

Having fun feeding and petting Karen and Heidi Reil's baby lamb on Tuesday were Brent Adams, Jill Althaus, Angie Abrams, Tanya Beebe, Glyna Browning, Teresa Foster, Darlie Gentry, Tony Hanson, Robert Jones, Crystal Longfellow, Bill Lamunyan, Jennifer Parsley, Debbie Riedinger, Rodney Robenstein, Billy Ruark and Diane Wilson.

ender; Billy Ruark's birthday will arrive on the 30th. Tumbling (forward and backward rolls, back bends and head stands) is surely fun, and is making us even more agile and limber. We folded paper one day and had to follow directions to complete the paper correctly; such terms as "upper left-hand corner" really made us have to think. Woodland Friends is the topic of our bulletin board. We've been discussing Woodland animals, reading about, drawing pictures about them.

Kendrick Tigers Rally to Defeat Highland, Kamiah and Win Baseball Tournament

Coach Dick Ruark's KHS baseball team won the diamond tourney held Saturday at Kamiah, but they needed desperation rallies in both games to get the job done. In the first game the Tigers were trailing the host team, Kamiah, 11-3 going into the final inning of play when they exploded for 9 runs and won 12-11. Down 8-0 going into the fourth inning of the second game with Highland, Kendrick scored 8 runs in the fourth and then sealed the tournament with two runs in the bottom of the fifth to win.

three more runs in the third and four in the fourth as the Tigers were down 11-3 coming to bat for the final time. In that wild final inning, the Kendrick team went to the plate fourteen times for 9 hits and 9 runs including doubles by Sillfow, Clemenham and Reed. Kelly Clemenham was the winning pitcher, striking out five and giving up 4 walks. Kendrick collected 14 hits.

Kendrick Girls Open Track Season; Plan for Softball

Kendrick's girls traveled to Kamiah Thursday, April 18, for Kamiah's Girls Invitational Track Meet. Despite small team size, only 7 girls, Kendrick placed well and took fifth place out of 8 in the meet with 34.5 points. Oranville took the meet with 51.5 points and Clearwater Valley second with 47.5. Kendrick took first and second place in the shot put with Cindy Taylor and Kathleen Parker respectively. The winning put was 32' 9 1/2". Kendrick took first in the discus with Kathleen Parker's throw of 97 feet, and Cindy Taylor took fifth with 88' 7". Jen McGary tied for third and fourth in the high jump with 4' 3" and Sue McGary took sixth in the 110 hurdles.

Southwick News By Jolene Brammer Saturday afternoon callers of Mrs. Roy Gertje were Mrs. Carol Trout and Mrs. Elmer Lohman. Mrs. Aaron Wells attended the Nez Perce County Extension Council meeting in Lewiston Friday morning.

Screening for Anemia To be Offered At Health Fair June 4-5

One of the screening procedures to be done at the Kendrick-Julietta Health Fair, will be screening for anemia. The test that will be done is called a hematocrit. This test is done by taking a small sample of blood from the finger-tip. This sample is then measured to determine the amount of red blood cells, from this measurement we can find the amount of iron in the blood. Iron is used to carry oxygen to the body tissues. A deficiency of iron (anemia) can cause fatigue, loss of appetite, faintness, pallor, and other problems.

Singer To Be At Nazarene Church

Gary Williams will be featured in special services at the Juliaetta Church of the Nazarene, Sunday, April 28. Williams has been a popular television personality and recording artist for many years and has traveled extensively with the "Grand Old Opry" out of Nashville, Tenn.

Julietta News— Juliaetta Receives Federal Grant for New Water System

Julietta was notified this morning by Rep. Steve Symms that a grant from the Economic Development Administration for \$118,000 has been announced. The grant will be used to secure a new water supply tie this into the existing water system and make improvements in the existing system.

Julietta people last summer. It opens the door for expanded business and residential development.

Red Cross Pharmacy Plans Grand Reopen.

David G. Clayton, owner-manager of Kendrick's Red Cross Pharmacy, announced this week he will have a grand re-opening observance at his newly re-modeled and enlarged drug store next Thursday, Friday and Saturday, May 2, 3 and 4.

A proposed new sewer and water system which is being considered by Juliaetta at the present time will be greatly enhanced by the renewed water system.

The announcement was particularly welcome due to word received earlier in the week that the Idaho State office of Farmers Home Administration had chosen to put their sewer and water grant money into other Idaho communities rather than Juliaetta.

An environmental assessment hearing will be held at the Juliaetta City Hall on Monday, May 13, 1974 at 8 o'clock p. m. The purpose of the hearing will be to evaluate the impact of a sewage treatment plant to be located approximately one-half mile South of the main part of town West of State Highway 3.

Any person interested in commenting on the proposed location may do so by appearing in person at the stated meeting or submitting a letter in writing to the Mayor. Letters will be received until May 20, 1974. Address all letters to: Mayor Harold Freeman, City Hall, Juliaetta, Idaho.

Postmaster Floyd Heimgartner revealed this week that plans are in the works for a new Post Office at Juliaetta. He said he would post notices for bidders at the Post Office beginning Monday of this week. Bidders will submit bids on the building of a new post office and then the Postal Service will rent the building from the owner or owners. Prospective bidders will be asked to submit bids on construction of a building of 1,392 square feet.

Methodist Church News

No Services at Cavendish The Cavendish Church will not hold services this Sunday. Members are invited to come to the Kendrick Church for 11:00 Services. There will be a potluck dinner following.

Methodist Church News

Since 1965 Gary has been using his talents for God and as an evangelist has presented his ministry of music and personal testimony in many hundreds of churches across the country. People of all ages respond to Gary's down-to-earth, warm personality, unique guitar stylings and rich deep singing voice. He sings many hundreds of the old favorites entirely from memory and most of them on spur-of-the-moment request. He is on the road constantly, traveling strictly by faith and free-will offerings.

KCK to Host Kendrick, Cavendish Churches

The KCK voted to host the Kendrick and Cavendish Churches on a campout trip to Cavendish LeBaron Park. Church services will be at 11 a. m. Sunday, May 26, at an open camp meeting at the park. Rev. Ron Ozier will conduct the service for both the Kendrick and Cavendish parishes. The service will be in the park under God's biggest Church—the open sky.

Other News—

Mr. and Mrs. Bill Flores and Suzanne, Mr. and Mrs. Ed Groseclose and Laura Butler were among those attending confirmation services at the Trinity Lutheran Church in Lewiston Sunday. They were also dinner guests of Mr. and Mrs. Virgil Groseclose, whose son Craig was confirmed.

Mrs. Olga Christensen Former Resident Passes

Mrs. Olga Christensen, the former Mrs. Olga Wolff, passed away recently of cancer at a Seattle nursing home where she had lived for the past three months. She was a native of the Kendrick area. She is survived by two sisters, Mrs. Meta Schultz of Lewiston and Mrs. Rose Hagan of Seattle; two brothers, Leonard Wolff of Kendrick and Herbert Wolff of Meridian, Idaho; three nieces and five nephews. Her husband preceded her in death.

New Arrivals...

Mr. and Mrs. Ed Corkill of Portland, Oregon are the proud parents of a baby boy born to them on Good Friday, April 12. He weighed in at 9 pounds, 8 1/2 ounces and has been named Scott Bradley and joins three sisters. Paternal grandparents are Mr. and Mrs. Wilbur Corkill of Leland and maternal grandparents are Mr. and Mrs. Elmer Heimgartner of Fx Ridge.

Pam Benscoter, Gale Storro to Wed June 16

Mr. and Mrs. Robert S. Benscoter, Priest Lake, have announced the engagement and forthcoming wedding of their daughter, Pamela, to Mr. Gale Storro, son of Mr. and Mrs. Oystein Storro, Priest Lake. Pam graduated from Priest River High School in 1973 and is now working in Spokane. Gale is a 1972 graduate from Priest River High School and is presently attending Spokane Community College and is working.

Economy Shows Gains Reports Newsletter

Data on most segments of Idaho's economy in the first quarter of 1974 indicate significant increases over the last quarter of 1973 and the first quarter a year ago.

This is the report of the quarterly First Security Bank newsletter being distributed this week, according to James Hoogland Jr., manager, First Security Bank of Idaho, Kendrick. The publication is edited by Dr. Elroy Nelson, First Security vice president and economist.

Employment, production, wages, payrolls and net farm income as well as trade and personal income continued to increase. The rate of increase, however, was slightly lower.

According to First Security, the outlook for the second quarter varied as among the major economic segments. Outlook for minerals and manufacturing is good to excellent in both production and employment. The agricultural outlook is mixed with some down trend in prices and net income from livestock and livestock products, and some gains; continued higher prices for other crops. Construction will be slightly lower

Thursday and gave a shower for Miss Ora Hayden who is to become the bride of Emmett Stout of Genesee within the next few weeks.

Virg. Sampson, George Rees and Albert Marcks claim to have put the Coyotes Club to shame last Sunday when they brought out 9 coyotes, more than that famous (?) club has brought in during the past 2 years. But Private Pat Sampson and Brigadier General Cody Rader say that anyone who would take advantage of helpless little puppy coyotes and kill them "ought to be persecuted" for cruelty to animals.

Genesee News—30 Years Ago
An announcement has been received from Technical Sgt. Virgil Post of his marriage to Sylvia Massie of Appleton, Minn. on Sat., April 11.

Carol Borgen is having a surge of measles.

Joe Anderson was re-elected Clerk of the Aurora district and Allen Sather was re-elected Clerk of the Smith district at the school election held Friday afternoon.

Jack Liberg, son of Mr. and Mrs. John Liberg underwent an operation for appendicitis last Thursday morning at St. Joseph's hospital.

Howard Brommeling is on duty with the Navy in the Pacific.

The Genesee Union Warehouse Co. will construct a new elevator. The proposed elevator will be constructed at the East end.

Sharon Hard, daughter of Mr. and Mrs. Tom Hard sustained a fracture of the left leg Sunday while playing in the yard at the home of her grandmother, Mrs. Alzina Hayden.

Genesee Community Cantata Drew Large Crowd

Over 800 area people attended the Community Cantata entitled "Easter Song." All thoroughly enjoyed the entire evening. Soloists Mary Jean Jenness, Joan Stout, Crystal Aillen Elvon Hampton and the Rev. Bill Leed all did an exceptional job.

The only distraction throughout the entire evening was a few noisy kids but the choir usually over-powered them.

The choir sang beautifully and told a beautiful story. The words were well pronounced so you had no trouble hearing and understanding them. We would like to thank everyone for attending and for your generous

offering. Because of you, it is now possible to have another cantata next year. Thank you all!

Members of the choir are: L to R: Stephanie Kambitch, pianist; Larry Gee, director; Laurie Tout, Tammy Flodin, Pamela Russell, Randa Allen Sheldon Hampton, Keith Davis, Doug Green, Rhonnie Gee, Wanda Huddleston, Eula Gee, Cheryl Mayer, Debby Peterson, Mitzi Jensen.

Second row: Marcie Brusven, Julie Wood, Vicky Myers, Suzanne Lounsberry, Ron Nichols, Curtis Hermann Charles Gee, Phil Greenwell, Cindy Kanikkeberg, Leslie McConville, Elaine Allen, Agnes Purcell.

Third row: Kristi Leed, Kathleen Jenness, Tracy Boyd, Sharon Fuller Pat Mervyn, Jeff Diehl, Rev. Bill Leed, Jerry Washard, Kathy Greenwell, Laura Brusven, Mary Louise Esser, Norma Woodruff.

Fourth row: Joan Stout, Mary Jean Jenness, Linda Hampton, Kaye Adkins, Ada Wood, Donna Myers, Bay Esser, Merlyn Brusven, Mike Martinez, Bill Myers, J. Adrian Nelson Elvon Hampton, Betty Greenwell, Crystal Allen and Iris Qualey. Wm. Haxton, Narrator

than a year ago, states First Security.

Cash receipts from farm marketing in Idaho in January totaled \$121.1 million, more than 57 per cent above a year earlier.

Change in prices for crops since January and from a year ago were rather drastic. Early in 1974 the price wheat received by Idaho's farmers was approximately \$5.50 per bushel (the spot price nationally actually rose to \$6.18 per bushel in late February) compared with \$2.14 per bushel a year ago. In early April, however, the price of wheat fell rapidly, dropping below \$4.00 per bushel.

Milk production in Idaho in the first two months of 1974 totaled 244 million pounds, a decrease of 0.4 per cent from the similar 1973 period,

says the First Security report.

National figures for 1974 prospective crop plantings indicate that spring wheat acreage will exceed 1973 acreage by 24 per cent. The United States Department of Agriculture estimates that United States wheat production in 1974 will total 2.1 billion bushels, up 23 per cent from the 1973 record production of 1.71 billion bushels.

Nationally, potato acreage in 1974 is expected to increase by one per cent from the previous year, while potato acreage in Idaho is forecast to decline one per cent. Actual production received from these planted acres will be influenced by available supply of fertilizer, stated First Security.

Intense demand for metals is the major factor in the tremendous price

increases since removal of price restrictions, but there is some handicap in the shortage of experienced miners.

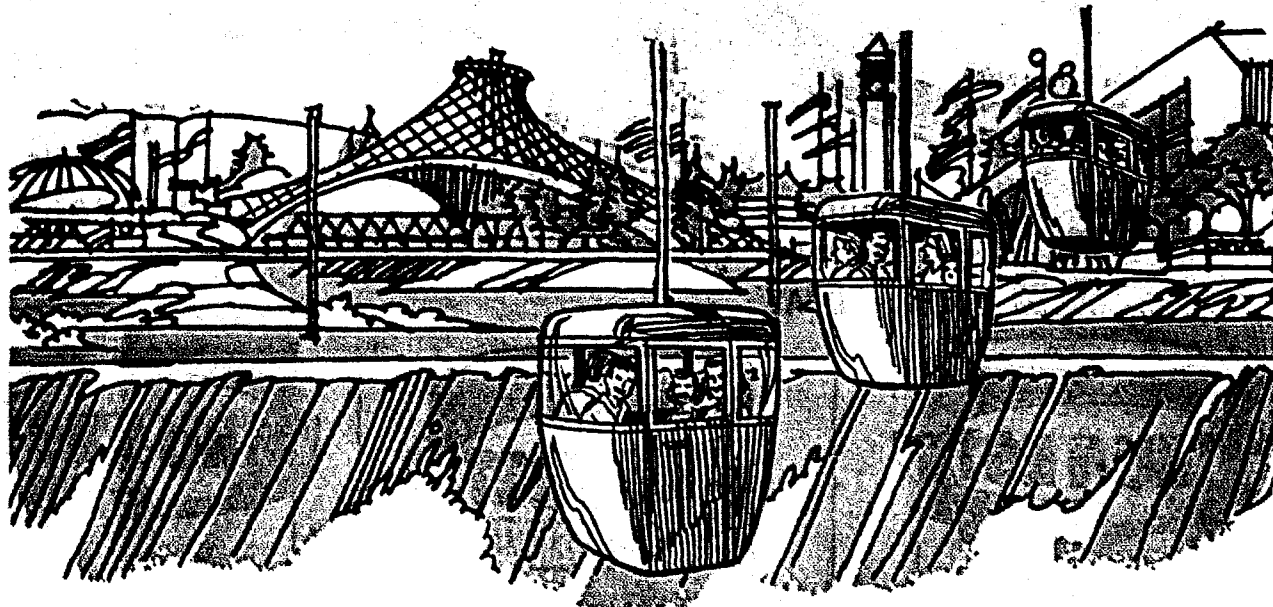

Building permit construction in 35 major Idaho locations totaled \$197 million for the first two months of 1974, an increase of 15.7 per cent above the corresponding earlier period.

Total construction contracts awarded for the entire state in the first two months were valued at \$43.6 million, a drop of 6.2 per cent below a year earlier.

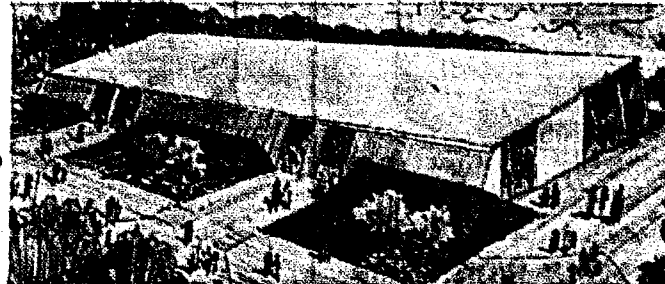

Idaho's employment in February totaled 302,000, an increase of 10,000 or 3.4 per cent above a year ago.

If you get a dirty look, apply soft soap.

You're invited to the exciting expo '74. World's Fair

visit the ENERGY PAVILION... enjoy the thrilling ride over the falls

Come and experience a memorable international adventure. EXPO '74 brings the whole world a little closer. It's the first World's Fair devoted entirely to "Tomorrow's fresh new environment."

Tour the Energy Pavilion for a kaleidoscope of information about the past, present and future of energy and its importance to a better quality of life.

Board a bright, bubble gondola for a thrilling ride virtually through the spray of the Spokane Falls. Probably the closest you'll ever get to the awesome power of nature.

We invite you to share this exciting celebration with us.

PUBLIC NOTICES

NOTICE OF ANNUAL SCHOOL MEETING & ELECTION

In Kendrick Jt. School Dist. No. 283 Latah, Clearwater & Nez Perce Counties, Idaho

NOTICE IS HEREBY GIVEN, That the annual school meeting of Kendrick Jt. School Dist. No. 283, County of Latah, Clearwater and Nez Perce, State of Idaho, will be held on Tuesday the 21st day of May 1974, at the Kendrick High School and the polls of said election shall be open between the hours of 1:00 o'clock P. M. and 7:00 P. M. on said day.

That at said meeting the following business will be transacted:

1. One Trustee to serve for a term of three (3) years will be elected from Trustee District No. 3 (Big Bear).
2. One Trustee to serve for a term of three (3) years will be elected from Trustee District No. 4. (Southwick)

The name or names of all candidates for election of trustees together with the term for which nominated shall be placed on file with the Clerk of the Board of Trustees at least eighteen (18) days prior to the day of election, excluding the day of election. Said Clerk shall, not less than 16 days prior to the day of said election, notify by mail each nominee who has not personally filed his nominating petition. Unless such nominee shall not less than twelve (12) days prior to the day of election, decline to nomination in writing filed with the Clerk of the Board of Trustees, his name shall appear upon the ballot.

That the election at said meeting will be by secret and separate ballot. Eligible voters must be citizens of the U. S. of voting age (eighteen years old) and have resided in the State of Idaho for the last six months and in the Trustee Zone for more than the last thirty days.

ANN SOUDERS, CLERK OF Kendrick Jt. School Dist. 283 of Latah, Clearwater and Nez Perce Counties, Idaho.
pub.: April 25-May 2, 1974

Kendrick Grange Hears Park Couple Tell of Trip to Japan

Twenty members and ten guests of the Kendrick Grange gathered at the Kendrick Grange Hall at 7 p. m. Tuesday, April 16 to enjoy the pictures and narrating of a tour of 4-H members and their chaperones on a trip to Japan. Mrs. Jody Smith and her daughter, Barbara gave a most interesting summary of a tour made by approximately 350 other 4-H members and personnel from Idaho, Washington and Hawaii on a people to people visit made recently. Japan has many beautiful temples and Shines and lovely scenery on their steep mountains. The Smiths reported a good time and many new friends among the Japanese, and interesting experiences living with them in their own environment.

The program was arranged by Chairman of Womens Activities Mabel Glenn. All 4-H members in the area were invited.

Mrs. Glenn also reported on recent catering activities. Her assistant, Ruth Heimgartner, reported that more pieces of checked material is needed for the Grange quilt and work will be started on it Thursday morning, April 25th at the Kendrick Grange Hall. The judging of contest garments will be held that afternoon also at the hall, so all garments for the contest must be in that morning. It was voted to continue the pie house in the park for Locust Blossom Festival.

Kendrick Grange Master, Manning Onstott, reported on a meeting at the church April 8th to set up a Health Fair to be held at the KHS gymnasium on June 4th and 5th and asked for volunteers to assist with the project.

Manning and Elsie Onstott, Gerald and Grace Ingle, Lawrence and Nell Heimgartner were appointed as a committee to plan the float for Locust Blossom Festival.

Lovely refreshments were served by Mr. and Mrs. Howard Braden, Mr. and Mrs. Cecil Gruell, Mr. and Mrs. Bud Fey and Mr. and Mrs. Wayne Davis.

The next meeting of Kendrick Grange will be held on May 7th at 8 p. m. at the Grange Hall. This will be our Soil Conservation program, arranged by Manning Onstott.

COOKING TEMPERATURE INFLUENCES MEAT FLAVOR

For juicier, more flavorful and more tender meat, cook it at an oven temperature between 250 and 300 degrees Fahrenheit. It may take more time but it's worth it.

A meat thermometer is a must when determining the doneness of meat, Esther Wilson, nutrition specialist, U. of I. cooperative extension service points out.

Beef is the most flavorful to the majority of people. It is juicy when cooked to medium rare at an internal temperature of 150 degrees. Some prefer it cooked to medium or when the pink color just disappears. As long as the beef is cooked "rare" to at least 140 degrees, no health hazard exists in eating it.

The recommended temperature for fresh pork has been lowered from 185 degrees to 170 degrees. Cured pork or ham only needs to be heated to an internal temperature of 160 degrees. Trichinosis is not a danger above a temperature of 142 degrees.

In frying, braising or broiling pork chops a moderate temperature will improve the taste and tenderness. Too long cooking will cause them to become dry and less flavorful.

For lamb, an internal temperature of 170 degrees is hot enough.

Since meat shrinks less at these lower temperatures more servings per pound will remain, thus stretching our food dollars. So use your meat thermometer to avoid less desirable eating.

State Park To Meet

Rep. Leo Butler announced Monday that the Idaho State Park Board will meet in Orofino Monday, June 3.

The board, accompanied by local legislators and County Commissioners will tour the pool area and will be looking at various state park possibilities.

Butler said their will be a public meeting at the Orofino elementary school at 7:30 p. m. Monday, June 3.

Franklin Schoeffler, Woodlands State Forester, will be the speaker.

Soil Conservation Sunday, when all Grangers are especially invited to attend church services either as a body or otherwise, will be held May 19th

The public is encouraged to attend this meeting to present as many different views and alternatives as possible for the board to consider.

The elderly fellow visiting his doctor for a check-up was advised that he was in sound shape. "You'll live to be 80," Doc advised. "But I am 80," advised the patient. "See, what did I tell you," Doc exclaimed!

News Items From Juliaetta School

Fifth Grade News

Hello,
 Do you know we went to Winchester lake on a field trip. We hiked around the lake. And we drew pictures with charcoal and flowers. Then we stopped to eat and watch the ducks by the lake. It was a six-mile hike. We were awfully tired when we got back to the bus but we sure had a lot of fun. Mr. Larson took the fifth grade and Mr. Jones took the sixth grade. We sure liked Mr. Larson, but we don't know if the sixth grade liked Mr. Jones.

We had three tests Tuesday. They were Social Studies, Spelling and English.

We are changing our bulletin boards. They are the human eye, solar system and sports.

Well, Bye.
 Reporters—Lori Frary and Kathy Hadly

4th Grade

Dolly Emery was sick and she was going to come back Monday but she wasn't here.

Willy the Bookworm is almost to the file cabinet. Miss Stefonek said that we won't get to the head in six weeks.

The High School had a play. The name of it was "The Family Upstairs." The grade school got to go to it. It was good.

Mrs. Cope took the 3rd and 4th grade down to the castle. The 3rd grade went first because they had to come back up to the school to have their music lesson. When they were in the Castle we played tag. Then we went in and saw a rattlesnake skin, old guns, an old piano, couches, etc.

In Spelling we had 20 words and here are the people who got 100%: Mist Colbaugh and Cathy Bryan.

In Health we went in front of Miss Stefonek's desk with our eyes closed. Miss Stefonek got her whistle and walked around the room and blew it. The person with his eyes closed had to point where they heard the whistle from. When Miss Stefonek moved to a different place, we made noise so the person with their eyes closed would not know where she walked to.

In Math we're going into dividing money. I think it will be easy.

In English we're studying hard on nouns, adjectives and verbs because some of us don't know them very well.

Reporters—Shari Harris and Cathy Bryan

FACTS ON BOTULISM

Since 1925, only five deaths—the most recent in 1972—have been attributed to botulism poisoning from commercially canned products.

However, during the same time, some 700 deaths were traced to botulism poisoning caused by improper home canning. Undercooking, such as not using a high enough temperature or not cooking food long enough or both is the real culprit in home canning.

Commercial canners use large enough cookers to heat foods and kill any botulism spores that may be present. Unless similar precautions are taken when you're canning at home the deadly toxins can form if the spores are present.

Joanne Anderson, extension home economist, U. of I. cooperative extension service offers some practical tips for you to remember:

Don't buy cans of food that are swollen, leaking or bent. If you find a swollen can on your shelf, return it to the store and report the incident to your local health authorities.

Never taste questionable food. One spoonful of food contaminated with botulism toxin can kill you quickly. Many deaths have occurred from just this experimental tasting of a suspected home canned food. Be safe! If in doubt—throw it out!

Immediately destroy any food with an unusual odor or evidence of spoilage, such as off-color. Make sure this discarded food can't be eaten by children, pets, or stray animals.

Can at home without a pressure cooker only high-acid foods, such as acid fruits and tomatoes. Botulism spores cannot grow in an acid medium.

Cook all other foods, such as meat, poultry, string beans and corn, in a pressure cooker when canning at home. Also make sure your pressure cooker is working properly, says Mrs. Anderson.

Do not taste or serve home canned meat and vegetables before heating them for 10 minutes at 212 degrees fahrenheit. This simple precaution could almost eliminate botulism deaths in the United States.

It is nice to be important but it is more important to be nice.

Local News Of Kendrick

Mrs. Bob Callison and children visited in the Martin McKay home in Lewiston Sunday.

Mr. and Mrs. Joe Clemenhagen, Mr. and Mrs. Frank Peterson of Portland and Mr. and Mrs. Ross Armitage were visitors in the Max Clemenhagen home after the play Wednesday evening.

Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas milage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe.

That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
