## Genesee Rolls Over Grangeville 32-7

In a Bulldog battle last Friday night, the Genesee variety of Bulldogs proved superior to the Grangeville type as the Genesee team bounced back into the win column with a 32-7 victory over Grangeville High School. Genesee is now 5 and 1 for the season.

Three Genesee players collected touchdowns for the Bulldogs 32 points. Fullback John Harman scored on runs of 64 and 13 yards, and Ray Morescheck scored from close in yards on runs of five and four yards. Dan Tyler also scored for the Genesee team. Craig Busch accounted for two of Genesee's points by kicking the extra points.

Scott Kinsinger scored Grangeville's single touchdown on the board in the second quarter on a four-yard run. Scott Tash booted the conversion for the extra point.

**At Potlatch Friday**  
Coach Kanikberg and his Bulldogs will travel to Potlatch Friday night as they meet the Loggers. Potlatch has a 4-3 record in overall season play and dropped an 8-6 contest to IHM Academy last week.

## Return From Eastern States Vacation

After traveling over 5,000 miles, most of the way with a camper-trailer, the Ben P. Cooks returned home on Monday, from a trip to the mid-west.

Their daughter, Mrs. Fred (Donna) Dits of Douglas, Wyo., joined them in Wyoming and accompanied them to St. Louis to visit Cook relatives, and also to do research for genealogy data concerning Cook and Potter ancestry. The Cooks visited the Ben B. Cooks at Ontario, Ore., as well as relatives in Kansas, enroute.

Weather of all descriptions was encountered during the four weeks. Nothing they saw compared to the beauty of the Lochsa — ablaze with color as they returned home via Missoula, on Highway 12.

## Changeable Weather

Changing, unpredictable weather was the order of the week, it appeared, as the area saw rain, cold, and beautiful "Indian Summer" conditions for the past seven days. The temperatures have stayed a bit on the cool side but there were days of sunny skies which showed the lovely colors of fall off to their fullest advantage.

There were also periods of rain when the gray, cloudy skies took on the definite look of winter. Rains fell intermittently Tuesday, and the weather forecasters predicted more to come.

## Glenns Celebrate 40th Anniversary

Mr. and Mrs. Roy Glenn celebrated their 40th wedding anniversary with a family dinner at the home of their son-in-law and daughter, Mr. and Mrs. Gary Browning, near Juliaetta.

Other close relatives and friends joined the family in the afternoon for coffee and anniversary cake, made by Mrs. Roy Fey and beautifully decorated in red and white.

## Card of Thanks

I would like to offer sincere thanks to friends and neighbors for their cards, flowers, visits and many other kind and thoughtful acts shown me and my family while I was in the hospital and since returning home. All of this has meant so much and was truly appreciated. — Mrs. Ernest Dennler.

## Lions Club Met Wednesday Evening

The Kendrick Community Lions Club met Wednesday evening of last week in the Kendrick Fire Hall, with a very good attendance.

A delightful 6:45 chicken dinner was served smorgasbord style by the Country Kitchen.

Guests for the evening session, presided over by Douglas Harris, president, were Dean Brocke, Kendrick; Mike Mann and John P. Mix of Moscow. The latter two, with an "assist" from three University of Idaho students, provided a country music program, which was thoroughly enjoyed.

Business of the evening was a discussion of the Community Calendar program, which this year is in the hands of Wayne Harris and Bob Watts. Tuesday of this week was set as the date for final preparation and mailing of the copy for these calendars.

## 50th Anniversary For Cliff Davidsons

On Sunday, October 18th, over 100 friends and relatives of Mr. and Mrs. Clifford Davidson gathered at the Kendrick Fire Hall, to help them celebrate their 50th wedding anniversary. The hall was festive with fall flowers and a refreshment table which was centered with a beautifully decorated anniversary cake. Candles, punch and coffee completed the setting.

The afternoon was spent visiting and renewing old acquaintances and a highlight was realizing that four of Cliff's chums from American Ridge school days were there. This meant taking a picture of the group. They were Frank and Walter Benscoter, still residing on the ridge, Eddie Deobald, Kendrick, Walter Bigband, Coeur d'Alene and the honored guest, Clifford Davidson.

Among the guests present were Cliff's sister, Mrs. Babe Watts, now living at Paradise Villa, Moscow and a sister-in-law, Mrs. George Davidson, also of Moscow, and many nieces and nephews from the surrounding area and Spokane.

Cliff and Susan have spent most of their lives in the Kendrick area until they moved to Spokane a few years ago, to be near their daughter, and by the many friends that came to congratulate them, it was evident they have been missed.

Hosts were their son-in-law and daughter, Mr. and Mrs. Ray Hathway, Spokane; their granddaughter, Marjorie Hathway, W. S. U. student, Pullman; Susan's brothers, Phil, Arthur and Adrian Johns, assisting with the serving were Mrs. Gary Oelrich and daughters, Leatha and Linda, Spokane; Mrs. Bob Watts, Mrs. Tom Dennler, Mrs. Adrian Johns, and Mrs. Phil Johns.

All extend to Cliff and Susan sincere congratulations and best wishes.

Karan Leanne Spence, daughter of Mr. and Mrs. Bertie Spence, Moscow, and Terry Ray Geltz, son of Mr. and Mrs. Ronald Geltz, Genesee, exchanged wedding vows at 8 o'clock Friday evening, October 2nd at St. John's Lutheran church.

The Rev. C. S. Orwood, pastor of the church officiated at the double ring ceremony before an altar decorated with white gladioli, yellow tapers and lighted candelabra. White satin bows marked the pews.

Mrs. Neal Kinyon, aunt of the bride, was organist, and accompanied Craig Davis who sang, "A Time For Us," and "One Hand, One Heart."

The bride, given in marriage by her father, was lovely in a gown of floor-length white organza in empire styling with long, sheer sleeves, lace-standup collar, lace bodice, with wide Chantilly lace scalloped hemline accented with lace applique. Her long mantilla veil was of Chantilly lace, applique edging and accents. ### Home Cookin'

One of the very busiest and talented people we know is Mrs. Les (Crystal Esser) Allen. She plays many roles in her everyday routine, and each one is done equally well. She's unexcelled as a mother, housewife, and business woman, with a little socializing thrown in. She especially enjoys cooking, sewing and is usually on hand when there is an upholstery class in progress. She's a very friendly, happy person, and one that just "makes you feel glad all over" when you meet her.

This week we ask her for some recipes and she didn't hesitate a minute, just said, "sure, I'll bring some down." Crystal says the recipes for this week should be quite timely with the holidays approaching, especially, she adds, for the goodies. With home freezers, so much baking can be done before hand and out of the way before the holiday rush.

The Quick Hamburger Casserole is a favorite of the Allen family.

**QUICK HAMBURGER CASSEROLE**  
1 lb. hamburger

1/4 onion (minced)  
Salt and pepper  
dash of garlic powder (optional)  
1 lb. shell macaroni  
1 can cream of mushroom soup  
1/4-1/2 cup Parmesan cheese  
Brown the first four ingredients, and drain excess grease. Pour in casserole dish and add cooked macaroni and remaining ingredients. Sprinkle Parmesan cheese on top for the crusty effect. Place in warm oven until heated through, about 15-20 minutes.

**BUTTER CRUNCH**  
1 1/4 cup butter  
1 2/2 cup sugar  
4 Tsp. light corn syrup  
1/4 cup water  
1 Tsp. salt  
1/2 cup coarsely ground nuts  
1/2 lb. milk chocolate, melted  
1 cup finely chopped nuts  
Combine all ingredients, except chocolate and chopped nuts in a heavy sauce pan. Cook to 300 degrees. Pour onto cookie sheet. When cool, spread melted chocolate over candy. Sprinkle chopped nuts over top.

**DATE PINEAPPLE BARS**

**Filling:**  
1 cup chopped dates  
1 small can crushed pineapple  
1/2 cup brown sugar  
Boil until thick.

**Dough:**  
1 cup butter

1 cup brown sugar  
2 cups flour  
2 cups oatmeal  
1/4 tsp. soda in 2 tabs. hot water  
Line pan with 1/2 dough. Spread on date filling. Spread on rest of dough, and sprinkle with nuts if desired.

**RED CANDY APPLES**

8-10 medium apples  
popsicle sticks  
1 cup sugar

1 cup light corn syrup  
1/2 cup water  
1/2 cup red cinnamon candies  
Put sticks in apples. Boil remaining ingredients to hard crack stage. Quickly dip apples in syrup. Put on greased wax paper and cool.

Spud chips, pickles, hot dogs, ice cream, pop, buns, for that picnic dinner. Blewett's in Kendrick.

If you don't like to conform to accepted standards, the highways are no place for you, says the Idaho State Police. Modern high-speed traffic demands that each of us follow the rules. Driving slower than other vehicles can be dangerous, too, in heavy traffic.

**FISH KILL REPLACEMENTS**  
 The Idaho Fish and Game Department is planning action to obtain fish replacements for some 94,000 cutthroat and rainbow trout and whitefish killed recently in a railroad accident which released caustic soda in the lower 1 1/4 mi. of the North Fork of the St. Joe River and 1 3/4 miles down stream from that point in the mainstem of the St. Joe River.  
 The lower boundary of the almost total fish kill was Marble Creek, about midway between Calker and Avery. Only a few live fish were found by scuba divers during the follow-up investigation, and these fish had been blinded by the caustic soda.  
 The caustic soda was released into the stream when a railroad tanker car was overturned during an accident.  
**Hunter Success Ratios**  
 Although Idaho is among the top few elk states and very good for deer, only about 3 elk hunters in four get game and only about one deer hunter in two brings home venison. Both elk and deer hunter success ratios would increase if hunters would make more than one trip afield.  
 For example, statewide figures show that the number of hunters who kill deer the first time out in a season is about 10 per cent. The ratio is much less on elk hunters. The moral, if there is one is that the best success for both deer and elk hunting comes from knowing the area to be hunted, the habits of the game, and going out time and again until successful.

**Drive Defensively**

Drive defensively, advises the Idaho State Police. It's easy, just watch for possible dangerous conditions or actions of other motorists and determine what you can do to avoid a crash if danger actually develops.  
 You must see danger to avoid it, and this requires clean windows and good headlights. The Idaho State Police suggests you always take time to clean all windows before driving.  
 Vehicle owners with license plates ending in 0 and bearing red and white, 70 validation stickers, are reminded by the Department of Law Enforcement that these stickers expire at midnight, Oct. 31 and must be renewed before that time.  
 Stopping distances can be tricky, advises the Idaho State Police. At 25 miles per hour, 60 feet is considered a good stopping distance. But, at 35 miles an hour you'll need at least 100 feet.  
 Spud chips, pickles, hot dogs, ice-cream, pop, buns, for that picnic dinner. Blewett's in Kendrick. adv

**A Mother's Recipe For Growing Girls**

In Part Fulfillment of a State Degree. Paulette Johann

Take one pint-sized bundle wrapped in pink. Add the gurgle of a baby voice the wiggle of ten baby toes and ten grasping fingers that hold your heart.

Fill to overflowing with milk, pabulum, baby food, junior food, and just plain food. Toss in the air occasionally to the accompaniment of giggles and chorales till face is red and arms are weary.

Pour in six years of endless patience, loving guidance, self discipline and trembling tolerance.

Flavor with the joy of days shared in learning and growing. Mix in the first tottering steps with arms outstretched to touch the opening world. The first words of wonder to a waiting family.

Whip with the frustrations of learning to get along with others, never learning as fast as we would like. Spread Mother's loving touch over the skinned knees, bruised feelings and wounded pride lavishly.

Add the dedication of teachers who are not afraid to stretch a small closed mind to encompass the world.

Press with the responsibility of belonging to groups like FHA, Campfire, Girl Scouts, and Rainbow.

Take out the small, mean, petty tendencies and replace with loving kindness and understanding of others.

Skim off self-doubts and feelings of inadequacy and put out with the garbage.

Fill with the happiness of knowing a job well done.

Sweeten with proms, cheerleading, parties, class meetings, hot fudge sundaes, parades, loud music, soft rain, books, far out, fashions, pizza, beads, rings, and doing your own thing, scary movies, and Rod McKuen poetry, and knowing you are queen in the eyes of at least one other person.

Mix in the love of family which teaches, guides and supports, whether right or wrong. If mixture seems too heavy to whip, punch down occasionally to fit mold.

Tap from mold, one charming, beautiful, intelligent, compassionate young woman ready to take the world by storm willing to reach out to her fellow man with a helping hand, ready to accept the responsibility of taking one pint-sized bundle wrapped in pink and follow her mother's recipe.

**Charlotte Lounsberry Named OEC Aide**

Charlotte Lounsberry has been appointed an Aide by the Latah County Health Department, Office of Economic Opportunity. The Office Phone number is 882-7506. Her home phone is 285-3373.

The Community's Action Agency now offers a new service in Latah County. This is that of an aide. The aide works under the direction of the Latah County Health Department. She will be working with low income and limited income families and other families or persons who are eligible for county and state aid.

She will do out reach work covering surveying, recruiting, dispensing basic information and appropriate literature and setting up educational and informational meetings. The aide will also provide transportation when needed to appropriate services.

The aide through direct interview with individuals will evaluate their needs and refer them to appropriate agencies. She will make appointments and see that people are served according to their individual needs.

She will work to assure good relations between persons and the service of the agencies and local governmental authorities. Her referrals will be to all county and state agencies available; which we have over 100 in the State of Idaho.

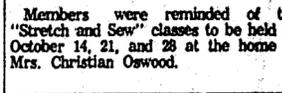

Through DPA, Ministerial Assn., County Health Dept., school system, and door to door survey, we hope to reach all people who are in need. All contacts and conversation between aide and participant will be of confidential nature. Consultant and technical assistance provided by this program includes: Latah County Health Dept., local doctors, counselors, Latah County Mental Health Dept., Social workers in the DPA office and the North Central District Health Department at Lewiston.

We feel this new service to our communities will be a major step forward in the war on poverty. We feel this service will enable low income and (or) other qualified persons deal with their financial, and marital problems in a more effective manner.

**Laughter Good Medicine**

Don't scoff at the value of a chuckle. Laughter may not be the best medicine, observes the Idaho Medical Association, but it is a good one. Studies have shown that a sense of humor is an important factor in physical well being.

Without smiles or laughter, the person who is always deadly serious adds many needless worries and problems to his life.

Cultivating an appreciation for the humorous side of things and the ability to find it, does much to promote health, happiness and longevity.

The person who teaches himself to remain calm and in good humor when a truck dents his fender, will be better able to avert damage to his emotional equipment. He will also be less likely to develop ulcers and other ailments.

Don't be quick to anger. Look at the situation calmly. It might really be funny!

Besides being a good medicine, laughter is probably the easiest of all to take!

**HUNTERS MUST KILL THEIR OWN ANIMALS**

Idaho sportsmen now have a wide range of choices before deciding whether to hunt or fish—and then what species of big game animal, migratory waterfowl, upland game bird or fish the quarry shall be.

Whatever his choice, one thing he must remember is that bag limits for all species of Idaho game birds, animals and fish are set with the idea that individual fishermen and hunters will obtain their own game or fish or go home empty handed.

Thus, the limit of the ability of some hunters and fishermen offsets the high success average of others. The percentages are upset if skilled fishermen and sharpshooters catch fish and kill game animals and birds to fill out the bag limits of every unsuccessful member of fishing and hunting parties.

Hawley Hill, chief of conservation enforcement for the Idaho Fish and Game Department, calls this means of bagging more game "party hunting." He comments the practice not only upsets over-all harvesting averages—it is also against the law. Hill quotes the law (Section 36-412, Idaho Code) as follows:

"It shall be unlawful and a misdemeanor for any person to transfer any fishing, hunting or trapping license tag or permit to any other person, and for any person to make use of a fishing, hunting or trapping license, permit or tag issued to any other person."

**Mutual Understanding Fostered**  
 Explorer posts in several regions are helping out with the statewide sale of "Operation Respect" information kits to supplement the efforts of hunting and fishing license vendors, regional and state offices of the Idaho Fish and Game Dept., and local service clubs. The purpose is to foster better understanding and cooperation between landholders and sportsmen.

Experience in Idaho the past few years shows that landholders will cooperate with "Operation Respect" when they learn that a system has been worked out to let them know the names and addresses of all persons hunting their fields—persons who will respect property rights and watch out for livestock.

**GAME ANIMALS WASTED BY CRIPPLING LOSSES**  
 Each year unknown numbers of birds and big game animals become crippling losses because they are not retrieved by hunters, the Idaho Fish and Game Dept. said today. This includes all game animals wounded but not retrieved during a hunting season.

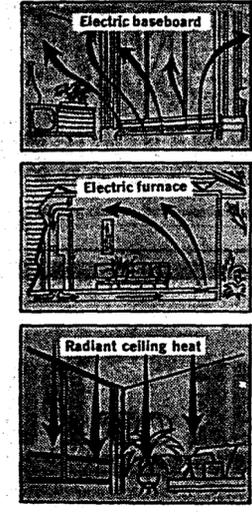

According to John R. Woodworth, director, a large percentage of crippling losses can be prevented or even eliminated. In all cases, a thorough knowledge of the weapon is necessary. Hunters should be aware of the range and killing capacity of the guns used.

If an animal is hit, the hunter should carefully search the area for it. Too often wildlife is lost because hunters are too impatient to search for cripples or they have not bothered to mark the spot where the bird or animal dropped.

The best way to reduce crippling losses while bird hunting is to use retrievers Woodworth pointed out.

**Snowmobiles Must Be Registered, Says State**

Boise—Owners of snowmobiles and dealers handling the machines are advised by the Department of Law Enforcement that registrations for these vehicles expire Oct. 31 and that new registrations are required before November 1 if they are to be operated after that date in Idaho.

Snowmobiles may be registered at any county assessor's office or at licensed vending stations, said Jack F. Farley, Boise, Motor Vehicle Division director, upon payment of a \$5 fee for each machine.

Dealers, Farley said, are charged \$10 for the first registration and \$3 for each additional set of numbers issued. Dealer registrations must be obtained from the Department of Law Enforcement.

Farley pointed out dealer plates also are available at \$3 each which may be used for demonstrations or rentals in lieu of stickers.

Referring to the law passed by the Idaho Legislature, Farley said, \$2.50 of each \$5 fee goes to the county treasurer for credit to the county snowmobile fund for development of snowmobile activities; \$3 to the state treasurer for credit to the search and rescue fund, and 50 cents to the Motor Vehicle fund for printing of registrations and maintaining a central file of registrations.

"All snowmobiles owned or operated by Idahoans in the state must be registered, regardless of where they are operated," Farley said.

He suggested snowmobile operators obtain a copy of snowmobile "dos and don'ts" from the state department or county assessor.

# THE PRIDE OF POTLATCH

**AMERICA'S FIRST INDUSTRY**

"Sometimes we can't see the forest for the trees" and certainly in our fast pace of day to day living much is taken for granted. That's why Forest Products Week was proclaimed as a national observance — to give us cause to take special note of America's first industry and the important part it plays in the life of each person.

The forests, from which sprang America's first industry, continue to richly reward man far beyond the natural beauty and recreational pastimes they provide. Today, as one looks around, it's remarkable to note how

much nature's basic building material and industrial know-how has contributed to the comfort, convenience and protection of us all!

Vigilance in the reforestation and care of our forests — and the continuing research to find the best ways to utilize our natural resource in producing new and better products add up to better living for everyone.

We are proud to be a part of this vital phase of American progress . . . FOREST PRODUCTS WEEK . . . THE PRIDE OF POTLATCH.
