

FIRST SECURITY BANK'S QUARTERLY NEWS LETTER

The economic outlook for Idaho in 1969 is rated good, with increases expected in employment and income.

This is the report of First Security Bank's quarterly News Letter, being distributed this week. It was announced by James Hoogland, Jr., manager First Security Bank, Kendrick, and W. J. Phar, manager of First Security Bank, Genesee. The publication is edited by Dr. Elroy Nelson, a vice president and economist.

The year 1968, according to First Security, should produce higher cash receipts from farm marketing in the early part of the year, while metal production and food processing will be above 1968 levels.

The general outlook for agriculture in Idaho, as in the nation, is fair to good. An increase in gross farm income is anticipated but because of the tight squeeze net farm income may rise at a slightly lower rate.

For 1968, cash receipts from farm marketing in the Gem state exceeded the \$520 million of 1967 and approached the record of \$534 million established in

1968. Income from livestock and livestock products represented the major increases from a year earlier.

Crop production last year was somewhat below the all-time record of 1967, with decreases in production of wheat, most feed grains, hay, dry peas, hops, potatoes and all fruit. The major exception was sugar beets which established a new record, according to the News Letter.

Potato prices have been good compared with 1967 and total receipts from sale of potatoes for the first four months of 1969 should be considerably above those of a year ago.

Prices for feed cattle might decline slightly in the early months of this year because of greater supplies in feed lots. Feeder cattle prices will probably reflect changes in the demand for fed cattle, with prices of feed remaining relatively stable with generally large supplies available.

The value of mineral production in Idaho last year was reported at \$118.1 million, the highest total ever reported. Quantity of most metal production, however, decreased due to the copper strike and other labor disputes.

HUNTERS REMINDED TO TURN IN REPORT CARDS

Hunters are reminded to send in their big game report cards to the Idaho Fish and Game Department. These should be sent in whether or not a hunter has bagged his game.

These reports provide valuable information on the total kill of each species, the rate of hunter success, distribution of resident and non-resident hunters, and main other facts. The cards are self-addressed and stamped so it is merely a matter of dropping them in the box after filling out the requested information.

You can't work without a good breakfast. You'll find every desired item from bacon and eggs and fruit for all kinds of cereals, hot or cold breakfast. See Blewett's in Kendrick.

The outlook for 1969 is good to excellent, say First Security.

Lumber production during 1968 totaled about 1.7 billion feet, board measure the highest output of any year since 1965. Mills continued to operate at near capacity, while prices increased significantly.

Value added by manufacturing in the state last year is estimated at \$560 million for an increase of nearly \$40 million over 1967.

Values added by food processing, construction materials, and fabricated metals were higher than were those of lumber, paper, phosphate products and metals.

First Security reports that nonagricultural wage and salary employment in Idaho in November totaled 195,800, an increase of 4,700 over the same date in 1967. Increases were shown in all segments except the federal government. Total employment, including self-employment and agriculture, was 274,000, an increase of 6,400.

Unemployment was down 100 from 1967 to 10,800. The seasonally adjusted rate of unemployment of 3.8 per cent of the labor force compares with 3.9 per cent in November of 1967.

Preliminary estimates indicate retail trade in the state totaled \$1.2 billion, or approximately five per cent above 1967. Increased prices represented a rather large percentage of the increase.

Home Cookin' ...

Chocolate Cake! As American as Apple Pie! Everyone loves it. But have you tried a Chocolate Sauerkraut Cake? Hold it—don't knock it, until you've tried it. We haven't yet, but we certainly plan to. Our cook for this week is Mrs. Ken (Sherril) Miller. We think the Miller family have been a truly great asset to the town, and we hope to keep them here for a long time. In addition to her regular duties of housewife and mother, she is active in the Jay-C-Eltes, and has helped out on many of their community projects.

She also sent in a recipe for Cottage Cheese Spinach Salad—for those of you who are fond of cottage cheese and spinach, this should be something worth trying. Sounds as though it would go real well with a meat casserole, hot rolls, and of course, your Chocolate Sauerkraut Cake, and coffee. Right?

CHOCOLATE SAUERKRAUT CAKE

- 2/3 cup butter
- 1 1/2 cup sugar
- 3 eggs
- 1 T vanilla
- 1 cup water
- 2 1/2 cup sifted flour
- 1 t baking powder
- 1 t soda
- 1/2 t salt
- 1/2 cup unsweetened cocoa
- 2/3 cup rinsed, drained and chopped kraut
- Cream butter and sugar.

Add eggs and beat. Add vanilla. Sift dry ingredients and add alternately with water. Stir in kraut.

COTTAGE CHEESE SPINACH SALAD

- Combine:
- 1 pkg. lemon jello (family size)
 - 1 1/2 cup boiling water
 - 1/2 cup mayonnaise
 - 1 cup cottage cheese (small curd)
 - 1 cup freshly chopped fresh spinach
 - 1/3 cup diced celery
 - 1 tbs. lemon juice
 - 1/2 tsp. salt
- Stir after partially set.

DR. THOMAS ELLIOTT, 82, FORMER GENESEE RESIDENT, PASSES IN SEATTLE

Dr. Thomas A. Elliott, 82, veterinarian in the Lewiston and Genesee areas most of the time from 1908 to 1935, died Tuesday, January 14 at 9:30 a. m. at a Seattle hospital.

He had been a failing health the last two years and a hospital patient the last six weeks.

Dr. Elliott served a term as Idaho director of animal husbandry just prior to his retirement as a practicing veterinarian. At that time he moved to Lewiston, where he opened the city's first veterinarian supply store.

He sold the store in October of 1946 to the late Dr. Kenneth A. White, who died in 1963.

Dr. and Mrs. Elliott, the former Quechy Vinegarholz, moved to his family's wheat, pea and cattle ranch on the Rimrock near the top of the Lewiston Spiral Highway in 1946. They sold the 630-acre property in September of 1948 and moved to Seattle. There, he was Northwest representative of Vitaminal Co. It manufactures a feed supplement for livestock.

Dr. Elliott was born May 16, 1886, at the family farm. He was graduated from Washington State College (now university) at Pullman and opened an office in Genesee about 1908. He practiced there until accepting the state animal husbandry position and his move to Lewiston.

Mrs. Elliott is the only closely related relative.

Mrs. E. V. Lorenz and Mrs. S. C. Skillern, Lewiston are second cousins. Funeral arrangements are incomplete but that service and burial will be at Seattle.

FAITH:
I'll plant King Alfred daffodils today
In January's sleet and rime and snow;
Because I know all this will pass away
When wild chinooks come back again to blow.

Because I know that bluebirds will return
To happiness that in tomorrow lies;
When daffodils will bloom, and bless,
and burn,
And wild geese in formation plow the skies.

the POTLATCH PLAN

TIMBER RESOURCES

Timber Resources means trees! It also means scientific forest practices and good management... making the most of what we have today while planning for the needs of tomorrow. Protecting and managing our timber resources is insurance for a perpetual harvest!

At Potlatch, we practice forest management policies which assure a continuous and ample supply of raw materials to fill our needs for steady and expanding operation. Most of PFI's 598,000 acres of timberlands in northern Idaho and eastern Washington are in the American Tree Farm system — dedicated to maintaining timberlands in a productive condition. Selective logging, reforestation and protection all play a part in perpetuating PFI's timber inventory.

Timber is a crop which must be harvested when ripe — nurtured and protected while growing. The forest products industry today is growing, managing and protecting more timber than it is harvesting — extra trees that will soon be required by an exploding population.

There's still another side to the story, and that is multi-purpose management. Multiple use means just that... harvesting mature timber, developing and maintaining recreation areas open to the public, protecting the native wildlife, water conservation, even providing forage. History has taught us that the future belongs to those who prepare for it... and that is a major part of the Potlatch Plan!

Mr. and Mrs. Jerry Brink of Pocatello announce the birth of a son on Wednesday, Jan. 4. The name Michael Jerome has been chosen. Mrs. Brink is the daughter of Mr. and Mrs. Ernest Becker Fred Nagel and niece, Miss Frieda Herrmann plan to leave Genesee Friday for a trip to Los Angeles, California.

Stanley Rosenau was given a birthday party last Friday evening by Mr. and Mrs. Wm. Rosenau.

Mr. and Mrs. O. Danielson and Mr. and Mrs. James Archibald were hosts at a community party at the Danielson school house Friday evening.

Della Stout succeeds Inga Dinsen as news reporter for the Tumbleweed 4-H girls club.

A few friends were entertained by Mrs. George Anderson Saturday afternoon in honor of Mrs. John Flomer's birthday.

50 YEARS AGO

Ellis Oberg is at the local hospital.

Miss Martha Magee is improving from a severe attack of influenza.

The following firms have ice stored: Smolt and Son, between 140 and 150 tons; N. Edwards, 30 tons of 10-inch thickness, City Market, 45 tons; F. E. Schooler, 30 or 35 tons.

Mrs. Chas. Jain entertained at a birthday dinner on Sunday for her daughter, Miss Olive Jain and Mr. Jain's brother, Walter.

Most all of the time of Dr. W. H. Ehlen is now being given to influenza cases on Fix Ridge. The cases reported are; John F. Taber family, 5; Dave Demler, 6; Wm. Hill family, 7; Columbus Clark, 1 son; Marsh Calton family, 4; Frank Bygart family, 3; Julius Giese family 2; L. Slead, 1 and Miss Metzger, teacher in that district.

A fine little daughter arrived at the home of Mr. and Mrs. Walter Driscoll of Driscoll Ridge Dec. 31. Mrs. Driscoll was formerly Miss Jennie Halverson of Genesee.

Dewey Wardrobe reached home Tuesday afternoon from France where he served the past year with the American Expeditionary Forces.

George and John Moersch and Dereal Springer returned to Genesee from Camp Lewis last Thursday, having been mustered out of the service.

January 13, 1899

Genesee people were horrified Wednesday morning upon learning that the Sanford Evans grain warehouse was on fire. It was about 9:30 when the alarm sounded. The fire started from an air-tight stove in the office. The building was valued at \$6,000 and insured for \$3,000. The fine gasoline engine and cleaner carried \$1500 insurance. Mr. Evans and Mr. Larrabee, owner and manager are the heaviest losers. The city fire bell was about as good as an old cow bell. It must have had the croup as few people heard it. The Catholic church bell came to the rescue in good style. It will take 60 days to adjust the losses. W. E. Cools, J. B. Lees and Joe Wells put up ice this week—nearly 100 tons. Mr. and Mrs. Fred Rieck are rejoicing over the arrival of a baby at their household.

A couple of sleigh loads of young people went to the home of Mr. and Mrs. Charley Steltz Saturday evening and had a warm time.

A girl of tender age put in an appearance at the Joe Hasfurther home Monday morning.

Pretty fair sleighing now.

George H. Hobson showed us the plans for the new store he had about decided to build in the spring.

39 small people made it interesting for Eddie Smolt last Saturday afternoon, it being his 10th birthday.

to look and listen—and stayed. Thus on June 10, 1890, we found the beginnings as follows:

"A string of shacks on what is now Main Street, but not a single one that could be called a better name.

"Thomas Kirby was operating a drug store in a story-and-a-half building, with the post office in the rear of the drug store.

"M. C. Normoyle was having material hauled for the construction of a hotel, which was located on the southeast corner of the now City Park. When completed, it was a credit to any small town, and Mr. Normoyle proved to be one of the best, if not the best, booster Kendrick ever had.

"J. P. Vollmer was operating a general store (Mat Jacobs, manager), just north of where N. E. Ware's barn now stands.

"Wm. Myers was operating a blacksmith shop this side of the store.

"Cap' Carlton opened up a very small grocery store later. A customer coming for lunch inquired the price of a small can of sardines. 'Cap' replied: '10c or 2 for 25c.' The customer took two. 'Cap' took the 25c.

"Durham and Caulman (E. Caulman, manager) moved from Juliaetta as soon as the Wilcox and Helpman building was completed, opening up a fairly complete general store.

"The Lincoln Bros. (Will and The.) were the first to enter the hardware line, soon selling out to Messrs. R. M. Walker and Robert Sinclair.

"The Gazette's first printed sheet was put out by a Mr. Frost, owner, publisher and devil; in whose shop our first big fire started. Some thought he set it, and talked that he should be lynched. Hearing of the talk, he made double-quick time down the street, not waiting to secure coat or shoes, and so far as the writer knows, never was heard from again.

"Our first attorney was Geo. W. Coult.

"Our first physician was Dr. Rothwell, who enjoyed splendid success in his profession.

"Our first male school teacher, P. E. Stookey, now an attorney in Lewiston, was soon followed by John Barackman, now of Moscow who we believe, held the position of principal longer than any of his successors.

"E. T. Tasment was our first civil engineer.

"Our first barber was Wm. Crews.

"Davis Wright (brother of Geo. Wright, now deceased) opened the first real livery stable.

"Valley E. Nichols first operated a dray and delivery business.

"The first grist mill was operated by M. F. Freeman.

"The grain warehouse was operated by Balfour & Guthrie, and managed by B. G. Peters.

"Our first realtor was F. C. Petter, looking mostly after the interests of the Townsite Co.

"It is doubtful if anyone could say who opened the first saloon, they came so rapidly, one, at least, opened in a tent.

"The writer put the finishing touches on the Hamley Bros. (John and William) harness shop, they opening up early in 1891.

"The Kendrick State Bank opened in 1891 by Captain J. M. Walker and his son, R. M. Walker, cashier."

Mr. Helpman adds as a footnote: "Might and could give more Kendrick

JAY-C-ETTE NEWS

GENESEE—The Genesee Jay-C-ettes met at the home of their president Blanche Edwards Monday, with Judy Singhose, co-hostess. Seven members were present. The president urged everyone to attend the State Junior Pageant in Moscow January 9th and 10th.

There will be a Joint District meeting in Genesee Sunday, January 19 at 2:00 p. m. A basketball game for the Jay-Cees will follow the meeting. We will serve sandwiches, chips, and coffee after the game.

The nominating committee, Sherri and Elaine, will present the slate of officers at the February meeting.

The White Elephant was won by Iris Cantamessa.

The next meeting will be February 3 at the home of Judy Singhose with Blanche Edwards, co-hostess. The meeting will start at 7:30 instead of 8.

PARTRIDGE, QUAIL SEASON CLOSED NOW

The hunting season on chukars, Hungarian partridge, and quail closed on December 31 in most of the Clearwater Region. However, there is an extended hunt this year through January 20th in that portion of the Snake River drainage including the Salmon River drainage in Adams, Idaho, Lewis, and Nez Perce counties from Brownlee Dam downstream to but excluding the Tammany Creek drainage immediately south of Lewiston and excluding that portion of John's Creek drainage above Tolo Lake near Grangeville. The daily bag limit on each of these species is 10 birds and 20 in possession.

Hunters are reminded to purchase 1969 hunting licenses for the new year. The duck stamp purchased in 1968 is still valid for the 1969 portion of the duck season which extends until January 19, in Latah, Lewis, and Nez Perce counties. The duck season closed on January 12th in Clearwater and Idaho counties. Goose season closed on January 12th statewide.

LEGISLADIES ARE BUSY GROUP

Boise — At the first no-host luncheon meeting of the Legisladies Organization, a group of women composed of the wives of the Idaho State Senators and Representatives, and women state officials, Boise vocalist Gordon Eichmann was the guest artist. Mr. Eichmann was accompanied by Franklin Holsinger, also of Boise.
 Presiding at the meeting was Mrs. Emery Hedlund, vice-president of the organization, who was in charge of the meeting in the absence of Mrs. Orval Hansen, who has moved to Washington, D. C.
 The Legisladies, as an organization participate in many civic and cultural affairs while residing in Boise, and they also serve many times as unofficial secretaries and hostesses for their husbands. They have a special seating arrangement in the balcony overlooking the legislative chambers when they visit the session.
 At the election Mrs. Jack Clairborn was chosen president and Mrs. Vernon Brassey was named treasurer. Attending the meeting from District 5 were Mrs. John Mix, Mrs. George F. Brocke, Sr., and Mrs. Harold Snow, wives of the legislators from this District.

TIGERS WIN ONE, LOSE TWO

The Kendrick Tigers came up with a win and two losses for their efforts on the basketball court this past week. Last Tuesday night the Tigers outgunned the visiting Kamiah Kubs 52-47 on the K. H. S. court. Friday night they dropped a 49-46 decision to Deary in a home game and then went to Orofino, where they were edged out 67-62 by the Gorillas of Weippe High School.
The Tigers came from behind in the final quarter of the game to gain revenge for an earlier defeat as they outscored the Kamiah Kubs 52-47 behind the sharp eye of Nels Sneve, who racked up six points in that period, and the hustling of Ron Dammarell.
Kamiah took the Jr. Varsity game 49-46.
Deary Mustangs Win
Friday night the Deary Mustangs never took the pressure off the Tigers as they upset the home team

GOLDEN RULE
ALMA BETTS

Mrs. Ray Charpentier, Mrs. Albert Lawrence and Mrs. B. A. Kite called on Mildred Wright, Wednesday, in honor of her 83rd birthday anniversary. Mr. and Mrs. Gerald Lumper of Orofino spent the evening with her.

Mrs. Chas. Baack spent a day at the home of her daughter, Mrs. Geo. Finke, the first of the week.

Mr. and Mrs. Dick Watson brought their two sons to the George Finke home Thursday evening, to be here for the wedding rehearsal of Miss Fonda Schoeffler and Richard Wilson. They served as candle lighters. Mr. and Mrs. Watson returned for the wedding Saturday evening, and spent the night with the Finkes before returning to their home on Sunday. Mrs. Elmer Souder and Alma Betts accompanied the Finkes to the wedding.

Mr. and Mrs. Albert Lawrence and family spent Friday evening with Alma Betts.

Mr. and Mrs. George Finke were Lewiston business visitors on Thursday.

Mr. and Mrs. Lloyd Randall, Jr., of Clarkston spent Saturday with her mother, Agatha Perkins. Mr. and Mrs. Albert Lawrence and family called on her Sunday evening.

Mr. and Mrs. Ray Charpentier were Orofino business visitors Thursday. They called on Mr. and Mrs. Raymond Smith Sunday evening.

BULLDOGS SCORE THREE WINS

The Genesee Bulldogs rolled up a three-game winning streak this past week as they defeated Deary and Troy in White Pine League play, and revenge an earlier defeat by Potlatch by edging the Loggers 48-38. Everyone got into the scoring last Tuesday night as the Bulldogs invaded the Deary Mustang court and came home with a 63-30 win. Genesee jumped out to a 22-11 first-quarter lead and were never threatened. Jim Scharnhorst and Nick Egland each scored 13 points. Genesee took the B game 65-42.

Terry Geltz tied the score at 50-50 Friday night and the Bulldogs went on to slip by the strong Troy Trojans 56-52. After Geltz's field goal Jim Scharnhorst scored two free throws and a basket to give the Bulldogs their margin in a hard-fought contest. Troy took the B game 46-44. Jim Scharnhorst scored 23 points in the varsity contest to pace all scorers.

49-46 in a White Pine Conference game. Kendrick led up until the final minute of play. Mark Heimgartner took scoring honors for the Tiger crew with 14 points.

The Kendrick JV's took the curtain raiser with a 58-37 point score. Gorillas Dump Tigers

Saturday night the Tigers saw an early lead disappear as they lost to the Weippe Gorillas 67-62. Rick Farrington had the hot hand in this game as he scored 21 points in the losing effort.

The Kendrick JV's romped to a 54-38 win in the curtain-raiser.

BILL IS SUBJECT OF ARTICLE

W. L. McCreary, former editor and publisher of the Gazette, has been the subject of several articles in trade journals since he retired last fall.

A long feature story, complete with picture, was published in the "Publisher's Auxiliary", the largest trade paper in America, just last month.

This month's issue of the "Idaho Press" the official publication of the Idaho Press Association, also carries a nice feature story of our former publisher.

Behind the 16-point effort of Mark Busch, the Bulldogs toppled the Potlatch Loggers 48-38 on the Genesee floor Saturday night. Potlatch got on the score board first, but the Bulldogs quickly evened the score and never gave up control again. Genesee's B squad took an easy 62-24 win from the Little Loggers in the first game.

TIGERS DEFEATED BY OROFINO

Kendrick's Tiger basketball team suffered their third loss in a row Tuesday night as they traveled to Orofino and were sent home with the short end of a 69-50 score. Orofino, the only team to defeat last year's KHS squad, had little trouble Tuesday night as they rolled up a 14-5 first quarter lead and had stretched it to 40-17 at the half.

Ted Roof scored 26 points for the Maniacs. Nels Sneve took scoring honors for the Tigers with 12 points.

Orofino made a clean sweep of the evening by defeating the Kendrick JV squad 58-41 in the opening game.

Here is a bit of poetry for those lovers of the insect world:

Here's to the happy buzzing Bee
With sex so small you cannot see
You cannot tell a he from a she
But she can tell and so can he
The bee is such a busy soul
She has no time for birth control
And that is why in times like these
We have so many Sons of Bees ! ! !

Many years ago, in a rural district, a farmer was helping at his wife's delivery by holding the kerosene lamp. When the doctor had produced not one, but three fine babies, the farmer disappeared. "Come back with that lamp," called the doctor. "I think there's another."

"I will not," answered the farmer. "I think it's the light that's attracting them."

An Idaho farmer was traveling in California and as he entered the Southern area freeway system, and got a motel room and waited around until he felt it would be the safest time to venture out on the freeway. He finally decided on Sunday morning because he knew the Catholics would be at Mass, the protestants would be in bed, and the Jews would be on the golf course. Do you know what happened to him? He was hit by a Seven Day Adventist!
