

Pleasure of Helping; Having Friends Means Most As Mrs. Fry Nears 80th Year

By Millie Corliss

Mrs. Frances Fry, who will observe her 80th birthday Tuesday, March 20, feels that she has been richly rewarded by the host of friends she has made through her many years in this area. "I hope I have given them as much pleasure through life as they have given me," she said this week with a look of satisfaction.

Mrs. Fry, a well-known resident of Kendrick and the Cedar Creek Ridge and Gold Hill areas will be honored at an open house reception given by her children and their families on Sunday, March 25 at the Kendrick Fire Hall from two to five p. m.

She lived on a farm in the Cedar Creek community for about 37 years after coming west from Atwood, Kansas at the age of 3 years with her parents, Bruce and Mary Vaughan. Her father was a depot agent and so much of his time was spent away from his farming duties. Being the "tom boy" type, Mrs. Fry found outdoor chores much more interesting to her than being in the house washing dishes or whipping up a cake. She and one of her brothers worked in the fields and milked the cows or wherever needed. "Riding horseback was my main hobby," she said, "and my job was riding the canyons to round up the cows and horses. For more exciting things to do, we would have horse, buggy and sled racing or just anything that would run or buck—but the pigs were the hardest to ride!" she quipped.

The Iron Disappears

An incident that caused a little commotion one day when Mrs. Fry was only very young, was when a batch of unwanted kittens arrived. Their mother insisted the children put the baby kittens in a sack, add some rocks and lower the bag into the farm pond. The children followed out their instructions allright, but added some additional weight. When ironing day came around, after mother's flat irons were missing. After some lengthy discussions and probing, the young Frances Vaughan and her brothers admitted putting the flat irons in the sacks to help keep the kittens warm.

Mrs. Fry received her schooling at Linden and Gold Hill. She recalls her first school at Gold Hill as being built of logs. In 1904 a new two-story school was built, consisting of one classroom and a hall, the latter to accommodate the neighborhood social functions. The first school teacher in the new building was Mr. Carlton French and he taught 40 to 50 students of all ages and all grades.

As she recalls the early years on the ridge the big attraction of the year was the Easter reunion with friends and relatives coming from everywhere. The dinner was generally held at the Longfellow sawmill. If good weather prevailed, she said, a large outdoor open fire was used for frying the ham and eggs which took large quantities. Other dishes were kept hot by setting them on the wood coals. Last but not least was the boiling of gallons of typical campfire coffee which gave the valley the aroma no one could ever resist.

For extra entertainment at two of the dinners, a coasting party was made possible by the deep snow remaining on the hillside. Several people, young and old alike, would board the hand steered bobbeds and be on their way for a long and refreshing ride before the bounteous dinner was served to the hungry crowd. After the new school was made ready, the dinners were held there instead of the sawmill.

There was never a shortage of amusement in the community, which always included the whole family, she continued. "We had neighborhood entertainment, church and Sunday school every week," she commented.

Social functions included country dances, ice skating, sleigh riding and races, literary programs, husking bees and basket socials. At Christmas time there was the customary school Christmas Tree loaded with goodies for everyone immediately following the Christmas program. Through the years, she said, these family functions of the neighborhood have been eliminated which are still missed.

"Our school transportation was either by horseback or 'shank-mare'. If the snow or mud was too deep for horses, we had to walk," she said.

In 1911, the former Frances Vaughan was united in marriage to Clarence H. Fry, son of Mr. and Mrs. Solomon Fry, also of Cedar Ridge. The couple made the wedding trip

to and from Moscow with a horse and buggy, staying in Kendrick overnight. Thusly they avoided the neighborhood preparations for a charvari. To help soothe the disappointed funsters the newlyweds served treats to the well-wishers.

The couple settled on his father's farm where they lived for 23 years and raised their nine children.

His parents came to Cedar Ridge in 1902 from The Dalles, Oregon in a horse-drawn mountain hack.

After leaving the farm in 1935 they came to Kendrick where they made their permanent home. Mr. Fry worked for several year for P. F. I. before his death Sept. 28, 1967.

Mrs. Fry also cooked for P. F. I. in the logging camps for about 10 years taking her three younger children with her during the summer. Also she cooked for State brush crews and cooked at Clem Israel's logging camp. Her activities also included accompanying Doctor Christensen to homes on maternity cases and stayed at the home to help if necessary. She has also clerked at the N. B. Long grocery and dry goods store and at the Medalin Western Auto Store in Kendrick. She has done countless hours of baby sitting—always having a high recommendation in whatever the task was.

Her hobbies for several years has been the making of a pieced or embroidered quilt and one crocheted bedspread for each one of her children and for part of the grandchildren with 28 crocheted bedspreads in all. She also has the credit of embroidering many pairs of pillowcases and tating place setting mats with eight sets in all—something one would never see except only on very rare occasions.

She has enjoyed perfect health all her life; never being in the hospital once for illness.

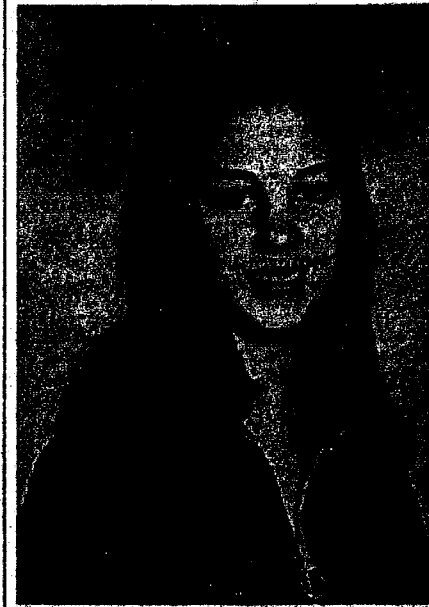

Her philosophy through the years that helps us live longer is to "always keep busy and help others when help is needed". Mrs. Fry has lived by this theory as everyone truly knows.

Her children include: William G. of Juliaetta; Robert, Emmett, Idaho; Mrs. Don (Lola) Johnston Lenore; Richard of Spokane; Mrs. Glen (Jean) Wagner Kendrick; Lola Fry, who passed away in 1938; Donald, Kendrick; Norman of Missoula, Mont. and Mrs. Herb. (Nelle) Millard, Kendrick and 23 grandchildren and nine great-grandchildren.

Sperry Grade Bridge Being Remodeled

The Nez Perce County highway crew and the City of Kendrick will join forces this week to bring the Sperry bridge in Kendrick back to standard again. Lloyd Craig Nez Perce Highway District foreman, will supervise the new structure.

A railroad flatcar of lumber came in from the West Coast Friday of last week with enough lumber for a complete overhaul of the bridge. The lumber was treated and sawed at Bremerton out of old growth West Coast fir. The Sperry bridge will be put back up to 10-ton capacity when completed and should be good for at least 40 years, Craig reported.

"This will be a new experiment for the county and City of Kendrick," Craig said, "as there has never been a bridge done before out of treated timber in Nez Perce county and we hope that it will meet all the requirements of the people in the area."

When completed the Kendrick school bus will again be able to travel the Sperry grade and local grain trucks can deliver grain to the Kendrick elevators this harvest.

Beginning Monday, March 12, the bridge was closed from 8:00 in the morning until five in the evening five days weekly. Craig estimated about two weeks for the work to be finished.

The old lumber that is in good shape, will be salvaged and sold at \$50 per thousand feet. The broken and rotted timbers will be burned or given away for fire wood.

"We hope the people will bear with us until we can complete the project," Craig said, "as we cannot do this work without closing the bridge daily."

Carla Clemenhagen Named Miss FHA

Miss FHA for the second nine weeks of school is Carla Clemenhagen, an eighth grader. To achieve this honor, she worked in the pickle sale, participated in the pie sale, helped with the Christmas and Valentine's cookies that were given to the elderly people of Kendrick and Juliaetta, and worked in the dimple pitch.

The Future Homemakers of America would like to thank everyone who supported our yeast bread sale. The receipts will go toward helping pay for the delegates' trip to state convention April 4-8 at Nampa.

There will be bands, mixed chorus, and girls' glee groups performing at the festival. Mr. Williams said that while this festival is not competitive, the groups will be rated as to musicianship and delivery. Adjudicators for the festival will be Mary Jenny of Cottonwood and Ross Wood of Lewiston.

J-K Ambulance In Accident

The Juliaetta-Kendrick area is temporarily without the services of an ambulance following a bizarre series of accidents in the Lewiston area late Saturday night.

The local ambulance, attended by Robert Watts and Richard Benjamin, was called to the west end of Kendrick shortly before 10:00 p.m. Saturday night to take Ralph L. Raymond, Juliaetta, to St. Joseph's Hospital in Lewiston. Raymond was badly shaken when the car he was driving left the road as he entered Kendrick from Juliaetta on State Highway 3, crossed the roadway to the left, crashed through the guard rail and rammed into a tree.

As the J-K ambulance neared Lewiston (about the site of the Nespecke Tractor building) they came upon a highway accident which involved three other cars. The headlights from one of the cars temporarily blinded Watts who was driving causing him to collide with the left rear of a station wagon, spinning it around.

Two ambulances were dispatched from Lewiston to carry all of the injured. One Lewiston woman was killed in the first series of collisions. Watts received minor cuts and bruises, but neither Benjamin nor Raymond were injured.

Watts said Tuesday afternoon that the two towns will be without an ambulance until a replacement can be secured. Jim Annette of the Latah County Civil Defense office in Moscow is checking with Boise to find if a temporary replacement can be found.

Burial was at Lewis-Clark Memorial Gardens.

Burt said the added money will bring the Booster Club balance to \$769.91.

Katakshamma Visits Us Again—
Take a radiant smile, lovely brown skin, dark eyes and glistening black hair and you have "Katakshamma". Miss Katakshamma Benjamin, our friend from Nuydupet, India, had charge of the Sunday School hour and the Worship Service Sunday followed by a polluck dinner and the showing of slides from her country. For years, she and Miss Dorothy Meyer had charge of the Lutheran Industrial School for Women, School for Children and Unit for Widows

and Orphans at Nuydupet. During this time they also organized the construction of a lovely chapel on the grounds. When Dorothy left to come back to the states, she took over Dorothy's responsibilities.

Dressed in a bright red sari, she told about her people and their customs, and sang in a clear, soprano voice. She speaks English fluently, although her native tongue is Telegu. She is in the states on a four-month speaking tour, and has recently been the house guest of Mrs. Thelma Meyer and Dorothy.

Mr. McFadden Speaks—

Norman McFadden, a caseworker with the Dept. of Public Assistance of Clearwater County was a guest speaker at the ALCW meeting last Wednesday. He spoke mostly on his department's work with children—abandoned, abused and neglected youngsters—and also teenagers and their problems. He also explained foster home care and discussed adoption of children. His talk was most interesting and informative.

Coming Events—

● The ALCW has been invited to hear a discussion on "Key 73" at Emmanuel Lutheran Church in Moscow on Wednesday afternoon. Key 73 involves all Christian denominations, and is a special effort, though evangelism, to bring Christ to each and every individual.

● The Bible Study group has changed their regular meeting date to March 21, to be combined with the next ALCW workday at the church.

● There will be a "Youth Happening" in Lewiston next Sunday for teenagers. Contact Sharon Harris for

THE PLAIN TRUTH ABOUT BRONATE

Even the right weed killer on the right weed won't work properly if the crop is under stress - if both crop and weeds are not at the proper stage of development - if weather conditions aren't right or if the spray equipment isn't top-grade.

These conditions separate the men from the boys. That's why McGregor's have a superior service to offer you. Katakshamma Visits Us Again—

Take a radiant smile, lovely brown skin, dark eyes and glistening black hair and you have "Katakshamma". Miss Katakshamma Benjamin, our friend from Nuydupet, India, had charge of the Sunday School hour and the Worship Service Sunday followed by a potluck dinner and the showing of slides from her country. For years, she and Miss Dorothy Meyer had charge of the Lutheran Industrial School for Women, School for Children and Unit for Widows

and Orphans at Nuydupet. During this time they also organized the construction of a lovely chapel on the grounds. When Dorothy left to come back to the states, she took over Dorothy's responsibilities.

Dressed in a bright red sari, she told about her people and their customs, and sang in a clear, soprano voice. She speaks English fluently, although her native tongue is Telegu. She is in the states on a four-month speaking tour, and has recently been the house guest of Mrs. Theima Meyer and Dorothy.

Mr. McFadden Speaks—

Norman McFadden, a caseworker with the Dept. of Public Assistance of Clearwater County was a guest speaker at the ALCW meeting last Wednesday. He spoke mostly on his department's work with children—abandoned, abused and neglected youngsters—and also teenagers and their problems. He also explained foster home care and discussed adoption of children. His talk was most interesting and informative.

Coming Events—

● The ALCW has been invited to hear a discussion on "Key '73" at Emmanuel Lutheran Church in Moscow on Wednesday afternoon. Key 73 involves all Christian denominations, and is a special effort, though evangelism, to bring Christ to each and every individual.

● The Bible Study group has changed their regular meeting date to March 21, to be combined with the next ALCW workday at the church.

● There will be a "Youth Happening" in Lewiston next Sunday for teenagers. Contact Sharon Harris for

Rev. and Mrs. Peter Unruh To Observe Golden Wedding Anniversary March 18

Genesee—The 50th wedding anniversary of the Rev. and Mrs. Peter D. Unruh will be observed with an open house from 2:00 to 5:00 p. m. on Sunday, March 18th, in the Fellowship Hall of the Genesee Community Church at Genesee, Idaho. Hosts for the occasion will be their nine children and spouse: Rev. and Mrs. Elden and Deloris Unruh, Seattle, Wash.; Rev. and Mrs. Melvin and Ardel Unruh, Bremerton, Wash.; Mr. and Mrs. Harold and Rose Unruh, Chattaroy, Wash.; Mr. and Mrs. Leslie and Marjorie Schlunger, Patacos, Wash.; Mr. and Mrs. Charles and Phyllis Tompkins, Spokane, Wash.; Mr. and Mrs. Richard and Mary Ann Largent, Colfax, Wash.; Mr. and Mrs. Bruce and Betty Boldt, Troutdale, Oregon; Mr. Harley Unruh, Port Blakely, Wash.; and Mr. and Mrs. Charles and Naomi Rossman, Spokane, Wash.

Peter, the son of Henry and Gertrude Unruh was born at Inman, Kansas. Maria, the daughter of Jacob and Eva Hiebert was born at Hichcock, Oklahoma. Peter and Maria first met on a young people's outing picking daisies in a meadow near Hillsboro, Kansas, which resulted in a courtship and on March 17th, 1923 they were married by the Rev. J. H. Epp at the bride's parents' home three miles west of Hillsboro, Kansas.

Because of lack of work and not being able to make a livelihood they borrowed some money and on their second wedding anniversary came west to Susanville, California where Peter contracted in a lumbermill and Maria took in boarders to pay their bills and get ahead financially, after which they moved to Newport, Washington and purchased a ranch. Here they went through the depression and their children grew up.

They also had the joy and privilege to minister to the Hopi Indians for four weeks in Moencopy, Hotville, and Oraibi, Arizona. Rev. How much of your wheat or barley yield will yield to wild oats?

Wild oats could be a heavy toll on your wheat or barley yield. Four or five times the yield loss means, in dollars and cents, a substantial drop in price. And you realize wild oats hurt your pocketbook.

But you can avoid the high cost of wild oats.

Apply Avadex BW herbicide by Monsanto.

Avadex BW effectively controls several flushes of wild oats before they can steal moisture and nutrients from your crop. Use Avadex BW in the fall or early spring. And Avadex BW herbicide is safe to your wheat and barley.

So next year get the full yield you've worked for at harvest. Apply Avadex BW to control wild oats.

Rev. and Mrs. Peter Unruh To Observe Golden Wedding Anniversary March 18

Genesee—The 50th wedding anniversary of the Rev. and Mrs. Peter D. Unruh will be observed with an open house from 2:00 to 5:00 p. m. on Sunday, March 18th, in the Fellowship Hall of the Genesee Community Church at Genesee, Idaho. Hosts for the occasion will be their nine children and spouse: Rev. and Mrs. Elden and Deloris Unruh, Seattle, Wash.; Rev. and Mrs. Melvin and Ardel Unruh, Bremerton, Wash.; Mr. and Mrs. Harold and Rose Unruh, Chattaroy, Wash.; Mr. and Mrs. Leslie and Marjorie Schlunger, Patros, Wash.; Mr. and Mrs. Charles and Phyllis Tompkins, Spokane, Wash.; Mr. and Mrs. Richard and Mary Ann Largent, Colfax, Wash.; Mr. and Mrs. Bruce and Betty Boldt, Troutdale, Oregon; Mr. Harley Unruh, Port Blakely, Wash.; and Mr. and Mrs. Charles and Naomi Rossman, Spokane, Wash.

Peter, the son of Henry and Gertrude Unruh was born at Inman, Kansas. Maria, the daughter of Jacob and Eva Hiebert was born at Hitchcock, Oklahoma. Peter and Maria first met on a young people's outing picking daisies in a meadow near Hillsboro, Kansas, which resulted in a courtship and on March 17th, 1923 they were married by the Rev. J. H. Epp at the bride's parents' home three miles west of Hillsboro, Kansas.

Because of lack of work and not being able to make a livelihood they borrowed some money and on their second wedding anniversary came west to Susanville, California where Peter contracted in a lumbermill and Maria took in boarders to pay their bills and get ahead financially, after which they moved to Newport, Washington and purchased a ranch. Here they went through the depression and their children grew up.

In 1935 the Unruhs accepted a call from the Spring Valley Mennonite Church at Newport. They both sang in the choir, and Mrs. Unruh organized a Womens Missionary Society and both taught a Sunday School class.

In 1946 they accepted a call from the Onecho Bible Church at Colfax, Wash. Rev. Unruh served as chairman for many years on the Home Missions Committee of the Pacific District Mennonite Conference and was often called to hold meetings in other churches and Young People's Retreats, with Mrs. Unruh ministering to the children with Flannel-graph and Felt-o-graph. They also had the joy and privilege to minister to the Hopi Indians for four weeks in Moencopy, Hotville, and Oraibi, Arizona. Rev. Unruh also was a board member of the Christian Schools in Spokane, Washington.

Terry Johns has brought his book of "Winnie-the-Pooh." Miss Abrams is reading us a story from it each day. We sure love them.

This next Friday, March 16, we're going to celebrate St. Patrick's Day by wearing green and having a green shamrock party. Sounds like fun!

Kites, St. Pat's hats and shamrocks. Good Math papers for Monday are: Paula Fliger, Galen Browning, Colley Jacobs, Sherry Gillespie, Amy Noren, Terri Beebe, Heidi Porter, Pamela Hamilton, Cindy Hadley, and Scott Gustafson.

Sunday and Tuesday night at 7:30 p.m. Each evening there will be special featured speakers. Everyone is welcome to attend these most interesting evenings.

Mrs. Arlie Allen attended the Senior dinner at Kendrick High School Sunday. Then Mr. and Mrs. Allen enjoyed a Sunday outing by driving to Orofino and back.

Mr. and Mrs. Fred Lohman and Mrs. John Dickinson of Lewiston traveled to Sunnyside, Wash., to bring her father, John Dickinson, to his home in Lewiston. Dickinson had been admitted to the Sunnyside hospital when he became ill while working in the area.

Mrs. Lizzie Bryant was rushed to St. Joseph's Hospital for an emergency gall bladder surgery Sunday.

Mr. and Mrs. Floyd Lawrence of Council, Idaho, called on Mrs. David Peterson Saturday afternoon.

Miss Thelma Meyer and her com-

pany, Otto Schmidt of Illinois, and Miss Katakamma Benjamin of India, visited in the home of Mrs. Henry Brammer Monday afternoon.
