

May Wedding Planned

Mr. and Mrs. Dan W. Sullivan of Lenora announce the engagement of their daughter, Lynda Rae, to Robert W. Roberts of Silver Lake, Oregon. He is the son of Mr. and Mrs. Lynn Roberts of Scottsdale, Arizona. Miss Sullivan was a 1968 graduate of Orofino High School and is now a

junior at the University of Idaho, majoring in Elementary Education. Her fiancé received his Master's Degree in Range Management, at the University of Idaho this spring and is now employed with the Oregon State Game Commission at Silver Lake. A late May wedding is planned.

Julietta School Magazine Sales Great Success

In the Julietta Elementary School magazine sale more than was hoped for were sold, with total sales of \$2,588.32.

Student selling over \$100.00 were: Amy Lawrence \$184.10; Daren Manfull \$141.39; Brenda Groeclose \$114.35; Joanne Parks \$109.54, all are in the fifth grade. The fifth grade was the winner — they brought in \$1,857.29.

The sixth grade brought in \$1,201.03 with the top salesmen: Tammy Armittage \$94.86; Billie Price \$76.20; Debbie Hutton \$76.95 and Rick Steigers \$65.00.

Until all magazine sales receipts can be corrected for name, address and zip code and done "percentage-wise," the complete total for the school will not be realized. The school gets anywhere from 60, 50, 30 and 25 percent on different magazines sold. The school would like to thank everyone who bought new or renewal subscriptions through it.

If at any time there is any question on the magazines you subscribed for and did not receive, please feel free to call the school or Mrs. Cope. First Grade

The first grade children will be observing the hatching of an egg. Tammy Thorn donated the egg to be hatched.

The children will be making puppets soon.

Second Grade
Much to the pleasure of some and the dismay of a few, we are learning cursive writing.

Last Wednesday the second grade invited the first grade into the room to view a film strip on "Tooth." A record accompanied the strip and it was quite amusing as well as informal.

We enjoyed doing "crayon resist" pictures for Art. First you draw a picture with crayons and then paint over it — where the crayon is the paint doesn't stick. We had some quite interesting pictures.

Play Basketball
The Julietta 5th and 6th grade boys combined with the 6th, 7th, and 8th graders to play Cavendish-Teakcan in a basketball game last Friday afternoon. The team was divided into four equal groups and were rotated at 4-minute intervals, with each group playing an equal amount of time. Eleven of the 20 players broke into the scoring column, as Julietta won by a score of 49-34.

Skating Party Planned
The 5th and 6th grades will be having a skating party this Thursday night at Skateland in Lewiston. This is a private party and all of the 5th and 6th graders will have part of their way paid by the money they earned during the magazine sale. The bus will leave the Kendrick Park at 6:15 p. m., and arrive back at the park at 10:15 p. m. Any parents that have students in the 5th and 6th grades and would like to take a carload to the party would be most welcome. If a parent does take a load of students their whole family is welcome to come, but will have to pay the regular rates. Please contact Mr. Manfull.

GENESEE SNOW MOBILERS DO WELL
Genesee — Three Genesee snowmobile fans entered a snowmobile race in Dayton, Washington, Sunday, March 7, and came home with 20 percent of the trophies presented at the meet.

Don Schluter took first place trophies in the 440 and 650 A Mains and tied for third place in the 800 A Main. Don was forced into a tie in the 800 event by another Genesee man, Orrin Kambitach. Orrin's wife, Mary, took third place in the 440 A Main event for women.

GRAIN GROWERS TO MEET MARCH 11

There will be a district meeting of the Lewiston Grain Growers at the Fraternal Temple in Kendrick at 1:30 p. m., Thursday, March 11, it was announced this week.

Engagement is Announced

Mr. and Mrs. Charles W. Olson of Sitka, Alaska announce the engagement of their daughter Teyln Marie to John W. Farrington, son of Mr. and Mrs. Lloyd Farrington, Kendrick. Miss Olson graduated from Sitka

High School and Kinman Business University. She is currently employed by Manufacturers Life Insurance Company in Spokane. John is employed by Standard Oil Company, Richmond, California.

Engagement Told

Mr. and Mrs. David E. Harris of Julietta announce the engagement of their daughter, Shari, to David Sallsbury, son of Mr. and Mrs. B. M. Sallsbury, Knappa, Oregon.

Miss Harris, a graduate of Kendrick High School, is now employed in Bellevue, Wn. Sallsbury is a sophomore at Northwest College at Kirkland, Wn. No wedding date has been set.

GOOD DOERS CLUB

The Good Doers 4-H Club will hold a baked food sale from 9:00 to 12:00 Saturday, March 13, at the Julietta Post Office.

A "Gun Safety" program will be presented by the Good Doers 4-H Club leader Charles Taylor. The program will be held at the Julietta Community Church at 2:00 p. m., Sunday.

EVERGREEN FRIENDSHIP CLUB

The Evergreen Friendship Club will meet Tuesday, March 16, at 1:30 p. m. in the home of Mrs. Ernest Andrews. Co-hostess will be Mrs. Warden May, Jr. A lesson on "Candlesticks" will be presented.

Kendrick Farm Institute Set For Wednesday, Mar. 17

The annual Kendrick Farm Institute, the oldest farm institute in Idaho, will be held next Wednesday, March 17th, it was announced this week by the Lions Club, sponsors of the annual event.

The Institute will be held at the Fraternal Temple and will begin with a movie at 9:30 a. m. entitled "Clean Water." The remainder of the morning program will cover such topics as environment, new crops, new seed programs and social security and welfare information.

There will be a noon luncheon at the Temple, which is sponsored by the Lions Club.

In the afternoon the program for men will continue at the Fraternal Temple with talks of special interest to farmers. The first will be "Cross Breeding Livestock for Profit," and the other will be a talk and demonstration on "Adjustment of Combines for Better Harvesting."

While these two topics are being discussed by the men, the women will be at the Fire Hall, where the subject will be "Fondue for Fun."

Speakers at this institute will be from the University of Idaho; the County Agents office; the County Extension Unit, and from private business firms.

Bulldogs Overpower Lapwai To Win District Hoop Crown

Trailing by as much as 7 points in the first quarter, the Genesee Bulldogs basketball team fought their way back to a slim half-time lead and then exploded for an 18-point outburst in the third quarter to coast home to defeat the Lapwai Wildcats 58-40 and win the Dist. 2, Class A-3 hoop championship Friday night at Lewiston. The win kept the Bulldogs undefeated this season, the only team in the state to be able to lay claim to the honor. The Genesee team has won 23 games without a loss.

Genesee will leave Wednesday for Rexburg and the State Basketball Tournament which begins in that south Idaho city Thursday. Genesee will play their first game Thursday afternoon against Teton at the Ricks College gym beginning at 12:30.

Bulldogs Battle Back
Genesee had been pushed hard to defeat the Wildcats 57-54 in the semi-finals the week previously and fans were expecting a repeat thriller. They were not disappointed as the Wildcats, still hot from a win over Prairie the night before, came out strong in the first minutes to grab an early lead. Rollie McNair hit a long shot for the first points of the game. They ran the score to 4-0 before big John Hermann hit his second of two free throws to get Genesee on the board. Bruce Scharnhorst connected with a long jump shot from the edge of the key to pull Genesee to 7-3, but Lapwai still

had the advantage 14-10 at the end of the quarter.

The second quarter had barely got underway when center Mike Egland picked up his third foul and was taken from the game by Coach Kenlikeberg, who replaced him with Alan Odenborg. Even with Mike out of the game the Bulldogs began a slow catching up process as a free throw by Ron Hopkins brought the Bulldogs to within one point of the Wildcats 15-14. Scharnhorst tipped in a 2-pointer and the Bulldogs led for the first time 16-15 with five minutes left in the period. Lapwai took the lead back 17-16 and Hermann put the Bulldogs ahead again 18-17. Lapwai led once more at 19-18 before Odenborg hooked one in and Genesee held on to end the half 22-21.

Big Third Period
The game was tied again three

times in the first minutes of the third quarter: 22, 24 and 26 points each before Egland dumped one in to make it 26-26 in favor of the GHS team. Bill Schlueter's basket made it 30-26 and the Bulldogs were never in trouble again, as they scored 18 points with Egland doing outstanding work on rebounds. Genesee's tight, shifting zone kept the Wildcats out of the key and forced them to shoot from a distance.

Press Falls
Trying to find a solution that would get them back in the game the Wildcats opened the fourth quarter with a tight, full-court press only to find that it gave Ron Hopkins an opportunity to exhibit his ball handling ability as he teamed with his other guard, Schlueter, to bring the ball down the court with little trouble. Genesee took advantage of the wide open game to move out to an unbeatable lead, scoring 18 more points on their way to the 58-40 win.

Egland's 19 points paced the winning Genesee effort, with Hopkins adding 16 more. Bill Schlueter had 8 points and John Hermann, bull-strong under the basket, contributed 7. Bruce Scharnhorst, who didn't score too much, was outstanding on both offense and defense, and set up many of the Genesee points in a fine display of teamwork.

Lapwai's Rollie McNair and Kim Rickman were outstanding for the Wildcats.

Parents Night, Court of Honor Held By Boy Scout Troop

Back Row (left to right): Donald (Bud) Eichner, Virgil Dygert, Don Brocke, Rick Gertje, Scott May, Tim Eichner, Ron Whitlum.

Kendall Jackson and Jerry Brown. Center: Jack Griffith, Robert Maynard, Ronald Maynard, Paul Hutcherson, Rick Steigers, Marty Bennett.

Donnie Brown and Darrel Brocke. Front: Daren Manfull, Jim Brocke, Lyle Deobald, Lee Deobald and Jim Perkins.

On Friday, Feb. 26, Scout Troop 149 held its annual Parents Night and Court of Honor. Following a delicious Turkey dinner, served by the Country Kitchen, Jerry Brown, Master of Ceremonies, introduced the Troop Committee and Scoutmaster as follows: Don Eichner-Institutional Representative, Jerry Brown-Committee Chairman, George Brocke, Jr. and Richard Benjamin-committeeman, Darrel Brocke, Scoutmaster, and Jack Griffith-Assst. Scoutmaster. Darrel Brocke then reported on past activities as well as activities coming up in the future. The Court of Honor was then opened for the presentation of

awards. In the Candlelight Tenderfoot Investiture Ceremony, the following Scouts took the Oath of the Boy Scouts of America and received their badges: Rick Steigers, Daren Manfull, Jim Brocke, Dennie Brown, Lyle Deobald, Tim Eichner and Jim Perkins. Those receiving First Class were: Marty Bennett, Paul Hutcherson, Rick Gertje, Lee Deobald, Ronald Maynard and Robert Maynard. Two Scouts advanced to Star rank, only two steps away from Eagle. These were presented to Virgil Dygert and Don Brocke. Merit Badges were given to Don Brocke, Scott May, Marty Bennett, Ronald Maynard, Robert Maynard and Virgil Dygert.

Two Gold Quill awards were presented; these awards are based on communicating and expression. These were presented to Virgil Dygert and Scott May.

The Court being closed, the evening was concluded with group singing and a motion picture on Boy Scout Camp Grizzly.

In conclusion, on behalf of the Troop Committee, we would like to express our deep appreciation to our sponsoring organization, the Kendrick Lions Club and the people of Kendrick and Julietta for their support and hope they will continue to support the Scouting Program.

VFW HALL GETS REMODELING

Remodeling work at the VFW Hall was proceeding at a good pace this week as volunteers from the unit are in the process of converting the stage area of the old gym into a new kitchen and serving unit.

The old stage has been leveled with the gym floor and a new concrete floor poured. A partition has been constructed at the edge of the gym floor and a large counter top section will be built into the partition which will be used as a serving window. The new kitchen area has many electric outlets for connecting stoves and other appliances, and the walls are being dry-walled.

Tentative plans call for the paneling of the section partition which faces the main hall. Work on this remodeling project began in January.

POMONA GRANGE

Kendrick Grange will be hosts to the Pomona Grange at the Fraternal Temple Saturday, March 13th, beginning with a 6:30 supper. The Kendrick Grange ladies are requested to bring either oatmeal cake or an apple cake with a topping.

Kendrick Town Basketball To Sponsor Weekend 'Cut Throat' Tournament

Eight of the areas top town basketball teams will be in Kendrick this Saturday and Sunday to participate in a "Cut Throat" basketball tournament being held under the sponsorship of the Kendrick-Julietta team, it was announced Monday by Wayne Dust, manager of the tourney.

Action begins Saturday afternoon at 4:00 p. m. when the Troy Lumber Co. team from Moscow faces the Kooskia Town Team. Troy Lumber

has on their roster four of the University of Idaho's varsity basketball players, including Malcolm Taylor and Adrian Prince.

At 5:30 the Kendrick-Julietta team will meet a squad from Cavendish.

At 7:30 the Brocke Seed Co. team will meet the Elk River Town team. The final game Saturday will be played at 9:00 p. m. and will match Moen Construction Co. team from Coeur d'Alene against Gary's Barber Shop team from Moscow. Both of these squads have players above the 6-5 mark.

The semi-finals will begin Sunday afternoon at 2:00 p. m. with another game at 3:00 and the championship game at 5:00 p. m.

A first place trophy will be awarded and five individual trophies given to players who are named to the "All Tournament Team."

Admission charge will be only 50c per person, said Coach Dust. Wayne added that this will be a chance for area sport fans to see some really "top-notch basketball."

CALLISON NAMED TO HWY. BOARD

At the annual meeting of the Board of Directors of the Kendrick Highway District, held Saturday, March 6, at the home of Roy Glenn, Robert Callison was named to the Board of Directors to succeed the late Walter Brocke, and was also appointed to serve as secretary of the district, a position held by Brocke.

Further meetings of the Directors will be held at the Kendrick City Hall.

GENESEE OIL MAN HEADING SOUTH

Genesee — For some reason that isn't too clear, D. F. Scharnhorst and wife are leaving Wednesday for Rexburg, Idaho, where they will be for several days while Genesee wins the State A-3 Tourney.

Any of Dick's customers who desire Mobil Oil service and can't reach anyone at the regular Mobil phone AT6-3111, should contact the McGreger Co., phone AT6-3761 and ask for Don Greiser. Don's home phone is AT5-2925.

COLOR ME HEARTS AND FLOWERS

Wednesday afternoon, February 24, the Hill and Valley Garden Club met at the Kendrick Fire Hall with 18 members and two guests in attendance. Roll call was answered with members giving information on propagation of their scrapbook plants.

Mrs. Armitage commended all those responsible for the Therapy class held at State Hospital North on the afternoon of February 17. Each member had contributed cookies and game prizes, and 14 ladies attended the workshop. There was a noticeable difference in the age level that was ministered to at the hospital this year — many more very young people. Disturbed and inse-

cure youth — yet so appreciative of the gay Valentine decorations, good food, music, and games.

Business included the Club decision to have a flower display and plant and "props" sale at the Locust Blossom Festival this spring rather than present a standard flower show. This decision came after careful consideration of the responsibilities and timing of the State Garden Club Convention to be held at Moscow, May 31 - June 2, with the Clearwater District hosting. Details of the spring displays are in the hands of Flower Show chairmen Mrs. James Holt and Mrs. Gilbert Sproul. Reports will be given at the next meeting.

A new anti-litter poster contest sponsored by the Clearwater District was introduced and Mrs. Gil Ericwine appointed to supervise its functions in our school, grades 4-6.

Another major project was passed by the Club — that of "People and Their Environment" — a new civic program for 1971. (Additional article in this issue).

Mrs. D. A. Christensen presented a most informative and interesting lesson on "Starting and Care of Bedding Plants."

Delightful refreshments were served by hostesses Mrs. Ted Weyen, Mrs. Ida Newman, Mrs. Stan Hepler and Mrs. Ken Wilken.

LEGISLATIVE REPORT H. B. MCCLAIN DIES FROM GEO. F. BROCKE AT JULIAETTA

Boise (Feb. 26) — Today is the 48th day of the 41st session of the Idaho Legislature. This leaves 14 days for the legislature to complete its work if it is to finish in the 60 days allotted by law. So far we have had no appropriation bills with general fund monies before us. However, these bills are now being considered by the Finance and Appropriation Committee, and should be forthcoming next week.

If these bills, which should deal with general fund monies, should come out next week and they meet no strong opposition on the floor the Legislature should finish within 60 days.

The Senate passed a Kindergarten bill that would create a statewide kindergarten program. It is estimated that there are some 14,700 to 18,000 youngsters in the state that could be enrolled in this program. The bill provides that the state finance the program, allowing at least the sum of \$320,000 per student. The cost of this program would be from state level some place between \$4.5 to \$5.5 million. This money would come from the present school fund program, being taken from the top of the monies appropriated for public schools.

I understand that the amount of monies that the Finance and Appropriations Committee is suggesting for public schools is \$43,000,000. If you take \$4.5 million to operate the kindergarten from this amount, the foundation program will have a net amount of some million dollars less than what is being spent this year. This would mean only one thing, the local school districts would have to levy more property taxes in order to carry on the public school operations.

The Kindergarten bill is now in the House Education Committee with action set for March 2.

The Education Committee is still working on major legislation. Two bills have been offered in regard to school reorganization — or in better terms, a school district consolidation bill.

One bill would set up a commission to formulate plans for consolidation, and the other would put the plans offered into operation. So far these bills are being held in committee. They were presented by the State Board.

The Commission bill carries an appropriation of some \$45,000.00 to fund the commission. (Note: With the shortage of money for public schools this type of legislation is really ridiculous. These bills may not see any action this year.)

This coming week the House will have before it the pay bill passed by the Senate. This bill provides for a \$10.00 per day for legislators that have to maintain two homes while in Boise, and a pay of \$3.50 per day when not in session. Another bill will be out in which the people can again vote on legislative pay.

Card of Thanks

I wish to express my sincere thanks and grateful appreciation to each and everyone who so kindly remembered me by cards, letters and messages of encouragement, hope and cheer while I was in Tri-State Hospital and since in Tri-State Convalescent Center. All these messages meant to much to me. They lifted me up and gave me courage to go on. Thank You

The water shrew is able to walk across the surface of a pool of water by holding air bubbles in its feet.

Herbert Benton McClain, 77, a retired Juliaetta and Orofino farmer, died of a heart attack Friday at 11 a. m. at his home in Juliaetta.

McClain farmed in several areas of the Lewis-Clark Empire, but spent the major part of his life farming near Orofino and later at Juliaetta. He was born to William and Allie McClain on March 28, 1893, at Genesee, where he was reared and schooled until 1911. He farmed at Lenore from 1911 to 1913.

McClain married the former Marie Jaekel, Nov. 18, 1913, at Walla Walla. They moved to Genesee the same year and farmed there until 1919, when they moved to Clarkston for five years.

In 1924 the McClains moved to Orofino where he farmed for 19 years. They returned to Lenore in 1943 and moved to Juliaetta in 1950. McClain was a life-time member of the Seventh Day Adventist Church.

Survivors include his widow and a daughter, Mrs. Ralph (Imogene) Keppford, Juliaetta; a son, Melvin McClain, Orofino; a sister, Mrs. Emma B. Eldwick, Clarkston; two brothers, Loy McClain, Clarkston, and Clyde McClain, Auburn, Wn., and one grandchild.

Funeral services were held Monday at Brower-Wann Memorial Chapel in Lewiston. Officiating at the service was Elder D. C. Perry of the Juliaetta Seventh Day Adventist Church. Organist was Ruth Stenzel, and soloist was Buford Rogers. Pallbearers were A. M. Allen, Errol Woody, William Swan and Earl Arndt, all of Juliaetta, and Herman Cobb and William Ruzicka, both of Orofino.

Burial followed at Normal Hill Cemetery, Lewiston.

DISTRICT FHA MEET HELD IN KENDRICK

KENDRICK—The District II Future Homemakers of America held their executive meeting at Kendrick, Monday afternoon, February 22.

The state meeting was discussed. It was decided that each chapter would provide their own transportation. Members allowed to attend are district officers, state officer nominees, chapter advisors, and chapter representatives. Each chapter is responsible for one table decoration in accordance with the theme, "FHA in the changing world."

District II has three State offices for which to nominate girls. Marilyn Baumgartner was nominated for State Vice President of Public Relations; Debbie Smith for Vice President of Projects; both girls are from Genesee. Carla Olson Deary, was chosen as a candidate for Vice President of Public Relations, and Helen Morris, Laywell, Vice President of Projects. These girls will be competing at the State FHA meeting at Burley. Representatives from our district will be competing for Vice President.

Career Day will be held in Moscow on March 20. Each chapter is to send in a name tag for every girl attending. The tags should be of Fay in a costume of the past 25 years of FHA. Send the name tags, along with 50¢ to Moscow Chapter FHA. The day will begin at 9:00 with a Coffee Hour at the Student Union Building. At 9:30, Junior, Chapter, and State Degrees will be awarded. Then the U. of I. home economics department will have a great day planned for us!

Everyone be sure and attend!

Juliaetta School Magazine Sales Great Success

In the Juliaetta Elementary School magazine sale more than was hoped for were sold, with total sales of \$2,558.32.

Student selling over \$100.00 were: Amy Lawrence \$154.10; Daren Manfull \$141.39; Brenda Groseclose \$114.35; Joanne Parks \$109.84, all are in the fifth grade.

The sixth grade brought in \$1,201.03 with the top salesmen: Tammy Armistage \$94.86; Billie Price \$76.20; Debbie Hutton \$75.95 and Rick Steigers \$65.00.

Until all magazine sales receipts can be corrected for name, address and zip code and done "percentage-wise," the complete total for the school will not be realized.

If at any time there is any question on the magazines you subscribed for and did not receive, please feel free to call the school or Mrs. Cope.

The first grade children will be observing the hatching of an egg. Tammy Thorn donated the egg to be hatched.

The children will be making puppets soon.

Much to the pleasure of some and the dismay of a few, we are learning cursive writing.

Bulldogs Overpower Lapwai To Win District Hoop Crown

Trailing by as much as 7 points in the first quarter, the Genesee Bulldogs basketball team fought their way back to a slim half-time lead and they exploded for an 18-point outburst in the third quarter to coast home to defeat the Lapwai Wildcats 68-40 and win the Dist. 2, Class A-3 hoop championship Friday night at Lewiston.

The win kept the Bulldogs undefeated this season, the only team in the state to be able to lay claim to the honor. The Genesee team has won 23 games without a loss.

Genesee will leave Wednesday for Rexburg and the State Basketball Tournament which begins in that south Idaho city Thursday.

Genesee will play their first game Thursday afternoon against Teton at the Ricks College gym beginning at 12:30.

Bulldogs Battle Back

Genesee had been pushed hard to defeat the Wildcats, 57-54 in the semi-finals the week previously and fans were expecting a repeat thriller.

They were not disappointed as the Wildcats, still hot from a win over Prairie the night before, came out strong in the first minutes to grab an early lead. Rollie McNair hit a long shot for the first points of the game.

They ran the score to 4-0 before big John Hermann hit his second of two free throws to get Genesee on the board.

Bruce Scharnhorst connected with a long jump shot from the edge of the key to pull Genesee to 7-3, but Lapwai still

Genesee is scheduled to play their first game at 12:30 Thursday afternoon.

had the advantage 14-10 at the end of the quarter.

The second quarter had barely got underway when center Mike Egland picked up his third foul and was taken from the game by Coach Kenikkeberg, who replaced him with Alan Odenborg.

Even with Mike out of the game the Bulldogs began a slow catching up process as a free throw by Ron Hopkins brought the Bulldogs to within one point of the Wildcats 15-14.

Scharnhorst tipped in a 2-pointer and the Bulldogs led for the first time 16-15 with five minutes left in the period.

Lapwai took the lead back 17-16 and Hermann put the Bulldogs ahead again 18-17.

Lapwai led once more at 19-18 before Odenborg hooked one in and Genesee held on to end the half 22-21.

Big Third Period

The game was tied again three

times in the first minutes of the third quarter; 22, 24 and 26 points each before Egland dumped one in to make it 28-26 in favor of the GHS team.

Press Falls

Trying to find a solution that would get them back in the game the Wildcats opened the fourth quarter with a tight, full-court press only to find that it gave Ron Hopkins an opportunity to exhibit his ball handling ability as he teamed with his other guard, Schlueter to bring the ball down the court with little trouble.

Genesee took advantage of the wide open game to move out to an unbeatable lead, scoring 18 more points on their way to the 58-40 win.

Egland's 19 points paced the winning Genesee effort, with Hopkins adding 16 more.

Bill Schlueter had 8 points and John Hermann, bull-strong under the basket, contributed 7.

Bruce Scharnhorst, who didn't score too much, was outstanding on both offense and defense, and set up many of the Genesee points in a fine display of teamwork.

Lapwai's Rollie McNair and Kim Rickman were outstanding for the Wildcats.

Parents Night, Court of Honor Held By Boy Scout Troop

Back Row (left to right): Donald (Bud) Eichner, Virgil Dygert, Don Brocke, Rick Gertje, Scott May, Tim Eichner, Ron Whittum,

On Friday, Feb. 26, Scout Troop 149 held its annual Parents Night and Court of Honor. Following a delicious Turkey dinner, served by the Country Kitchen, Jerry Brown - Master of Ceremonies, introduced the Troop Committee and Scoutmaster as follows: Don Eichner-Institutional Representative, Jerry Brown-Committee Chairman, George Brocke, Jr. and Richard Benjamin-Committee-man, Darrel Brocke, Scoutmaster, and Jack Griffith-Ass. Scoutmaster.

Darrel Brocke then reported on past activities as well as activities coming up in the future.

The Court of Honor was then opened for the presentation of

awards. In the Candlelight Tenderfoot Investiture Ceremony, the following Scouts took the Oath of the Boy Scouts of America and received their badges: Rick Steigers, Daren Manfull, Jim Brocke, Dennis Brown, Lyle Deobald, Tim Eichner and Jim Perkins.

Those receiving First Class were: Marty Bennett, Paul Hutcherson, Rick Gertje, Lee Deobald, Ronald Maynard and Robert Maynard.

Two Scouts advanced to Star rank, only two steps away from Eagle. These were presented to Virgil Dygert and Don Brocke.

Merit Badge's went to Don Brocke, Scott May, Marty Bennett, Ronald Maynard, Robert Maynard and Virgil Dygert.

Two Gold Quill awards were presented; these awards are based on communicating and expression. These were presented to Virgil Dygert and Scott May.

The Court being closed, the evening was concluded with group singing and a motion picture on Boy Scout Camp Grizzly.

In conclusion, on behalf of the Troop Committee, we would like to express our deep appreciation to our sponsoring organization, the Kendrick Lions Club and the people of Kendrick and Juliaetta for their support and hope they will continue to support the Scouting Program.

VFW HALL GETS REMODELING

Remodeling work at the VFW Hall was proceeding at a good pace this week as volunteers from the unit are in the process of converting the stage area of the old gym into a new kitchen and serving unit.

The old stage has been leveled with the gym floor and a new concrete floor poured. A partition has been constructed at the edge of the gym floor and a large counter top section will be built into the partition which will be used as a serving window.

The new kitchen area has many electric outlets for connecting stoves and other appliances, and the walls are being dry-walled.

Tentative plans call for the paneling of the section partition which faces the main hall.

Work on this remodeling project began in January.

POMONA GRANGE

Kendrick Grange will be hosts to the Pomona Grange at the Fraternal Temple Saturday, March 13th, beginning with a 6:30 supper. The Kendrick Grange ladies are requested to bring either oatmeal cake or an apple cake with a topping.

Kendrick Town Basketball To Sponsor Weekend 'Cut Throat' Tournament

Eight of the areas top town basketball teams will be in Kendrick this Saturday and Sunday to participate in a "Cut Throat" basketball tournament being held under the sponsorship of the Kendrick-Juliaetta team, it was announced Monday by Wayne Dust, manager of the tourney.

Action begins Saturday afternoon at 4:00 p. m. when the Troy Lumber Co. team from Moscow faces the Koooskia Town Team. Troy Lumber

has on their roster four of the University of Idaho's varsity basketball players, including Malcolm Taylor and Adrian Prince.

At 5:30 the Kendrick-Juliaetta team will meet a squad from Cavendish.

At 7:30 the Brocke Seed Co. team will meet the Elk River Town team. The final game Saturday will be played at 9:00 p. m. and will match Moen Construction Co. team from Coeur d'Alene against Gary's Barber Shop team from Moscow.

Both of these squads have players above the 6-5 mark.

The semi-finals will begin Sunday afternoon at 2:00 p. m. with another game at 3:00 and the championship game at 5:00 p. m.

A first place trophy will be awarded and five individual trophies given to players who are named to the "All Tournament Team."

Admission charge will be only 50c per person, said Coach Dust. Wayne added that this will be a chance for area sport fans to see some really "top-notch basketball."

CALLISON NAMED TO HWY. BOARD

At the annual meeting of the Board of Directors of the Kendrick Highway District, held Saturday, March 6, at the home of Roy Glenn, Robert Callison was named to the Board of Directors to succeed the late Walter Brocke, and was also appointed to serve as secretary of the district, a position held by Brocke.

Further meetings of the Directors will be held at the Kendrick City Hall.

Tainted Fish Made By Health Department Recommendations On Eating Mercury

State Department of Health officials said today their original recommendations regarding eating of fish which may be contaminated with mercury should be followed until results of further testing are known. The continuing study is expected to be done, and released to the public before the start of the next fishing season.

The primary area of concern to researchers is the Snake River between the backwaters of American Falls reservoir and Brownlee Dam, and Jordan Creek in Owyhee county. These are the recommendations of the Department of Health:

1. Persons should not eat more than 1/2 pound of fish per week which were taken from the waters known to be contaminated with mercury.

2. Pregnant women, infants and young children should not eat fish taken from waters known to be contaminated with mercury. (Evidence suggests the brain of the unborn child is particularly sensitive to mercury poison.)

3. That fishermen should follow a catch-and-release policy on all kinds of fish taken from Jordan Creek in Owyhee county and taken from reservoirs in the Snake River.

4. Channel Catfish, Yellow Perch and Suckers taken from American Falls Reservoir and downstream to Brownlee Dam should not be eaten until further notice.

The first two recommendations are primarily with areas of the Snake River and with Jordan Creek. At this time, these are the main waters thought to be significantly contaminated with mercury. Other areas may be included if further studies indicate mercury contamination is more widespread.

There appear to be two main questions from the public about mercury contamination in fish. The first question is: "Why is mercury dangerous?" When mercury gets in the water and

changes form, it becomes dangerous to human health if it is eaten in large amounts. In other words the body can only tolerate so much mercury before poisoning symptoms begin to appear. The symptoms can easily be confused for other types of illness. In addition, evidence suggests unborn children, infants and young children can be affected by much lower amounts of mercury than adults. That's why there is a special recommendation regarding pregnant women, infants and young children.

The second question is: "If mercury has been in the streams for a long time and eating fish from those streams hasn't killed anyone yet, why worry?" Health officials say that grave illness and severe consequences can result from eating fish which have accumulated mercury in their bodies. Many of the symptoms of mercury poison are vague. It is possible that past illness from mercury poison may have gone undetected, or been confused with other illness. No one can be sure persons have not died or become seriously ill as a result of mercury poisoning. Health officials stress that they are only saying the possibility exists.

What would you think of a Health Department that knew of the possibilities of getting mercury poisoning through eating fish and said nothing about it? Many people ask, "How did the mercury get in the water and what happens when it does?" At this time we can only speculate how the mercury gets into the water but two main suspects are through the use of pesticides, which contain mercury in some of its various forms, which are applied and then washed into streams, and early gold mining processes which used mercury to separate the gold from other minerals. Since the miners used water to wash the ore the mercury could easily be carried into streams. Once the mercury is in the streams it is eaten by a certain kind of bacteria, which is

FINAL RITES FOR GLENDA STEVENS CARPENTER HELD

In memory of Glenda Fern, a host of grieving friends and relatives gathered at Malcom's Brower-Wann Memorial Chapel in Lewiston, Idaho, on March 5, 1971, at 11:00 a. m.

A heart-warming talk and prayer by Rev. Douglas Field, pastor of the Cottonwood Creek Community Church and comforting music, supplied by close friends, Mrs. Lyle Kerby and Mrs. Wayne Hoskins, vocalists, and Mrs. Herman Schupfer, organist, added to the beauty of the service.

The flowers were beautiful! Glenda was layed to rest in the Normal Hill Cemetery, where her grandmother Stevens is also buried.

Her casket bearers were Lloyd Stevens, Lewiston; Kenneth Johnston, Lenore; Lyle Maynard, Nampa; Harold Heimgartner, Moscow; Lyle Kerby, Lenore; and Willard English, Culaesac.

The entire community and congregation of the church were present, attesting to the high esteem in which the family is held.

A dinner for the bereaved family was prepared and served by the ladies of the Cottonwood Creek Community Church, at its facilities, immediately following the service.

On Thursday, ladies of the area prepared food for the arrival home of the weary travelers.

The deep religious faith of her family is carrying them bravely through the trying ordeal.

Mr. and Mrs. Tom Glass and two sons of Portland, and Mrs. Clifford Powell, Albion, were Friday evening guests in the home of Mr. and Mrs. Glen Stevens.

Mr. and Mrs. Steve Bakke, Seattle, and sister Linda Bakke of California, and Mrs. Robert Bakke, Alaska, departed via private plane for Seattle on Sunday morning.

Mr. and Mrs. Glen Stevens drove to Spokane on Sunday morning, taking Dr. Richard Carpenter, his father, Bud Carpenter, and brother Robt. Carpenter for their return trip to Minnesota by plane. Mr. and Mrs. Stevens remained over-night in Spokane as guests of cousins, Mr. and Mrs. Stanley Shannon, before returning to their home at Stony Point.

Monday evening, March 1st, Mrs. Henry Reil visited in the home of Mr. and Mrs. Newt Heath. Mrs. Selma Sampson spent the day with Mrs. Heath on Tuesday, March 2.

Newt Heath seems to be improving, but is still on an "ulcer" diet.

Mr. and Mrs. Paul Buell and three children and pet dog, enroute from his employment with the Forest Service at Grandville, to a new position with the U. S. Forest Service at Anchorage, Alaska, were guests of honor at a supper at the Ernest Steigers home on Wednesday, March 3rd. Others invited to bid them farewell and bona voyage were Mr. and Mrs. Alvin Steigers, Culaesac, and the Kenneth Steigers family. Mabel's wonderful strawberry pies were the hit of the evening. Mrs. Buell is a daughter of Mrs. Robert Steigers, Sr.

Gordon Penland Passes

Gordon Penland, Boise, Idaho, a former resident of Juliaetta, passed away Sunday, March 7th, very suddenly, following what is believed to have been a heart attack. He is survived by his wife, Nettie, at the family home in Boise; two daughters, Lois Davis and Karen Penland; six grandchildren and three great-grandchildren. A daughter preceeded him in death several years ago.

Funeral services were held Wednesday at 2:00 p. m. at the Summers Funeral Home in Boise. Burial was in a Boise cemetery.

Further details are lacking at this time.

Fellowship Breakfast Planned

The Juliaetta Community Church will hold a "Fellowship" Breakfast on Sunday, March 21st in the Social room, starting at 7:30 a. m., to better acquaint everyone with the church services, which are held at 9:00 every Sunday morning. Come and be a part of the church.

Visit Old Mexico Mr. and Mrs. Cecil Gruell returned Monday from a 22-day escorted bus tour of Mexico, which began at El Paso, Texas, and covered 4,000 miles through 15 of Mexico's 29 states.

From Chihuahua to Los Mochis, the trip was a thrilling 424-mile train ride across the Sierra Madre mountains, through 89 tunnels and over 31 bridges. A stop was made at Tarahumara Indian Village, considered the most primitive Indians in the Americas.

At Durango, a mining center at an elevation of over 9,200 feet, we met several members of a cast who were making a movie "Buck and The Preacher," starring Harry Belafonte and Sidney Portier and Ruby Dee. Dean Martin was also there, filming "Something Big."

Other places visited were Mazatlan, Guanajuato, San Miguel de Allende, Cocoyoc, Acapulco, Cuernavaca, Mexico City and the pyramids of Teotihuacan, the floating gardens of Xochimilco, Patzcuaro, Guadalupe Hermosillo, the beautiful silver shops of Taxco, the Tequila factories, Guaymas and Culiacan.

Other featured entertainment was a cruise on Topolobampo Bay and Acapulco Bay, a boat trip to an island of Tarascon Indians, a bull fight, visits to a glass factory and market places, and the Ballet Folklorica de Mexico.

Everything was very dry, as Mexico had had no rain for over five months. Where irrigation was found fields of grain, tomatoes, sugar cane, safflower, tobacco, marigolds for chicken feed, and tropical fruits were raised.

Others making the tour were Dr. and Mrs. George W. McKeever, Kendrick, and Dr. Nellie Scott of Moscow. All flew home from Tucson on Monday.

Mr. and Mrs. Gruell also toured the Carlsbad Caverns in New Mexico before the start of the Mexican tour.

List Steelhead Catch Another reminder is in order at this time of the year—steelhead fishermen must get and carry Steelhead Permit card when trying for these sea-run trout.

The law requires the possession of the permit card by all persons who fish for, catch or possess steelhead in Idaho. Persons under 14 years of age, and those exempted for any reason from license requirements may optionally buy, for his own use, a permit card, provided he includes his catch, if any, on the permit card.

Steelhead are defined as rainbow trout (Salmo gairdneri) which exceed 20 inches in length when taken in the Snake River below Hells Canyon Dam, the Salmon River drainage, and the Clearwater River drainage. It shall be unlawful to catch more than 20 steelhead in one calendar year. Rainbow under 20 inches in length shall be classed as trout.

Idaho Legislative Bills Concerning Fish and Game Management Discussed

The State Legislature will be meeting until about mid-March, and I thought some discussion of bills important to our wildlife management program in Idaho might prove helpful to inform interested sportsmen. Each legislative session the Fish and Game Department sponsors certain bills that we feel are needed for proper game management. This year we selected 16 bills. Some of these are concerned primarily with administrative functions of the Department, but there are six of these that are of primary interest to the sportsman. I'll go through each one of them and explain the reasons for our support.

A stream protection bill is one of the most important pieces of legislation involving our environment in Idaho and the related fisheries resources. Fish and Game Department studies on over a thousand miles of streams in Idaho show that those which have been altered in some way produce an average of only 13 percent of the fish production than unchanged streams produce. Sixty percent of stream alteration has resulted from road construction by federal, state, county, or local government, 19 percent from flood control, 13 percent from mining, 6 percent by railroads, and 2 percent from a variety of causes. The study also reported that streams, once torn up, never return to a fully productive state. It was found fish production remained 80-90 percent below normal even after a period of 86 years in the oldest altered area we studied. These changes and the construction of reservoirs in our stream habitat are probably the main reasons why our fishing isn't what it used to be in Idaho. In addition, many of these activities in our streams have increased siltation, pollution, and raised the chances for flooding downstream by increasing the speed of the water's runoff. The obvious answer to this dilemma is to set up a law that will keep the alterations away from Idaho streams or, if someone can justify changing the stream channel, then regulate the alteration so that a minimum of damage occurs.

Our proposed bill would require that any individual, company, corporation, municipality, county, state, or federal agency planning to alter

a streambed in Idaho would have to obtain a permit from the Department of Water Administration for their consideration and possible alternatives if a proposed project would be detrimental to the fishery resource. If an agreement couldn't be reached, there would be an arbitration board, made up of three residents of the county and appointed by the judge for that area, set up to make the final decision. Anyone violating this law would be subject to a fine of \$150 to \$500 for every day such a violation occurred. He would also be required to restore the stream to as near a natural state as possible. The law would not affect vested water rights or reservoir projects. It would also allow the Director of Water Administration to waive the law's provisions if an emergency existed such as an immediate flood, but the amount of work done should be restricted to that necessary for safeguarding life or property during the emergency. By February 19th this proposed legislation (Senate Bill 1119) had been given to the Resources and Conservation Committee of the Senate. Hopefully, it will also be introduced in the House.

Two other Department-sponsored bills in the Resources and Conservation Committee of the Senate are:

(1) Requiring "Hunter to Wear Hunter Orange Color" while hunting big game (Senate Bill 1103). This has proven to reduce hunting gun accidents significantly in those states requiring it. Since deer and elk are color blind it would not limit the effectiveness of the hunter.

(2) Asking that the cougar be made a game animal, a \$2 tag required for it, and bag limits imposed. Along with this we would like to see the cougar non-resident license be raised to \$25 instead of the present \$5 predatory game license.

A bill to establish a tag for bear hunting has not been introduced in any committee as of February 22nd. We feel the bear is a trophy animal and a tag would give us better control over their harvest.

The House has passed our bill requesting the kingfish, cormorant, and white pelican be placed on the protected species list in Idaho. These birds cause little damage and should

Home Cookin' . .

Today's homemaker usually likes to think of herself as just a little better-than-average and works very hard trying to prove it—so devotes many hours in her kitchen planning and preparing meals that are not only nutritious but served and looks attractive when placed on the table at meal time.

Mrs. Mike (Diana) Martinez is no exception. For she, too, has the problem of meal planning and hears quite often the old cry of what's for dinner—or why don't you 'fix' chicken some other way—so she has finally come up with a chicken recipe that pleases the whole family. It's for Baked Chicken, using a salad dressing mix.

BAKED FRYER

1 fryer
1 pkg. Good Seasons Italian Salad dressing mix
1 cube margarine
1 1/2 teaspoon lemon extract
Bread crumbs
Melt margarine, salad dressing mix and lemon extract together in small sauce pan and brush on chicken pieces, then roll in bread crumbs. Bake in 350 degree oven for 1 hour.

Good old ground beef—a favorite and there's so many ways to prepare it. Diana says the Beef Indienne is different, and nutritious as well.

She says its quick to prepare and another use for ground beef.

BEEF INDIENE

1 1/2 lbs. ground beef
1 large onion, chopped
1 teaspoon curry powder
6 cups sliced, raw potatoes, (about 8 medium size)
2 cups milk
1/2 teaspoon salt
1/8 teaspoon pepper
Cook ground beef, onion and curry powder in large frying pan 10 minutes. Remove from heat, stir in flour, salt and pepper. While meat cooks, par-boil sliced potatoes in large sauce pan for 5 minutes; drain. Layer alternately with meat mixture in 3-quart baking dish, ending with potatoes. Pour milk over; cover. Bake at 350 degrees for 1 hour or until potatoes are tender. Serves 8-10 persons.

HEAVENLY HAMBURGER CASSEROLE

10 oz medium noodles
1 tablespoon chopped green pepper
1/3 cup sour cream
2 cans (8-oz) tomato sauce
3 tablespoon melted butter
1/3 cup chopped green onion
1 1/2 lbs. ground beef
1 cup cottage cheese
1 pkg. (8oz) cream cheese
1 small can mushroom pieces
Salt and pepper to taste
Combine cheese and sour cream and set aside to soften while preparing rest. Cook noodles, drain. Add 1 tsp. melted butter. Brown ground beef, onions and pepper in 2 tablespoons melted butter. Stir in tomato sauce and mushrooms. Combined cheeses are spread over half the noodles in casserole dish. Spread remaining noodles over cheese mixture. Top with ground beef mixture. Bake at 350 degrees 20 to 30 minutes. (Place a pan or foil under dish to prevent spillage in the oven) Serves eight.

NOVEL LAYER COOKIE

1/2 cup butter
1 cup sugar
1/2 teaspoon vanilla
1 egg and 2 yolks
1 1/2 cups flour
1 teaspoon baking powder
Cream butter, sugar and eggs. Add salt, flour and baking powder. Spread in greased 9"x12" pan.
Second layer: Beat eggs whites and add 1 cup brown sugar and 1/2 teaspoon vanilla. Spread over 1st unbaked layer. Sprinkle with chopped nuts or coconut. Bake at 325 degrees for 30 min. Cut in squares when cool.

New Wheat

BOISE—Samples of a new hard white wheat developed in the Northwest are being tested by import officials in Japan, it was revealed here at a meeting of the Idaho Wheat Commission.

Commission member Norman Dean, Grangeville, said the new wheat, called "Coulee", was developed at the U. S. Department of Agriculture Plant Breeding Station at Pullman, Washington. The variety is designed for export to the Far East, and tests are being conducted in Japan by flour millers and the Japan Food Agency to determine Coulee's potential value.

Dean also announced that the annual "Congressional Breakfast" for wheat growers will be held March 31 in Washington, D. C. The visitation brings wheat growers from throughout the country to meet with Congressmen, Senators and administration officials.

Early Spring Fishing

Many lowland lakes, reservoirs, canals and some streams have special seasons and year-round fishing for fishermen who want to wet a line before the start of the statewide general trout season, May 29. These special seasons and year-round waters are too numerous to list, but are listed by name in the 1971 Idaho fishing regulations. They are grouped together under special seasons and year-round fishing and exceptions to general regulations for each of the areas in the printed seasons and regulations for the calendar year.

Catchable size trout will be planted this spring as usual as road and water conditions permit. Catchable hatchery fish were hatched from the tanks during the winter of 1969.

be protected.

Finally, a bill to allow 45 percent of the Fish and Game fines in the counties be appropriated back to the counties has been passed by the House and referred to the Senate. The amount returned to the counties would be based on the acreage of Fish and Game Department lands in that county. At the present time this 45 percent of the fine monies is being returned to the Department. This would provide some returns to the county for state land owned by our Department.

Easy Wintering Conditions
 Although supplemental feeding operations for elk are underway in the Ketchum area, there are no serious wintering problems on elk and deer ranges anywhere in the state. Moderate temperatures, decreasing snow depths and baring south-facing hills are found in all areas. Traps are still set on Leslie Butte, near Mackay where the plan was to trap and transplant to the desert some 250 to 300 deer this winter, but success has been poor because the animals have been scattered due to mod-

erate weather. Trapping and tagging operations on the South Fork of the Boise, and deer trapping on the South Fork of the Payette River have been discontinued because animals are scattered. Wintering conditions are reported good from regional offices at Coeur d'Alene, Lewiston, McCall, Garden City, Jerome, Pocatello, Idaho Falls and Salmon. Game birds and migratory waterfowl also are having an easy winter with no problems now.

JEHOVAH'S WITNESSES LECTURE WELL ATTENDED SUNDAY

1,187 at the public lecture Sunday afternoon heard William L. Young say "Rebellion against legally constituted authority now threatens public order all over the world." In speaking on "What's Behind the Spirit of Rebellion", Mr. Young, District Supervisor of Jehovah's Witnesses, also gave encouragement that "those who despair at the worsening world chaos would do well to consider closely hope for a permanent remedy revealed in the Bible. Its prophecy unmistakably shows that God's purpose is to end suffering and wickedness is due for fulfillment here in the 1970's. Jehovah's Witnesses are doing every thing possible to help sincere ones thru an international free Bible study program offered to interested ones in communities around the world."

Their recent convention at Lewiston, Idaho, highlighted the theme "Implanting the Word" and the delegates returned home better equipped to carry on the Bible study program.

Saturday's program included the baptism of 15 new ones who have already put the principles of God's Word into practice in their lives and through baptism symbolized their dedication to put God's will first in their lives.

Variety Of Subjects Discussed Monday At Meeting of Genesee School Board

GENESEEE—The Genesee School Board held its regular meeting Monday, March 8th at 1:30 p. m. Mr. Wes. Brossvik from the General Appraisal Co. of Spokane was present and submitted a bid from his company on what it would cost the district for an appraisal of both buildings and equipment. The company's bid was \$1784.00. The appraisal would be used to bring our insurance cost in line with what we actually have. No action was taken on the bid, but will be considered at a later date.

Mr. Dick Scharnhorst met with the board to see if there was any possibility that the board might be interested in leasing St. Mary's school building. Mr. Scharnhorst was told that

much study would have to be done on this, but if the enrollment in the elementary school kept increasing there might be a possibility.

Mrs. Sanford Evans presented and explained the testing program of the school to the board. She explained how these test results were used in the school, and the various tests that are being used. This is the first year the district has employed a certified counselor.

Supt. Diehl discussed H. B. 249 and the hearing held on the bill last week in Boise. This bill is the new distribution formula by which the state would pay approximately 75 per cent of the cost of the education program.

Supt. Diehl worked out the figures to show the board how the bill would affect the district. As it stands now, the board tends to favor the bill but it is still possible that some changes could occur that would affect its present status.

A report was also given by Supt. Diehl on the Northwest Accreditation Report. The district was approved this year without any deviations.

Supt. Diehl said no tentative budget had been prepared as yet mainly because of the bills in the legislature. No state figures are available at this time.

A survey was taken Monday which determined 43 per cent of the high school students would be attending the state tournament. School will continue to run for the other 57 percent left.

The board also approved district bills of \$2,065.18 for the month of February. **GIRLS' CLUB SERVES BREAKFAST** GENESEEE—The Girls' Club of Genesee high school prepared and served breakfast to the basketball team and coaches Tuesday morning at 5:30 a. m. before they departed for Rexburg, for the state tournament.

TO YOUTH LEGISLATURE GENESEEE—Mike Eglund, Leroy Zener and Debbi Denner, seniors at GHS and Dorothy Jones, a junior, will attend Youth Legislature sessions (YMCA sponsored) in Boise April 15-18. They will be accompanied by Mr. Hopkins.

Jo Ann Schooler Capped In Sunday Ceremony

GENESEEE—JoAnn Schooler, daughter of Mr. and Mrs. Joe Schooler, was among the thirty nursing students who were capped during the annual ceremony of the Lewis-Clark Normal School division of nursing at the LCNS auditorium Sunday.

Dr. Jerd O. Dugger, LCNS president, introduced the students to the approximately 400 attending.

The students were capped by Mrs. Grace Smith, director. The girls received caps and the male students received emblems. The students carried candles in holders decorated by District 4 of the Idaho Nursing Assn.

Mr. and Mrs. Joe Schooler and David, Mrs. Ralph Baumgartner and Jeanette, and Mr. and Mrs. Walker, Kathy and Walter attended. Mrs. Ella Mary was also present to see her granddaughter, Mrs. Barbara Russell receive her cap.

Card of Thanks

Thanks to all of you who helped my family while I was in the hospital. Special thanks to the Jolly Janes, Mr. and Mrs. Jim Archibald, Pearl Corner, Arleen Hilding and Elaine. Your thoughtfulness will never be forgotten. Sincerely, Janet Nail

Vestal Home Ransacked By Thieves Last Week

GENESEEE—The home of Mrs. Marie Vestal, who resides about 4 1/2 miles south of Genesee, was entered and ransacked last week. Entry was gained by forcing open the back door. Articles of bedding, clothing, and jewelry were strewn about the floors of the three bedrooms.

When the break-in was discovered by Leonard Komen, Mrs. Vestal's nephew, embroidery and aprons which had been thrown over an electrical wall heater were scorched and smoldering.

A small safe in one of the bedrooms was forced open and ransacked. Mrs. Vestal said Tuesday afternoon that as far as she could tell, nothing was missing. The loss was partially covered by insurance.

The Electric Shop Burglarized Last Week

GENESEEE—The Electric Shop, owned and operated by Carl Simons, was burglarized sometime Thursday night or early Friday morning and four TVs, 2 colored and 2 black and white, a radio and about \$10 in change from the cash register were stolen. According to Mr. Simons the stolen items were valued at about \$800, and partially covered by insurance.

The theft was discovered by Simons shortly after he had opened for business at about 7:30 a. m.

Entry into the building was made by removing a basement window, and taking the merchandise out the back door.

Deputy Sheriff Elton Walker of Moscow, and local marshal, Chet Green, investigated the break in.

Selective Service News Release

Dr. Curtis W. Tarr, National Director of the Selective Service System, has ordered a reorganization of the Selective Service System in each of the several states. This reorganization is to improve the fiscal management and to recognize the changes brought about by the lottery system.

Major General George B. Bennett, Idaho, on collocation of local Selective Service boards in ten Idaho localities as directed by the National Selective Service Headquarters.

Each county will continue to maintain its local board members. The secretarial and records support for each board will be provided from the new locations.

Lewiston, Idaho was the site picked to serve Clearwater, Idaho, Latah, Lewis and Nez Perce counties.

General Bennett said that regional meetings will be scheduled in the near future with local board members and all employees to explain the details of the new staffing of the Selective Service System.

One way to succeed without trying. Wait for tomorrow.

Heart Victims

Many people in Idaho are living active, satisfying lives, even though they have some degree of heart impairment, reports the Idaho Medical Association.

After suffering a heart attack, it is understandable that some people are fearful of resuming activity. But when these fears are exaggerated, they actually harm the patient and his heart. They deny him the activity he needs for good health.

Getting back to work is a tonic for the person who has been disabled. This applies as much to the heart patient as to the person who has suffered some other illness or injury. He may not be able to resume the complete range of his former activity—but the heart patient should try to reach the safe limit of his functional capacity.

He should follow the advice of his physician, who can evaluate this capacity. Becoming more active often relieves financial and emotional strains within the heart patient's family.

And resuming some activity is good for the patient's heart and his health.

FARMERS INSURANCE GROUP

An undertaker called the husband of a woman who had just passed away to confirm funeral arrangements desired for the dear departed. The husband, who had spent 30 years of hell with this woman heard this statement come over the phone. "We're sorry to disturb you in this time of personal grief," the undertaker intoned solemnly, "but there appears to be some confusion as to whether the body of the loved one is to be buried or cremated." Let's not take any chances" came the prompt reply. "Do both."

"One of the most tactful men I ever knew," says a California manufacturer, "was the man who fired me from my first job." He called me in and said "Son, I don't know how we're ever going to get along without you, but starting Monday we're going to try."

A local busy body, unable to contain her curiosity any longer, asked an expectant mother point-blank whether she was going to have a baby. "Oh, goodness, no," the young woman said pleasantly. "I'm just carrying this for a friend."

BESSIE M. SWEET DIES MARCH 2ND

Mrs. Bessie Mae Sweet, 81, 516 5th Ave., Lewiston, a Lewis-Clark Empire resident most of her life, died March 2 of the infirmities of age at Duran Nursing Home.

She had lived at Lewiston from 1907 to 1912, when she moved to Fix Ridge, five miles west of Juliaetta. In 1920 she moved to Genesee for a 22-year stay before moving back to Lewiston.

Dec. 25, 1911, she married Roy Sweet at Clarkston. A retired farmer and railroad man, he survives at the family home.

The daughter of Edward and Mary Hassler, she was born Dec. 28, at Atlantic, Iowa. She was a member of the Lewiston First United Methodist Church.

She and her husband farmed on Fix Ridge and at Genesee.

KENDRICK GRANGE HOLDS SESSION

Kendrick Grange No. 413 met on Tuesday evening, March 2nd at the Fraternal Temple for a 6:30 pancake and sausage feed, which was served by Dick and Velma Benjamin; Barbara and Dave Clayton; Delores and Leslie Heimgartner, and Ruth and Wayne Heimgartner. There were 32 members and two visitors present.

A brief business discussion was held. Pinocle was played at five tables. Those winning high scores were Dick Benjamin and Frances Peters; lows went to Wilbur Corkill and Myrton Vincent. The "galloping goose" went home with Marvin Vincent.

There was an error made in the last Grange report. The names of Mr. and Mrs. Warney May, Jr. were omitted from the serving committee and the names of Mr. and Mrs. Roy Fey and Mr. and Mrs. Harlan Fey should not have been on the serving committee. They assisted with the dinner for Deary's visitation as the chairman of Women's Activities special committee.

The next Grange meeting will be held March 16th at the Fraternal Temple beginning at 7:30 p. m. Doyle Whitting will present some of his F. F. A. boys demonstrating Parliamentary Procedure. There will be a regular meeting and the annual Talent Show.

It is suggested that members wear their costumes for the Talent Show to the meeting. Please note the special time for the meeting to begin — 7:30 p. m.

BROCKE REPORTS ON LEGISLATURE

Boise, March 5 — The First Session of the 41st Legislature is now in the process of winding up its affairs, and preparing for adjournment some time the latter part of next week. If this should take place the session will be close to the 60-day limit. So far the Legislature has dealt with many problems, and has enacted into law some good, sound legislation.

When the Legislature does adjourn many of the bills offered in this session will be held in committees and no doubt will make their appearance in the second half of the 41st, which will meet next year.

The major problem that this legislature has had to face is in the area of money. The state's income is the factor that determines the amount of money that the legislature could provide for the operation of the state for the next fiscal year. It was necessary that some functions of the state receive no funds for operations this coming year. Also other functions were appropriated less money for their operations. Nearly every agency that is provided with general fund money will have to continue with an amount of money less than what they requested for their operations. This applies to public education, higher education, public health, public assistance, and most other agencies.

In the field of taxation this legislature has been very tax conscious, and has done its best to hold taxes where they now are. Very little legislation has been offered that would raise taxes. In fact, the major bills offered were in the gas and fuel tax area, in which bills were introduced to raise the gas tax one cent a gallon and to provide funds for the cities to maintain their streets.

After adjournment the Legislature will be called back into session to deal with the problem of Reapportionment of the Two Congressional Districts and the Legislative Dis-

SNOWY, COLD

March roared in like a lion last week and the weather still remains the same 10 days later, as snow, wind and cold temperatures dominate the climate.

While there was snow fall on several occasions, there was also enough of a space between the storms to allow most of the snow to melt, so the accumulation is not so great.

The winds of March have been very much in the weather picture again this week, especially in Genesee and other higher elevations. The wind did cause some drifting during the week-end snow storms.

Temperatures have varied from the high 'teens into the forties and low fifties.

Card of Thanks

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy. The beautiful floral offerings were especially appreciated. — Emma Jean Wiltsie; Ray Lorang; Eugene Peters. 10-1c
