Mr. and Mrs. Jess Johnson recently returned from a two-month trip to California and Arizona.

Their first stop was in Hemet, California where they visited with Mra. Pearl Regur, a 94-year-old aunt of Mrs. Johnsons. Then on to Pasadena where they were guests of their daughter, Jane and husband Sam Luke. Time was also spent in Palm Springs with the Elvon Hamptons. After leaving Palm Springs they went to Mesa, Arizona for a visit with Mr. and Mrs. Boyd Erickson of Ephrata who have recently retired and are spending the winter there.

In Tucson they called on Mary Skattboe, formerly of Moscow, and had an enjoyable visit with Mr. and Mrs. Walter Langendorf, formerly of Genesee who are now making their home at Silver City, New Mexico. In Yuma they were guests of Mr. and Mrs. Maurice Mayer of Pullman who are spending the winter in Yuma. Mrs. Mayer is the former Emma Lou Sullivan, both were former residents of Genesee.

The Johnsons then returned to Pasadena for a visit with the Lukes before returning home. All former residents send their

best regards and are still very much interested in their friends here and the events taking place.

Pets are Worth Saving

The city of Lewiston impounds about 800 dogs a year. Less than 25% of these are reclaimed by their owners.

The animal shelter receives about 2,500 additional ania year. About 400 are placed with new owners. The rest are given euthanasia. The problem grows with each passing year. Please help us reverse this trend.

You can help in two ways:

- BE A RESPONSIBLE DOG OWNER—unless you are a breeder, have your dog or cat spayed, or neutered by a veterinarian. (Yes, the statistics on cats are also painful). Write or call us for a pamphlet on the effects of neutering and spaying.
- SEND US PEOPLE WHO WANT A DOG—The shelter has healthy pets for adoption. If they are old enough we have them spayed. They have had distemper shots.
- If we all just recognize our problem maybe we can solve it.

Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas milage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe.

That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
