Train Engine Derails

One of the Units (an engine) of the Northern Pacific was derailed on a siding at the side of Brocke & Sons Seed Cleaning building in east Kendrick around 8 a. m. Tues-

Due to a build-up of soil and debris, the rails became loosened and gave way causing two wheels of the large unit to slip off, tipping over the rail. There was no damage to the engine which was put back by the Parkwater Repair Truck from Spokane, at around 12:30 p. m.

Section crews from Kendrick and Pullman were rebuilding the siding track Tuesday afternoon with plans to probably finish it that afternoon.

CARD OF THANKS

I wish to express my sincere thanks to friends and neighbors who remembered me with so many beautiful cards, gifts, inquiries, words of cheer, and other kindnesses while I was in the hospital and since returning home. Your thoughtfulness was greatly appreciated.

for its first duty to forgive.—Edward and guard His own.—Mary Baker Eddy **Bulwer-Lytton**

Our sincere thanks to our friends and neighbors who helped us celebrate our fiftieth wedding anniversary and special thanks to those who went to the trouble and work in anyway and also thanks to the choir. Mr. and Mrs. Ira W. Havens
