

Genesee Sports Banquet Was Well Attended

The multi-purpose room of Genesee high school was the "scene" Tuesday, March 26th and "making the scene" were the athletes, their parents and coaches, along with cheerleaders, their parents and guests who were gathered for a covered dish dinner. Team captains, Curt Hermann and Jeff Boyd gave the invocation.

Tom Boyd, master of ceremonies, announced a new feature of our annual banquet will be the presentation of a traveling plaque, awarded to a booster of our athletic program. The first recipient of this token of appreciation was Mahlon Follett, the honored guest of our dinner. Mahlon is not only an ardent fan, but a dedicated public servant with fifty years of service to District 282 first as a member of the school board and later as its clerk. Mr. Follett accepted the plaque and spoke briefly of the changes during his fifty years, but stated he has enjoyed each and every year. Boyd turned the program over to Ozzie Kanikkeberg, head football and basketball coach.

Ozzie introduced the varsity and junior varsity cheerleaders. The football team acknowledged introductions: five seniors, seven juniors, twelve sophomores and seven freshmen. Managers were Mark Eagen and Alan Coulter. Larry Schoonmaker was commended for a well coached line. Varsity basketball boys were

then recognized: five seniors, three juniors and two sophomores. Joe Hermann was manager.

Gary Hook introduced the junior varsity and their manager. Von Hopkins frosh coach spoke briefly after introducing this group. He pointed out the boys weren't really too big, they weren't really too small, weren't really too fast, weren't really too slow, but they were a really great group of athletes and they did win some games.

Last, and most certainly not least, Mr. Schoonmaker introduced the girls' basketball team and their manager, Becky Purcell. Basketball for the girls, complete with a league and tournaments is just getting a good start locally. The past year saw just one senior, only two juniors, three sophomores but six freshmen so it is hoped that another year or two even more of the girls will plan on "turning out for the team."

Entertainment was well chosen. "The Sport Commentary" by Cheryl Mayer and Melissa Becker was thoroughly enjoyable, particularly well received by the young people. Patsy Buchley, "Old Time Fiddlers Womens Champion" along with her accompanists, Mike Gifford on the washtub and Bill Seims on guitar, were applauded loud and long for their three numbers.

Jim Evans, president of the Letterman's club presented Coach Kanikkeberg with golf balls and a gift certificate in appreciation of his efforts. In appreciation of the gift, Ozzie commented that although some folks were dis-

appointed that our basketball team did not go to State, he personally felt this had been a very good season, surprisingly successful and all of the success due to hard work and a real desire to win. He pointed out that the team missed the trip to the State tourney by three points.

Ozzie introduced our speaker, John Smith, head baseball coach at the University of Idaho, a real sage in all aspects of coaching. In his introductory remarks, Smith said this is an area that is fortunate in having such a first rate program and Mr. Kanikkeberg, a first rate coach to head it. As a result, Genesee is well known for its spirit of competitiveness. Coach Smith told his audience that baseball is the world's oldest game, and quoted the Book of Genesis to prove his contention. He concluded his remarks by insisting that "hustle" is of extreme importance and for sure, "if you keep hustling, something good will happen."

Mrs. Tom Boyd, co-chairman with Mrs. Ray Stout, thanked all the mothers for their willing work in arranging the dinner. Special mention was given to Mrs. Wayne Schwenne and Mrs. Dale Carburn who were responsible for the very clever centerpieces; to Mrs. Mathewson and the art class who made up the programs; to Ernie Snider of Erb's in Lewiston and Kimmel-Hatch for the favors. Holsum Bakery, Pepsi-Cola and Arden's furnished their products for the dinner and the Production Credit Assn. provided paper products.

Watch Which Waters Open To Fishing Now, Warns F&G Officer

By Bruce Penske, Conservation Officer, Idaho Fish and Game Dept., Bovill

With the beginning of spring and nicer weather, people who have been shut in all winter begin to think of fishing. There are several areas open year round. Probably the most popular area is Dworshak reservoir. However, only the lower 14.5 miles (to the Dent Bridge) are open. The waters above the Dent Bridge open May 25. All tributaries open May 25 also. The tributaries are considered to extend in to the reservoir for 300 feet.

For those who enjoy stream fishing there are some lowland areas that open May 4. The Pottlatch Creek and tributaries above Bear Creek (and including Bear Creek) open May 4, as do Spring Valley Reservoir, Moose Creek Reservoir, and Elk Creek reservoir. Also, a small portion of Elk Creek from the reservoir downstream to Elk Creek Falls is open. All anglers are asked to carefully check the regulations before going fishing. The limit is 10 trout and 25 Kokanee. This is the maximum allowed in possession. When fishing on

Next year the banquet will be in charge of Mrs. Ray Stout and Mrs. George Alderman, co-chairwomen.

Kendrick Grange Met March 19 At Hall

Thirty-one members and thirteen guests gathered at the Grange Hall at 6:30 p.m. on Tuesday, March 19, to enjoy a steak dinner honoring new members of the Grange. It was also the "Dues Paying Dinner." It was served by Mr. and Mrs. Roy Glenn, Mr. and Mrs. Wayne May, Mr. and Mrs. Charles Taylor assisted by Mrs. Elmo Eldridge and Mrs. Manning Onstott.
 Immediately following the dinner the Grange was entertained by Doyle Whitting, Vocational Agricultural instructor of Kendrick High School, and seven members of his FFA Chapter. Mark Mustoe gave his speech, "The Energy Crisis in Agriculture," which has been first-place winner in this District and will be given in competition at the FFA State Convention. Mark made identifications of where the energy crisis is hitting the hardest and stated some of the probable consequences; also the problems agriculture might face if the energy crises continues. He also stated that

many petroleum products can and will be made from crop and animal waste in the future, and in conclusion he challenged each and every one of us to join in the fight to overcome the world-wide crises.

Also, a demonstration on parliamentary procedure was given by seven members of the FFA—Don Benjamin, Ron Whittum, Paul Hutcheson, Steve Eichner, Edward Anderson, Earl Lawrence and Mark Mustoe. They will also be participating in State competition in Twin Falls on March 27. The speech and parliamentary procedure proved most interesting to everyone and was very much appreciated.

The chairman of Women's Activities, Mabel Glenn, reported on dinners served to the Eastern Stars, the Lions Club and for Farm Institute Day. Also, on dinners to be served in the near future.

Many more gingham pieces are needed for the Grange quilt.

Reports were made by Roy Glenn and L. W. Heimgartner for the Agricultural committee.

A report on Legislature was given by Gerald Ingle.

Three resolutions pertaining to OSHA, daylight saving time and special education for teachers concerning learning disabilities in students were acted on.

The balance of the Lecturer's program was held at the regular time and was as follows: Mrs. Roy Glenn read names of new members of our Grange being honored. They were Mr. and Mrs. Rick Beebe, Mr. and Mrs. Dan Fey, Mr. and Mrs. Wayne Wegner, Mr. and Mrs. Lloyd Shreffler, Mr. and Mrs. Cecil Gruell, Mr. and Mrs. Howard Braden, Mr. and Mrs. Irvin Draper and Mrs. Florence Ingle. Due to conflicting dates all were not able to attend. She expressed special thanks and "a pat on the back" to all Grange members for all the good help given by all.

A few piano numbers ending with "Memories" by Inez Armitage were enjoyed. This was followed immediately by a poem depicted by L. W. Heimgartner and written and read by Lecturer Nell Heimgartner—"A Tribute to a Retiree"—honoring the retirement of Roy Glenn from the ASCS committee after 21 years of service.

Master Manning Onstott conveyed the Grange's congratulations to Lloyd Craig on his recent retirement as a Nez Perce County road supervisor.

Dick Benjamin, instructor of the Multi-Media First Aid Course, presented a first aid card to Manning Onstott for having recently completed the course.

Honorable mention was given Elsie Onstott and Dick Cuddy for a faithful and excellent job done on their offices of Assistant and Lady Assistant Stewards. Thought for the day—"You are never fully dressed unless you wear a smile."

GOD LOVES US

Thank God for His tender care,
 He is both great and good.
 We can thank Him for our food,

 Giving up His life to make us free,
 From sin, with His life as loss.

God loves us everyone.
 That is why He gave His Son.

St. Mary's Parish News

The first in a series of 3 Paulist Press Pilot Programs was held at St. Mary's school on March 24th.

This program is not meant to take the place of the C. C. D. program, but has been found very effective when no such organized program exists. Genesee was chosen for the Pilot Program in Idaho because they already have such a fine C. C. D. system.

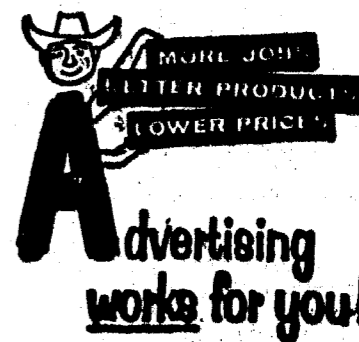

Mr. and Mrs. Jim Lyons and Paul-ette Johann traveled to California in late February to receive an instruction course and the material necessary to present this program to the parish.

During the first hour, the parishioners studied about Creation (this first time) on their own level and shared their thoughts with each other. During the second hour the individual families shared with each other what they had learned, and worked on a project together. The afternoon was closed with a beautiful paraliturgical service. Coffee,

juice and cookies were served for further sharing and visiting with each other.

Ideally this plan could be the answer to the "RX" needed for a Better America, with even secular publications such as the New York Times calling for each American family to strive for love, trust and communication and the balance of every body, mind and spirit. If each and every family could participate in such a work-study program offered by the church of their choice and carry out through the month some of the projects suggested in the take home packet: love and trust of God, each other and country could be achieved. We wish to thank each and every

on who gave up one of our first pretty Spring Sunday afternoons to make this a success.—LB

INDISPENSABLE

Don't let me die in seed time
Dear God, I could never sleep,
When the bluebirds come to the
hayshed,
And the winds through the lindens
leap.

Let me be up and sowing,
Casting the golden grain,
Onto the harrowed plowed-ground,
Into the morning rain.

Take me away in summer,
Or wild December drear,
For how could they seed without me,
When planting days are here?
