#### **NEW GUN LAWS**

Detailed procedures for registering machine gun, sawed-off shotgun sawedoff rifle, silencer, deactivated war trophy and other destructive devices were announced today by Calvin E. Wright, District Director of Internal Revenue for Idaho.

The Gun Control Act of 1968 requires must be registered with the Internal revenue service by December 1.

Mr. Wright said that copies of regis-tration from 4467 are available at Alcohol and Tobacco Tax and other IRS of unit will contain approximately 57,000 come out with caps, vests, capes, wrap- ditch with a loaded gun. fices.

the Director, Alcohol and Tobacco Tax Division, Internal Revenue Service, Washington, D. C. 20224. The third copy may be kept by the owner of the firearm or destructive device.

Firearms or destructive devices should not be brought to an IRS office to be registered, Mr. Wright said.

Under the new law all firearms and to Kraus. destructive devices requiring registration must be identified by a serial number. If a firearm or device does not have a serial number the owner should phone, visit, or write the nearest IRS Alcohol and Tobacco Tax office and a out. number will be assigned.

After obtaining the number- the own, er is responsible for affixing it to the firearm or device before completing the registration form. Additional information may be obtained by contacting the nearest Alcohol and Tobacco Tax or other IRS office.
