#### EVENTS OF INTEREST ABOUT OUR NEXT WEEK'S ISSUE

Frankly, we don't know where we are in regard to next week's issue of the Gazette — for Memorial Day falls on Tuesday, which means no mail sembly was held Tuesday morning at will be available until Wednesday know how much correspondence we will have.

We suspect there won't be much news anyway - for area farmers are taking the fullest advantage of good weather to get at that long-delayed field work.

Anyway, we'll do our best.
