Bulldog, Tiger Hoop Squads Pause For Holidays

Back After 25th

KENDRICK—Coach Terry Taylor and his Kendrick Tigers are taking a partial vacation from their basketball duties during the Christmas holidays. After a three-game schedule this month the Tigers won't be back on the courts for competition until January 3 when they open their conference play and their home game schedule against the Elk River Bobcats.

In the first three games the Kendrick team won against the Lapwai Wildcats and lost to the Kamiah Kubs and the Grangeville Bulldogs. All these schools have larger enrollments than KHS and play in A-3 and higher classes, so the Tiger won-loss record cannot be used as an indication of how they will fare in the A-4 White Pine league with the Genesee, Troy, Deary, and Elk River teams. There has been little action among the White Pine contenders so far this season. Genesee defeated Elk River but the major part of the inter-league play will come after the holidays. Most fans expect to see tough competition between the Tigers, last year's defending State Champions, and the Troy Trojans and the Genesee Bulldogs.

Coach Taylor said Saturday afternoon that he will resume practice sessions right after Christmas as he prepares the team for the home opener against Elk River January 3.

Asked if he planned to stress any particular points during the holiday practice time, Coach Taylor said, "No, we're weak on rebounding yet, but I can't stretch players and make them taller." He added that they would just be running the usual practice drills.

Fortunately the Tigers haven't been bothered with injuries thus far this season. Taylor said Von Zumhofe's knee, which was injured in the last football game of the season has responded well and is not bothering too much.

"Still Going To Be Tough"
Prior to the opening of the basketball season Coach Taylor predicted his Tigers would do their share of winning again this year despite a lack of height. Asked Saturday if he had changed his opinion after three games, the coach said, "No, I still think we'll do all right. I know Troy and Genesee will be tough but we're not going to be giving away anything this year."

It Ain't Us, Honest!

It seems that several people have been upset by some mistakes in the 1969 Community Calendars . . . anniversary, birthdays, etc., incorrectly placed and the like. The Gazette-News has received a letter and a couple of calls about the mistakes by people apparently under the impression that our office did the printing. "This is one case when we can plead 'Not Guilty!'" Other than purchasing an advertisement on the calendar we have no connection whatsoever with the Community Calendars. A specialty firm in Ohio did the printing. The copy was prepared by the Kendrick Community Lions Club. We sincerely sympathize with those who had dates of importance to them incorrectly listed and heaven knows we make our share of mistakes but this is one time we can say, "It ain't us — honest!"

Gregory D. Linehan Commissioned 2nd Lt.

GENESEEE—Gregory D. Linehan, son of Mr. and Mrs. Don Linehan, was commissioned a 2nd Lt. on December 6th, during graduation exercises of the fifty-fourth Officers Candidate Course, at the Marine Corps Base, Quantico, Virginia. Greg's address is:
2nd Lt. Gregory D. Linehan 0109058

Santa's Visit Draws Many Little Guests

GENESEEE—Over 130 children gathered around the Community Christmas Tree on Main Street Saturday afternoon at 2 o'clock for the annual pre-Christmas visit with Santa Claus arranged by the Genesee Civic Ass'n. Inc., assisted by members of the local fire department.

Santa came to town on the large red fire truck and visited with the children. Members of the fire department assisted Santa in distributing bags of candy and oranges to the boys and girls.

NEW ARRIVALS

Twin sons were born to Mr. and Mrs. Robert Hutcherson of Juliaetta on Tuesday, Dec. 17th, at the Gritman Memorial Hospital in Moscow. The two lads, Byron and Brent, weighed in at 5 lbs. each. They are in the incubator at the hospital.

Only 3 Practices

The holiday break in the basketball season is a welcome one for Coach Ozzie Kanikkeberg and the Genesee High School Bulldogs. Coach Kanikkeberg said Sunday morning that he had only three practice sessions for the team scheduled during the Christmas vacation. "We're going to use the time just trying to get well," reported the Genesee coach, who has seen his team plagued with flu and minor injuries.

In their three games, the Bulldogs have defeated Lapwai and Elk River and lost to Nezperce. The Elk River game has been the only competition in the White Pine League this season. A scheduled game between Elk River and Deary was cancelled because of the flu outbreak. Genesee will not go back on the hardwood until January 4, when they play the Potlatch Loggers.

"We've been having a problem getting the ball inside," the Genesee coach stated. "And we've been doing most of our scoring from the outside." He added that there may be quite a shuffle in his offensive lineup after the holidays. For the last two games, Genesee has been using Doug Springer, Terry Geltz, Jim Scharnhorst, Nick Egland and Mark Busch as the starting five, but illness and injury has not always made it possible.

Summing up the team and its problems, Ozzie said, "We've been rebounding well, but we've had a shooting problem. . . I think it'll come out OK, though."

Ten Turkeys Given By Firemen

Ten lucky Kendrick area people were the recipients of turkeys from the Kendrick Volunteer Fire Department. The birds were awarded last week as the firemen finished their first turkey contest which was designed as a fund-raising project for the department.

Receiving the awards were Carl Gustafson, Ida Greenwood, M. F. Hedler, Larry Arnett, Bud Fey (2 birds), Mrs. Ed. Brown, Joe Forest, Faye Brocke, and Kenneth Wilken.

George Brocke, Jr., speaking for the Kendrick firemen, said the success of the contest was due to the excellent response given it by the public. Brocke said all the firemen express their appreciation to the people of the community for making this event a success.

Midshipman John Pell Home On Leave

GENESEEE—Mid'n. J/C John K. Pell, who attends the U. S. N. A. at Annapolis, Maryland, arrived last Tuesday to visit his parents, Mr. and Mrs. Kalmel Pell in Lewiston, and his brother, Larry Pell and family, and friends here.

On Thursday afternoon, John visited the high school here and, at a special assembly spoke to the boys in the school about the Academy program, and the procedure of applying. He also showed and narrated a film, "Ring of Valor," explaining the proceedings of the academy.

Community Church Notes

GENESEEE—Rev. John Moore, has announced there will be a box downstairs for commemorative stamps and used cards of any type, such as birthday, Christmas, etc. These cards can be used at Opportunity Schools, and the stamps are useful to church service agencies.

Christmas Dinner

The V. F. W. and Auxiliary held their annual Christmas dinner and party for members and their families at the V. F. W. hall on Saturday evening. Following a sumptuous dinner there was a gift exchange, dancing and games. Some 100 were present for the fun evening.

Birthdays Honored

The December birthdays of Mrs. Carl Gustafson, Mrs. George Brocke, Jr., and Mrs. Bud Eichner were observed at a coffee hour in the home of Mrs. George Brocke, Jr., on Friday morning. Neighbors of the honorees were present for the get-together.

Birthday Party

Stephanie Nelson, one-year-old daughter of Mr. and Mrs. Roger Nelson was honor guest at a birthday dinner at her home on Cedar ridge, Friday. Her grandparents, Mr. and Mrs. James Holt and Mr. and Mrs. Ed. Nelson, were guests for the occasion.

Help Needed To Move Genesee Library

GENESEEE—The Genesee Branch Library will be moved from its present location Monday, Dec. 30 at 10:00 a. m. to the old barbershop building. Volunteer help is needed and would be greatly appreciated.

Egotism is the tongue of vanity.—Chamfort.

Former Area Woman Celebrates 100th Birthday

A Pocatello centenarian, who was born in the heart of the Indian country in 1868, told relatives and friends at her 100th birthday party on Thanksgiving Day that she has "lived too long."

However, Mrs. Nellie Shilts, who has resided at Hillcrest Haven Convalescent Home nearly seven years, obviously enjoyed the party, which brought family members and friends from three states to Pocatello.

Mrs. Shilts was born in 1868 at Genesee, in the heart of Indian country, and when she was nine escaped a war party but was missing three days. A searching party found her hiding in sagebrush, and carried the tired and hungry girl home.

Her parents had been in charge of a stagecoach station at the foot of Whitebird Hill, and when the station was burned the family moved back to Lewiston and then to Genesee.

Mrs. Shilts has lived through many crises, has seen a world torn apart and patched together after several wars. But on the brighter side, she has lived in a century of activity, her 100 years covering the greatest advance in world science and transportation.

An accomplished horsewoman until recent years, she witnessed the passing of the stagecoach, wagon and buggy days. The second half of her time has been the most active in world history with the modern jet age in full bloom.

She was an active housekeeper until recently when her eyesight and hearing began to trouble her. Lacking opportunity for formal education in the 1870s and beyond, Mrs. Shilts did much to educate herself and has long been an avid reader of western and historical material. Her first days of schooling did not come until she was 11 when classes were held in a small log building on the vast north Idaho prairie between Lewiston and Moscow.

It was at Genesee where she met her future husband, Clement Shilts, who engaged in farming and fruit raising. They traveled through several western states, and he died in 1918 while operating a ranch for a Dr. Brown in North Ogden, Utah.

In 1920, Mrs. Shilts made her home with a son, Lawrence, north of Pocatello. He died in 1964.

Mrs. Nellie Mason Shilts was born November 28, 1868 at Genesee to Thomas and Louise Rouse Mason, her parents being early settlers in north Idaho. Her father was a rancher and stage coach tender.

Nellie Mason was married Oct. 1895 to Clement Shilts at Genesee.

Her family includes a daughter, Mrs. Hester Shoemaker, Salt Lake City; four grandchildren, 12 great grandchildren, and five great-great grandchildren.

Mrs. Shilts' birthday was celebrated with an open house at Hillcrest Haven in Pocatello with some 100 guests in attendance.

The party was arranged by Mrs. Bessie Shilts. Ruth Ann Aller and Leah Daniels assisted with the serving. Also assisting with the party were the ladies of the Methodist church who furnished the music.

Mrs. Shilts is an aunt of John DeHaven of Kendrick.

KINDERGARTEN CHRISTMAS PARTY

GENESEEE—The Jay-C-Ettes sponsored a Christmas party for the Kindergarten class of the school on Friday, December 20. The party was organized by Joan Stout, assisted by Blanche Edwards, Iris Cantamesa, Judy Singhouse and Elaine Haxton.

Cookies and kool-aid were served to the boys and girls. Arrangements were made for Santa to visit the class and talk to the children and present each one with a gift. Mrs. Howell and the children wish to thank the Jay-C-Ettes for giving the party.

GENESEEE RIM RIDERS

GENESEEE—The Genesee Rim Riders held a Christmas pot luck party and meeting Wednesday evening, December 18 at the Valley Church. Elmer Kraut showed pictures of the club's activities taken throughout the year.

Education is our only political safety. Outside of this ark all is deluge.

Masons, Grange Hold Christmas Party

By Nell Heimgartner
Grange Lecturer

The Masons and Grangers held their joint Christmas party at the Fraternal Temple on Sunday afternoon, December 22, at 2:00 o'clock.

Approximately eighty Masons, Grangers and guests enjoyed a program for which the theme was "Merry Christmas Around the World."

All countries celebrate Christmas and it is all based on the birth of Christ at Bethlehem, but all countries have different customs. The Grangers were divided according to the area in which they live, and each area had chairmen who chose a country and presented a custom. American Ridge told of customs in Holland and Germany, narrated by Lecturer Nell Heimgartner with the aid of a Christmas tree, with Mrs. Frankie Benscoth and Dick Cuddy taking part. Mrs. George Merrick also took part in the narration. This was followed by recitations

J. Harkey, 81, Passes Saturday

Jefferson Harkey, 81, Juliaetta, passed away Saturday evening, December 21. He had been brought to St. Joseph's Hospital in Lewiston by the J-K Ambulance, but was pronounced dead upon arrival.

The deceased was a resident of Juliaetta for the last 14 years, and was the owner and operator of Wayne's Tavern.

Prior to moving to Juliaetta he was a deputy sheriff at McNary, Arizona.

He was born December 23, 1887, and grew up at Matador, Texas, where he was wagon boss at the Matador Ranch for many years, before going to McNary. He had been in ill health for the last three years.

Survivors include two daughters, Mrs. Harold (Jennie) Green and Mrs. Frank (Beth) Green, both of Garden Grove vicinity in California, and one son, Raymond Harkey, near Phoenix, Ariz.

Funeral services were held Monday, December 23, at 1:00 p. m. at the Juliaetta United Methodist Church with Rev. Marvin Maddux, pastor, officiating. Burial was in the Juliaetta Cemetery with Brown-Wann Funeral Home of Lewiston in charge.

Pallbearers were Bruce Sherman, Charles Noble, Otto Siflow, Gil Erlwine, Rex Taber and John Peters, all of Juliaetta. Mrs. Max Clemenzen was organist, and accompanied Mrs. Donald Eichner, soloist.

About This Issue Of Paper

We know that this issue of the paper isn't quite up to "par" insofar as news content and the like is concerned, but the way the Christmas holiday fell this year forces us to print one day early. The result was a lack of time to gather news and get it set up in type. We also gave our trusty reporters in the outlying areas a week off except for a few important items they felt had to be printed. We feel you will understand and bear with us. The different appearance in general of the paper is the result of the Gazette-News being printed entirely in Genesee with the last press run being made late Monday night.

An issue such as this does serve one important function, it shows just how important our area correspondents are and how much they contribute to making this an interesting paper. Now you can see why we love them.

Late Next Week
Because the New Year's Holiday will fall Wednesday and the anticipated rush of Christmas news to be arriving, the paper will be one day late next week.

Genesee Firemen Plan New Year's Party

Members of the Genesee Community Firemen, Inc., were completing plans this week for their annual New Year's Eve dinner party, which will be held Tuesday evening, December 31, at the Firemen's Hall. The evening will begin with a social hour at 6:15, and a turkey and ham dinner will follow. After the dinner the evening will be spent in card playing, dancing and visiting. This yearly event is for members of the local department, their wives, children and invited guests.

Sidewalks Plowed

Virgil Dygert and son Virgil, Jr., were mighty popular folk Monday — as they went about town plowing off sidewalks — not only downtown but in part of the residential district. They use a home-made plow, similar to a large two-wheeled garden tractor, but fitted with a dozer-type blade.

It chugs along steadily, and really gets the job done. Local residents are most appreciative of their help.

No Fire Drill Dec. 30

GENESEEE—Due to the busy holiday activities, Fire Chief George Anderson, announced there will be no fire drill on Monday evening, December 30.

Area Shivered Under First Snow Storm of Season

A frigid arctic air mass moved into the area last Wednesday, bringing the first severe cold temperatures of the season and ushered in the official arrival of winter with a heavy blanket of snow. Travel conditions have been hazardous and a series of minor traffic accidents resulted from the icy coating on roads.

After a comparatively mild December, until the 18th, the cold front swept down from Canada Wednesday, changing the rain to snow on the higher elevations. From the top of the Lewiston Hill on north a layer of "black ice" with a fine snow covering made travel extremely dangerous with many cars stalled as they were unprepared for the sudden temperature change. The snow fell Wednesday night and early Thursday morning with the mercury plunging down to near zero on the thermometer.

There was several inches of snow on the higher elevations and over an inch down in the Kendrick-Juliaetta area. The roads cleared quickly around Kendrick, but the roads were still packed higher up. The temperature climbed back into the high 20's and low 30's in Kendrick over the week-end and slush and wet didn't hinder the arrival of Santa Claus in Kendrick and Juliaetta, and failed to dampen the enthusiasm of the youngsters who braved the elements to see him. The temperature and cold wind kept down the number of children in Genesee who gathered when Santa visited in that town.

Group Merger Service Held

A group of thirty women met on Tuesday evening at the Methodist Church in Juliaetta to help celebrate the merging of the Woman's Society of World Service of the Evangelical United Brethren Church and the Woman's Society of Christian Service of the Methodist Church. It is now known as "The Women's Society of Christian Service."

The history of parent groups was read by the leader, Mrs. Ralsigh Albright.

Four women took part in an impressive presentation of a loaf of bread as a symbol of Christian Life. Each explained the ingredients used in bread and its relation to Christian living.

The new Charter was signed and membership cards given. Following this service the ladies met in the beautifully decorated basement where the Christmas party and gift exchange were enjoyed.

Hostesses for the special party were Josephine Schupfer, Jessie Erlwine, Maude Dougharty and Viola Johns.

Masons Install New Officers

Kendrick Lodge No. 26, A. F. & A. M. held its installation ceremony on Thursday, Dec. 19th, with the following taking office:

James H. Holt, Worshipful Master; Eugene Foster, Senior Warden; Floyd Heimgartner, Junior Warden; Howard Hoffman, Secretary; Manning Onstott, Treasurer; Gilbert Sproul, Senior Deacon; Lonnie Gunther, Junior Deacon; Arthur Foster, Marshal; James Reece, Chaplain; Arthur Fiddler, Senior Steward; Dave Clayton, Junior Steward; Ray King, Tyler.

Norla Callison served as Installing Master, and Eugene Taylor, Installing Marshal.

Darren Clemenzen Bumped By Auto

Darren Clemenzen, five-year-old son of Mr. and Mrs. Max Clemenzen, Kendrick, started to cross the Main Street Thursday morning, fell down on the slick street and slid under a car driven by Gerald Ingle. Mr. Ingle was traveling very slowly and was trying to stop, so fortunately Darren only received a cut on the forehead and some scratches.

Hospital Patient

Russell Perkins of Southwick was taken by the J-K Ambulance to the Tri-State Memorial Hospital at Clarkston, at 6:30 a. m. Monday. Mrs. Perkins accompanied him in the ambulance. Bob Watts and Frank Abrams were driver and attendant on the ambulance.

No further details are available as of this Monday writing.

NEW PHONE NUMBER FOR RAY JACOBS RESIDENCE

GENESEEE — The new phone number for the Ray Jacobs trailer home is: AT 5-2361.

Whether they came down to see Santa, or just to find easter feeding grounds is not known, but at least two covy of quail moved into Kendrick's Main Street Saturday, and were seen by several people as they pecked and scurried about town.

Real Storm Sunday
The first severe snow storm of the season began Sunday about midday. Starting slowly the storm built up in intensity until it was a raging blizzard by night fall. The light, powdery snow was whipped along by strong winds and drifts of up to two feet could be seen in Genesee by 7:00 p. m. Sunday night.

The storm slackened by Monday morning, although snow was still falling. Road travel was slow and hazardous early, with heavy drifting around Genesee and over the Fix Ridge area. The highway between Juliaetta and Kendrick was packed snow, although plowed and sanded.

Linehans Return From Vacation

GENESEEE—Mr. and Mrs. Don Linehan returned home December 19 following a visit with his sister, Mrs. William Crescent and family in Chicago, and visiting other points of interest in that part of the country.

On November 27 the Linehans flew to Chicago to spend Thanksgiving Day and the week following in the Crescent home.

Don said they were in one of the very worst car congestions that O'Hara airport had ever experienced with car traffic delayed two hours, forcing their plane to circle Rock Island, Illinois for ½ hour before coming back to Chicago to land.

While in Chicago, the Linehans attended the Chicago International Livestock Exposition, the Horse Show and Rodeo, all held at the Amphitheatre where the Democratic convention was held last August. They also toured The Loop, and the Caterpillar factory at Aurora, Illinois.

On December 5, the Genesee couple flew to Flint, Michigan and took delivery of a new car and while there were taken on a tour of the Buick factory where they were told that a new car came off the assembly line every 45 seconds or approximately 80 per hour. From Flint, they returned to Chicago where they were to spend the weekend with their son, Greg.

Greg, who is in Marine Training at Quantico, Virginia flew to Chicago and visited with his parents at the Crescent home December 7 and 8. Don said they were pleasantly surprised to learn that Greg had been commissioned a 2nd Lieutenant in the Marine Corps, the day before in ceremonies at Quantico. He added that Greg was looking well, was 6' 5" tall, and weighed 225 lbs.

The Linehans next stop was Peoria, Illinois, where they were guests of the Caterpillar Tractor Company and were shown through their factory. At Moline, Illinois they visited the John Deere Harvester Plant and saw where combines were made. They were well entertained at each plant, with some of the tours prearranged for them.

From Moline, the Genesees traveled through Iowa and into South Dakota, and one afternoon ran into a real snow blizzard in central South Dakota. A little Motel close by was a most welcome sight about that time, they added.

The next day they continued their tour into the Dakotas where they were guests of Mrs. Linehan's relatives. Don said there were many cattle there and the ranchers really had plenty of work feeding stock from the loose hay stacks during the cold and blizzard-like weather. They also saw a herd of 70 buffalo; 12 antelope; a prairie dog colony, and 16 deer within a 2-mile drive of "The Bandlands Park."

Enroute home they traveled through Montana into Missouri and over the Lolo highway, and added they had a most pleasant trip but it was indeed a welcome sight to see Genesee, home, and friends again.

Surgery Patients

Mrs. Milford Osborn underwent gallstone surgery at the Gritman Hospital, Moscow, on Wednesday of last week. She has not been released but is hopeful of being home by Christmas.

The Osborns' daughter, Marcella, is also hospitalized there following a tonsillectomy she underwent on Friday. She is getting along satisfactorily after having had some complications.

CLOSING HOURS FOR BEER AND LIQUOR ESTABLISHMENTS ON NEW YEAR'S EVE

BOISE—Strict enforcement of closing hours for beer and liquor establishments on New Year's Eve, Dec. 31, was announced today by Richard L. Cade, director of the state's liquor law enforcement division.

Cade said, "There will be no extension of hours for the sale, dispensing or consuming of liquor or beer in licensed establishments within the State of Idaho on New Year's Eve."

He pointed out state law does not allow for any extension of the 1 a. m. closing hour.

Cade concluded, "All liquor law enforcement investigators have been directed to work New Year's Eve and to strictly enforce the closing hour."

Aliens Must Report Addresses

District Director R. G. Hoffeller of the Immigration and Naturalization Service stated that aliens in the United States will be required to report their addresses to the Attorney General with in the near future.

All aliens, with few exceptions, who are in the United States on January 1 each year must report their addresses by the end of that month. Only the following classes of aliens are excused from this requirement: (1) Accredited diplomats; and (2) persons accredited to certain international organizations.

Forms with which to make the report can be obtained from any post office or immigration or naturalization service office during the month of January.

Mr. Hoffeller said that the law provides severe penalties for failure to comply with the reporting requirement.

Mr. Hoffeller also cautioned all aliens and employers that the issuance of a social security card to an alien is not evidence of permission from the Immigration and Naturalization Service for the alien to work in the United States. All aliens lawfully admitted to the United States for permanent residence have been issued laminated identification cards showing such status and they may be employed. However, other aliens may not accept employment unless they have been authorized to do so by the immigration and naturalization service.

Any employer or alien having questions concerning the employment of aliens should contact the nearest immigration office.

All education should contribute to moral and physical strength and freedom. —Mary Baker Eddy

Job Picture Improves Slightly

The job market improved slightly during the past week, as a little spurt in pre-holiday hiring was noted in the Moscow area, according to a report made by Frank J. Hartstein, Moscow Office Manager for the Idaho Department of Employment. Hartstein said that a total of 19 new jobs were received in his office, compared with 10 new listings during the previous week. A total of ten persons were placed on jobs as against only seven during the week before. At the end of the week there were 41 jobs still open. This compares with 30 jobs open at the end of the previous week, and with 32 jobs available at the same time a year ago, Hartstein indicated that he expected little change in the job picture until spring, when weather conditions improved and out-of-door activities resumed.

The unemployment claim roles rose from 151 at the end of last week to a total of 186 at the end of the current week. This compares with 178 persons claiming jobs pay at the same time in 1967. Hartstein said that 50 persons filed new claims for benefits, indicating that much new unemployment occurred during the past week. Most of the new claims were filed by sawmill and woods workers from the eastern part of the county, and by construction workers residing in the immediate Moscow area. At the end of the week there were 85 Moscow residents filing claims, a week ago 70, and a year ago 64. Ten Genesee residents were seeking unemployment insurance, a week ago 8 and a year ago 4. The Troy-Deary-Bovill area had 54 workers filing for jobless pay compared with 42 last week, and 75 last year. Ten persons from the Kendrick area were receiving unemployment pay, 9 a week ago, and 5 a year ago. Twenty-one checks were going into the Potlatch area, 17 last week and 22 last year. Six persons from Elk River are currently seeking benefits, one more than a week ago, but two less than a year ago. Hartstein predicted that the number of jobless pay recipients in the county would increase gradually during the coming couple of months as winter weather caused curtailments in many of the county's industries.

License Tag Deadline Extended

BOISE—An extension until midnight, Jan. 16, 1969, for the purchase and affixing of 1969 license plate validation tags has been authorized by Law Enforcement Commissioner Warner G. Mills.

Idaho law states vehicle licenses must be purchased prior to Dec. 31 in each calendar year, but allows the commissioner to authorize a grace period for "good cause."

Mills pointed out the state adopted use of five-year, reflectorized validation tags are to be used.

The commissioner emphasized the necessity of vehicle owners presenting current registration forms when applying for new license or validation stickers.

Kendrick Gazette—December 29, 1933

Christmas Guests in Kendrick Homes: Mr. and Mrs. Hiram Galloway and daughters pooled their dinner with Mrs. Rose Farrington. Others present were Mr. and Mrs. James Farrington, Mr. and Mrs. Arne Kloster and Mr. and Mrs. Carl England and son.

Mr. and Mrs. Oscar Raby had as guests Mr. and Mrs. Paul Lind and family, Mr. and Mrs. Boyd Cook and family of Lenore, Mr. and Mrs. Lyle Hosteman, Mr. and Mrs. John Lind of Teakean and Mr. and Mrs. M. O. Raby.

Mr. and Mrs. W. A. Watts and sons and Rilla Davidson ate Christmas dinner with Dr. and Mrs. D. A. Christensen.

Christmas Baskets: The people of Kendrick carried out the true meaning of Christmas this year when they rallied to fill several baskets of provisions, clothing and toys. Eleven families were made happier by the display of thoughtfulness on the part of their friends. Some 25 of the business people and individuals contributed to this worthy cause.

Linden Items: Mr. and Mrs. Addison Alexander had as their guests on Christmas Mr. and Mrs. B. Dicks, Aunt Carrie and Arley Allen, Miss Eva and George Smith, Miss Marjorie and Jake Riebold and Walter Carman.

Many Robins Seen: A flock of some 12 to 15 robins were seen early Monday on the McCreary ranch (the former Ellis place) on the schoolhouse hill. They were much interested in the berries on the Virginia creeper vines. Their stay was short, probably sensing the approaching snow that began falling Monday evening and continued falling on Tuesday.

UNIVERSITY SERVICE IS INCREASING

Moscow — "Audio-visual services to Idaho public schools and to the campus have increased 400 to 500 per cent over the last two years," Leon Lind, supervisor of the Audio-Visual Center at the University of Idaho reports. "And it is likely that further sharp increases in demand for the services will be experienced in the near future."

The Audio-Visual Center maintains a materials library and loans out instructional aids to public schools on a rental basis. It also provides materials, equipment, consultations and in-service training to the university faculty.

During the 1966-68 period, approximately 6,000 motion picture films, filmstrips, slide sets and other aids were rented off-campus. The total number of individual-aid services to the university faculty exceeded 14,000.

"The public schools are reeling the influx of federal support funds by increasing the number of films rented from the center," Lind noted. "There is also some discussion within the State Department of Education to set certification standards for, and to place on the staff of each school, a media services specialist. The activities of such personnel would also be reflected in an increase in film rentals."

Another reason for the increase is school teachers trained in, and oriented towards the use of visual aids. Improvements on audio-visual equipment have added to the simplicity of operation, and this also is a factor in rising popularity.

SPIRITFLOWER
 Roses only live in summer,
 Roses only live a day;
 Buds that blow in happy springtime
 Blossom only to decay.

But within that heavenly portal
 Where eternal love abides;
 Blows the SPIRITFLOWER immortal
 Far beyond the sunset-tides.

Spiritflower you bloom forever
 In that land beyond the skies;
 Snows of time shall kiss you never
 In that golden paradise.

Gates of heaven lend protection
 You grow fairer every hour;
 Symbol of our resurrection,
 Angels bless you, SPIRITFLOWER.

HAPPY VALLEY 4-H CLUB

GENESEE—The Happy Valley Club led by Ray Stout met at 3:30 p. m. on December 19, 1968. There were thirteen members present and 1 visitor.

The meeting was called to order by Ron Herman. We had one visitor. He was Steve Myers. We discussed what our projects would be next year.

Last month we elected Ron Herman for president; Bill Myers for vice president; Jerry Wishard, secretary-treasurer; Dan Stout, sergeant-at-arms, David Stout as song leader, and Jeff Robertson as reporter.

Our next meeting will be January 8.

CARD OF THANKS

GENESEE—Darnelle and Bruce Robertson wish to thank the volunteers from the Fire Dept. who so quickly came to douse the fire in the chimney. We sure appreciated your help—and that of Floyd and Kay Ochs—and were just glad it wasn't any more serious. Merry Christmas to all our good neighbors!

After the meeting we had a can of pop and a candy bar.

PREPARE FOR HOLIDAY ENTERTAINING NOW

Holiday entertaining is less hectic—and more fun—if your tableware and linens are ready for use at a moment's notice. Since guests usually arrive "en masse," inspect your best china and glassware several weeks in advance to make sure that the complete sets are clean and sparkling—not just the limited number of pieces you may use for

small "off-season" parties.

Seldom used pieces—such as large soup tureen, turkey platter, and punch bowl—are sure to need washing. After polishing the silver, wash it with hot suds and rinse, wipe dry, and rub with a soft cloth. Also inspect your "banquet cloths" and napkins, which may need laundering and bleaching to restore their whiteness.

May lasting friendships cheer your heart and may good health and happiness be yours not only at this holiday season but all through the year.

Pink Velvet Pie and Whole-wheat bread. The Pink Velvet Pie is filled with calories—but most of us forget the calories during the holidays and eat those delicious "extras" that are only prepared about once a year.

WHOLE WHEAT BREAD

Put in a mixing bowl:
½ cup lukewarm water
1 pkg yeast
Let stand 5 minutes. Stir.
Put in a separate bowl:
1 cup milk
½ cup boiling water
¼ cup sugar or molasses
2 tsp. salt
Mix well, cool to lukewarm and add to the yeast mixture.
Stir in:
3 cups all-purpose flour
Beat thoroughly. Add:
2½ cups whole-wheat flour
Stir with a heavy spoon or knead.

When smooth, let rise until double in bulk (about 1 hr.). Shape into 2 loaves. Place in greased tins and let rise again until double in size (about 1 hr.). Bake about 50 minutes at 375. Makes 2 loaves or 1 loaf and 1 dozen rolls.

PINK VELVET PIE

16 graham crackers, crushed fine
4 tablespoons margarine, melted
1 package strawberry jello
½ cup hot water
¼ cup lemon juice
½ cup sugar
1 tall can condensed milk, chilled overnight in refrigerator
Mix graham crackers and margarine together.
Line a 9-inch greased pie pan with the cracker crumbs. Save out one tablespoonful to sprinkle over top of pie.
Dissolve jello in ½ cup hot water.
Add sugar and lemon juice.
Let stand while whipping canned milk
Whip milk until stiff peak is formed.
Add jello mixture and continue beating until well mixed.
Pour mixture into pie shell.
Sprinkle crumbs on top and chill several hours in refrigerator and serve.

Farm Bureau Says Increase In Grazing Fees Harmful

"The recent announcement by the Secretary of Agriculture Orville L. Freeman, and Secretary of Interior Stuart L. Udall to propose increased grazing fees for the 1969 season are ill timed and would be damaging to Idaho's farmers and ranchers who use these lands," Monroe W. Hays, president of the Idaho Farm Bureau, said today.

Hays said that ranchers are currently charged 33c per beef animal unit month (AUM) on BLM lands. It is proposed that the fee for BLM land be increased to 44c in 1969 with a maximum fee of \$1.23 at the end of a ten-year period.

Idaho has approximately 1,187,000 of AUM's on BLM land, Hays said. "Using the average capital value per grazing permit of \$14.41, Idaho stands to lose upwards of \$15 million," Hays said.

"Farm Bureau has adopted what we consider a wise and sound policy that no decision concerning grazing fees on public lands be made until the Public Land Law Review Commission, PLLRC has made its recommendation to Congress," the Farm Bureau president said. "The PLLRC study is to be completed by June 30, 1970. The proposed fee increase will be harmful to the economics of the public land states and jeopardize the work of the Public Land Law Review Commission, therefore, we urge the new administration rescind the proposed fee increase and that the fee structure not be altered until the studies by the PLLRC Commission have been completed and presented to Congress," Hays concluded.

Important Medicare Advice Is Offered

D. Gene Shaw, social security district manager in Lewiston, today urged everyone signed up for the doctor bill insurance part of Medicare, to spend some time between now and the end of the year in reviewing whether the program owes them some money.

He said that this is most important for those older people who incurred expenses for covered medical services between October 1, 1966, and September 30, 1967. If a claim isn't made for reimbursement of these expenses by December 31, 1968, it will not be possible to make a payment.

In the past, some Medicare beneficiaries postponed making a claim because they thought that if the doctor declined to take an assignment, the patient had to submit a receipted bill. Unable to supply evidence of having paid the doctor or the medical supplier, they also failed to file a claim. "These people are in danger of shortchanging themselves. The 1967 amendments to the Medicare law eliminated the requirement that a bill submitted with a claim must be receipted to show that it was paid in full or part. Starting in 1968, an itemized bill showing the services or medical goods received and charges for these, even if unpaid, became sufficient."

He reminded those older persons in the area who have signed up for voluntary medical insurance that Medicare pays for 80 per cent of the reasonable charges of the covered services and medical goods, less an annual \$50 deductible that the patient must pay. If the expenses of the last 3 months in any year do not come up to the amount of the deductible, they can be carried over the following year to reduce the deductible for that year.

The Lewiston Social Security office is prepared to help people make claims for doctor bill insurance payment. Those who still haven't applied for reimbursement for medical services and goods received between October 1, 1966 and September 30, 1967, are urged to apply before January 1, 1969. Beginning with that date, it may be too late.

Our office is located at 726 21st St., Lewiston, Idaho. Our office hours are 8:30 a. m. to 4:30 p. m. Monday thru Thursday and 8:30 a. m. thru 6:30 p. m. on Friday.

SYNTHETIC SWEETENER COUNTERACTS DRUG

A SMALL AMOUNT OF a synthetic sweetener now in wide use apparently counteracts the beneficial effect of an antibiotic drug, according to evidence reported by a University of Michigan researcher. The sweetener—sodium or calcium cyclamate—seems to block lincomycin hydrochloride, a common antibiotic, from being absorbed into the blood stream and thus keeps it from reaching the site of an infection.

WHEN THE PRESSURE IS ON a device from Tube Turns, Louisville, becomes a handy helper for piping fabricators. The steel-and-rubber device, called a "Swe-Plug" pressure tester, expands to seal piping assemblies for eliminating costly procedures such as welding caps over pipe ends.

A TEST being developed by University of Wisconsin virologists could help

prevent future outbreaks of virus infections similar to those that plagued the Apollo 7 astronauts. They believe the test will terminate in 24 hours whether a disease-causing virus is present in a person. Conventional tests now in wide use require about a week to make the same determination.

THE DISCOVERY of a new Mare, or dry sea, at the center of the far side of the moon has been reported by three Cornell University astronomers. They propose naming the 600-mile-diameter sea, the moon's largest, "Mare Occultum" (the hidden sea). The lunar seas, first discovered by Galileo are thought to be produced by the explosive impacts of large bodies into the moon early in its history. Seas on the near side of the moon make up the familiar features of "the man in the moon."

THE MOST WIDELY FELT earthquake in the recorded history of North America occurred in 1811-1812 near New Madrid, Mo. The largest tremor was felt over an area of 2 million square miles—from Canada to the Gulf of Mexico and from the Rock Mountains to the Atlantic Ocean. Because the most intense effects were in a sparsely populated region, the destruction to human life and property was slight. If it were to occur in the same area today it probably would cause severe damage in many cities of the central Mississippi Valley.

Watch Driving During Holidays

"Every Idaho motorist who doesn't drive when he's impaired by alcohol may be giving others the biggest holiday gift of all—their lives," Col. Clark Hand, superintendent of the Idaho State Police, said today.

The superintendent referred to a report by the National Safety Council which stated drinking may be a factor in at least half of the fatal motor vehicle accidents in the United States.

The report states that when the average driver does drink, his ears, eyes and coordination may be affected to a serious degree. As a result, he becomes less alert to the driving errors of others, weather conditions and roads

and changes in traffic flow.

"Holiday season driving is more difficult anyway," Hand says, "because many are preoccupied with seasonal planning and shopping."

"The driver who further limits his motoring ability with alcohol poses a deadly threat to everyone. A driver under the influence is at least 25 times more likely to be involved in a traffic accident than if he were sober."

The superintendent concluded, "It is everyone's responsibility including drivers and hosts at holiday parties, to see to it that drinking before driving does not become an accepted part of the Christmas season."

Mr. and Mrs. H. Southwick Observe 50th Anniversary

SOUTHWICK—Mr. and Mrs. Howard Southwick, pioneer residents of Southwick, now living at Lewiston Orchards, were guests of honor at an open-house on Sunday, December 15, at the Chicken Broaster at Lewiston. Some 90 friends and relatives were present for the happy occasion. It was sponsored by the couples three sons, Neal, of Bellevue, Washington, Lloyd of Lewiston, and Phil of Princeton, and their daughter, Mrs. Edwin (Mae) Hanks, also of Lewiston. Howard was born at Southwick in 1898, and she was born at Leland in 1901. He was married to Opal O. Thornton on December 23, 1918. He farmed at Southwick until 1955, when they moved

to Lewiston Orchards. There he worked for Potlatch Forests, Inc. from 1956 until retirement in 1964.

The three-tiered wedding anniversary cake was topped by a golden wreath and numeral 50. Color decor was carried out in gold with an arrangement of eight yellow and white chrysanthemums. Assisting the family with the serving was Mrs. Lee Davis, an aunt of Mr. Southwick.

The couple's four children, nine grandchildren and two great-grandchildren were present for the occasion and attended the family get-together that evening. Relatives came from Seattle, Portland, and surrounding communities for the celebration.

'Tis Christmas

The Christmas Cross now stands illumined on yonder hill; Placed there by loving hands, For all the world to see.

What care if it be a cross, Or whether it be a crown, Why demand it be a star, If love in the heart abound.

Beware, lest we love the cross,

Men's capacities have never been measured; nor are we to judge of what he can do by any precedents, so little has been tried.—Henry David Thoreau

Likewise worship the crown, These are but symbols Of one who gave His all Upon a cruel tree, That we might have eternal life and that more abundantly. — Melva Woody.

Happy New Year
