The sincere sympathy of all are exteded to the grieving family.

Mr. and Mrs. Leslie Heimgariner visited Friday afternoon at the Lewiston home of Mr. and Mrs. Arne Zumhofe and family, They had each called at the home of the other the previous Sunday, managing thus to fail in the effort! All were reported well! The Heimgartners were Sunday afternoon callers this week in the Cletis Holsington home, and were happy to report that Cletis was improving from his recent rather unexplainable but painful condition involving his ankle.

Many in the neighborhood have been rather seriously ill with varied types of the flu? Some experienced violent stomach and bowel problems, others a persistent cough, sore throat, fever and aches.

Snow has been falling, sleet and rain at times in lower areas. Around 6 inches of snow blanketed the higher area as of Monday morning. The river area still is not gathering buttercupa!
