Bubble Burst; Lapwai Tops GHS

Genesee had no answer for the passing attack of the Lapwai Wildcats as the fierce, rushing defense of the LHS team and the valley boys dropped GHS from the unbeaten ranks 14-6 on the Genesee field Friday night.

The two teams battled to a 0-0 halftime standoff. Lapwai came out from the opening kickoff with a pass attack that spread the Bulldog defense thin. The Wildcats passed on each of their first six plays before they tried on the ground. Running out of a single-wing, the Lapwai offense, gave Moose Pierre excellent pass protection and the big senior's throwing arm spelled defeat for the home team.

Neither team was able to gain on the ground and Bruce Scharnhorst's pass to Ron Hopkins in the first quarter, a 35-yard gain was the offensive high point for the Bulldogs in that period. The play brought GHS to the Lapwai 34-yard line but they couldn't move forward. Genesee, sparked by a twenty-yard run by Dan Tyler on a draw play, looked good for a time in the second period but the drive fizzled out down on the Wildcat ten.

In the second half Pierre passed to Wildcat Paul Smith for twenty yards and a touchdown. Lapwai passed for the extra points and it was 8-0 going into the final frame.

Lapwai's Mike Greene passed to Smith in the fourth quarter for the other Lapwai touchdown in a play covering 15 yards. The extra point try failed.

Bruce Scharnhorst tried to rally the Bulldogs in the final minutes of the game as he climaxed a Genesee drive by going six yards around end for Genesee's only score.

Fumbles and mistakes were costly to the Bulldogs but it was the outstanding work of the Wildcats that won the game for them.

Genesee Will Enforce Curfew

Mayor D. F. Scharnhorst and the city council announced this week that effective immediately the city's ordinance pertaining to curfew for minors will be strictly enforced. The action and the announcement came after the city had been bothered by a series of vandalism that resulted in many complaints by local residents.

Mayor Scharnhorst asked for the cooperation of both young people and parents in curbing this sort of abuse. The city feels that with a little respect, cooperation and common-sense, the matter can be resolved without resorting to harsh measures.

"For the benefit of all, we reprint that section of the city code that sets forth the curfew rules:

CURFEW MINORS UNDER EIGHTEEN YEARS OF AGE:

It shall be unlawful for any minor under the age of eighteen (18) years of age to be upon any public thoroughfare or in any public building between the hours of 10:00 o'clock P. M. and 5:00 o'clock A. M. of each day unless accompanied by his parent or guardian.

MINORS, SPECIAL PERMITS: The parent, or lawful guardian, of a minor under the age of eighteen (18) years may provide said minor with a written permit as an excuse and justification to be upon any public thoroughfare during restricted hours for the purpose of performing any lawful or necessary errand. MINORS, ATTEND SPECIAL EVENTS: Any minor under the age of eighteen (18) years may attend a function or activity of any church or school of which he or his parent or guardian is a member, or which he might logically be expected to attend, and he may attend such function or activity without the necessity of a special permit, provided, however, any minor attending such function or activity shall not be upon any public thoroughfare within a reasonable time after the official close of such function or activity.

MINORS, PARENTAL RESPONSIBILITY: The parent or guardian of any minor under the age of eighteen (18) years shall be legally responsible for such minor and shall be deemed guilty of a misdemeanor upon the finding of a violation of this Chapter by any minor of whom he is the parent or guardian.

KHS Tigers Upset Highland Huskies

Most sport fans rated the Genesee-Lapwai game a toss-up, but almost nobody gave the Kendrick Tigers a chance against the unbeaten, league-leading Highland Huskies Wednesday night in Kendrick, but the Tigers pulled the upset of the season and dropped the Craigmont team 8-0.

It was a hard job for Tiger Booster fans to pick outstanding players following the game. Coach Wayne Dault said he was very satisfied with everyone's effort and Kendrick fans agreed. In some close voting, tho, Boyd Candler and Doug Clayton got the nod as defensive and offensive linemen of the week. Candler was also given the pick as offensive back of the week, while Kim Trout was chosen defensive backfield standout.

Candler is doing double duty as both lineman, his regular spot, and as fullback for the injured Alan Kimbley.

It was a defensive battle all the way Wednesday night and the Tiger defense held the highly-touted Highland offense to just six first downs during the entire game as they broke up many pass plays, intercepting four Husky passes with Don Parks and Kim Trout each snaring two.

After a scoreless first half, the Tigers moved the ball down to Highland two-yard line and Boyd Candler bulldozed the piskin over from there for the only touchdown of the game. Parks ran over for the two-point conversion and that was the scoring.

The Tigers pack up and hit the road Friday for a game with the Deary Mustangs on the Deary field.

this area, Brocke said that the committee has offered legislation to restore surface mining as near as possible to its natural state.

The federal government owns almost all mineral rights in the state of Idaho. Brocke continued, "It is my hope that they will adopt mining laws to take care of restoration and reclamation of all lands mined."

In explaining the two latter areas also referred to as the White Clouds area, Rep. Brocke said, "I remain neutral as to whether it should be mined or whether it should not be mined as this is a decision of the Federal Government and the Forest Service since the location is in the Challis National Forest Area."

Brocke also emphasized the need for the little prospector as he is an important link in detecting where the minerals are located, then the big machinery, not in demand years ago, can be put into operation for the surface mining, as it seems the little prospector is being forgotten.

Mrs. Brocke was also present and assisted Rep. Brocke in showing pictures.

Also present for the evening and speaking to the Grange during the closed session was Mr. Rick Wally, a member of the National Grange Youth Committee, urging members to attend the 104th session of the National Grange which will be held in Boise starting November 9.

Mr. Wally has nine northwestern and western states in his area. He visits youth camps and conferences informing them of the National Youth Grange Program and stresses the importance of all Grange membership on the local level. All Kendrick members are requested to bring 2 or 3 pies or a large salad. All members and officers are urged to attend. Every member is needed as the words in this poem by Cortelyou Cruikshank states:

One small link in a chain, that's all
One small link let a whole bridge fall.
Think your work in the word is small?
Do your part lest the whole bridge fall.

School District 283 Hit By Thieves, Vandals

A rash of thievery and vandalism over the past week proved costly to the taxpayers of School District 283 as the gas pump at the school bus garage in Kendrick was knocked off its foundation and the host torn loose sometime Friday night or early Saturday morning. The vandals then went inside the garage, broke the copper tubing from a fuel oil barrel and allowed over 400 gallons of oil to drain out on the ground.

Monday night, someone went out to the Kendrick school and drained gas from the district's driver training car, a pickup truck and the small school bus.

Local and county law officers are investigating said Supt. Don Blakeley. School bus maintenance supervisor, Aaron Wells also had a few choice comments, but we don't dare print things like that in a family newspaper.

Bankers Are Community Workers, Survey Shows

Bankers traditionally are community-minded citizens, and a recent staff survey conducted by First Security corporation, registered bank-holding company, certainly proves the point.

First Security, which operates four banks in Utah, Idaho and Wyoming, with 109 banking offices, has a total of 1900 full-time employees, and a great majority of them are actively involved in their respective community life.

For example, 214 have served as president of a welfare agency, civic group, service club or a fraternal or social organization. Typical organizations include United Fund, Heart Fund, Chamber of Commerce, Rotary Club, etc. An additional 136 First Security employees have devoted their time and talents as either directors or chairmen of the various charities, cancer drives, heart fund campaigns, Red Cross and the like. Service clubs, which are an integral of every community, have drawn from the ranks of First Security for considerable leadership talent. More than 70 First Security bankers have held the office of director or chairman of such service organizations, and hundreds have held lesser offices, including vice president, secretary or treasurer.

First Security staff members are encouraged by top management to participate in political activity and many do just that as the survey revealed. A total of 74 bankers, mostly officers, now hold or have held important political offices. These officers run the gamut from precinct delegates to justices of the peace to state legislators. As a matter of fact, one of First Security's chief executive officers once ran for the office of United States Senator.

Better than 50 percent of First Security employees are members of the Church of Jesus Christ of Latter-Day Saints, the prominent religious faith in the Intermountain region. And they are not just members of record, but working members of their church.

The staff survey showed that 21 First Security people have served as a ward bishop, one of the church's most important positions. Nearly 100 others have held a stake office and have been responsible for the activities of thousands of church members. More than 80 First Security employees filled missions for their church, that is they devoted two years of their lives in domestic and foreign areas teaching the LDS Church gospel. In addition, 94 First Security people are officers of other churches.

ORTHO fertilizer and forage-partners for profit.

There's a simple way to get more beef from every acre—produce more and better grass! And your ORTHO dealer has the answer—UNIFEL® 27-12-0 with sulfur. It's tailor-made for the cattle country. Nitrogen, phosphate and sulfur are properly balanced to meet grass needs.

RESULTS ARE THE PAYOFF!
 You can expect your UNIFEL program to give you these benefits!
 More grass—two to three times more yield than unfertilized grasses.
 Higher quality forage—with more protein, more total digestible nutrients and more palatability. Cows eat more, walk less and gain faster.
 Faster green-up—two to three weeks earlier for extra grazing.
 Healthier more vigorous forages—that are better able to crowd out weeds. And stronger root systems that enables plants to withstand hard winters.
 It all adds up to more grass, more beef, and more profit—when you fertilize with ORTHO UNIFEL 27-12-0. Ask your ORTHO dealer about a profit-producing forage program for your ranch!

Genesee Jr. Miss Pageant Date Is Set

Attention Genesee High School Senior Girls—the JayCees are looking for a 1971 Genesee Jr. Miss! A local pageant has been planned for the evening of December 5, 1970. All high school senior class girls are eligible.

The purpose of the local pageant is to discover one of Genesee's most outstanding high school senior girls, who best exemplifies her classmates. Judging is based on mental alertness, poise and appearance, creative and performing arts, and youth fitness.

The Jr. Miss program is not a beauty contest. No bathing suit competition is held on the local, state or national level.

The girl chosen Genesee's Jr. Miss will be eligible for the Idaho State Jr. Miss Pageant to be held in February at Moscow.

Tea Set For October 18

Invitations are being mailed to all senior girls and their mothers for a tea to be held on October 18 from 2:30 to 4:40 p. m. at Bennett's banquet room to acquaint the ladies with the pageant, its rules and judging categories. The 1970 National Jr. Miss Pageant film will be shown at the tea and all interested girls may pick up their applications at this time. For those unable to attend, applications will be available at the Genesee High School office.

November 5th will be the application deadline, with the date, again, for the Genesee Jr. Miss Pageant, December 5.

Fuel Tanker Upsets

GENESEE—A large fuel tanker suffered about \$15,000 damage in a rollover Thursday, when the driver of the vehicle, Wm. W. Hildreth, Jr., of Spokane, failed to make a turn from Highway 95 onto the highway leading into Genesee.

National School Lunch Week Is October 11-17

National School Lunch Week is being observed in District 283, Kendrick Junior and Senior High school and Juliaetta Elementary cafeterias during October 11-17.

The over-all theme this year is "School Lunch Supports Effective Education." However, the American School Food Service Association is going one step further by stressing their basic philosophy of "Always the Children First!"

Idaho schools are encouraged to participate in the National School Lunch Week by serving the national menu one day during this week.

The 1970 National Menu is as follows:

- Oven-fried chicken
- School-made biscuits
- Peas
- Crisp cole slaw
- Cranberry jelly
- Oatmeal cookies
- Half pint of milk

School Lunches Furnished Free To Needy Families

The Jt. School District No. 283 as a part of its regular lunch program, provides lunches free to students who are unable to pay the full price. The following income scale is used to determine which children are eligible to receive free lunches: Poverty Guidelines and Definitions

Family Size	Family Income
One	\$1,920
Two	2,620
Three	3,120
Four	3,720
Five	4,270
Six	4,820
Seven	5,320
Eight	5,820
Each additional family member	450

Income, as the term is used in this notice, is similar to that defined in the Bureau of Census Reports, dated December 31, 1968.

"Income" means income gross before deductions for income taxes, employees' social security taxes, insurance premiums, bonds, etc. It includes the following:

1. monetary compensation for services, including wages, salary, commissions, or fees;
2. net income from nonfarm self employment;
3. net income from farm self employment;

Home Cookin' . .

Mrs. Dick Scharnhorst gives us some good food suggestions this week, and I'm sure you'll find them delicious, and a welcome addition to your files.

The Spoon Bread recipe was taken from a cookbook compiled by Mrs. Scharnhorst's grandmother, whose home was originally in Georgia. This recipe has been handed down from generation to generation and everyone from the toddler to adults have enjoyed its wholesome goodness through the years.

Last week, Mrs. Scharnhorst's aunt and her husband were houseguests in her home, and the morning they left, she prepared this family favorite, much to the delight of her aunt, who recalled how delicious spoon bread tasted when prepared and served at the family table when she was a child.

SPOON BREAD

- 2/3 cup cornmeal
- 1 teaspoon salt
- 3 tablespoons butter
- 2 eggs
- 3/4 cup milk
- 1 teaspoon baking powder
- 1 cup boiling water

Mix cornmeal, salt, butter, and water. Beat two minutes. Add rest of ingredients, mix well and pour into buttered baking dish. Bake 1 hour in a very slow oven (250-300 degrees). Serve in dish in which baked. Cut in wedges and serve with butter.

To compliment your next ham dinner, serve spoon bread, Mrs. Scharnhorst suggests.

Peanut bars are prepared quite often by Mrs. Scharnhorst, especially in the summer when there are lunches to pack. They are a snack favorite, she says, yet fancy enough to go to teas or coffee parties.

4. social security;
5. dividends or interest on savings or bonds; income from states or trusts or net rental income;
6. public assistance or welfare payments;
7. unemployment compensation;
8. Government civilian employee or military retirement, or pensions;
9. veterans' payments;
10. private pensions or annuities;
11. alimony or child support payments;
12. regular contributions from persons not living in the household;
13. net royalties, and
13. other cash income.

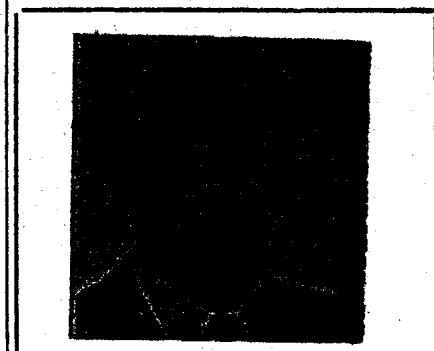

In applying these guidelines, school food authorities may consider both the income of the family during the past 12 months and family's current rate of income to determine which is the better indicator of the need for free lunches.

Unusual circumstances such as illness or death in the family, temporary disability, and seasonal unemployment are also taken into account when determining eligibility.

The schools will make every effort to insure that the children do not know who is paying and who is receiving a free lunch.

Parents who feel that their children are eligible should apply. Application forms are available in the school office of each participating school.

These schools participate in this program: Kendrick Jr. High, High School, and Juliaetta Elementary. The district's complete policy concerning free lunches may be reviewed in Superintendent's Don A. Blakeley office located at Kendrick High School.

HUNTERS MUST KILL THEIR OWN ANIMALS

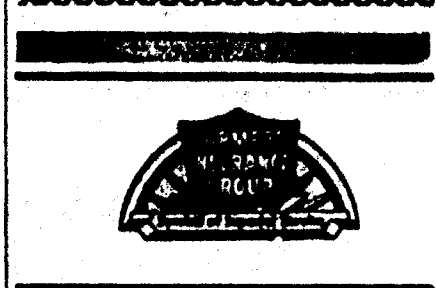

Idaho sportsmen now have a wide range of choices before deciding whether to hunt or fish—and then what species of big game animal, migratory water fowl, upland game bird or fish the quarry shall be.

What ever his choice, one thing he must remember is that bag limits for all species of Idaho game birds, animals and fish are set with the idea that individual fishermen and hunters will obtain their own game or fish or go home empty handed.

Thus, the limit of the ability of some hunters and fishermen offsets the high success average of others.

The percentages are upset if skilled fishermen and sharpshooters catch fish and kill game animals to fill out the bag limits of every successful member of fishing and hunting parties.

INDIAN SUMMER DAYS
Ripples of sunshine twist vine-tanglers dripping,
The mountain ash and sumac all aflame;
A pheasant through low rustling leaf-drifts slipping
In rapture more than I can ever name.

And in this maelstrom of autumnal madness,
That thrills me in a million, million ways
My heart goes singing on through gates of gladness.
To welcome in the
