Volume 84 KENDRICK AND GENESEE, LATAH COUNTY, IDAHO THURSDAY, OCTOBER 3, 1974 NO. 40

Janis Whiting is Jr. Miss Contestant

(Ed. note: This is the third in a series of articles highlighting the girls who are competing for the title of Jr. Miss for Kendrick-Julia-

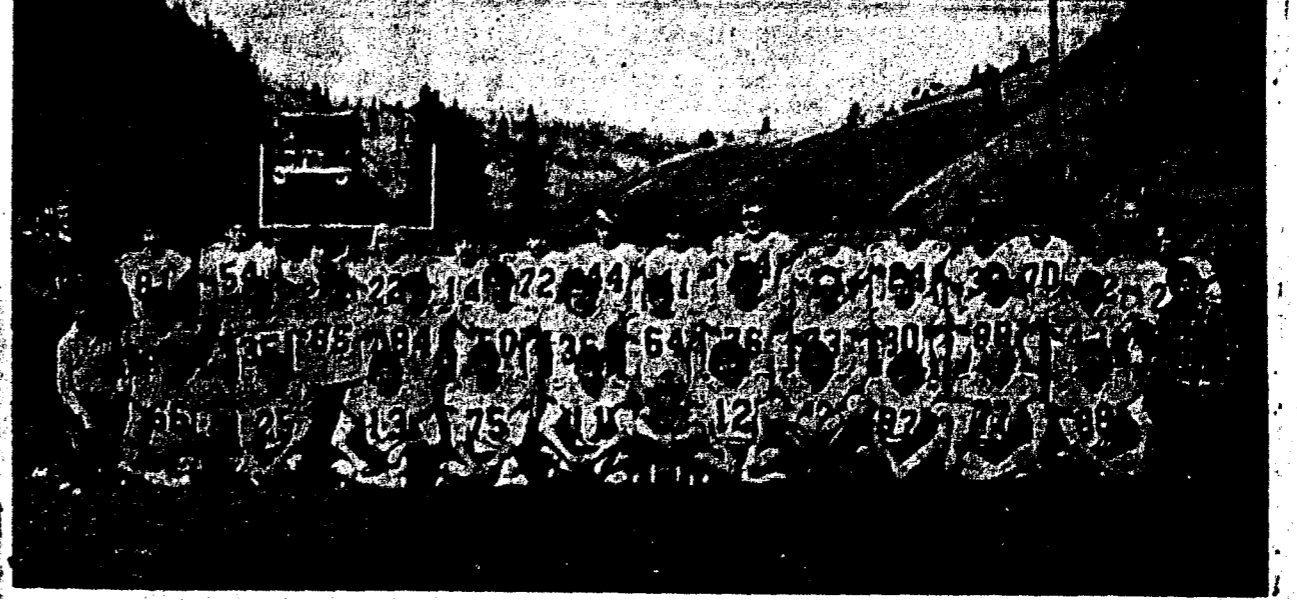

etta.)
Candidate number three is Miss Janis Whiting. Janis is the daughter of Mr. and Mrs. James Whiting of Southwick.
Janis has been very active in her three years of high school. Some of her honors have been: Science Fair grand prize winner 1967, 1968, 1969; Miss Irresistible 1972; Voice of Democracy winner 1973, and designated in Who's Who Among American high school students. She has been a cheerleader and an officeholder and member of Pop Band, Drill team, Annual staff, Future Homemakers of American, Office Education Association and German Club.
Miss Whiting has been very active in community and church affairs. She has held the office of president, secretary and treasurer in 4-H and is a 1974 Wheat Queen candidate. She plays piano and organ for Sunday school and church, is a Bible School assistant and belongs to Youth Fellowship.
Some of Janis' talents and hobbies are playing the piano, organ, clarinet and guitar, dancing, singing, camping, hiking, horseback riding, swimming, sewing and playing tennis.
Upon graduating Janis hopes to attend Boise State University and major in interior decorating.

Juliaetta, Kendrick Hit by Burglars

Business firms in Juliaetta, Kendrick and a school in Deary were broken into late Sunday evening or early Monday morning, it was reported Monday by the Latah County sheriff's office in Moscow. All three incidents are now under investigation, said the county law agency.
The Bottoms Up Tavern in Juliaetta was burglarized sometime between 1:30 a.m. and 5:30 a.m. Monday, the sheriff's office said Monday night. Owner Peggy Porter told the Gazette an undetermined amount of merchandise was missing.
The Moscow office also reported that Bob Pratt's Union 76 service station in Kendrick was also entered, apparently sometime between 1:30 a.m. and 7:30 a.m. Monday morning. Mr. Pratt said he had not determined if anything was missing.
Also broken into apparently during the same approximate time was a storage building at Deary High School. The burglars gained entry into the building but nothing was reported missing.
The sheriff's office asked the Gazette to state that these were the only break-ins reported to that office in this area. A spokesman at the office said there had been rumors that three other firms were hit, but this was not the case.
The Bottom's Up break-in was investigated by Deputy Merlin Buchanan and the Union 76 break-in by Chief Deputy Elton Walker.

Tigers, Cheerleaders, Queen Candidate Ready for Homecoming

Fire Danger Extreme; Warden Urges Caution

Lack of fall rains has created a dangerous fire condition in the area, reminded Fire Warden Dick Benjamin again this week and he urged all people to exercise extreme caution when in the woods and fields. "Really be careful with campfire," he pleaded.
Benjamin and his crew have been fighting four different fires since last Wednesday. On that day crews battled to put out a 15-acre canyon fire which began on the railroad on Harley Eichner's land. Friday and Saturday the crew and scores of volunteers fought the 130-acre fire on Doug Harris' land on Little Bear and then Monday a man-caused fire broke out at the base of Moscow Mt. on West Twin and burned 25-acres of stubble and 2 acres of timber.
Tuesday afternoon Kendrick dispatched two fire trucks to join forces with two trucks from the Potlatch Forest Service to fight a timber fire north of Potlatch. The extent of that blaze is not known at this writing.

Fire On Bear Ridge Stubborn

High winds and dry conditions proved to be a stubborn combination for firefighters on the Paul Supple ranch on Little Bear Ridge over the weekend. Doug Harris, who is leasing the Supple land, was burning weeds Friday afternoon when the strong winds began and sparks leaped the fire break Doug had built and got into some brush and slash.
The fire burned out of control until late Friday night and was clearly visible in Kendrick. Firemen and volunteers finally brought the fire under control that evening, but then Saturday the winds picked up again and sent sparks over the fire break once more and set another fire which burned until Saturday evening.
Doug and Sharon said they were truly grateful for the fine help from the fire crew and the many friends and neighbors who helped battle the blaze.
It was estimated that slightly more than 100 acres were burned in the two days.

State Closes Steelhead Fishing October 9

In a joint meeting at Lewiston, Tuesday, the Idaho Fish and Game Commission, the Oregon Wildlife Commission and the Washington Game Commission mutually agreed to severe measures designed to protect the smallest run of steelhead ever counted over the Snake River dams.
The commissioners jointly intend to close the Snake River to steelhead fishing, tributaries to the Snake River in Washington and Oregon will likewise be closed to angling for steelhead.
The Idaho Fish and Game Commission elected to also close the Clearwater River from its mouth to the Lewiston Memorial Bridge and the Salmon river from its mouth to the Deer Creek bridge near Whitebird. All closures scheduled for the 3-state area will be effective Oct. 9, 1974.
Through Sept. 29, only about 6700 steelhead had been counted over Little Goose Dam. The count has been running only 30 percent of normal.
The commission discussed problems affecting the run including nitrogen supersaturation, commercial and Indian fishing in the Columbia river and the credibility of the count of fish at Bonneville dam and advocated stronger policies to benefit the up-river fisheries.
The Idaho Fish and Game Commission will meet again on October 22 in Pocatello to deliberate further action on Idaho's steelhead fishing waters. Meanwhile the fishing in the Clearwater and Salmon rivers and the counts over the Snake river dams girls. The are the Kendrick Varsity opinion sought regarding further restrictions.

Higher Education Day at Kendrick School Oct. 8

Jr. School District 283 will participate in Idaho Higher Education Day next Tuesday afternoon, Oct. 8. It was announced this week by Principal Bob Heppner. High schools from Troy, Deary and Elk River will join Kendrick-Juliaetta students to hear representatives from all of the higher institutions in Idaho, plus representatives from vocational education schools and the armed services explain the opportunities offered by their institutions. The program will begin at 12:30 p.m. Tuesday and all schools will be dismissed for the day at that time.
Mr. Heppner emphasized that this session is not limited to high school students and he urged all persons regardless of age, who are interested in further education to attend.
Adult Education Classes?
Heppner asked that anyone interested in adult education classes at Kendrick this year to get in touch with his office. The school can offer practically any type class providing at least eight persons are enrolled. This could be G.E.D., welding, commercial courses or possibly home economics.

Schupfer at Deaconess

Herman Schupfer remains on the critical list at Deaconess Hospital, Spokane, reports the Schupfer's daughter, Marilyn Eichner, who spent weekend with her parents at the hospital.
Another daughter, Mrs. Robert Morris of Reston, Va., arrived this Wednesday to be with the Schupfers at the hospital in Spokane for several days.

25th Anniversary for Lyons'

The family of Mr. and Mrs. George Lyons honored their parents with a 25th wedding anniversary dinner Sunday. Cake was served after the dinner. Friends and family from Kendrick helped celebrate the occasion.
Guests from afar were Mr. and Mrs. Dan Lyons, Spokane; Mr. and Mrs. Jerry Apeland and family of Bellingham, Wash., and Mr. and Mrs. Bob Heale and sons, Warden, Wash.

Souders Rites Sept. 25

Gravestone services were conducted at Southwick Cemetery Sept. 25 for Elmer Souders, area farmer and logger, who passed away suddenly Sunday, Sept. 22.
Rev. Wm. Loed, pastor of St. John's Lutheran parish in Genesee, officiated at the final rites.
Pallbearers were Richard Watson, Welpe, David Wilson and Burton Souders Jr., both of Moscow; Richard Wilson Lewiston, and Miles Souders and James Souders, Kendrick.

Hospital Notes

Taylor—Mrs. Dale Taylor, Juliaetta, entered Gritman Memorial Hospital Tuesday afternoon to undergo a thyroidectomy Wednesday morning.
Fey—Mrs. Bud Fey is recuperating at home following surgery at Gritman Hospital recently. She returned home last week.

KKK MEETS OCT. 9

Honoring the 25th wedding anniversary of Mr. and Mrs. Leland Marvin of Clarkston, open house will be held Sunday, Oct. 6, from 1:00 to 5:00, at the Potlatch Credit Union building in east Lewiston. All friends in this area are invited to attend. Mr. and Mrs. Marvin are former residents of Cavendish, Southwick and Juliaetta.

Rummage Sale

The annual rummage sale, sponsored by the United Methodist Women's Society, will be held at the Fire Hall on Saturday, Oct. 12. Notify members if you have rummage to be picked up. Those who can help on Friday and Saturday please notify Lucille Magnuson.

Scouts Plan Paper Drive

Darrell Brocke, a leader of the local Boy Scout troop, said Monday afternoon that the Kendrick-Juliaetta Scouts are planning a sustained paper drive as a fund-raising activity. Brocke said preliminary plans call for the scouts to collect old newspapers on possibly a two-week basis. The start of this drive is tentatively set for the last part of October.
Meeting Dates
The troop will hold regular meetings October 1, 8 and 15 (which are Tuesdays) and then will be meeting Monday evenings thereafter.
Brocke also urged all boys 11 and 12 years of age, if interested, to attend meetings and join the local troop.

VFW AUXILIARY MEETS

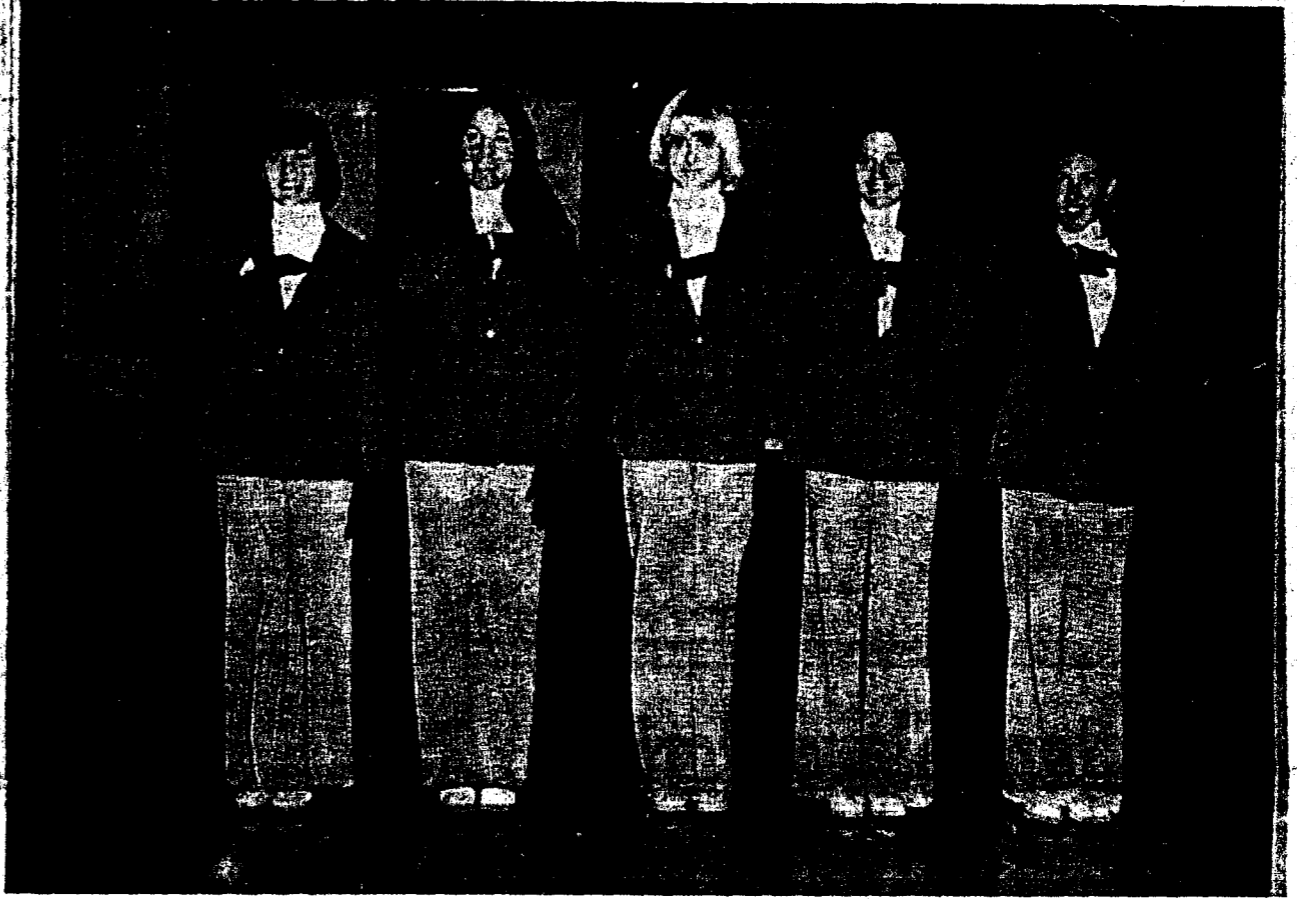

Ladies Auxiliary to Post 3919, VFW met Thursday evening following a delicious potluck dinner. One of the items of business was planning a dinner to be served for the Jaycees on October 28. Also tentative plans were made for the awards banquet to be held in November. Dorothy Halseth was appointed chairman of the much needed kitchen shower for our recently remodeled kitchen.
It was decided to have a members and guest party the 12th of October. Next meeting for the Auxiliary is Thursday, October 24.

THANK YOU

We are extremely grateful to all of our friends, neighbors, and relatives who came to our aid so readily Friday and Saturday. A special thank you goes to the ladies who brought food and to anyone else, that we may have missed thanking personally, for helping in anyway. Your kindness and concern are deeply appreciated.—Doug and Sharon Harris. 40p

CARD OF THANKS

I would like to thank all my relatives and friends for all the beautiful flowers, cards and visits while in the hospital and all who visited and brought flowers at home. A special thank you to the neighbors for the food they sent in. All your kindness will never be forgotten.—Connie Fey.

The busy schedule of events was mostly arranged by these five, pretty girls. They are the Kendrick Varsity cheerleaders, who planned and are participating in the events leading up to the big Homecoming game Friday night. From left to right are: Tami Hutton, Julie Deobald, Janet Lohman, Sue McGary and Janet Thomas.

Jaycees Are Active Group

With summer activities over, the K-J Jaycees are very busy on numerous projects.
The Kendrick Jr. Miss Pageant is in full swing and to be held Oct. 26 at the KHS gymnasium. With the co-operation of local businesses and organizations a scholarship fund has been set up for the pageant.
A cord-wood drive has also been in progress for several weeks, and advertisement will be out soon.
A turkey shoot committee was formed and they estimate this project to be ready around the first of November.
On Sept. 28 our Wife Appreciation Night was held at the VFW hall, with a delicious dinner prepared by the VFW Auxiliary. It was a successful and enjoyable evening.
The Jaycees are now meeting the second and fourth Thursdays at 7:30 p.m. at the VFW Hall.

Garden Club News

Among those from Hill and Valley Garden Club to attend the Clearwater District flower show school at the new Community Center at Lewiston last week were Agatha Perkins, Doris Pottelchord, Elvada Spruell, Ruth Armitage, Donna Weyen, Barbara Hepler and Joyce Branner.
Instructors for the school were brought in from Seattle and the training was exceptionally enjoyed and beneficial.

One of these 12 lovely, young ladies will reign as Kendrick High's 1974 Homecoming Queen. The announcement of the selection of the Queen and her court of princesses will take place at halftime of the football game Friday night. The candidates are left to right: LuAnn Brammer, Becky Cowger and Evelyn Arnett, all seniors; Tami Hutton, Carolyn Braden and Dorothy Lyons, all juniors; Tami Armitage, Diane Silflow and Susan Schwarz, all sophomores; and Amy Lawrence, Joanne Parks and Lori Brown, all freshmen.

25TH ANNIVERSARY

Mr. and Mrs. Warney May of American ridge will be honored at an open house in celebration of their 25th wedding anniversary. The occasion will be held on Sunday, Oct. 6, from 2 to 4 in the afternoon. The couple's three sons, Mike, John and Pat will host the observance. Those wishing to attend are cordially invited.
Mr. and Mrs. Roy Glenn called at the home of Mr. and Mrs. Andy Cox on Sunday. Mrs. Cox is home following many weeks of convalescence after surgery at Moscow.
Visitors from Thursday until Sunday of Mr. and Mrs. R. L. Blewett were her brother-in-law and sister, Mr. and Mrs. Howard Kirchan of Klamath Falls, Ore.

Sunflowers Will be Judged

Ladies of the Hill and Valley Garden Club will judge sunflowers grown by children of Juliaetta Elementary School Friday, October 11, Mrs. Mont Hibbard said this week. Last spring the Garden Club gave the children the seeds for planting, if they wished them.
Children, grade 2 to 6, are asked to bring their flowers for judging Friday morning, Mrs. Hibbard said.
Categories for judging include: largest head, tallest plant, neaviest head, most perfect head, ugliest flower and smallest head.

Mr. and Mrs. Francis Uhr entertained last week for Colleen's 12th birthday.

Leaving Tuesday on a big game hunting trip was J. M. Raudau, Mr. and Mrs. Wayne Roach, Rev. Melford Knight, Fred Morscheck, Jr., Mr. and Mrs. R. Bergeson and Miss Naomi Smolt of Lewiston.

Ted Smith of Seattle recently purchased the home of Mrs. Lillie Aherin. Mr. and Mrs. Joe Knapp entertained with a party Sunday afternoon as a farewell for Joe Trautman who leaves this week to spend the winter in California.

Mr. and Mrs. Forrest Durbin are the parents of a daughter born Monday, Oct. 2 at St. Joseph's hospital in Lewiston. The baby has been named Marilyn Louise.

Genesee News 50 Years Ago
Miss Martha Wagner, daughter of Mr. and Mrs. Nick Wagner and Barthol Weber, son of Mr. and Mrs. John Weber were united in marriage at the home of the bride's parents on Tuesday morning. Rev. Fr. Loeffler of Uniontown performed the ceremony. J. W. Archibald underwent a major operation at a Lewiston hospital Tuesday.

Mrs. F. S. Casebolt who has been so seriously ill of inflammatory rheumatism the past several weeks is improving.

Miss Viola Lorang resigned her position as chief operator at the local telephone exchange and will go to Spokane to enter Northern Business College the 12th of October.

Miss Irene Mulalley has also resigned her position with The Genesee News and has taken the place of Miss Lorang as chief operator at the telephone office. Miss Mulalley has been night operator at the telephone office for the past several months and working at the News office during the day.

There are now 45 pupils enrolled in St. Joseph's school.

THE SNORER

About one out of eight Americans snores.

The comic literature about snoring is endless. Plays, movies, vaudeville sketches and comics in general have poked fun at snoring through the years.

Chances are there is a snorer in your family. If so, the Medical Association notes, you know that it is not very funny.

The frequency of the vibrations depends on the size, density and elasticity of the affected tissues and on the force of the air flow.

A number of causes of snoring can be helped and even cured. Some cases of snoring in children are cured by removal of enlarged adenoids and tonsils. A blocked nose may lead to

mouth breathing and snoring. Sometimes this can be corrected by minor surgery.

If snoring is caused by nasal congestion due to a cold, sinus trouble or hay fever, antihistamines sometimes can bring relief to the sufferer and may stop snoring. Many people snore only when sleeping on the back. Any method that keeps the sleeper on his side or face can help.

There are factors that may affect the tone of the tissues of the throat and result in snoring. These include too much smoking, overwork, fatigue, obesity and general poor health.

If there is a snorer in your family who is disrupting the sleep of others, send him to your family physician. If there is a cause-and-effect relationship possibly something can be done about it.

If your doctor cannot help and everything else fails, perhaps earplugs for the rest of the family members will help.

The Frank Benscoters were Sunday dinner guests of the Ray Benscoter family in Lewiston.

Sunday Wait and Babe Benscoter joined other family members for a potluck house warming dinner in the new home of Arlie and Priscilla Armitage in Southwick. Everyone wishes them good luck and much happiness in their new abode. On Wednesday Babe accompanied Jorene Hoisington to Lewiston. On Friday the Benscoters were again in Lewiston.

Crime Rate Rises

Serious crime in the United States rose 16 per cent during the first six months of 1974, the largest first-half increase in six years, according to FBI statistics released today.

The crime increase contrasted with actual decreases of one per cent during the same periods of 1973 and 1972.

In announcing the statistics, Attorney General William B. Saxbe said, "This sharp rise in serious crime is disturbing to all law-abiding Americans. It means that the entire criminal justice system must pursue new directions to turn back this threat to our society."

The six-month increase continued the upward trend that began in the last quarter of 1973, Mr. Saxbe noted.

During the first half of 1974, violent crime increased six per cent, compared to a four per cent rise the year before. The more numerous property crimes rose 17 per cent, compared to a 2 per cent decrease in the first half of 1973.

The latest figures were contained in the FBI's Uniform Crime Reports, which was released today by FBI director Clarence M. Kelley. The reports are based on crime statistics furnished by city, county, and state law enforcement agencies.

Only 17 major cities reported actual crime decreases for the first half of 1974 compared to 95 for the same period a year ago.

The Uniform Crime Reports divides serious crime into two categories: violent, which includes murder, forcible rape, robbery, and aggravated assault, and property, which includes burglary, larceny-theft, and auto theft.

Forcible rape increased eight per cent, aggravated assault seven per cent, and murder and robbery each five per cent. Larceny-theft jumped 20 per cent, burglary 16 per cent, and auto theft four per cent.

Suburban law enforcement agencies reported a 21 per cent increase in serious crime, and crime in rural areas was up 19 per cent for the

TIME MARCHES ON

The Clock Of Time Is Wound But Once

The ticking of the clock is one of the most important things in the world, for it marks the passage of time. It reminds us that another second, another hour, another day has gone. And, yet despite this constant reminder, most of us go along wasting time, using it aimlessly, failing to get out of it either an enjoyment of life or the satisfaction of accomplishment.

We know that the opportunity which today presents will never be repeated. That Spring fades into Summer, and that present winter comes, and we wake with a start to realize that another year has passed. Still we postpone. There is plenty of time, we tell ourselves. That is the great fallacy. "The clock of life is wound but once."—Reprinted from the Page News and Courier, Luray, Virginia.

Vicky Benscoter was in Lewiston Tuesday and Wednesday to attend a school for flower arranging. She also called on grandchildren Kraig and Karl Galloway while there.

Frankie, Jo and Walt Benscoter accompanied Warney and Betty May to Dworahak Wednesday for a trip to the end of the lake which is a beautiful scenic expedition. Enroute they docked a Cranberry Creek for a picnic lunch at the recreation area there; a most enjoyable day!

Mr. and Mrs. Frank Benscoter were pleasantly surprised Friday by having oldtime friends, Henry and Frank Meyers of Ferris, Calif., drop in for a visit. Their father owned and operated a blacksmith shop in Kendrick for many years. The Meyers also were both graduates of Kendrick H.S. The class of 1916 consisted of Wallace McKeever, Henry Meyers, Edith Compton and Jo Benscoter.

The Lawrence Heimgartners visited Charlie Fey on Friday. On Sunday the David Johnson family called on the Heimgartners. On that afternoon Lawrence called on Janice and Dick Groseclose in Juliaetta. Janice is improving well following her recent surgery.

George and Elizabeth Havens were in Lewiston Saturday. They called on Ira and Vicky Havens while there.

The Frank Benscoters enjoyed having son Ray for dinner Thursday evening. Sunday evening the Rick Beebe family called. They are gradually getting settled in their Moscow home.

North and North Central
Deanery Meet Sept. 24**

The joint meeting and workshop of the North and North Central Deaneries took place in Moscow on September 24 at the St. Augustine's Center and the Student Union Building on the University of Idaho campus. Local arrangements for the meeting were made by the North Central Deanery president Mrs. Al Zenger of Genesee and Mrs. Walter Olson, president of the Northern Deanery.

The workshops were conducted by the Diocesan Commission chairman under the leadership of Mrs. Jackie Last, ICGW president.

The theme "Renewal and Reconciliation" was carried out in the workshops as well as the Homily of the Mass given by Fr. Richard Wemhoff, pastor of St. Augustine's Center and the luncheon speech given by Fr. Kenneth Arzen, pastor of St. Mary's church, Moscow, Fr. Urban Schmidt, pastor of St. Mary's church in Genesee and also Dean of the North Central Deanery celebrated the Mass of the Forgiveness of Sin.

Fr. Arzen stated that, "The need for reconciliation in the 70's is our greatest need: there is disharmony between man and earth, man and nature, man and people and man from God. We must accept ourselves with our weaknesses and reach out without alienation towards others. Too many people today have double standards—being Christians for one hour on Sunday and then cheating on themselves and God the rest of the week. We can prevent the need for reconciliation if we do not box in others by labeling them as conservatives, liberals, old fashioned, and making judgments."

Fr. Wemhoff spoke on prayer and the types of prayer that he has seen from speaking in tongues, spontaneous prayer, to the saying of memory without any thought of what was being said. He said, "We are blind and we need to open our eyes to call out, to kneel down, to clear our minds and really pray so that we can say to God 'take me back.'"

Fr. Nicholas Walsh spoke on the Idaho Mission in Cali, of the accomplishments that have taken place and the many needs that still exist. 90 percent of the people call themselves Catholic but most of them do not practice or know how to practice their faith. Communism is still a threat to the people of Cali. Although they have stopped the violence, they will do most anything including calling themselves Catholic to infiltrate the country.

The talks, workshops and general consensus from the meeting was to clean your own house first. We cannot better others until we better ourselves, forget our prejudices, and then reach out and be reconciled to others.

N. C. Deanery Officers: 1974-75 Mrs. Al Zenger president; Audrey Arzen, vice president; Emma Lou Johann, 2nd vice president; Miss Clara Neyens secretary; Mrs. Mary Weber, historian; Miss Bernadette Bryning, auditor; Mrs. Mary Jane Bunting, treasurer; Miss Mary Neyens, parliamentarian; Rev. KINDERGARTEN REGISTRATION

Parents of all 1974-75 kindergarten children are asked to please be present at a meeting Oct. 2 at 9:30 a. m. in the Community church basement. At this time you will be informed of the details involved in the operation of our kindergarten. It is necessary to bring your child's birth certificate. Children must be 5 by Oct. 15, 1974 to attend kindergarten this year. It is very important that each child be represented at this meeting. Thank you.—Mrs. Brusven

**Lutherans In Fifty Day
Renewal Program**

This Sunday, October 6th, will be the first day of a fifty day period of special study and renewal by the people of St. John's and Genesee Valley Lutheran churches.

The churches are making use of a lay renewal program called "Fifty Days to Pentecost," sponsored by the Lay Renewal Fellowship of Atlanta, Georgia.

Originally designed for the fifty days from Easter to Pentecost, the program has been adapted by St. John's and Genesee Valley to a time of year which better fits the local situation. In this adaptation November 24th will become "Pentecost Sunday" and the seven weeks before comprise the "Easter Celebration."

The Rev. Bill Leed, pastor, will preach seven sermons on the Person, Work, Gifts and Fruits of the Holy Spirit during this period. The first of the special sermons "In Quest of The Spirit" will be on October 13th. The youth of the churches are working on a special celebration for November 24th.

Each family will use a suggested devotional book in their homes, while many persons will be participating in "Growth Groups," using the book "Breakthrough" as a discussion guide. Growth Groups are now being organized. The general public is invited to share in these as well as in the special services each Sunday morning. Anyone interested in a discussion-fellowship group "Growth Group" may contact either Laverne Anderson Merle Brusven or Pastor Bill Leed.

We are making murals and maps of the Amazon Region in Social Studies. The murals show products that the people there send to other parts of the world: latex or rubber, Brazil nuts, cocoa beans, mahogany logs and vanilla beans.

Each of us drew around a foot, named our toes and wrote a poem about our feet. We now have foot-steps on our wall!

Mrs. Blume is reading Amazon Adventure by Willard Price to our class. It is an exciting story about 2 boys traveling along the Amazon to capture animal specimens for their natural farm.

Mr. Diehl and our teachers reminded us not to litter the lavatories, school and playground. We are all going to try to be good citizens and not waste school supplies.

Friday was the last day for Renee Huddleson. She moved from Genesee to Bellevue Washington.

Tuesday we finished up our maps of the United States Grain Belt. We also took our addition chapter test so we could go on to subtraction.

Sixth Grade News

Well it's back to school again! We've really been working hard too. In science, we have already finished a unit. It was on plants.

We had a test Tuesday.

We had a class meeting and elected officers. President: Donna Esser; vice president: Steve Becker; secretary: Diana Esser; treasurer: Ray Robinson; sgt-at-arms: Bill Krick.

We also discussed dues and voted on 10c a month.—

**Bulldogs Ton Indians
For Another Victory**

Quarterback Danny Stout slipped over for two touchdowns Friday night as the Genesee Bulldogs registered the second shutout in a row by defeating the Nezperce Indians 14-0 on the Genesee field.

Coach Ozzie Kanikkeberg had high praise for the team effort but he did cite Mike Becker for outstanding defensive work that evening.

The win kept Genesee's league record tied with that of Troy's Trojans, both of whom have identical 3-0 league marks.

Both teams battled to a 0-0 first quarter before Genesee drove down to the Indian 2-yard line where Stout slipped across for the score. Genesee failed to convert the touchdown.

Stout climaxed another Genesee drive in the third quarter with a 2-yard run and this time, Loren Morcheck picked up the 2-point PAT play. The game settled down to a defensive contest again in the final quarter, but Genesee had the 14-0 win.

The strength of the Bulldog line was seen when statistics revealed that Nezperce picked up only a total of 130 yards and never penetrated deeper than the Genesee 20-yard line.

A farmer down south arrived home after attending a political rally in town. "Who spoke?" his wife asked. "The mayor," replied the farmer. "What did he talk about?" "Well," the man said, scratching his head, "he didn't say."

Hard work and ambition can carry a man far even if he doesn't have much formal education. A junk dealer in a northeastern state who is a millionaire never got beyond the 8th grade. When asked how he managed to do so well in spite of his handicaps, the fellow replied: "Well, it ain't hard really. I just buy things for \$1 and sell them for \$4. You'd be surprised how fast that 3 percent profit piles up."

IDAHO DEPT. OF EMPLOYMENT

25 Latah county workers were given job finding help during the past week through the Moscow Office of the Idaho Department of Employment. Frank J. Hartstein, Moscow office manager, said that this was just a slight drop from last week's 29 placements, and is up from the previous year's 17. There are still 25 jobs open in the Moscow Employment office, he said. Among these are a variety of skilled and technical jobs, as well as jobs for cooks, waitresses, office workers, warehouse workers, laundry workers, laundry mechanics, a bookkeeper and groundskeeper.
 The number of idled workers continuing to seek unemployment insurance declined again during the past week. Hartstein said that the total throughout the county dropped from 146 last week to the current figures of 119. A year ago there were 236 persons seeking jobless pay benefits in Latah County. He attributes the decline to the fact that classes have now commenced at both the University of Idaho and at Washington State University, removing students from the labor market, as well as workers at the institutions. Woods work and construction work has shown little change during the past weeks, but some indicators point out a potential decline in employment in the lumber industry for the near future.

ALLERGIES

About half of us are allergic to something notes the Idaho Medical Association.
 Pollen in the air can trigger hay fever. Certain foods may start hives. Possible allergens are countless, like house dust, animal fur, feathers, cosmetics, bleaches, medicines and foods and pollen. Some people are allergic to heat or to cold or to sunlight. There is also the classic case of the woman who was allergic to her husband.
 The most common results of allergy are four illnesses—hay fever, asthma, skin ailments and digestive disturbances. Hay fever is an inflammation of the eyes and nasal passages. Asthma is a disease of the bronchial tube of the lungs. Food allergies, a sensitivity to one or more foods, can affect the skin, the digestive tract or the respiratory system. Skin allergies cause itching, sometimes rash.
 Reaction to an allergen varies with individuals. One person may be only slightly upset by eating an egg. Another could become violently ill from the small trace of egg in salad dressing. There still are many unknown factors about the reason why someone suddenly becomes allergic to something.
 Allergic diseases are not usually fatal but they may cause untold discomfort and suffering. Although worry and stress might be a contributing factor allergy is not an imaginary illness. It is very real to the sufferer.
 Sometimes the allergen is known and can be avoided. Sometimes many tests by a physician are required to find the cause. Medical care is necessary in all cases for relief of discomfort and for protection against future attacks.
 If you suspect you are allergic to something, see your family physician. Self-diagnosis and self-treatment can be futile and even dangerous.
 Your physician can often prescribe medication that will relieve discomfort. Sometimes he can provide the treatments that will desensitize you so that allergen no longer causes illness.
 Then there was the elephant who said to the lion, "I never forget a face but I don't remember your mane."
 Average yearly consumption of fresh apples in the U.S. is about 16 pounds per person.
 "Blessed are those who can give without remembering and take without forgetting."

**"SEARCH & DISPOSE"
TIME AGAIN**

All empty pesticide containers should be disposed of properly, according to Gordon Dalley, Latah Co. Extension Agent. All surplus pesticides in unlabeled containers or with defaced labels should be disposed of in the proper way. Clean out the shed and fence corners where empties are stored. Be sure they are empty before disposal.
 The following suggestions are given for storing pesticides which are to be held for use next season.
 1. Be sure all pesticides are stored in original container and that the labels are firmly attached.
 2. Store out of reach of children.
 3. Read the label for directions on storage. Some pesticides formulations must not be allowed to freeze, because freezing may change their chemical make-up and make them useless.
 4. Liquid pesticides in glass containers stored in unheated rooms may freeze with resulting breakage. This breakage can be dangerous both from the standpoint of safety and also the contamination of other chemicals in storage.
 5. Store granular material and wettable powders on shelves off the floor to minimize the drawing of moisture which may result in caking of the material.
 6. Some chemicals are highly flammable. Keep fires from the area of pesticide storage. Smoke from some pesticide fires is highly irritating and may be toxic. If possible, store pesticides in a separate building.
 7. Pesticide storage should be properly identified—and under lock and key if possible.
MOSCOW-LATAH COUNTY LIBRARY
 The Moscow-Latah County Library will institute a new policy of no overdue fines effective Monday, Sept. 30. The old fines system was found to be ineffective, and it is hoped that this change will better encourage library patrons to return their materials. In conjunction with the new policy, flagrant abusers of library privileges will have their names posted on the main desk and will not be allowed to check out more materials until those that they have out are returned or replaced. For patrons who would like to ease their consciences for keeping materials past the due date, there will be a piggy bank for voluntary fines. The library hopes that this new policy will make it even more enjoyable for everyone to use the many services offered.

The following are the proposed Constitutional Amendments to be voted on at the next General Election to be held November 5, 1974.

CONSTITUTIONAL AMENDMENTS

To vote on the following, mark a cross (X) in the square at the right of "Yes" or "No."

S.J.R. No. 114
 "Shall Article VIII of the Constitution of the State of Idaho be amended by the addition of a new Section 3A to provide for the issuance of revenue bonds by counties in the manner prescribed by law, with the consent of a majority of the qualified electors of the county voting at an election to be called, and held for that purpose, for the acquisition of environmental pollution facilities to be financed for, or to be sold, leased or otherwise disposed of to, persons, associations and corporations other than municipal corporations or other political subdivisions; provided, that such revenue bonds shall not be secured by the full faith and credit or the taxing power of the state or of any political subdivision?"
 Yes No

S.J.R. No. 118
 "Shall Section 1, Article XX, of the Constitution of the State of Idaho, relating to how amendments may be proposed, be amended to strike the requirement that amendments shall be published for at least six consecutive weeks, and provide that amendments shall be published at least three times, such publication to provide arguments proposing and opposing the amendments?"
 Yes No

ATTORNEY GENERAL'S STATEMENT OF MEANING AND PURPOSE

S.J.R. No. 118
 Senate Joint Resolution 118 is a proposed amendment to Section 1, Article XX of the Constitution of the State of Idaho, which would change the manner in which the legislature is required to publish the text of proposed constitutional amendments, and would add a new provision requiring the legislature to publish arguments for and against proposed amendments.

ATTORNEY GENERAL'S STATEMENT OF MEANING AND PURPOSE

S.J.R. No. 114
 Senate Joint Resolution 114 is a proposed amendment to Article VIII of the Constitution of the State of Idaho, which provides a new section to Article VIII relating to environmental pollution control facilities and tax free county revenue bonds for obtaining such facilities.
 The proposed amendment provides that counties may issue revenue bonds upon approval of a majority of electors at a special bond election for the purpose of acquiring, constructing, installing, and equipping facilities designed for environmental pollution control. Such facilities could then be sold, leased, or otherwise disposed of by the county to private persons or industry.
 The proposed amendment further provides that such bonds may not be secured by the taxing authority of the State or its political subdivisions. It is intended that the revenue from the sale, lease or other disposal of the facilities will provide the only source of payment of the bonds.
 Among the results intended by this amendment is to enable business to obtain anti-pollution equipment at lower cost and in some cases enable some businesses to obtain such equipment which could not otherwise be financed.

ATTORNEY GENERAL'S STATEMENT OF MEANING AND PURPOSE

Section 1, Article XX of the Constitution of the State of Idaho presently requires the legislature to submit proposed constitutional amendments to the people for ratification at the next general election following the legislative session at which the amendment is proposed, and in connection therewith, to publish said amendments.
 (1) For at least six consecutive weeks prior to the next general election; and
 (2) In not less than one newspaper of general circulation published in each county in the state.
 The proposed amendment would change the above stated requirements by providing that the legislature publish the text of proposed constitutional amendments, as well as arguments for and against such amendments:
 (1) Three times, rather than "at least six times" prior to the next general election; and
 (2) In all newspapers qualified to publish legal notices, rather than "in not less than one newspaper of general circulation published in each county of the state."
 Section 60-106, Idaho Code, currently details the qualifications of a newspaper that may publish legal notices in Idaho.

TIGER TIMES

Vol 1. — No. 1

Thursday, October 3, 1974

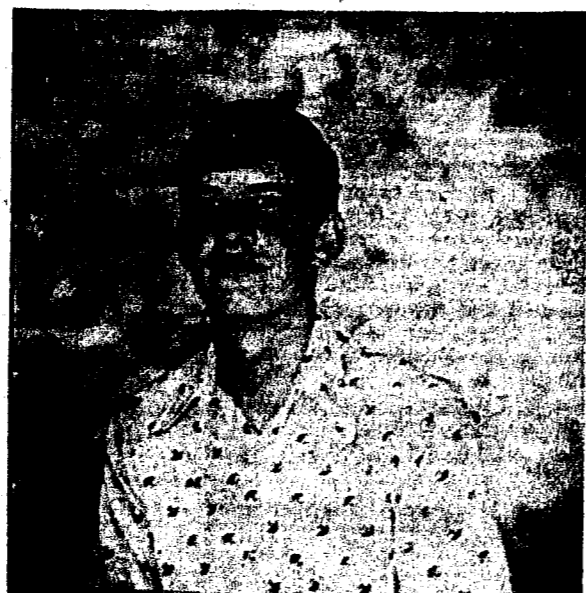

Published by the Vocational English Class of KHS

Avant-Garde

"Avant-Garde" is a column which will be appearing in the "Tiger Times" each time it is published. This column will be listing two high school students, and telling a little bit about them. The students mentioned in the column are chosen each time by the K. H. S. faculty on the basis of their contributions to the school and community. They are students the faculty feels are good citizens, and are worthy of special recognition.

Becky Cowger

Russell Brammer

Becky Cowger, daughter of Mrs. Betty Cowger is currently a senior at Kendrick High School. She is involved in girls' basketball, is president of Girl's League, student body secretary, plays Powder Puff Football, and is a member of office staff and Office Education Association. She is also Jr. Miss Candidate. She enjoys horseback riding, swimming, biking, walking and attending sports activities as hobbies. Her favorite subject is bookkeeping. Upon graduation from high school, Becky would like to attend Lewis-Clark Business College and become a secretary. Her opinion of school is that it's livable,

fun and a lot better than staying home all the time. Becky likes Kendrick High School just the way it is. Russell is a sophomore at Kendrick High. He says he doesn't have any particular favorite subjects in school... he likes them all! Russell's major extra curricular activity is F. F. A. in which he tries to take an active part. He also plans to play basketball this winter. He only has a few hobbies. They include: watching television as much as he can, riding bicycles and farming. (If farming can be considered a hobby). He thinks the idea of a school newspaper

is a good one. He says it will keep the students informed of what is happening or what is going to happen. In Russell's opinion school seems to be going O. K. He says it has taken awhile to get back into the swing of things at school but things are in a routine again. One thing he thinks could be improved at Kendrick High School is the student participation in organizations such as student government and also in some clubs which seems to be "dying out." If there were participation in the organizations he thinks we would have a much better school at K. H. S. Susan Kirtner

Homecoming Week Busy At Kendrick High

During the week before Homecoming at K. H. S. many things will be happening.

On Monday, the cheerleaders will be decorating the football player's lockers. Tuesday is "Button Day" and "Lick 'em Day!" The cheerleaders will be selling "Tiger Pride" buttons and lollipops. Wednesday will be "Tiger Spirit of the 50's" day.

All the students and teachers will dress up as they did in the 50's. The cheerleaders will also be selling "Tiger's Spirit" pennants. Thursday will be "Orange and Black" day. Also Thurs. night there will be a serpentine through town and then back to the high school to announce the queen candidates. Friday there will be a cheerleader sponsored breakfast for the football players. Friday will also be "Grubby Day" for the students.

play the Troy "Trojans" at 7:30 at the Kendrick football field.

The queen and her court will be announced Friday night during halftime. The queen candidates are:

Seniors: Becky Cowger, LaAnn Brammer, and Evelyn Arnett. Juniors: Tami Hutton, Dorothy Lyons, and Carolyn Braden. Sophomores: Susan Schwartz, Tami Armitage, and Diane Sillfow. Freshmen: Lori Brown, Joanne Parks, and Amy Lawrence.

Immediately following the game there will be a dance in the K. H. S. gym. The dance ends at 1:00 a. m. The band will be "Brandy Wine" of Portland. The prices are \$2.00 for singles and \$3.00 for couples. The theme for the dance is "Tigers for Us Forever!"

Introduction

Every three weeks, beginning October 3, 1974, the Vocational English Class, made up of K. H. S. juniors and seniors, will write a section of school news for the Kendrick Gazette. The objective of this section is twofold: to offer the students practical writing experience, and to provide better communication between the school and the community.

Anyone having any news, or items to be covered by this section of the paper, should contact Ms. Bowie or a member of the Vocational English class. We look forward to serving our school and community.

New Teachers

James Ernest Roland

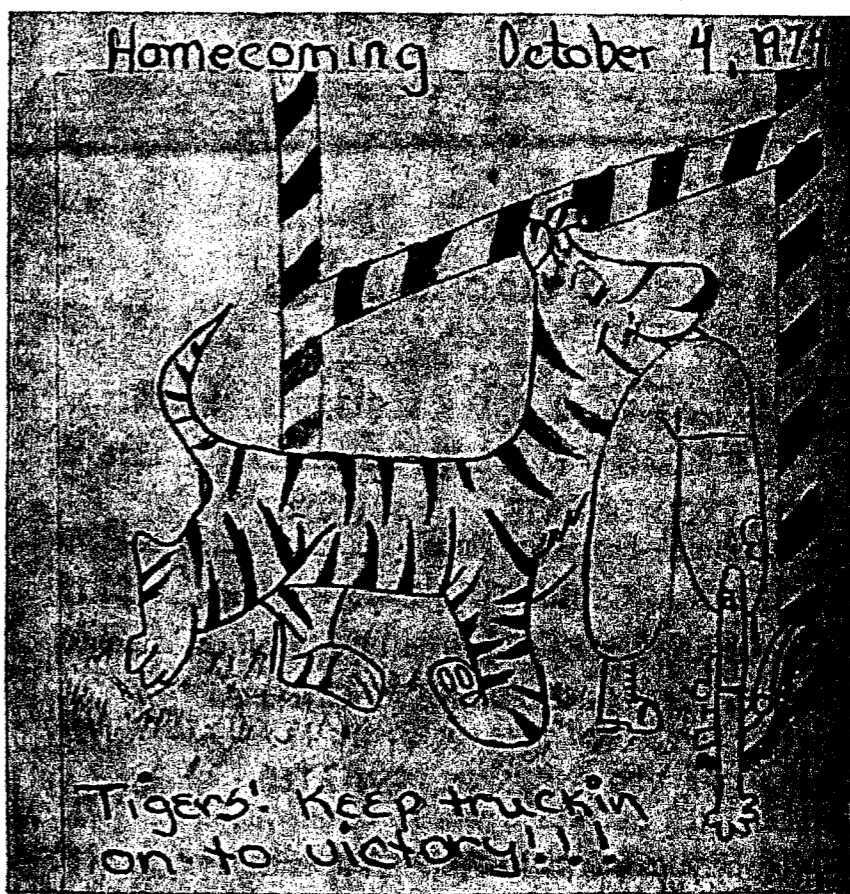

James Ernest Roland, the new Voc Ag teacher at K. H. S. is getting off to a good start. Mr. Roland has many new ideas and plans for the Kendrick Ag Shop. Painting the walls was the first project of the year, followed by hanging a cabinet and building new work benches.

Mr. Roland is now living at the old Larson place on Bear Ridge with two of his friends from Moscow. Roland is planning on buying a farm in the future, but the location has not yet been determined.

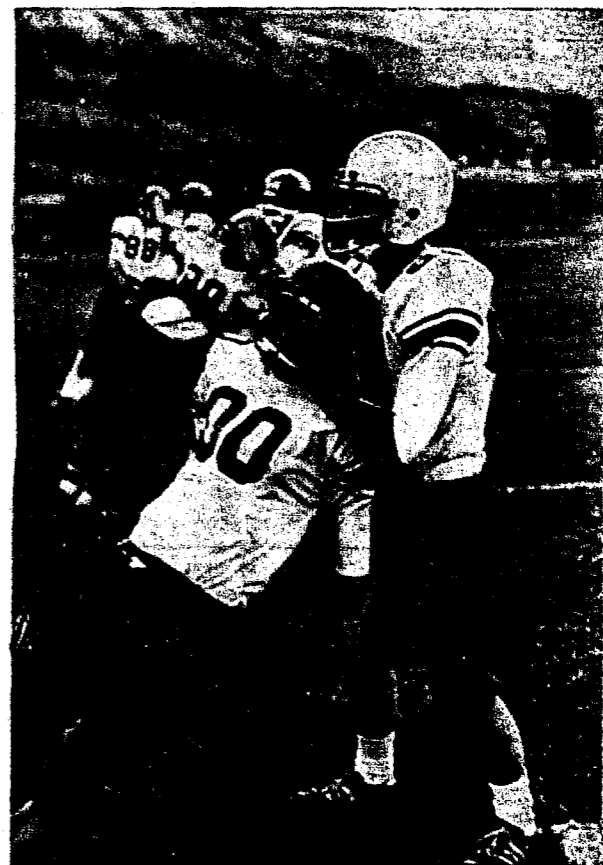

Mr. Roland is an available bachelor who was born in Hammond, Indiana; at the age of five Roland moved to Payette, Idaho where he lived until the completion of his high school years. Roland then moved to Moscow where he attended the University of Idaho and majored in Voc. Ag.

Mr. Roland says he will lead his soils and land judging teams to a victory at Deary on Oct. 5.

Football Prediction...

Getting' Tough for Troy —

On October 4 the K. H. S. Tigers will be playing the Troy Trojans at the Kendrick Homecoming game. Coach Ruark predicted that if the Tigers play good defense they will win. Coach Ruark also said that there could be a three way tie between Kendrick, Genesee, and Troy, in the Whitepine League this season. Coach

Ruark said that we are by no means out of reach of the league title.

Assistant coach LaMunyon predicts that it will be a hard hitting game. LaMunyon also said that the Tigers should beat Troy 20 to 8. He said, "The Tigers will control the ball on the ground..."

KHS Girl Cagers Ready to Open Season

Hopes are high for a successful 1974 basketball season for both girls teams. Following is a schedule of girls' games, and we have included the team rosters for the Varsity and Junior Varsity teams. The people of the area have always been very good support for our girls, and we believe the same will be true this year. We hope to see everybody at the games.

Student Government Apathy

We at Kendrick High School recently held our student body elections, and to the surprise of a few, only one petition for each office was submitted. This in itself is an obvious display of poor morale and lack of interest in school politics. This lack of interest is important because our school government is the only organized link between students, administration, and Board of Trustees. As we, the students show lack of interest in school politics directly concerning us, we are showing the faculty, administration, Board of Trustees, and the community that we are too immature to participate in self-governing activities. If this attitude continues, all hopes of additional governing privileges at K. H. S. will be lost.

The students do have demands: they want open campus, more privileges; yet the students are not willing to work for anything. Many students won't even go to the trouble to elect people who are willing to take the responsibility of a student body office.

This attitude can be tolerated in school, the stakes aren't really too high. But if our student government fails, the administration will merely step in and take over. However, I am wondering what will happen when we students graduate and are called upon to take part in our local, state, and national governments? The stakes will be much higher. If we continue to maintain an attitude of apathy, we will only injure ourselves.

May I extend a word of advice to my fellow students? "If you want something, get organized and work for it!"

Steve Johns

Fiction or Fact—

From the Vocational English Almanac

A poll was taken this last week concerning student ideas about the likeability of K. H. S. teachers. Below are some of the results.

Mrs. Bowie: 80% like her.
20% undecided
Comments included, "she's far-out," "teaches well," and "talks a lot."

Mr. Branting: 30% like him.
70% dislike him
Comments included, "he expects too much," "never admits he's wrong," and "he's dull." Others said he was well educated and tried hard to be a good teacher.

Ms. Hamilton: 90% like her.
10% dislike her.
Comments included, "she's a good teacher," "teaches her classes well," and "her classes can be understood."

Ms. Rendla: 60% like her.
20% dislike her
20% undecided
Comments included, "there should be more teachers like her," "she's a good librarian," and "she has good teaching methods."

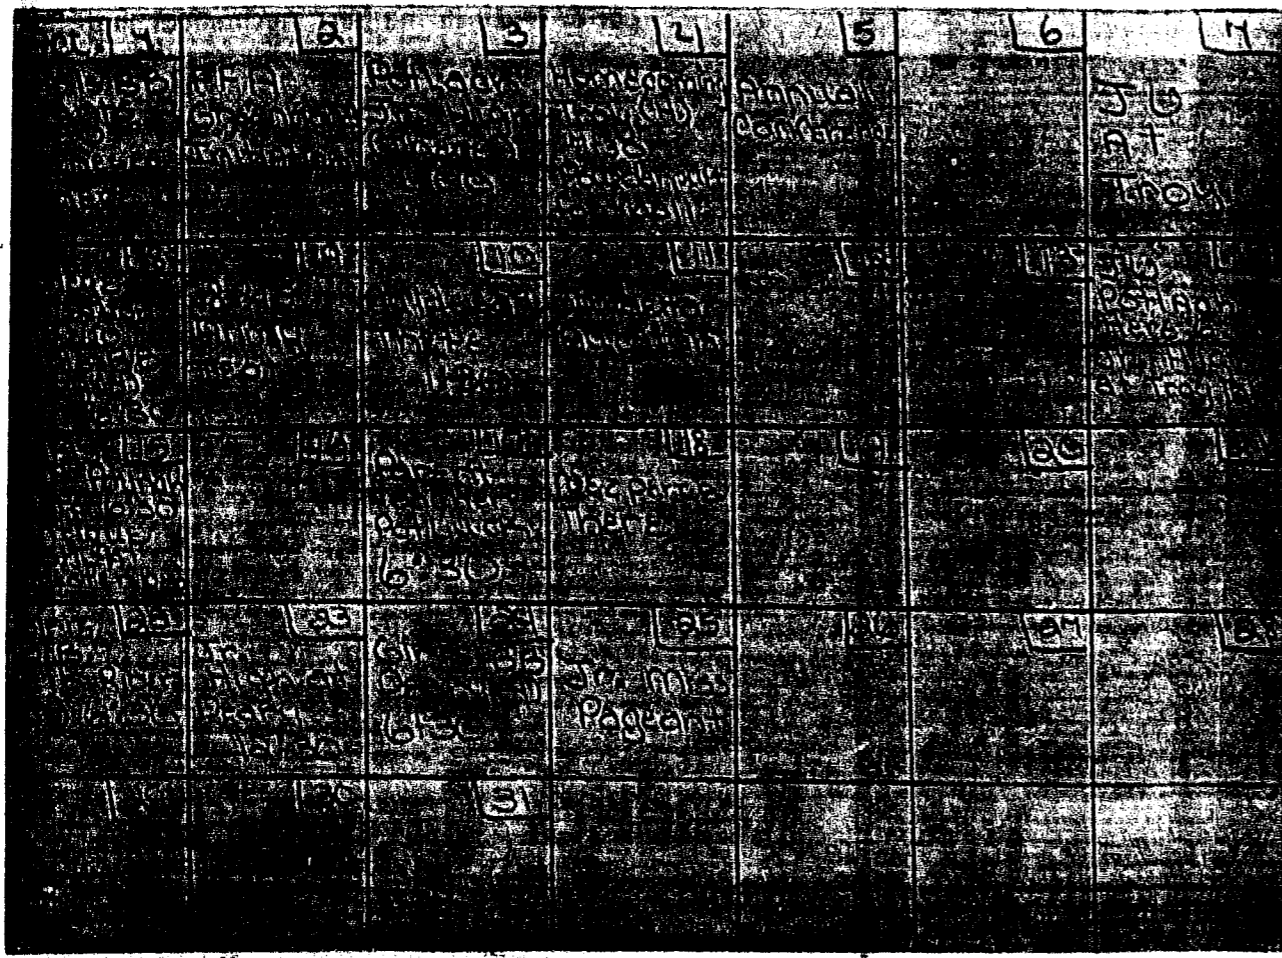

As is obvious the teachers at K. H. S. are generally well liked by the students. It must be a result of good teaching methods as well as personalities. We are glad to have such fine teachers at K. H. S.

Juliaetta School Auction Sale Is Oct. 11

The Juliaetta School Auction Sale will be one week from this Friday, October 11 at 7:30 P. M. at the Juliaetta Elem. Gym.

All items will be donated, any article that has sale value will be appreciated.

Items donated in the past include fruit, butter, eggs, vegetables—any garden produce. Beans, cakes, pies—farm tools—new and used—also any household items, and cash donations.

If you have any articles for the sale and would like the school to pick them up—please call 276-3422.

We could not have a sale without our faithful auctioneer, Roy Glenn.

Elementary students will present a musical program under the direction of Mr. Floyd Williams before the sale begins.

There will be a free film shown in the school cafeteria for all the children who would like to attend, during the sale.

First Grade News
We have had two more birthday anniversaries, a 7th and a 8th year—Bill Lamunyan and Darlie Gentry.

We had a "visitor" one day last week—Tony Henson brought his young guinea pig, in its cage, for us to observe.

We are still working with the practice of necessary skills for beginning reading. We will soon have a group in the first pre-primers.

Second Grade
We've had a birthday in our room last week. Our "birthday bees" are busy carrying a birthday flower with Donald Down's name on it. As the birthdays come and go in our room, our birthday garden will grow.

We're happy and excited about our new reading groups! New things take a little getting used to; and the changes seem to be coming along quite well.

Fourth Grade News
Willy the Book Worm now has 151 books. He has really grown!

Our teacher was sick Monday and did not come to school. I think we all missed her.

Dave did an experiment with matches and a battery and 2 wires. He wrapped a wire around the negative terminal and the other end around the match. He took the other wire and wrapped it around the positive terminal and other end around the match. The match was supposed to light, but it didn't.

We changed the bulletin boards in our room. We tore construction paper and glued it on a piece of paper to make it pretty. They all turned out nice.

The student of the week Brenda Wilson. On Tuesday she told us the story of the Three Little Pigs. It was very nice.

The reporters are Charlene Parks and Jackie Jones.

Fifth Grade News
Mitch Cuddy has a birthday, so does Misti Colbaugh and Eldon Wilson.

For Art we made paper mache and bulletin boards.

Don't forget Columbus Day is coming up.

Our book tree is growing, it has some leaves on it.

We are learning about the explorers in Social Studies.

We changed the seating in our room.

We got a new Language teacher.

Tigers Romp to 51-6 Win Over Highland

Kendrick ran up two touchdowns on the visiting Highland Huskies last Friday night in the first four minutes of play and then romped to an easy 51-6 victory over the game, but outclassed Craigmont team. The win brought Kendrick's record to 2-1 for the league and 2-3 on the season.

Dan Steigers packed the pigskin over from 8 yards out for the first score after Highland had fumbled a punt attempt. Mike Boe kicked the extra point, the first of six he was to tally that night in seven attempts.

Kendrick kicked back to Highland and Highland had to punt after failing to gain ten yards. Paul Hutcheson caught the punt on his own 45 and went 55 yards for the touchdown, picking up good blocking on the way to the goal. Boe Booted the extra point and it was 14-0, Kendrick, with 7:36 still showing on the clock in the first period.

KHS actually scored again in the first period as Kelly Clemenhagen connected with Ken Brown on a 25-yard pass play which was called back because of a Tiger penalty.

Kendrick continued to pour on the steam in the second quarter with Clemenhagen going 60 yards for a touchdown after he dropped back to pass and failed to find a receiver open. Boe kicked the extra point.

Minutes later Dan Steigers' 30-yard run to the Huskie 20 set up a Clemenhagen to Brown pass in the end zone and it was 27-0 after Mike Boe couldn't get kicking time and attempted to run the conversion unsuccessfully.

Dan also set up the next play on a 45-yard run to the Highland 10 where Jeff Czmowski packed the ball over the goal on the next play. Mike made another good kick and it was 34-0 at the half.

Drill Team Performs
The KHS drill team made its season debut at the halftime and treated the crowd to some excellent precision marching and routines.

Coach Dick Ruark started to call on his bench strength in the second half and was substituting freely in the final two periods. With Doug Lohman handling the quarterback slot, Steigers banged the ball down to the 8; Rob Warner took it to the 2-yard line where Rob Maynard cracked over for the score. The extra point try failed and the score was 41-0.

Highland opened a passing attack and was down deep in Tiger territory before Kelly intercepted a pass but a KHS penalty gave possession back to Highland and they scored on a 20-yard pass the next play for the only Huskie points of the game.

In the final period, Mike Boe kicked a 30-yard field goal for the Tigers, (a rare treat for high school football fans in this area) and then Clem-

Sixth Grade News
Howdy!

We've started working in our Imagine and Write book, and in our map skills for today book.

We were working in our Language Text Book in subjects-nouns, pre-dicates-verbs, adjectives and adverbs.

In math we're on page 25 in the second chapter. We had a test on it Monday.

In spelling we are in Chapter 5. In science we're moving right along, we are on the study of animals.

In reading, Mrs. Plank is our teacher. We read our first story Sept. 30. We changed our schedule.

That's All.

Tiger JVs Win Again

Coach Bill LaMunyan's young Tiger JV team continued their winning ways Monday night as they ran up a 24-0 first-half lead and went on to defeat Prairie 30-0 at Prairie.

A 15-yard pass play from quarterback Doug Lohman to Rob Maynard in the first quarter gave Kendrick a 6-0 lead after the extra point try failed.

Rob Warner and Rob Maynard combined to score 16 points in the second quarter. Warner cracked off tackle for 34 yards with Maynard running the same play for the extra 2 points.

A pass from Lohman to Maynard covering 72 yards was good for the next Kendrick touchdown and Warner went off tackle for the conversion.

After a scoreless third period, Vern Exner scooped up a Piate fumble and ran it into the end zone (32 yards) for the final touchdown. Prairie forfeited the extra 2 points.

After the game Coach LaMunyan praised the good defensive work of John May, Rick Gertje and Stan Peron who picked up the bulk of the Kendrick tackles.

Kendrick will be up at Troy next Monday, Oct. 7, for its next game.

Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas mileage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe.

That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
