# **Genesee Celebration Plans** Revealed

And Andrew March

Some changes in the format of the annual Genesee Community Day celebration were revealed this week by Wayne Roach, chairman of the general committee. The general committee is now meeting each Thursday evening in the city room of the Fire Hall and all interested persons are invited to attend, either to hear plans being made or to offer suggestions and/ or help.

Among the changes planned is a 10:00 a.m. brunch, to replace the Community Day breakfast. The pa-

rade will follow serving of the brunch, Roach said. The parade committee has issued a call for help both with the parade and also from schools, churches and other groups in the form of parade entries. The more entries . . . the better the parade.

Also new this year will be a Junior Miss Pageant which will be held in conjunction with the Queen Contest. The winner of the Genesce Jr. Miss contest will go on to compete in the State. Jr. Miss Pageant, conducted each year by the JayCee organiza-tion. Mrs. Dennis Carlson is chairman of the queen committee.

Tickets for Community Day prizes will be bound in books of ten and anyone who purchases a full book will be given a free dinner button, which, if purchased separately would sell for \$2.50.

# Genesee Wins White Pine Title: In Tourney Wednes.

Genesce rallied to score two runs in the bottom of the fifth inning Monday afternoon and want on to edge out the Kendrick Tigers 3-2 in a closely contested, well-pitched baseball game. The win gave the Bull-dogs the White Pine League championship and assured them of a berth in the District II tournament which began at Lapwai Wednesday afternoon.

Genesee scored a run in the first inning when Mike Johnson rapped a single that scored Jim Grieser. Both Tony Ferrers and Kelly Clemenhagen pitched scoreless ball for the next two innings. Then Ferrers hit a batter, issued a walk and Jeff Camowski tagged him for a double to drive in both Tiger scores.

In the fifth, Kannikeberg walked, Grieser was safe at first on an error and Ferrera's single sent Craig home. Johnson then doubled to score Grieser and that was the margin for Genesee.

Ferrera gave up a single hit and fanned 13. Kelly gave up five hits and struck out ten.

Talk On Pacific Tour

Thirty-one members of Kendrick Grange No. 413 met at 8:00 p. m. Tuesday at the Grange Hall. Two guests, Mr. and Mrs. Ralph Port of Troy Grange were also present.

Mr. and Mrs. Port brought slides of their tour of the Pacific area, of of their tour of the Pacific area, or which Mr. and Mrs. Andy Cox were also members of the group. There were many beautiful pictures of the countries visited. The first stop was the Fiji Islands with their sugar cane the Fiji Islands with their sugar cane with hirds. At New Zealand they saw many beautiful buildings. They visited the glow worm caves. The crops and rainfall are similar to ours and they had nice new machinery. The areas were clean and the people happy.

Australia was the next stop. They visited many research centers and the world's largest warehouse located on the docks. They had beautiful de-

velopments with flowers and trees. The next stop was Thailand where the Buddha religion is prevalent and there are many beautiful and elaborate temples.

They flew over Vistnam and land-ed at Hong Kong, which is the most densely populated area in the world. There were many cement buildings and fishing ships.

The pext stop was Japan with its rice paddies. They have learned to the same ground in one year. Japan has very industrious people.

# Million Dollar Rain

Just when area farmers were really getting concerned about the lack of moisture, the skies opened up Monday night and Tuesday mornng, drenching the region with steady, gentle rain. The rain should be a "million dollar" one for the farmers, whose wheat and peas were just gotting a good start, but needed moisture such as this. No official word on how much rain fell has been received yet, but it was well over a quarter inch. Moderate to strong winds lashed the region after the rain stopped Tuesday.

Some changes in the format of the annual Genesee Community Day celebration were revealed this week Troy Grange were also present. by Wayne Roach, chairman of the general committee. The general committee is now meeting each Thursday evening in the city room of the Fire Hall and all interested persons are invited to attend, either to hear plans being made or to offer suggestions and/ or help.

Among the changes planned is a 10:00 a.m. brunch, to replace the Community Day breakfast. The pa-rade will follow serving of the brunch, Roach said.

The parade committee has issued a call for help both with the parade and also from schools, churches and other groups in the form of parade entries. The more entries . . . the better the parade.

Also new this year will be a Junior Miss Pageant which will be held in conjunction with the Queen Contest. The winner of the Genesce Jr. Miss contest will go on to compete in the State. Jr. Miss Pageant, conducted each year by the JayCee organiza-tion. Mrs. Dennis Carlson is chairman of the queen committee.

Tickets for Community Day prises will be bound in books of ten and anyone who purchases a full book will be given a free dinner button, which, if purchased separately would sell for \$2.50.

# Genesee Wins White Pine Title; In Tourney Wednes.

Genesce rallied to score two runs in the bottom of the fifth inning In the bottom of the firth inning Monday afternoon and went on to edge out the Kendrick Tigers 3-2 in a closely contested, well-pitched base-ball game. The win gave the Bull-dogs the White Pine League champ-ionship and assured them of a berth in the District II tournament which began at Lapwai Wednesday afternoon.

Genesee scored a run in the first inning when Mike Johnson rapped a single that scored Jim 'Grieser'. Both Tony Perrera and Kelly Clemhit a batter, issued a walk and Jeff Czmowski tagged him for a double It was voted to give and the state of t

Mr. and Mrs. Port brought slides of their tour of the Pacific area, of which Mr. and Mrs. Andy Cox were also members of the group. There were many beautiful pictures of the countries visited. The first stop was the Fiji Islands with their sugar cane crops and Minah birds. At New Zeacrops and Minah birds. At New Zea-land they saw many beautiful build-ings. They visited the glow worm caves. The crops and rainfall are similar to ours and they had nice new machinery. The areas were clean and

the people happy. Australia was the next stop. They visited many research centers and the world's largest warehouse located on the docks. They had beautiful developments with flowers and trees.

The next stop was Thailand where the Buddha religion is prevalent and there are many beautiful and elaborate temples.

They flew over Vietnam and landed at Hong Kong, which is the most densely populated area in the world. There were many cement buildings

and fishing ships. The next stop was Japan with its rice paddies. They have learned to raise two crops—wheat and rice—on the same ground in one year.

Japan has very industrious people. They raise a great amount of tea. The Ports were fortunate to get a picture of Mt. Fuji as it is obscure for all but about 30 days out of the

# GII CLEAN, FRESH AIR with efficient air conditioning.

People who suffer from allergies have told us that air conditioning is the greatest of all boons of modern living.

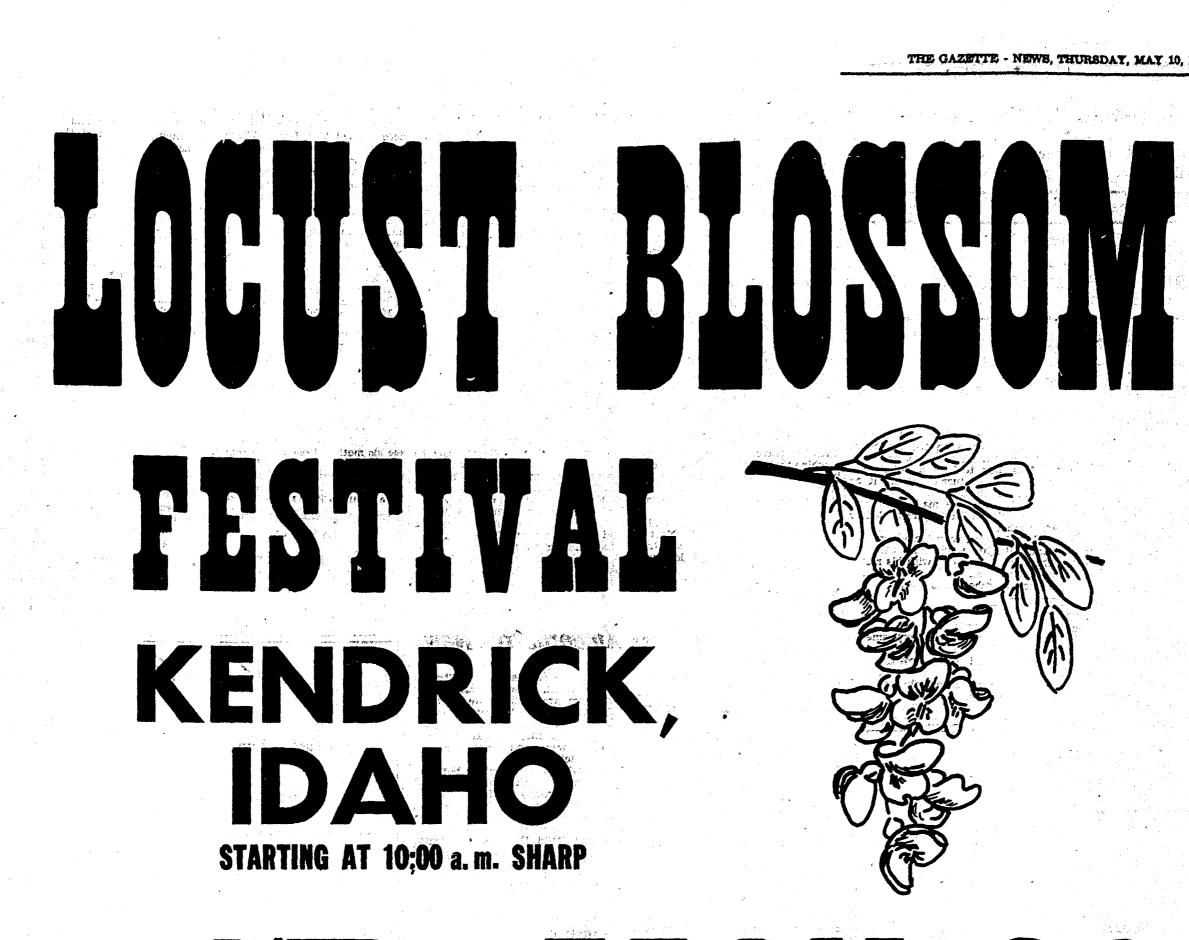

We won't argue. An efficient, properly selected system can remove 95% of dust, dirt, and airborne irritants and help make the allergy season tolerable instead of tormenting.

Air conditioning means more than just cooling. Beside providing a more comfortable, healthful home it brings benefits of quiet and security.

Choose your air conditioning carefully. Plenty of electricity is. available for its operation and common-sense practices will avoid any unnecessary draw on energy supplies or the family budget.
