 62.

Bob Heppner topped the Kendrick attack with 26 points, while Fred Silflow and Arnie Zumhofe tallied 18 apiece.

Stevens tallied 17 points for Colton and Roy Beach 13.

RECEIVES AWARD

Mr. and Mrs. Ben P. Cook received word Sunday that their son, Ben E. Cook of Ontario, Ore., had received the Distinguished Service Award at the Jaycees banquet in that city on Saturday evening. The Award is given by the Jaycee organization annually to one who has given outstanding service to his community during the past year.
