School is out and its vacation time again! Family reunions, parties and picnics will be more numerous from now on. With warm weather bearing down, our eating should be kept light, yet nourishing, and something easy to prepare, and enough made at one time to be used for several meals. A cool gelatin salad, a casserole, and graham cracker dessert. It's a refreshing sound from bread, meat, potatoes and gravy. Though, of course, there are some who still enjoy that old standby fare, no matter how high the thermometer soars.

GREEN SALAD

1 pkg. Lime gelatin 12 marshmallows

1 small can crushed pineapple 1/2 cup diced celery

1½ cup boiling water

1/2 cup heavy cream 1/2 cup mayonnaise

Mix gelatin and marshmallows in water and let set until cool. Then pineapple and mix well. Whip cream, other ingredients and mix well. Chill Don Aherin, Inga Dinsen, Beverly

SAUSAGE DINNER

11/2 cup macaroni

½ onion

3 T butter

1 green pepper, chopped 3 cups canned tomatoes

1½ tsp. sugar 1½ tsp. salt

¼ tsp. pepper ¾ lb. sausage

1/3 cup dry bread crumbs Cook macaroni, saute onion in butter for 5 minutes. Add green pepper, tomatoes, salt pepper, sugar, simmer for 15 minutes. Form sausage in 6 flat patties. Place ½ macaroni in casserole, next the six patties and cover with remaining macaroni. Pour tomato mixture over all and sprinkle top with bread crumbs. Bake at 350 degrees for 15 minutes. Serves 6.

GRAHAM CRACKER DESSERT

1/2 box graham crackers 2 cups powdered sugar

14 cup butter

2 eggs 1/2 tsp. vanilla

½ pint cream

1 small can pineapple Line 13" x 9" oblong pan with 1/2 of crackers. Mix 2 cups powdered sugar with 1/2 cup butter and 1/2 tsp. vanilla. Beat in two eggs, one at a dered sugar mixture over crackers, northeast of Genesee. then pineapple cream mixture. Cover with remaining cracker crumbs. Chill several hours before serving.

IDAHO WHEAT COMMISSION

BOISE-Final approval was given here today by the Western Wheat Associates board of directors for the opening of an office in Seoul, South Korea, to promote U. S. wheat sales,

According to Harold West, Boise, administrator of the Idaho Wheat Commission, the wheat sales promotion program in Korea is scheduled to begin on August 1. Financial support for Western Wheat Associates, which also has offices in Tokyo and other Far East capitals, comes from wheat growers in the Pacific Northwest and Midwest, as well as from the U.S. Department of Agriculture, West said,

Directors and staff members who BE IT ORDAINED by the Mayor and today came from as far as Washattended the meetings here yesterday

Approved to head the WWA office Section 1. That all of Willow Street rently is international marketing spein Korea was Don Taylor, who curlying and being between and contige cialist for the Extension Service of uous to Blocks Eighty-four (84) and Oregon State University, Corvallis.

The addition of a wheat promotion program in South Korea should give significant boost to long-term export sales of U. S. wheat, Harris said. According to Taylor, Korea is one of the most promising Far Eastern countries for potential increases in cash wheat purchases. He voiced a strong possibility for Korean purchase of U.S. wheat to be all cash by 1971.

You duplicate nature's own method of building soil fertility with a Gilson tiller. Here's why: Gilson's perfect slicing and blending action mixes up soil and organic matter thoroughly . . . forms a loose, aerated seedbed. As a result, plant roots penetrate and reach out easily; moisture is absorbed more readily; decomposition of soil minerals and organic waste takes place quicker. Your garden gets off to a faster start and flowers and vegetables grow bigger than ever before. Gilson tillers feature extra heavy construction, guaranteed tines (repaced free if ever broken), cast iron gear case, adjustable tilling widths. 31/2 to 5 hp.
