

### Patricia Kay Heaslet Becomes Bride of Von Zumhofe In Nuptial Ceremony at Juliaetta Lutheran Church

Patricia Kay Heaslet, daughter of Mrs. James Heaslet of Johnson and Von Zumhofe were married June 28 at the Zion Lutheran Church at Juliaetta, Idaho. He is the son of Walter Zumhofe of Juliaetta and M. S. Ed Cedars of Pullman.

The Rev. Theo Meske officiated for the double ring ceremony.

Attending the bride was Tammy Heaslet of Johnson, sister of the bride, Arnold Zumhofe, Lewiston, was best man for his brother. Ushers were Daryl Zumhofe of Kennewick, Washington, brother of the groom, and George Denner, Juliaetta, cousin of the groom. The bride was given in marriage by her brother John Heaslet of Phoenix, Arizona.

Assisting at the reception were Marilyn Cuddy, Juliaetta, sister of the groom, and Linda Zumhofe, Lewiston, sister-in-law of the groom, who served the cake. Colleen Candler, Kendrick, served coffee and Janet

Klatt, Lewiston, served punch. Ferris Cuddy, niece of the groom, was in charge of the guest book, Becky Cowger, Juliaetta, and Linda Barnum of Lewiston, gift table. Deanne Zumhofe and Kristen Cuddy, nieces of the groom, helped with the gift table.

The bride was graduated from Pullman High School in 1972, and is presently employed at WSU.

The groom graduated from Kendrick High School in 1969 and is employed by Potlatch, Inc., at Lewiston. After a short honeymoon to the coast, the couple are at home at Juliaetta.

Other out-of-town guests included Mr. and Mrs. Larry Brustead of Temple, Arizona, sister of the bride, Mrs. Lenta Zumhofe of Mt. Home, Idaho, grandmother of the groom, Mrs. Hugh Parks of Lewiston, grandmother of the groom, and also Mr. and Mrs. Walter Crawford of Clarkston, uncle and aunt of the groom.

VOL. 85 KENDRICK AND GENESEE, LATAH COUNTY, IDAHO THURSDAY, AUGUST 7, 1975 NO. 32

### Deryl Ingle, Former Area Resident Dies In Kellogg

Deryl David Ingle, 52, Kellogg, district manager of the National Public Service Insurance Company, was pronounced dead on arrival at West Shoshone General Hospital Monday evening, July 28.

Funeral services were held Thursday afternoon at 3:00 p. m. from Emmanuel Episcopal Church in Kellogg with Father Rolf Leed and Father Lauren McReynolds officiating.

He was born September 18, 1922 in Kendrick to Henry Leon and Emaline Ingle. He served with the Army Air Corps during World War II as a B-17 bomber pilot assigned to the European, African, and Middle Eastern Theaters of Operations. He received many awards including the Distinguished Flying Cross, the Air Medal with two Oak Leaf Clusters and the Theater of Operations Ribbons with eight bronze stars. He was discharged as a First Lt. on August 8, 1945, and married the former Carol Garner of Kellogg August 31, 1948 at Kellogg.

Ingle attended the University of Idaho where he was affiliated with Tau Kappa Epsilon Fraternity. He was a member of the Emmanuel Episcopal Church of Kellogg, having served as a vestryman as well as church treasurer. He was also a member of the Kellogg Elks Lodge No. 1841 where he served as an officer and as a member of the organization's band.

He was preceded in death by a daughter, Linda Gail Ingle on Sept. 14, 1950.

Survivors include his widow, Carol at the family home, two sons, David D. and Michael K. Ingle, both of Boise; a foster son, Patrick Miner, a granddaughter, Laurie K. Ingle, Boise twin grandsons, Aaron D. and Adam D. Ingle, Boise; a sister, Gail L. Ingle, Seattle; and two brothers, Ronald J. Ingle, Piler, Idaho, and Jerry J. Ingle of Kendrick, Idaho.

### Petition To Be Presented To Juliaetta Council

A petition is currently in circulation in Juliaetta asking the City Council to reconsider its recent increase in city water rates. Mrs. Carolyn Gravelle told the Gazette Tuesday evening that the petitions are available for Juliaetta residents to sign, if they wish at the Knotty Pine Inn, Teds Arco Station and Botoms Up Tavern. She said 130 signatures have already been obtained on the petition and it would be presented to the council at the next regular meeting of that group.

### Students Return From European Tour Wednesday

Wednesday, July 30, seven high school students and advisors stepped off the airplane in Lewiston after a month long stay in Europe.

Carolyn Braden, Terri Brocke, Susan Schwarz, Diane Ingle, Randy Silflow, Steve Johns, Diane Becker and Miss Vivian Rendla joined together with a tour group entitled "Search for Values" made up of 88 American students. The tour was staffed by five individuals from England who guided them throughout Europe.

Highlights of their trip included climbing in the Austrian Alps at Innsbruck and also visiting the new site of the Olympics to be held there in 1976. They also visited the site of the last Olympics while in Munich.

A variety of musicals including "Hair" and "Godspell" were taken in by different members of the group during their stay in Florence, Italy.

In England they visited Stratford-on-Avon, the birthplace of William Shakespeare and the famous Stonehenge formations.

All the young people reported they had a wonderful and worthwhile trip; learned much and have many memories.

### Weekly Radio Show Planned From School Of Country Living

It was learned this week that a radio production organization from Hollywood, California, has made definite arrangements with the "School of Country Living" to produce a weekly radio program to be syndicated and go nationwide, it is hoped, to over 300 stations.

### Harvest Pace Still Slow

Brought to a complete stop because of heavy rain last Tuesday afternoon, the 1975 pea and small grain harvest was just starting to roll again early Monday and Tuesday under a bright sky and temperatures that were pushing at the 90 degree mark.

Some farmers were able to get back into the fields last Friday and continued work on through the weekend, but much of the delay seems to be from the slow ripening of the crops rather than the bad weather. Farmers seem to be just getting into the fields just as soon as the crops are ripe, but they just aren't ripening fast enough. Almost all growers and warehousemen put this year's harvest at least two and some much more weeks behind operations last year.

Bob Watts, manager of Kendrick Rochdale, said a few peas were coming through that co-op's warehouses and Gordon Peters brought the first load of barley in Tuesday morning. The grain appeared to be of good quality but Gordon hadn't cut enough yet to get a good estimate of the yield.

Howard Hoffman, manager of Lewiston Grain Growers plants in this area said they were getting some regular Alaska peas into the Juliaetta warehouses, but no barley has been delivered yet. Hoffman said the one farmer who had finished up his peas reported an average of 100 lbs. per acre which is good considering the growing season this year. Quality of peas this year seems fairly good, Howard added.

Asgrow Seed Company in Genesee reported "still struggling" to get peas under its contract into the warehouse because of the slow ripening and rainy weather. Those farmers who had started before the rain were back in operation while others waited for the crops to ripen.

"Peas are still going pretty good here," reported Bill Wood of Genesee Union Warehouse. He said farmers were able to start cutting again last Friday and continued on through Saturday and Sunday at a good pace. A little barley and some wheat has come in from the Rim area, but not even enough to get an indication of yields.

Volume of pea this year seems to be average or maybe "just a little above average," Wood said. Quality of the peas coming in early didn't seem to be too good, but the Warehouse manager thought that as the fields in the northern area and closer to Genesee begin to come in the quality might be better.

### Genesee Schools Ready For Fall Opening Sept 2

Genesee Schools are about ready to open for the 1975-76 school year, Supt. Les Diehl said this week.

All faculty has been hired, and almost all supplies have been received. Several items of maintenance have yet to be completed, but should be done prior to starting of school September 2nd.

Monday, August 11th will be the regular board meeting at 8:00 p. m. in the superintendent's office. Items on the agenda will be a request of student transfer by Mr. and Mrs. Gernert. There will also be the certification of the mill levy to the county commissioners and reports on the Multi-District and the new math program. Mr. Bellamy, an architect, will also be present.

### Local Men Enjoy Back Pack Trip In Selway Craggs Area

Back-packing some 15 miles into the Selway Craggs last week, Howard Braden and Rande Warner encountered fog, rain, sleet and thunderstorms for three days until the sun broke through on Friday and Saturday, allowing for some exceptional brook trout fishing on Old Man Lake. The trail leading into the Craggs from Coolwater Ridge was good except for 1 1/2 miles of steep, rocky switchback down off 7,300-foot Chimney Peak.

Evidence abounded of moose, elk, deer and bears. One friendly (?) old cow moose kept the two fishermen company while at Old Man Lake, and even posed for a snapshot or two.

The Selway Craggs is becoming a popular back country area for back-packing families along with the perennial fishermen.

**CARD OF THANKS**  
I wish to thank everyone for their kind thoughts and help and for the prayers, cards, flowers while I was in the hospital with a very grateful heart to each one.  
Mabel Miller  
32p

### Hospital Notes . . .

**Blewett**—Richard L. Blewett was rushed to St. Joseph Hospital, Lewiston, Thursday of last week when he developed a severe kidney stone attack. He spent the remainder of the week taking treatments and was able to return home Monday afternoon.

**Abrams**—Frank Abrams was released from Deaconess Hospital late last week following his recent open heart surgery and he and his wife are now staying at a nearby motel where Frank will rest and receive some further "checking out" from his doctors before he will be allowed to return home.

**CARD OF THANKS**  
We are grateful for all the thoughtfulness extended to us by family and friends during my stay in the hospital and since returning home. Thanks to all.  
Mrs. Wade Candler  
32c

### Local News of Juliaetta

By Opal Lohman

Mr. and Mrs. Wendell Peterson of Lewiston were Sunday visitors in the home of Mrs. David Peterson.

Mr. and Mrs. Herb Gustafson and family went camping with the Kendrick Caravan to Jerry Johnson campground on the Lochsa this last weekend and reported they had a very nice time.

The family was all home to attend the wedding of Arta Groseclose and Mark Maland held at the home of Mr. and Mrs. Bud Henson.

Mr. and Mrs. Clark Woods and sons Tommy and Jimmy spent the weekend in Wetser visiting their parents, Mr. and Mrs. Irwin Brown and Dr. and Mrs. O. A. Boyer.

Guests of Mr. and Mrs. Nohn Noren and family are her parents, Mr. and Mrs. Thomas Ruth and brother, Tom Ruth, of Minnesota.

Mr. and Mrs. Albert Anderson went to Deary Saturday to visit Otto Osterburg.

### KHS Football Meeting Sunday, August 10

All Kendrick High students who will be turning out for football this fall have been asked to attend a meeting at the high school Sunday evening, August 10, at 7:30. This meeting is for freshmen who will be turning out for the first time, too.

Summer is the time of year for barbecue, weddings, vacations, sunburns and forest fires. This summer enjoy the good times and be extra careful to make sure that you aren't the cause of any summer forest fire.

### New Arrivals . . .

Wedin

Mr. and Mrs. Charles Wedin are rejoicing over the arrival of a son born Wednesday, July 30 at 12:21 p. m. at Grifman Memorial Hospital. The young man weighed 7 lbs., 9 oz. and has been named Joshua Ray. Mrs. Wedin and son returned home Friday.

Grandparents are Mr. and Mrs. J. Wayne Roach and Mr. and Mrs. Ray Wedin. Great grandparents are Mr. and Mrs. Charles Stanley of Pocatello and Mrs. Teresa Smolt.

### MRS. LEONARD GUSTAFSON GRADUATES AS L. P. N.

Mrs. Leonard Gustafson graduated from the Lewis-Clark State College Licensed Practical Nurse Nursing program August 3 at St. Stanislaus Church at 2:00 p. m. She has completed nearly a full year as a student nurse at St. Joseph's Hospital in Lewiston.

Mrs. Gustafson will travel to Boise at a later date for the State Board test and will be employed at St. Joseph's Hospital as a LPN.

### SURPRISE PARTY HONORS DEAN WEYEN SATURDAY

Dean Weyen was surprised Saturday evening with a party in honor of his 25th birthday anniversary. His wife, Debbie, hostess for the celebration served refreshments to the following guests: Dave and Deb Klatt, Barb Cole and Dale Fry, Dave and Denise Bateman, Dale and Mary Lou Taylor, Fred and Judy Cope, Ron and Barb Tveit, Bob Land, Ed Hoisington and Roger Witt.

### SWEET ADELINES QUARTET PERFORMS AT CELEBRATION

A Sweet Adelines Quartet in which Marilyn Eiechner and Lucille Magnuson participate, entertained for the Snake River Days breakfast Saturday morning. The ladies report that a delicious breakfast was served in Beachview Park and was the first event of the weekend activities in Lewiston.

### CARD OF THANKS

Thanks to friends, neighbors and relatives for all the cards, gifts, flowers and other kindnesses shown both me and my family while I was in the hospital and since returning home. They all were really appreciated and helped cheer me up when I needed it. Thanks again.  
Hazel Candler

### Park News

By Jody Smith

Planning Ahead — Tuesday member of the Happy Helpers 4-H Club met at the home of two members, Darlene and Tina Halseth to plan for their flea market and rummage sale to be held August 9 in Deary during the Whitepine Friendship Day. The day will also find the young people enjoying races, meals, booths, a fair contest and music by the old time fiddlers. At the meeting demonstrations in food, clothing, forestry and gun safety were presented.

Rain — Hayling slowed as the farmers enthusiasm was dampened by rain last week. Some damage to swathed hay was reported and hauling was back in full swing by the weekend.

### Inspirational Music and Testimony To Be Offered At Assembly of God Church

A concert of inspirational music and testimony by Don and Pat Parks, husband and wife singing team, will be presented Wednesday, August 13 at the Kendrick Assembly of God Church at 7:30 p. m. The couple have been active in Gospel Work for many years. Their efforts are aimed toward telling others of the many miracles God has performed in their own lives and in helping other people accept the Lord Jesus Christ.

The Parks' children accompany them on tour and join in the singing. Also with the Parks family will be Kevin Hauskins, formerly with the Masters Quartet and Blackwood Singers.

All join to present a program for the whole family to enjoy. Everyone is welcome.

### Senior Citizen Potluck Dinner In Moscow August 12

A potluck dinner will be an added attraction for those using the free senior citizens' bus this coming Tuesday, Aug. 12. The bus will make its usual stops at Juliaetta, Kendrick, Deary, Troy and on to Moscow. At 11:30 a.m. the bus will be at the Hotel Moscow to pick up those who wish to attend the picnic at the East City Park. Utensils, beverages and dessert will be furnished. Those bringing food on the bus for the picnic can have it refrigerated as soon as the bus arrives in Moscow.

For further information or reservations call Mrs. Ruth Hoffman in Kendrick, 289-4871; for Mrs. Lillian Pitkin in Troy, phone 835-4661.

### Beauty Shop Will Close Part Of This Week and Next

Mrs. Lillian Howerton, owner and operator of Lil's Beauty Nook in Kendrick said Monday afternoon that the shop will be closed Friday, Aug. 8, Monday the 11th, Tuesday the 12th and Wednesday afternoon on the 13th. The shop will be open Wednesday morning and then resume regular hours Thursday and Friday.

The closing is to allow Mrs. Neil Grinolds to take a well-deserved break since she has been handling the shop almost single handed since Lil is recovering from her trip to the hospital.

### Address for Rev. Schmidt

Bill White was in the Gazette this week to give us the latest address of Rev. Fred C. Schmidt, former pastor of the Kendrick United Methodist Church.

Rev. Schmidt is currently at Madison South Convalescent Center, Room 228, East 17-8th Avenue, Spokane, Wash. 99203.

This well known and respected minister will observe his 88th birthday anniversary August 13.

### Health Nurse To Speak At Senior Citizens Meeting

Mrs. Ruby Hawkins, public health nurse from the North Central Idaho District in Moscow, will be guest speaker of the Golden Sunset Senior Citizens meeting next Monday, August 11. Mrs. Hawkins will talk of the importance of flu immunizations.

ners enthusiasm was dampened by rain last week. Some damage to swathed hay was reported and hauling was back in full swing by the weekend.

### Former Juliaetta Woman Awaits Heart Surgery

The wife of the Rev. Willis Clark of Dayton, Wash., entered Deaconess Hospital in Spokane Monday for heart surgery as a fund drive in Dayton for her treatment reached \$5,575. Mrs. Clark is the former Elsie Fix of Juliaetta.

Mrs. Clark is scheduled to have the surgery Wednesday. Dayton churches and friends of the Clarks are trying to raise \$10,000 for surgery and hospitalization because those costs will not be covered by insurance. Vernon Maril, a friend of the family, and the Rev. Ed Higgs of Dayton are spearheading the campaign for funds. Rev. Clark is pastor of the United Brethren Church of Dayton.

### Former Kendrick Women Injured in Accident

Two former Kendrick women, Mrs. Jesse Bateman and her daughter, Mrs. Fran McCreary, were injured last Tuesday afternoon on Lewiston Hill when the car Mrs. McCreary was driving went off the road in the violent rainstorm which swept across the area.

Kelly and Debbie Bateman, granddaughters, were also in the car at the time of the accident. All were taken to St. Joseph's Hospital in Lewiston where Mrs. Bateman was treated for a broken arm and injuries to the right side of her face. Fran and the Bateman girls escaped with bruises and minor injuries.

Sportsmen—forest fires each year destroy thousands of acres that could provide you with good hunting and fishing. Help preserve your own sport. Use caution in the woods. Prevent forest and range fires.

### Genesee Firemen Purchase New Truck and Ambulance

In June, a 1975 International fire truck was purchased by the Genesee Rural Fire Protection District. The cost of the truck was \$26,000. The ambulance and fire truck are operated by the Volunteer Firemen.

Also in June, a new ambulance was purchased by the Genesee Community Firemen, Inc. The \$13,100 used to purchase the ambulance was raised

ed by the firemen, through their annual Crab Feed and by many donations from the community.

**Local News  
Of Genesee**

Mrs. Wm. Hayes, Leslie and Paula of Newport, Wash., were Tuesday overnight guests of Mr. and Mrs. Tom Boyd and family.

Mr. and Mrs. Lawrence Broemeling and family visited with Mr. and Mrs. Roger Broemeling, Sr., in Clarkston on Sunday. Roger, Jr., from Tillamook, Oregon, was a weekend guest of his parents.

Mrs. Tom Demler and Mr. and Mrs. John Demler were Saturday afternoon visitors of Mrs. Glen Brazier.

Last Sunday evening visitors of Mrs. Victor Danielson were Mr. and Mrs. Pete Manning, Dean and Pete of Tonasket, Wash., and Anna Marie Reynolds of Moscow. Mrs. Jady Harris and little daughter, Anna Marie of Anchorage, Alaska, was a Saturday visitor of Mrs. Danielson.

Mrs. Gladys Liberg and Mrs. Victor Danielson were Sunday visitors of Mr. and Mrs. Clovis Aberogart in Kamiah.

Mrs. Mike Eglund, Kori and Mark of Boise, spent several days last week with Mr. and Mrs. Harry Eglund, Sr., and the John Eglund family in Moscow.

Mr. and Mrs. LeRoy Harris returned Friday from Anchorage, Alaska where they spent the past month visiting their son, Jade and wife Cherie and became acquainted with their new granddaughter, Anna Marie. Cherie and Anna Marie returned to the states with them for a short visit. Enroute and on the return trip, they were guests of Mrs. Harris' sister and husband Mr. and Mrs. Erickson at Puyallup, Wash. They enjoyed visiting many points of interest which included a fishing trip.

Mr. and Mrs. David Kries and daughter of Kamiah were weekend guests of Mr. and Mrs. Phil Hermann. On Sunday the Kries' went to Spokane to pick up their son Douglas who had been attending the United Nations with a group sponsored by the Rebekah and Odd Fellows Lodges.

Mr. and Mrs. George Roskammer of Clarkston and Mr. and Mrs. George Anderson were Sunday dinner guests of Mrs. Emma Hoduffer.

Dan Pederson and son, Danny, of Spokane were Wednesday dinner guests of Dan's mother, Mrs. Olive Pederson.

Houseguests of Mr. and Mrs. Dale Becker and family are Mrs. Becker's parents, Mr. and Mrs. Glenn Hall of Freepoint Island in the Bahamas.

Jim Baumgartner attended Freshman orientation at Corvallis, Oregon last week. Mrs. Baumgartner and Donnie accompanied him as far as Mt. Angel where they visited relatives and friends. Annie, who had been visiting there several weeks returned home with them. On Sunday a family birthday dinner was held at the Baumgartner home honoring the birthdays of Teresa, Susan and Lucy.

Saturday evening dinner guests of Mr. and Mrs. Robert Roskammer were Mr. and Mrs. Robt. Rudeen, Steve and Dawn of San Antonio, Tex., Mr. and Mrs. Mike Rudeen, Troy, the Ronnie Roskammer family of Lewiston and Mrs. Emma Hoduffer.

Mrs. Joe Kalafus was given a surprise birthday party Tuesday afternoon by neighbors and friends. After a social afternoon a birthday cake (baked and decorated by Mrs. Everett Robinson), ice cream and punch was served. Present were Mrs. Marie Edwards, Mrs. Olive Pederson, Mrs. Gertrude Gribble, Mrs. Kenneth Aherin, Mr. and Mrs. Don Chamberlain, Mr. and Mrs. Everett Robinson and houseguests Mr. and Mrs. Clifford Rouse of Rochester, Wash.

Mr. and Mrs. Don Pittman of Iona were Sunday dinner guests of Viola Scharnhorst. Other guests were Mrs. Lavern Scharnhorst and Kelly and Mrs. Gordon Rosenau of Mesa, Wash. Kelly remained with her grandmother overnight.

Mr. and Mrs. Clifford Rouse returned to their home in Rochester, Wash., Friday after a two-week visit with his sister and husband, Mr. and Mrs. Everett Robinson. Callers of the Robinsons on Sunday afternoon were Mr. and Mrs. Charles Shemwell of Colfax.

Mrs. Dick Scharnhorst was among those attending the wedding of Debi Springer and Ray Swanson at the St. Mary's Catholic Church in Moscow Saturday.

Douglas Springer of Seattle is spending his vacation with his parents and other relatives this week.

Thonna Flanigan of Lewiston spent last week end with her grandparents Mr. and Mrs. Elmer Krier.

Mr. and Mrs. John Merrick and girls left for their home in Caldwell after spending part of their vacation here visiting her parents, Mr. and Mrs. George Whitfield.

Mrs. Dick Scharnhorst visited Mr. and Mrs. David Ball in Polkatch Wednesday afternoon.

On Sunday Mr. and Mrs. Scharnhorst were dinner guests of their son Bruce in Santa. Other callers were Mr. and Mrs. Clarence Vanderpool.

Louis Scharnhorst continues to improve at Tri-State Hospital in Clarkston and is now able to have visitors.

Visitors in the home of Al Zenger since July 14, were Mrs. Frank Tomnick and daughter Heather of Salt Lake City. Frank joined his family on Saturday, the 19th, and were houseguests of her parents until the 28th. On Sunday the Russell Zenger

**Many Building Permits  
Issued By Genesee Council**

Twelve building permits were issued by the City Council at their Monday evening meeting to L. W. Sorenson, underground storage tank; Richard O. Reynolds, to construct a residence on lot 3, block 12 of North addition; Walt Moeden, to remodel kitchen; Bob Stewart, erect a new barn 24x20; George Wilson, extension to 2nd story on house; Mike Martin, enclosed car port; Earl Bennett, new roof; Oscar Wagar, install metal storage shed; Gene Griesser, addition to garage; Stan Merrill, garage addition to new residence; Von Hopkins, enclose front and rear porch; Phil Hermann, remodel living room.

An agreement was signed between the City of Genesee and Lloyd Esser whereby Mr. Esser will lease the land north of and adjacent to the city sewage lagoon for a horse pasture.

Children who participated in this year's Art and Crafts program, sponsored by the city sent letters to the council thanking them for the opportunity given them to attend classes and participate in this year's program. Children participating in this program are reminded there is a box of hand made items at the City Hall to be picked up.

A report was given by Councilman Leonard Singhose on the progress of the water project in the alleys between Walnut and Chestnut streets. He stated that work was progressing well and the projected cost will only be half of the original bid of \$14,600.

New maps are being made of the new water lines.

The city will replace approximately 20 burnt out lights at ball park.

Pursuant to Section 3; of Chapter 9 of Title 1, Mayor Sorenson is offering a reward of \$100 for the information leading to the arrest and conviction of any person or persons destroying or defacing city rest rooms or other city property.

The council stated that the reason why rest rooms at the Upper and Lower parks and the base ball field are not left open is due to the extensive amount of vandalism occurring there. The cost to the city for repairs on the rest room at the ball field alone has exceeded \$200. Until this is corrected, rest rooms will stay locked until request by responsible parties wishing to use rest rooms is received.

The charge for city rock has been set at \$4.25 per ton delivered to Genesee. The city clerk reported that a Moscow HS Letterman jacket and watch was lost or stolen from one of the workers on the water project.

What does it take to keep Idaho's forests green? It takes a little care with fire outdoors. It takes a little thought to use your ash tray and a few minutes time to make sure your camp fire is dead out. It takes you to keep the forests green.

family took the party to Lower Granite Dam and a picnic was enjoyed by all.

Cheryl Roach of Lewiston visited Sunday with her parents, Mr. and Mrs. Wayne Roach and family.

Mrs. Nyla Telchmer is recuperating satisfactorily at Gritman hospital following major surgery last Saturday morning.

Mr. and Mrs. Joy Woodruff of Winchester visited Thursday afternoon with Mr. and Mrs. Gene Woodruff.

Mrs. David Primus and children of Pasco are visiting Mr. and Mrs. Mark Zenner and other relatives.

Mr. and Mrs. Murray Myers of Bellevue, Nebraska are visiting Mr. and Mrs. Thor Gilje.

Mrs. Marie Vestal and Mrs. Carrie Thyfault of Lewiston were Monday visitors of Mrs. Gwyn Anderson.

Saturday dinner guests of Mr. and Mrs. Marion Holben were Mr. and Mrs. Verney, Jane and Steve of Spokane. On Sunday, Mr. and Mrs. Dennis Bardwell of Lewiston were guests.

Mr. and Mrs. LeRoy Gilje of Silvertown, Oregon were weekend visitors of his parents, Mr. and Mrs. Clarence Gilje.

The Get Together club met at the home of Mrs. George Anderson Monday evening. Prizes were won by Mrs. Lucille Moser, Mrs. LeRoy Harris and Miss Bernadette Weber.

Sunday dinner guests of Mr. and Mrs. Adrian Nelson were Mr. and Mrs. George White of Clarkston; Edwin Peterson and son, Bill of Lewiston; Mr. and Mrs. Charles Peterson of Sacramento, Calif. and Mr. and Mrs. Vernon Peterson.

Mr. and Mrs. Carl Simons, the Elmer Mundt family of Coeur d'Alene and Tom and John Molter of Veradale spent the weekend camping and huckleberrying near Sandpoint.

Mr. and Mrs. Gene Moser and family left Friday for their home in Las Vegas after visiting his mother, Mrs. Lucille Moser and other relatives the past ten days.

Mr. and Mrs. Alfred Haefurther and Mr. and Mrs. Wilson Esser returned Thursday after spending a week visiting Glacier National park and visiting at Banff, Lake Louise, Columbia Ice Fields and many other interesting points of interest in Canada. On the return trip they enjoyed fishing on the Lochsa.

**Genesee Valley**

Saturday dinner guests of the De-la Odenberg family were Mr. and Mrs. Neil Odenberg and Julie of Moscow and Janell Gurwall of Seattle. Janell, a sister of Mrs. Neil Odenberg has been visiting her sister and family. Evening guests for birthday cake and ice cream were Mrs. Charles Odenberg and children and Mr. and Mrs. Alan Odenberg. The occasion was in honor of Linda's birthday anniversary. Lonnie Odenberg took his parents, Mr. and Mrs. Delos Odenberg to Chatoleet Lake Monday where they spent an enjoyable day boat riding on the lake and on a side trip up the Coeur d'Alene river where they visited several small lakes along the way—Blue Lake, Black Lake, Medicine and Cave Lakes and Killarney Lake.

Jeanne and Debbie Peterson arrived home Tuesday evening from Denver where Debbie has been visiting her sister, Jeannie. Jeannie will visit a week or so with her parents and other relatives and friends. Mr. and Mrs. Charles Peterson of Sacramento, Calif. visited Wednesday with the Vernon Petersons.

Mr. and Mrs. Levi Rossebo and Mr. and Mrs. Harold Springton of Peck attended Gold Rush days in Pierce Sunday and all had dinner later at the Springton home.

Mr. and Mrs. Andy Griesser and Mr. and Mrs. Manfred Rosenborg of Lewiston fished and enjoyed an outing at Dworshak Dam Friday.

Marla Jo DePell, who has been visiting in California with friends arrived home Tuesday. She will leave the 22nd for Twin Falls to resume her teaching duties.

**SHOWERS FOR JUDY**

A miscellaneous bridal shower was given for Judy Linehan Friday evening, July 25th at the home of Mrs. Elmer Krier with Mrs. Dale Becker, co-hostess. The lace covered serving table was centered with a bowl of yellow and white daisies and candles. Mrs. Don Linehan poured, Mrs. Jerry Linehan served punch and Mrs. Dale Becker served cake. Helping Judy open her lovely gifts were Mrs. Jerry Linehan and daughter, Holly.

A coffee hour kitchen shower honored Judy Wednesday morning at the home of Mrs. Don Springer with Mrs. Howard Blume, co-hostess. Fifteen were present.

**CARD OF THANKS**

I would like to thank those of our community, particularly the members of the Community Church, for the flowers, cards, well-wishes and prayers while I was in the hospital. Your support was and is most appreciated.

Most Sincerely Bryce McProud,  
Pastor Genesee Community Church  
32c

**Big Bear Ridge**

The Happy Home Club

Our community was saddened and shocked last Tuesday morning when learning of the death of Deryl Ingle of Kellogg, Idaho.

The birthday party held at the Community Hall last Tuesday afternoon for Anna Bower, Lucille Ingle, Jorene Hoisington and Margaret Halseth Cox of Alexandria, Virginia, was well attended with 60 some friends and neighbors coming from far and near to attend.

Mrs. Rose Boath of Juliaetta and Mrs. Ida Ruby of Troy were last Thursday dinner guests of Mr. and Mrs. Grant Clemenhagen.

Mr. and Mrs. A. C. Wilson and Leona were Tuesday and Saturday evening visitors of Mr. and Mrs. Jerry Ingle and family.

Miss Diane Ingle returned home Wednesday afternoon from her 5-week tour of Europe.

Mr. and Mrs. Cecil Chamberlain were Sunday evening visitors of Mr. and Mrs. Harley Perryman.

Mr. and Mrs. Jerry Ingle and family, Gail Ingle of Seattle, Mr. and Mrs. Gerald Ingle, Mr. and Mrs. A. Kremmins, Juliaetta, Mr. and Mrs. Allen Reid, Deary, Mr. and Mrs. Ronald Ingle of Filer, Idaho, and Mr. and Mrs. A. C. Wilson and Leona all attended the funeral of Deryl Ingle in Kellogg Thursday.

Miss Gail Ingle is visiting with her brother and family this week, Mr. and Mrs. Jerry Ingle and family.

Mr. and Mrs. Ronald Ingle were Friday dinner guests of Mr. and Mrs. Jerry Ingle and family and Gail.

Mrs. Eula Galloway and Jerry attended the Hawaiian Tahitian dance in Lewiston last Thursday. Kari Galloway was a participant. Later they were luncheon guests of Mr. and Mrs. Larry Galloway and Kraig and Kari.

Mr. and Mrs. Grant Clemenhagen were Sunday afternoon and evening guests of Mr. and Mrs. Fred Clemenhagen at Juliaetta.

Dewey and Andy and John Galloway visited with Anna Bower Monday afternoon.

Mr. and Mrs. Larry Chase and family of Kent, Wash., are visiting this week with Mrs. Chase's parents, Mr. and Mrs. Bill Adams.

Mr. and Mrs. Bill Adams and Erent and Roger were Friday evening dinner guests of Mr. and Mrs. Manley Waldron and family of Bovill. The dinner was in honor of Mrs. Waldrons birthday.

Gerald Ingle is attending a meeting in Boise this week.

Mr. and Mrs. Bill Adams and their house guests, Mr. and Mrs. Larry Chase and family, attended the graduation exercises for Mrs. Loretta Gustafson from LPN nursing training school at Stanislaus Church in Lewiston Sunday afternoon. Loretta is a niece of Bill's.

Kraig and Kari Galloway have been visiting with their grandmother and uncle, Mrs. Eula Galloway and Jerry.

The Clemenhagens and the Galloways went on their annual huckleberry trip Saturday. No luck.

Larry Chase and Lori were Monday afternoon visitors of Mr. and Mrs. Jay Dee Wilson and Eldon.

Mr. and Mrs. Wesley Beck of Spokane were Sunday dinner guests of

**Cedar Ridge News**

By Mrs. Sam Weaver

Mr. and Mrs. George Lyons and Dorothy, and Duane Grant, and Mr. and Mrs. Clem Lyons were sight-seeing at Wallowa Lake Saturday.

Last Monday eve till Thursday morning Lu Ann Brammer had as her house guest Cheryl Brammer of San Jose, Calif. Thursday afternoon Billy Price visited with LuAnn. Other callers during the week were Harold Brammer of San Jose. Jan Brammer of Kennewick and Mildred Brammer of Ithaca, N.Y., Hap Brunsek of Smelterville and Bob Brammer of Cameron. Mr. and Mrs. Lloyd Farrington accompanied Mr. and Mrs. Cecil Brammer and LuAnn to Milton-Freewater to attend the wedding of Wanda Pressnall and Dan Hanson.

Sunday guests at the Cecil Brammer home were Mrs. August Brammer and Dan Hanson.

Mrs. Steve Dorendorf was a Saturday guest of her folks, Mr. and Mrs. Marion Soudera. Marion and Ellean attended the motorcycle races at Pierce Sunday. Mrs. Arley Allen and Mrs. Soudera were Thursday luncheon guests of Mrs. Steve Dorendorf.

Mr. and Mrs. Lawrence Schluhuber, and Mr. and Mrs. Bruce Schluhuber of Lewiston were Sunday dinner guests of Mr. and Mrs. Dan Koehler. Sunday eve callers were Mr. and Mrs. Ed Galloway of Juliaetta.

Gerry Hagedorn of Moscow was a Sunday dinner guest of Mr. and Mrs. Wally Butler and family. The Butler family were visitors of Mr. and Mrs. Jody Fey and family Thursday.

Mr. and Mrs. Dan Kechter were Friday eve callers of Mr. and Mrs. Harley Perryman and Gene.

Sunday eve callers of Mr. and Mrs. Elmer Cuddy and Kelly were Mr. and Mrs. Art Foster. The Elmer Cuddys visited with Mr. and Mrs. David Ball and family at Polkatch Saturday.

Diane Wilson was a houseguest of Mike and Linda Swan at Moscow from last Thursday till Saturday. Jeff Grinolds spent Friday night with Alvin Wilson. Mr. and Mrs. Danny Colvard and girls of Yakima spent Friday till Monday with the Wilsons.

Grandma Cuddy was a Sunday dinner guest of Mr. and Mrs. James Holt and family.

Mr. and Mrs. Jack Brown and Lori and Rodney Brown, Lois Brown, Boise and Mr. and Mrs. John Cuddy picnicked and hunted for huckleberries up on the East Fork Sunday. No berries; a few green ones.

Mr. and Mrs. Clem Lyons were Tuesday eve callers of Mr. and Mrs. Edd Kent.

Miss Lynne Cuddy of Pullman was a Saturday overnight guest of the James Holt family. Mr. and Mrs. Wayne Mathis of Coeur d'Alene were Wednesday overnight guests of Hills. Steve Holt was home Sunday.

Mr. and Mrs. Allen Patterson and children were Friday eve callers of Mr. and Mrs. Bill Patterson in Lewiston. Ruth and the children were last Wednesday visitors of Thelma Cuddy.

Granda Lyons returned a weekago Thursday from Boise after visiting her sister, Mrs. Emma Jergensen.

Mr. and Mrs. Albert Haugen and Leila were Saturday eve callers of Mr. and Mrs. Sam Weaver. Sunday dinner guests were Mr. and Mrs. Elmer Weaver and girls and Mr. and Mrs. John Chapman and Bryon. Mr. and Mrs. Rick McGregor and children were Monday callers.

Mr. and Mrs. Fred Arnett took Mr. and Mrs. Phil Bahr with them over to the Dworshak Dam Sunday to go boating and fishing.

**Agricultural Plot Tour  
In Area Well Attended**

The Agricultural Plot Tour between Deary and Kendrick Monday evening was attended by 40 area farmers and businessmen, according to Extension Agent Gordon Dalley.

Four main points of the tour were to observe 13 winter wheat varieties, seven varieties of spring wheat, fertilizer responses and discuss weeds and weed control.

Dr. Warren Pope, U/I plant breeder discussed the winter wheat and especially their potential and resistance to dwarf smut, a serious disease in wheat in some areas of the county. Two new experimental varieties from Oregon, two from Washington and four from Idaho were shown.

Dave Wattenbarger, Research Associate, U/I, talked on the spring wheats. Fielder, released 3 years ago, is a favorite variety but all varieties look good at this time. Two are possible release varieties from Aberdeen, Idaho Experiment Station. County agent Gordon Dalley gave the explanation of fertilizer applied on the winter wheats. All rates gave responses. Highest rate was at 165 of N per acre.

Horner Fitter and Mike Harrell, of the Latah County Weed Control, displayed a selection of weeds discussed their control and the hazard each has created. Greater effort in weed control is needed, they stated.

If you are going to be in or near a forested area this weekend, remember that how you handle fire could make the difference between growing trees and charred stumps. This is a period of high fire danger. Any spark could touch off a major blaze. Your care is needed now.

Mrs. Johanna Nelson.

Mrs. Stan Cox and Mrs. Johanna Nelson visited Friday with Mr. and Mrs. Ingwold Aas. Mrs. Aas is still very ill at the Tri-State Hospital.

Mrs. Stan Cox accompanied Mr. and Mrs. Orville Halseth to Spokane Sunday.

Mrs. Mildred Blanford and Mrs. Cecil Dean enjoyed a drive Sunday down the new Whitebird grade and to Stites.

Joe Forest is in the Sacred Heart Hospital in Spokane. Joe will undergo surgery Tuesday morning. Edwin and Bertina Forest are in Spokane to be with Joe. We are all wishing Joe a very speedy recovery.

Please phone your news to 285-5324

**Pesticides Must Be Used  
With Care and Caution**

Despite all of the research, a pesticide is only as good as its application. Misuse could be harmful.

Here are a few hints for pesticide use developed by the National Agricultural Chemicals Association in cooperation with the National Safety Council and sent to extension agents to promote farm and home safety.

Read the label carefully before each use. Follow directions accurately (using more than the recommended amount is not only expensive but also possibly harmful).

Disposal of empty containers should be handled as directed. Do not crush or place spray type pressure cans in bonfires or incinerators.

Do not store containers where children or pets can reach them and always store the contents in the original labeled container. It is a good idea to keep the containers under lock and key.

Garden spraying should be kept at a minimum. If the job is done thoroughly each time, you need only spray at intervals. When spraying is necessary, do so until the leaves on the plant start to drip, and be sure to cover both sides because insects love to hide and feed on the underside of foliage.

Pesticides properly used contribute immensely to healthier environment and produce productivity while making your garden more beautiful.

**U/I Campus Ready  
For Fall Semester**

Students coming to the University of Idaho campus later this month will be able to watch the finishing touches put on the Kibbie-ASUT Activity Center, the multipurpose facility which has undergone a major change during the summer months.

Students will begin arriving for sorority rush activities Aug. 15, followed by fraternity rush Aug. 23. The fall semester officially opens Aug. 25 with registration scheduled August 26-27 and classes beginning Thursday, August 28 for the university's 88th academic year.

For the 1975-76 fall semester, students will have breaks September 1 for Labor Day and Nov. 26-28 for the Thanksgiving recess, and the semester will close Dec. 19. The spring semester will open Jan. 12, followed by registration on Jan. 12-13 and classes beginning Jan. 14. The semester closes on May 14, with the university's 80th Commencement scheduled on Sunday, May 16.

lege of Agriculture, working with an Idaho dairy, developed this replacer. The result is an economic use for whey which, except for the small amount used by Little Miss Muffet,

**ORDINANCE NO. 196**

AN ORDINANCE RELATING TO THE SEWER SYSTEM OF THE CITY OF JULIAETTA AND THE REQUIREMENT OF SEWER CONNECTIONS THEREON; PROVIDING FOR THE ISSUANCE OF PERMITS FOR CONNECTIONS TO THE SEWER SYSTEM; PROVIDING FOR PLANS, SPECIFICATIONS, AND MATERIALS USED IN SEWER SYSTEMS; PROVIDING FOR INSPECTION BY THE CITY OF PLANS, SPECIFICATIONS, AND MATERIALS USED IN SEWER SYSTEMS AND CONNECTIONS THEREON; PROHIBITING THE ENTRY OF GARBAGE AND RUBBAGE IN SEWER SYSTEMS; FIXING RATES; PROVIDING PENALTIES FOR DELINQUENCY; PROVIDING THAT THE SEWER SYSTEM OF THE CITY OF JULIAETTA SHALL BE THE PROPERTY OF THE CITY OF JULIAETTA, IDAHO; PROVIDING EXTENSIONS OF SEWER SYSTEMS; PROVIDING SPECIFICATIONS FOR SEWER EXTENSIONS AND METHOD FOR PROPORTIONING COST OF EXTENSIONS AND REIMBURSEMENTS OF THE SAME; PROVIDING FOR THE NON-LIABILITY OF THE CITY; PROHIBITING AND ABOLISHING PRIVATE SEWERS; PROVIDING FOR PENALTY FOR VIOLATION OF THIS ORDINANCE; REPEALING ALL ORDINANCES OR PARTS THEREOF IN CONFLICT HERewith; PROVIDING A SEVERANCE AND SAVING CLAUSE; PROVIDING FOR THE PUBLICATION AND EFFECTIVE DATE OF THIS ORDINANCE.

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF JULIAETTA, IDAHO:

**SECTION 1. SEWER CONNECTIONS REQUIRED.** The Water Commissioner is hereby empowered and it is hereby made his duty in all cases where there is a public sewer in any street, highway or alley in the Municipality to compel every owner or occupant of lands, buildings or premises, fronting or abutting on streets, highways or alleys or within three hundred feet (300') of the same in case of unplotted land, and every such owner or occupant is compelled to construct or cause to be constructed a sewer service connection in the manner hereinafter described, which shall connect such lands, buildings or premises with the nearest accessible public sewer, (unless such connections be impracticable by reason of the topography of the grounds). The material used in the construction of such sewer service connection, shall be substantially like that used in the general public sewers with which the connection is to be made and said Water Commissioner shall have power and authority to examine all buildings, as to plumbing, drainage and ventilation thereof, and when in his judgment, the plumbing fixtures or the sewerage connection fixtures are found to be defective or unsatisfactory he shall have the power to order their removal, repair or substitution of such plumbing or sewerage fixtures and require the ventilation and drainage of such building to be placed in a sanitary condition and he shall thereupon give the owner or any person occupying any building or premises notice in writing, specifying the time when any defective drainage sewerage connection or unsanitary fixtures must be completed or corrected. The said Water Commissioner shall make a copy of such notice which shall be kept in the office of the Clerk and open to the inspection of the public during the hours of said Clerk's office. After the time fixed by the said Water Commissioner for the completion of said connection and repairs, the owner or occupant shall be held responsible for the refusal to comply with such notice. The term "private dwelling house" shall mean and constitute all houses occupied by persons or owners for the use of themselves and family, and this shall not be construed to mean the houses used or occupied as private or public boarding, lodging or rooming houses.

**SECTION 2. DRAINS REQUIRED.** Every person owning any land or premises situated within the City Limits, in all cases where there is a public sewer in any street, highway or alley shall make a sufficient drain, from his lot or premises, connected with such sewer, and the Water Commissioner shall have the power in all cases where there is a public sewer as aforesaid to cause such connection to be made and shall give such owner or occupant, notice in writing, specifying the time at which said drain or improvement must be completed, provided such time shall not exceed ten (10) days, if such owner or occupant shall fail, neglect, or refuse to comply with the same within the time specified the Water Commissioner shall report the same to the Council and the said Council shall immediately, either at a regular meeting or at a special meeting of said Council called for that purpose, cause said drain or improvements to be constructed and the amount paid

for the construction of the same shall be assessed against the lands or premises so drained and improved, and the same shall be reported to the Council as to the amount of such assessments for said work and improvements and upon confirmation by the Council the same shall constitute a lien upon said lands and premises so drained or improved.

**SECTION 3. WATER COMMISSIONER TO ORDER.** When any private drain pipe connected with any public sewer or drain becomes obstructed, broken or out of order, the Water Commissioner shall, if the owner or occupant of such premises fails to repair same after two (2) days notice so to do, cause such drain pipe to be removed, reconstructed, repaired, altered or cleaned as he may deem expedient, at the expense of the owner or occupant of said premises as aforesaid, to be collected as provided hereinabove. No person shall make any connections with any of the public sewers, nor shall any opening be made into the same until the person making the same shall obtain from the Water Commissioner a permit so to do and upon obtaining such permit said person shall perform said work in strict conformity with the provisions of this Ordinance and under the supervision of the Water Commissioner and he shall also replace and repair the streets, alleys or highway over, in or through which the same may pass to as good a state and condition as at the time of the commencement of said work and maintain the same in good order to the satisfaction of the Water Commissioner and shall conform in all respects to the rules and regulations of said City relative to the streets, alleys and highways thereof.

**SECTION 4. APPLICATION FOR PERMIT.** All applications for permits under this Ordinance shall be made by the owner or agent and must state the locality of the sewer, the number of the lot and block and the number of the buildings to be connected and how they are occupied. It shall be unlawful for any person to extend any private sewer or drain beyond the limits of the building or property for which the permit has been given, or to connect with any private or general sewer without having first obtained such permit.

**SECTION 5. REVOCATION OF PERMIT.** All permits given as aforesaid to connect sewers and drains shall be upon the express condition that the Council may at any time revoke or annul the same and the person making such connection or their successors in interest shall have no right to claim any damage in consequence of such permit being revoked or annulled.

**SECTION 6. SPECIFICATIONS FOR CONNECTIONS.** All connections with public sewers or drains shall be made in a workmanlike manner, and even with the inside surface of the sewer; when the connecting "Y" has been left or in case the Water Commissioner shall deem best, any person making such connection shall remove a joint of the sewer pipe and insert in its place a "Y" properly placed and securely cemented before making connection therewith. When a "Y" has been left, the connection shall be made without damage or breaking the same. The street must be opened and the paving or plankings deposited in a manner that will occasion the least inconvenience to the public and to provide for the free passage. One half (1/2) of the street must be kept clear for the purpose of passages of vehicles, and bridge-ways must be provided on sidewalks for foot passengers. In refilling the trenches the earth must be deposited in layers of not more than six inches (6") in depth and well rammed and stamped to prevent after settlements. As soon as any such drain or sewer is completed, the paving or plankings of streets or sidewalks must be reconstructed in as good a condition as previous to the excavation and all rubbish and surplus earth immediately removed.

**SECTION 7. DRAINS, MATERIALS, GRADE.** The drains which enter into any public sewer or drain in any street, alley, avenue, or highway, shall be built of such fixed materials and with such grade and in such a manner as is provided by the Council.

**SECTION 8. WRITTEN NOTICE FOR CONNECTION REQUIRED.** Notice in writing must be given to the Water Commissioner at the office of the Clerk, by any person desiring to make connection with any public sewer or drain at least twenty-four (24) hours previous to the time of making such connections, when such work shall be ready for inspection. The Water Commissioner or his authorized agent shall inspect the same and the said connections must be made in the manner prescribed in this Ordinance as well as to the satisfaction of the Water Commissioner before the trench is filled.

**SECTION 9. SPECIFICATION FOR DRAINS.** It shall be unlawful to construct or extend any drain pipe for the reception of sewerage or waste water under or into any hotel, tenement or dwelling house or any building, or to connect the same with a public sewer unless said drain shall in its plan and construction conform with the following requirements:

- (A) There shall be in said drain a trap so constructed as to bar the passage of air from beyond the trap into the house by an obstacle equal to one inch in depth or water.
- (B) Between said trap and the foot soil pipe there shall be connected with the drain an inlet pipe for the admission of fresh air, and the soil pipe within the house shall be continued above the earth and left above the same, so that the whole drain may be thoroughly and constantly ventilated.
- (C) All joints, where the building is used as a hotel, tenement house, boarding house or restaurant, the owner or occupant must provide a properly constructed grease trap, through which all slops of a greasy nature shall be drained and the Water Commissioner is hereby authorized and directed to compel any per-

son to provide and use a grease trap as aforesaid, wherever, in his judgment, the same is necessary. In all cases the connection with a cast iron soil pipe whether inside the building or otherwise shall be made with pig lead and oakum and thoroughly caulked.

**SECTION 10. PLANS MUST BE SUBMITTED WITH APPLICATION.** Whenever any person desires to construct a house drain to be connected with or discharged into any sewer, he shall, before beginning work upon the same, deposit with the Clerk a plan thereof, which shall show the whole course of the drain from the connection with the sewer to its termination within the house, with the location of all branches and fixtures to be connected therewith, said plans or a copy thereof, to be left on file in the office of the said Clerk. If upon the investigation of said plans the Water Commissioner shall find that the same does not conform with the requirements of this Ordinance the said Commissioner shall issue no permit for its construction or connection, with any sewer, and it shall be unlawful to construct said drain or to connect the same either directly or indirectly with any sewer.

**SECTION 11. RIGHT OF ENTRY FOR INSPECTION.** The City Engineer, or the Water Commissioner, shall have the right to enter upon any premises drained by any house drain or connected with any public sewer at all reasonable hours to ascertain whether the provisions of this or any other Ordinance in regard to house drains has been complied with and if he should find that said drain or its attachments are in conflict with the provisions of any law, he shall notify the owner of said premises, or the agent of such owner of the fact. It shall thereupon be the duty of said owner or agent to cause said drain or its attachments to be so altered, repaired or reconstructed, so as to make them conform to the requirements stated here in, within ten (10) days after the time of receiving such notice.

**SECTION 12. INJURY TO SEWER PROHIBITED.** No person shall injure, break, or remove any portion of any manhole, lamp pole, flush tank, septic tank or any part of the public sewer or sewer system.

**SECTION 13. NOTICE TO LAY DRAIN REQUIRED.** When any person shall desire to lay any pipe or pipes in any of the streets in which sewerage pipes are laid, he shall give at least twenty-four (24) hours notice to the Water Commissioner of the intention so to do and procure a permit therefor before proceeding therewith.

**SECTION 14. CITY EMPLOYEES TO DETERMINE IF WORK AUTHORIZED.** It shall be the duty of any person employed by the City in all cases where they shall find any person engaged in the breaking of ground for the purpose of making connection with the public sewer to ascertain at once if such person is duly authorized to perform such work, and in the event that such person is not duly authorized or does not have a permit, to order them to desist under penalty of this Ordinance and to immediately report the facts to the Chief of Police and the Water Commissioner of such violation.

**SECTION 15. WORKMANSHIP AND MATERIALS.** All materials used in connections must be of good quality, free from defects, and the work must be executed in a thorough and workmanlike manner and to the entire satisfaction and approval of the Water Commissioner.

**SECTION 16. DRAINS TO SEWERS. SPECIFICATIONS.** Every house or building connected with the public sewer, or private cesspool, must have a house drain through which sewerage is carried, constructed of approved pipe, which shall extend five feet outside of the building or foundation. The drains are to be laid in trenches of uniform grade or securely suspended from floor timbers by strong iron hangers; they shall have proper fall of not less than one-fourth of an inch per foot towards the main sewer and in as straight a line as possible.

All changes in direction or connection of soil or waste pipes shall be made by means of "Y" branches with one-eighth and one-sixteenth bands. Sanitary tees shall only be made in vertical lines of pipe. Hood outlets shall not be used for vent connections. Saddle hubs and saddle bands are strictly prohibited. There shall be a cleanout put in the sewer at the last change of direction or at the end of the horizontal main drain of the building. All cleanouts shall be closed by screw covers, and shall be kept accessible; when sewers are laid beneath the floor, manholes must be constructed to give access to cleanouts.

**SECTION 17. TERRA COTTA SEWERS PROHIBITED.** In no case shall terra cotta sewers be used with in the City.

**SECTION 18. SPECIFICATIONS FOR CONNECTIONS AND BUILDING SEWER LINES.** All connections and building sewer lines connecting with the public sewer system shall be constructed, installed, and connected in such a manner as to insure a permanent and sanitary sewer watertight throughout. The pipe used in the installation thereof shall be equal in quality to the pipe used in the general sewer system and not less than four (4) inches in diameter. The jointing compound, where mechanical joints are not used, shall be equal in quality to that used in the general or public sewer systems and no cement or grout made therefrom shall be permitted. Where mechanical joints are used, they shall be of such construction that an absolutely tight joint is insured. The building sewer shall be sufficient to carry all sewage into the general sewer system and each toilet, sink, stationary washstand, and every other piece or type of equipment or facility having waste fluids or sewage shall be connected therewith. The slope of the building sewer shall be subject to the approval of the Water Commissioner. The pipe in the building sewer shall

be laid so that the flow line therein will be at a depth of not less than thirty inches from the surface ground.

**SECTION 19. EXCAVATIONS FOR BUILDING SEWERS.** All excavations for building sewer installations shall be properly safeguarded with lights and barricades so that the same may not be a menace to public safety. All streets, sidewalks, alleys, parkways and other public property disturbed in the course of the work shall be restored in a manner satisfactorily to the City.

**SECTION 20. DISCHARGE OF HARMFUL WASTES.** No person shall discharge or cause to be discharged any storm water, surface water, ground water, roof runoff, subsurface drainage, uncontaminated cooling water, or unpolluted industrial process waters to any sanitary sewer.

No person shall discharge or cause to be discharged any of the following described water or wastes to any sewer in the City:

- (A) Any gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid, or gas.
- (B) Any waters or wastes containing toxic or poisonous solids, liquids, or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, create a public nuisance, or create any hazard in the receiving waters of the sewage treatment plant.
- (C) Any waters or wastes having a pH lower than 6.5 or higher than 8.5, chlorine demand of over 5 p.p.m. (parts per million) or having any other corrosive property capable of causing damage or hazard to structures, equipment, and personnel of the sewage works.
- (D) Solid or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewers, or other interference with the proper operation of the sewage works such as, but not limited to, ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, unground garbage, whole blood, paunch manure, hair and fleshings, entrails and paper dishes, cups, milk containers, etc. either whole or ground by garbage grinders.
- (E) Any substances prohibited by the Idaho Department of Health and Welfare.

No person shall discharge or cause to be discharged into a sewer any of the following described substances, materials, waters, or wastes as it appears likely in the opinion of the Water Commissioner or technical expertise at his disposal that such wastes can harm either the sewers, sewage treatment process, or equipment, have an adverse effect on the receiving stream, or can otherwise endanger life, limb, public property, or constitute a nuisance. In forming his opinion as to the acceptability of these wastes, the Water Commissioner or his authorized representative will give consideration to such factors as the quantities of subject wastes in relation to flows and velocities in the sewers, materials of construction of the sewers, nature of the sewage treatment process, capacity of the sewage treatment plant, degree of treatability of wastes in the sewage treatment plant, and other pertinent factors. The substances prohibited are:

- (A) Any liquid or vapor having a temperature higher than one hundred fifty (150 F) (65 C).
- (B) Septic tank effluent.
- (C) Any water or waste containing fats, wax, grease, or oils, whether emulsified or not containing substances which may solidify or become viscous at temperatures between thirty-two (32) and one hundred fifty (150 F) (0 and 65 C).
- (D) Any garbage that has not been properly shredded. The installation and operation of any garbage grinder equipped with a motor of three-fourths (3/4) horsepower (0.76 hp metric) or greater shall be subject to the review and approval of the Water Commissioner or his authorized representative.
- (E) Any waters or wastes containing strong acid iron pickling wastes, or concentrated plating solutions whether neutralized or not.
- (F) Any ground or unground fruit peelings and cores from canneries and packing plants. Cull fruits and vegetables. Fruit and vegetable pits and seeds.
- (G) Any waters or wastes containing the materials in excess of the following limits:  
Copper—5 milligrams per liter  
Total chromium—5 milligrams per liter  
Cyanide—5 milligrams per liter  
Nickel—5 milligrams per liter  
Silver—5 milligrams per liter  
Zinc—5 milligrams per liter  
Total heavy metals—1.0 milligrams per liter  
pH minimum 6.5, maximum 8.5  
Or wastes exerting a chlorine demand of over 5 ppm.
- (H) Any waters or wastes containing phenols or other taste or odor producing substances, in such concentrations exceeding limits which may be established by the Water Commissioner or expertise at his disposal as necessary, after treatment of the composite sewage, to meet the requirements of the state, federal, or other public agencies or jurisdiction such discharge to the receiving waters.

(I) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the Water Commissioner or expertise at his disposal in compliance with applicable state or federal regulations.

(J) Materials which exert or cause:  
(1) Unusual concentrations of insoluble solids (such as, but not limited to, Pullers earth, lime sludges and lime residues) or of dissolved solids (such as, but not limited to, sodium sulfate).

(2) Excessive discoloration (such as, but not limited to, dye wastes and vegetable tanning solutions).

(3) Unusual BOD (biochemical oxygen demand), or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works.

(4) Unusual volume of flow or concentration of wastes constituting "slugs" as defined herein.

(5) Waters or wastes containing substances which are not amenable to treatment or reduction by the sewage treatment process employed, or are amenable to treatment only to such degree that the sewage treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

**SECTION 21. ACTION OF WATER COMMISSIONER UPON DISCHARGES HAVING DELETERIOUS EFFECT.** If any waters or wastes are discharged, or are proposed to be discharged into the sewers, as defined in this Ordinance, and which in the judgment of the Water Commissioner may have a deleterious effect upon the sewage works, processes, equipment, or receiving waters, or which otherwise create a hazard to life or constitute a public nuisance the Water Commissioner may:

- (A) Reject the wastes,
  - (B) Require pretreatment to an acceptable condition for discharge to the public sewers,
  - (C) Require control over the quantities and rates of discharge, and/or
  - (D) Require additional payment to cover the added cost of handling and treating the wastes not covered by existing taxes or sewer charges under the provisions.
- If the Water Commissioner permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Water Commissioner and subject to the requirements of all applicable codes, ordinances, and laws.

**SECTION 22. SEWER RATES.** Sewer service charges shall be established by separate ordinance, and when so established shall be incorporated herein as if fully set forth herein.

**SECTION 23. CHARGES; WHEN DUE AND PAYABLE.** All sewer charges shall be due and payable to the Clerk between the 1st and 10th day of each month and upon failure to pay the same by the 15th day of the month, each user shall pay, in addition to the amount due, a fine of one dollar (\$1.00). These charges shall be paid at the same time as the water charges. It is understood, however, that where a charge is made for both water and sewer that only one (1) delinquency fine for any one (1) month shall become due and payable.

**SECTION 24. DELINQUENCY NOTICE.** On the 15th day of each month the Clerk shall make a delinquency roll, listing the names of those delinquent and the charges against each delinquent, including one dollar (\$1.00) penalty above indicated. On or before the 6th day of each month the Clerk shall mail to each delinquent sewer user a statement showing the total amount charged against him, and notifying such sewer user that unless this total amount is paid to the Clerk on or before the 25th day of the month the water service to his premises shall be discontinued.

**SECTION 25. LIST; DISCONTINUANCE OF WATER.** On the 25th day of each month the Treasurer shall make out a list containing the names of all sewer users then delinquent in the payment for the use of the sewer during the previous month together with the amounts of said delinquency charges, including penalties, and shall direct the Water Commissioner to shut off and discontinue all water to the premise to which the delinquency applies, and the same shall not be reinstated or turned on again until the delinquency charge, including penalties, has been paid.

**SECTION 26. APPLICATION FOR SEWER CONNECTIONS; FEES.** The Water Commissioner is hereby authorized to permit connections to be made with the City sewer system by any property owner desiring to connect with the sewer system, provided that any person desiring to so connect with the sewer system shall make application therefor, in writing, to the Water Commissioner, and in which application he shall describe in particular the connection to be made and along what streets or alleys the applicant proposed to construct any sewer, the probable cost of such connection along said street or alley and the applicant shall give such other information as the Water Commissioner may demand. If a permit is granted, such connecting sewer or shall be of such size and shall be built of such materials and at such point and of such grade and depth as the Water Commissioner and City Engineer may direct, taking into consideration future connections which may be made with such connecting sewer. The Water Commissioner may refuse to issue such permit if the proposed connection would overload any existing sewer or drain. All decisions of the Water Commissioner and City Engineer hereunder may be reviewed and modified or reversed by the Council.

There shall be no fee charge for a permit to make a service sewer connection with a City sewer line if the property for which the sewer connection is desired has contributed equally toward the cost of the original construction of said City sewer line whether on an assessment or cash basis. Otherwise, the application shall be accompanied by a sum of three hundred fifty dollars (\$350.00), which shall be a fee payable to the City for each and every sewer connection made to the City sewer line from said property, a charge of fifty dollars (\$50.00) will be made by the Water Commissioner for each inspection of sewer service connections.

**SECTION 27. SEWERS PROPERTY OF CITY; FILING OF COSTS.** All sewers located in any street or alley in the City shall belong to the City, and in the event that any person shall make a connection with the City sewer system and such connection shall be available to others who might connect with such connection, the person so first connecting with

the sewer shall, as soon as such connection is made, file with the Clerk an itemized statement of the costs of building with connecting sewer. The Water Commissioner, together with the City Engineer, shall audit and determine the reasonable costs of such connection through any streets or alleys and file a report thereon with the Clerk, and in the event that the Water Commissioner and the City Engineer shall determine that the cost of such connecting sewer is less than that submitted by the person constructing such sewer, the Water Commissioner and the City Engineer shall hold a hearing and give such person ten (10) days written notice of such hearing and at such hearing evidence may be taken by the City Engineer and the Water Commissioner of the cost of such sewer and at the close of such hearing the Commissioner and Engineer shall file a written report with the Clerk of their determination of the costs and expenses of building and connecting such sewer with any sewer, and which determination shall be subject to review by the Council at its next regular meeting after the filing of such report. It shall be the duty of the Clerk to give the person building such connecting sewer written notice of the regular meeting of the Council and that the costs of building such sewer will be settled at such meeting, and the Council shall have the power to fix the cost of such connecting sewer, which determination shall be final and binding upon all parties.

**SECTION 28. PERMITTING OTHER CONNECTIONS; COSTS TO BE PAID.** The Water Commissioner may, permit other connections to be made with such connecting sewer by other parties upon payment to the City of the proportionate share of the cost of constructing such connecting sewer property payable by the person wishing to connect thereon. The amount of payment to be made for such connection shall be based upon the original cost of such connecting sewer, as determined by the Water Commissioner and City Engineer, taking into consideration the probable future use of such sewer by other connection therewith. No extra allowance shall be made for interest upon the original investment in such connecting sewer, and no deduction shall be made for depreciation thereon.

If the property proposed to be connected with such connecting sewer abuts upon or is adjacent to such sewer, the owner of the same shall pay to the City for so connecting that proportion of the total original cost of such connecting sewer which the frontage of all the property he owns abutting upon or adjacent to such connecting sewer bears to the total frontage capable of being served by such connecting sewer. In the event the property proposed to be connected with such connecting sewer does not abut upon and is not adjacent to such connecting sewer, then the owner of such property shall pay such fee as reasonably compensates the original builder for the use thereof. Such amounts shall be fixed by the Commissioner and the City Engineer. All decisions of the said Commissioner and Engineer under this Section shall be subject to review by the Council, after reasonable notice to the party concerned, and may be modified or reversed by the Council.

**SECTION 29. PERSON FIRST CONNECTING MAY RECEIVE MONEY FROM LATER CONNECTIONS.** Upon payment of any money to the City by a person desiring to connect with such sewer, the person first constructing such connecting sewer, or his successors as assigns, shall be entitled to such moneys upon filing a claim therefor with the Clerk to be allowed by the Council as other bills against the City are allowed and paid.

**SECTION 30. PRIVATE SEWERS PROHIBITED.** All connections with the City's sewer system in any street or alley shall belong to the City and no private sewer, except as otherwise provided in this Ordinance shall be deemed valid and binding upon the City or any of its inhabitants.

**SECTION 31. PRIVATE SEWERS ABOLISHED.** It is the intent and purpose of this Ordinance to abolish all private sewer connections with the City sewer system and the City shall own all sewer connections made by private persons along any street or alley and the City shall own, control and operate all sewers laid or placed along any street or alley within the corporate limits.

**SECTION 32. CONTENTS OF COST STATEMENT.** Any person filing a cost statement on connecting sewers heretofore constructed or hereafter to be constructed shall specify the particular land to which the right to claim reimbursements for connections hereafter made by other persons upon such connecting sewer shall be appurtenant. In the event such land shall thereafter be subdivided, the right to reimbursement for subsequent connections shall be prorated between the several portions created by said subdivision in accordance with the area of such portion. The original cost estimate may divide such total cost among several separate tracts of land in the first instance, in which event the right to reimbursement shall be prorated according to the proportion of the cost attributed to and appurtenant to each tract.

**SECTION 33. CITY NOT LIABLE.** The City shall in no circumstances become liable to any person who has constructed a connecting sewer except to the extent of the money collected for his use and benefit as herein provided. In the event that the City has paid moneys so collected to any person claiming to be the rightful owner of the land to which the right to be reimbursed for subsequent connections may be appurtenant, it shall not be liable to any other person for and on account of such moneys.

**SECTION 34. ILLEGAL CONNECTIONS PROHIBITED.** No person shall connect with the sewer system of the City without a permit as hereinabove set forth. Any illegal connection may be prevented by the

**LEGAL NOTICE**

(continued from page 3)

City's severing such connection or by injunction or other appropriate action, instituted in the name of either the City or the property owner entitled to reimbursement. The right to collect reimbursement for connecting with a sewer connected at private expense on which cost statements have been filed as herein provided may be enforced by the property owner beneficially interested in an ordinary civil action in any court of competent jurisdiction.

**SECTION 35. CONNECTING SEWER, CONNECTIONS DEFINED.** The words "connecting sewer" or "connection" as used herein shall mean that portion of any sewer pipe or line which is located within any street or alley and which is or has been constructed at private expense and connected with the City Sewer System.

**SECTION 36. RESPONSIBILITY TO MAINTAIN FEEDER SEWER PIPE AND SEWER LINES.** It shall be the responsibility of each sewer user to maintain all sewer pipes and sewer lines from his inlet to the connection of his sewer pipe and sewer line to the City Sewer System being the collector sewer lines located in the streets and alleys of the City.

**SECTION 37. PENALTY.** Any person, firm or corporation that shall fail to comply with, or violate any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in an amount not exceeding Three Hundred Dollars (\$300.00) or imprisonment in the County Jail for a period not to exceed thirty (30) days, or both such fine and imprisonment for each offense, provided that each day that a violation is permitted to exist shall constitute a separate offense.

**SECTION 38. REPEAL OF CONFLICTING ORDINANCES.** All former ordinances or parts thereof conflicting or inconsistent with the provisions of this Ordinance are hereby repealed.

**SECTION 39. VALIDITY.** The City of Juliaetta hereby declares that should any section, paragraph, sentence, or word of this Ordinance be declared for any reason to be invalid, it is the intent of the City of Juliaetta that it would have passed all other portions of this Ordinance, independent of the elimination herefrom of any such portion as may be declared invalid.

**SECTION 40. DATE OF EFFECT.** This Ordinance shall be in full force and effect from and after the date of its passage, approval, and publication in one issue of the Kendrick Gazette, a newspaper printed and published in the City of Kendrick, Idaho, and of general circulation with in the City of Juliaetta, Idaho, and being the official newspaper of said City.

PASSED under suspension of rules upon which the roll call vote was duly taken and duly enacted an Ordinance of the City of Juliaetta at a continuation of a regular meeting of the City Council, held on July 22, 1975.

APPROVED by the Mayor the 22 day of July, 1975.  
HAROLD FREEMAN,  
Mayor

**IT HAPPENED WAY BACK WHEN**

Kendrick Gazette August 2, 1935

Mr. and Mrs. Lester Wallace and children, John, Donna, and Ervin; Mrs. Fred Crocker and Doris and Floyd; Mr. and Mrs. Arlos Crocker and children spent Thursday evening at Spalding Beach.

Mrs. Henry Jones and son, Lee, went to Southwick Sunday to visit relatives before going to Bend, Ore. to join her husband there.

Marvin Long and Ernest Sams returned Monday from a week-end fishing trip in the Little North Fork country.

21 blister rust control camps in the vicinity of Clarkia and Elk River are to be opened, according to the Moscow I E R A office. Men are to be sent to the camps in groups of 15. It is expected that the central program will give employment to about 1200 men in the Moscow area.

Cameron News—Sgt. and Mrs. Glen Newman were honored with a miscellaneous shower and Harold Brammer with a going-away party when the entire community surprised them in the Fred Newman home Sunday evening. Entertainment was furnished by Mrs. Edwin Mielke and Mr. and Mrs. Glen Wegner. Mr. Wegner showed movies he had taken of the community.

Mrs. Fred Schoeffler spent last week in Colfax with her daughter, Reva who underwent a major operation at the Bryant-Weisman Clinic.

Miss Marion Schupfer, accompanied by Miss Betty Boyd will leave Saturday for Los Angeles. Betty will enjoy a month's vacation, while Marion will take up her work in that city.

Genesee News August 28, 1925  
Rimrock—A birthday party was given Sunday in honor of Wayne, little son of Mr. and Mrs. Lawrence Vestal at their home. Present were Mr. and Mrs. Fred Shirrod and Stanley and Mr. and Mrs. Thyfault and children.

The home of Mr. and Mrs. F. E. Griffith was the scene of a very pleasant birthday party last Friday when their daughter, Margery celebrated her 12th birthday anniversary and a few of her girl friends arrived to help her celebrate the occasion. Those present being Eloise Emmett, Geraldine Bumpass, Gene Freeman, Edith and Hazel Craft.

Workmen are busily engaged in remodeling the Smolt Confectionery by placing a "tin-brick" veneer over the front and will set fancy cornish pieces in place which will add materially to the building.

**What Happened Here 20 Years Ago**

Steps are being taken to reorganize the old football team at this place. There is excellent timber to select players from and it is believed a good amount of themselves against any amateur team in the county. The following are mentioned as possible players: Louis Tweedt, Oscar Olson, George Olson, Sam Davidson, Robert Emmett, Lars Thompson, Frank and Hubert Harris, Wm. Gibb, John Gibb, Emmett Cathcart, E. M. Murphy, Elmer Vanouck, Reed Klapp, Ed Wahl, Rollin Spurbeck, Frank Driscoll, Emery Vandenburg, Will Gray, Tom and Len Edwards and Roy and Dan Burr. (Only 3 of the entire list of the 22 prospective players are now living in or near Genesee, the others either having moved away or passed to the great beyond.)

**Job Placements Decline Slightly**

Job placement activity in Moscow declined to nearly normal during the past week, after an upsurge during the previous week. Thirteen workers received job finding help through the Moscow office of the Idaho Department of Employment, according to Frank Hartstein, Moscow office manager. Hartstein said that this compares with 26 persons placed on jobs during the week before and also compared with 11 workers successfully referred to jobs during the last week in July a year ago. In addition to those regular jobs filled, 40 young people were placed on jobs through the CETA Summer Youth Program. These youngsters come from all walks of life, as separate programs have been established for the disadvantaged youth and the non-disadvantaged. At the end of the week there were 22 jobs still available, fewer than either last week or last year. Currently needed include a butcher, secretaries, domestic workers and cafe workers, a bookkeeper, and a truck driver.

41 persons filed new claims for unemployment insurance during the week just ended. Among them were workers just released from the University at the end of the summer session and some students who just finished summer school classes, as well as persons recently laid off from other jobs and workers who have just arrived here from out of the area. The total arose from 400 to 416, indicating that only a few persons discontinued filing claims during the week. A year ago Latah Co. had only 231 persons seeking jobs. In the immediate Moscow area there are now 257 persons seeking benefits, up from last week's 250, but far in excess of last year's 231. In the Troy-Deary-Bovill area the total now stands at 76, a slight increase from last week, but nearly triple last year's figure of 29. 55 checks are going into the Potlatch area, up just a few from last week's 50, but more than double the 25 who were filing claims at the end of July in 1974. At Genesee the totals are now 10, last week 8 and last year 10. A Kendrick's figures are 18, 19, and 10.

Forest fires don't start in car ash trays. Roadside grass and woodlands are beginning to dry out from that summer heat. One carelessly flipped cigarette could start a forest fire. Use your ash tray to Keep Idaho Green.

**Wheat Sales Should Not Affect Bread Prices, Say Growers**

Boise— Idaho Wheat Commissioners, meeting recently in Boise, were "outraged" by the comments made by Federal Reserve Board Chairman Arthur Burns, who predicted in testimony before a Senate hearing that higher U. S. bread prices will result from wheat sales to the Soviet Union.

"Consumers should realize that the amount of wheat in a loaf of bread costs less than 6 cents, based on Monday's wheat price of \$4.12 per bushel at Portland elevators," Commission Chairman Earl Hoopes, Rexburg, pointed out.

Hoopes added that the average one pound loaf contains .88 pounds of wheat.

"This means bread prices should increase only one cent for every 70 cent per bushel increase in wheat prices," the grain spokesman said.

The eastern Idaho wheat grower, recently re-appointed to the Idaho Wheat Commission and elected chairman of that body last week by fellow member of the 5-man board, lashed out at critics of the recent export sales, labeling their statements "scare headlines" and "unfounded, malicious rumormongering."

"The truth is that wheat prices are still below price levels of a year ago—but bread prices have not come down one penny," he charged.

American farmer responded to the challenge to produce a whopping, record crop, Hoopes said. "We are now harvesting an estimated 2.2 billion bushels—3 times what this country consumes in a year."

"We did it, all the while relying on foreign demand and access to those markets."

The wheat official said the 118 million bushels of wheat sold to Russia still leaves an excess of one billion bushels above and beyond U. S. domestic needs.

"We would like to know what Burns and other critics of the Russian sale would have us do with the one-billion-plus bushels of wheat we have yet to find a home for?" Hoopes queried.

"Certainly, he doesn't advocate returning to the system of government storage that used to cost the American taxpayers \$1 million a day," he asserted.

Hoopes cited a letter written earlier this month to President Ford by National Association of Wheat Growers President, Don Woodward of Pendleton, Oregon which emphasized that "recent Soviet demand represents only a portion of the export business that the U. S. must have if adequate income is to flow to the producers from the marketplace."

Hoopes said the letter credited the recent Russian deals with bringing "needed price recovery" while having only "minimal impact on consumers."

Hoopes said wheat was worth 36¢ per bushel (at Portland) in February 1974. "That's nearly twice the price of wheat on July 1 of this year. Over

**Booth Space at Fair**

Booth space has been increased to at least the amount available in 1973 at the Latah county fair.

Both commercial and non-commercial space is still available and the Fairboard asks that reservations be submitted as soon as possible. A letter to the county agent's office, Courthouse, Room 209, or a call to 882-2014 will get reservations and information. High quality, interesting exhibits is the goal of the 1975 fair.

The deadline for obtaining space has been set for September 1.

**Stony Point**

Mrs. Ernest Stolgers

**Newest Granddaughter Visits!**

Little Bridget Lyons, born July 21 at Grangeville, visited at the home of her grandmother, Delores Heimgartner, for several days last week accompanied by her mother, Mrs. Larry Lyons and sister Linde. On Sunday, July 27, Mr. and Mrs. Leslie Heimgartner drove to the Lyons trailer park above Kooskia to take Mrs. Lyons and sister Linde. On Sunday, ward "trek." The Lyons now live at Dixie Ranger Station where Larry is stationed with the Forest Service Dept. Delores and Leslie remained overnight at the Tim Straw home at Clearwater, returning home to Stony-point on Monday, July 28. Mike McLain, their summer helper, accompanied them back to Clearwater after his hay work here.

Mrs. Wayne Heimgartner spent Friday with her mother, Mrs. Hunter, in Lewiston.

Mr. and Mrs. Clelia Hoisington drove to Spokane on Sunday, July 27, taking Mr. and Mrs. Hoisington and son Russel, who boarded a plane there for Lima, Ohio, where they brought home the new school bus for Lapwai School District. Jim and Linda "hurried" home and attended the Lapwai school reunion of his group and classmates on this past weekend. Don Brown and many others enjoyed the affair, a "big success." Clelia and Bea remained overnight at Spokane.

Mrs. Merle Cooper enjoyed Saturday lunch with her mother, Helena Brown, and the Don Brown family were able to spend the day with her on Sunday.

**Many Guests!**

Mrs. Albert Heimgartner drove with Mr. and Mrs. Alvin Steigers to Moscow on Sunday. Later that afternoon and evening "Mystic" had as her guests at Stony Point Mr. and Mrs. Wm. Heimgartner, Clarkston, Minnie Blakely, Mr. and Mrs. Lawrence Heimgartner, accompanied by granddaughter Christy Johnson of Lewiston, Erma Stevens, and Gertrude and Eldon Heimgartner.

"Macrame," an interesting skill of constructing hanging flowerpot holders, etc., was demonstrated at the home of Mrs. Glen Stevens on Wednesday. Present beside the hostess was Grace Hobson, Gifford, Karen Carter, also of Gifford, and Delores Heimgartner.

Various members of the Don Hoisington family are our later victims of the persistent flu bug. All three little girls are now recovered but mother Elaine now has her "turn." Reminder of the "good of days"—N.D.S. 1938-40. "If you're the mom of several kids, and nurse them thru the flu—It's hard to tell, when they're most well, if they've been sick, or you!"

With taking of their temperature, of packing "which and what" of coaxing up their appetite, it keeps you the trot.

So when the siege is nearly o'er, and they are on their feet—and hollering with every breath—"Ma, what is there to eat?"

She'd think if she could take it, too, and stretch upon the bed, a cover on her body, a pillow at her head.

She'd think it close to Heaven! She'd think it might be sick—if all that they'd expect of her was just a darned good Sick!

Grain harvest is busily buzzing on the River at the warehouse and storage tanks at Cherrylane these days. A rattlesnake was harvested at the Maguire-Dobson home last Sunday and one at the Darrell Korby residence recently. None at the Steigers' and Lee Heath homes for a while. Knock-knock!

Clint Forsman was a Saturday luncheon guest at the E. Steigers home and later the two menfolk attended Pierce 1860 Days. Ernest was content with his score, on the fiddle, and Clint accompanied many players on his bass fiddle. "Wild and woolly" they described the teeming street, where two unscheduled fights entertained the milling crowd.

Mrs. Lee Heath and small grandson, Jeff Schneider, were Sunday afternoon callers in the E. Steigers home. Jeff is visiting from Chicago?

Mrs. Mary Steigers, daughter Marianne Ahles and small granddaughter Shae of Geneese, were berry pickers and dinner guests at the Steigers' home on Sunday.

Mrs. Nancy Mundell and her two small sons, Nez Perce, and Pamela Heath, home on furlough, were evening visitors on Thursday in the Newt Heath home. Mr. and Mrs. Kenyon Rugg and daughter Lisa, enroute home from a Mt. campout, were Sunday eve visitors of her parents.

**"Early and Late" Birthday Party!**

Honoring birthdays of both Steve Talbot and wife, Chris, from Slate Creek, and also Mrs. Sharyn Curtis of Cherrylane, a large dinner party was held in the Ken Steigers family home. Also present were Mr. and Mrs. John Talbot and friend Toni from Moscow, Ken, Linda, Brant and Betsy Steigers, David Curtis and little sons Adam and Aaron, Jim Steigers and Ernest and Nellie Steigers. For the first time all eight boards were used in the huge old dining table. The birthday cake resulted from the combined efforts of Linda, fresh raspberries from Moscow, and the custard sauce topping provided by the surprised honoree, Sharyn Curtis! Gene Heath had earlier sent fresh roasted ears from his garden, a most welcome addition to the feast.

**Attends Funeral**

On Monday, July 28, Mrs. Glen Stevens attended burial services at a Lewiston cemetery for the eldest son of a former Stony Point teacher, at that time Lucile McFadden, now Bentley. The boy, Kevin Bentley, 18, died of cancer—always a tragedy when one so young passes!

**Local News of Kendrick**

Rev. and Mrs. Steven Caskey departed July 24th for Seattle. Friday they rallied together with other Corvair car owners for a convention on Mt. Rainier. There were 200 cars at the rally. Mr. and Mrs. Dick Parsley visited her sister and brother-in-law, Mr. and Mrs. Oscar Bailey at Moscow on Sunday.

Granddaughter Cindy Dale and friend, Mike Clay, both of Lewiston, were Saturday supper guests of Mr. and Mrs. Bill White.

**American Ridge News**

Mrs. Jo Benschoter

Mamie (Roberts) Stegman and Roy Mason, Union, Ore., visited in the Walt Benschoter home from Wednesday to Thursday. Mrs. Stegman was born and raised here and while here they called on a number of residents on the Ridge and in Kendrick to renew old acquaintances. Nora and Mabel Callison had dinner with the Benschoters on Wednesday and Charles McCall and John Helpman visited them on Sunday afternoon.

Andy and Minnie Cox returned to their home Monday from Boise where they had been visiting with the Jim Reid family and getting acquainted with their new granddaughter.

Holly and Doug Millar, Spokane spent the week end in the Dick Benschoter home.

On Thursday, Vicky Benschoter attended a children's dance recital at the YMCA in Lewiston. Her granddaughter Kari was a participant. Afterward Vicky, also—Eula and Jerry Galloway enjoyed lunch with the Larry Galloway family in their Lewiston home. On Sunday Vicky called on Pat Sargent who has been quite ill following surgery.

Saturday Walt Benschoter and Nora Callison were in Orofino to attend the funeral for Viola (Hunter) Wells. Enroute home they called on the Jim Kaylers at Peck.

Cherry pickers in the Benschoter home have been Jorene and Brett Hoisington and Priscilla and Tammy Armitage.

Archie and Gertrude Morgan, Lewiston and Kathryn Morey of Moscow were weekend guests of the Edd Kents.

Rayner, Billie and Michelle Havens and the Joe Langdons, Lewiston, were Sunday guests in the George Havens home.

Sunday the Frank Benschoters visited in the Don Benschoter home at Sweetwater.

Joy and Stuart Huggins spent the weekend in Moses Lake with Stuart's grandparents Mr. and Mrs. Sol Holtz. Kristie Johnson is visiting her grandparents the Lawrence Heimgartners. Her sister Debbie also visited Thursday and Friday.

Other callers this week besides the Johnson family were Joe, Roma and Jolene Langdon, Lewiston.

George and Elizabeth Havens were Thursday dinner guests in the Melvin Ehlers home in Pullman.

Steven Crocker, Lewiston, is in the Ernie Andrews home assisting his grandparents with harvest work.

Walt and Lucy Bigham, Coeur d'Alene, visited the Andrews Wednesday and Thursday. Evelyn Russel and children Curtis and Angela joined the family group Thursday.

Warney, John and Pat May and Virgil Huribert transported their boat to Canada where they enjoyed sight-seeing, camping and fishing from Thursday to Sunday. Fishing was good and scenery beautiful. A nice break before their harvest and school duties.

Ella Benschoter returned Sunday from a month long stay at the home of her son, Bob Benschoter at Grandview Lodge on Priest Lake.

Combining has started in peas and grass with weather perfect for such operations. &—owo.of

This is picnic weather and picnics call for a cool, green, grassy spot beside running water. Only one thing can really mar a good picnic site, and that is burned grass, shrubs, and trees. Careless people who go away and leave a campfire to burn up their picnic site, could easily drown out their fire with water and leave the picnic spot for another day. Be a careful camper.

**PUBLIC NOTICES**

**NOTICE OF HEARING**

IN THE DISTRICT COURT OF THE SECOND JUDICIAL DISTRICT OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF LATAH

In the Matter of the Application of) DENNIS CARL SHIPLEY )  
For Change of Name to )  
DENNIS CARL WOODY )  
Case No. 12937

A Petition by Dennis Carl Woody, born the 11th day of June, 1935, in San Joaquin County, State of California now residing in Moscow, Idaho proposing a name change to Dennis Carl Woody has been filed in the above Court, the reason being: Dennis Carl Woody is the name by which Petitioner has gone by and been known by for the whole of his life. Petitioner has never utilized any name other than Dennis Carl Woody, and under the name of Woody has attended school, contracted debts and obligations and work for the whole of his life. It is by the name of Woody that all his personal and professional associates know the Petitioner. To return now to a name no longer really his own nor ever used by him would be fraught with difficulties and would work inconvenience and embarrassment upon the Petitioner. Hence the Petition to retain and legalize what is in actuality his name, Dennis Carl Woody. Petitioner's father's name is Robert Shipley, and his mother's name is Roberta Woody.

Such Petition will be heard at such time as the Court may appoint, and objections may be filed by any person who can show to the Court a good reason against such change of name.

WITNESS my hand and seal of said Court this 24 day of July, 1975.

### Southwick News

By Jean Brammer

Mr. and Mrs. Given Mustoe called on Mr. and Mrs. George Brocke Sunday afternoon.

Mr. and Mrs. Jim Whittinger and daughters went to Portland Friday and returned Sunday evening.

Weekend guests of Mr. and Mrs. Verlin Benjamin and family were Mr. and Mrs. Dan Wenstrom of Lewiston. Mrs. Gertrude Pederson from Juliaetta joined the family for a Sunday dinner.

Virgil Dygert from Lewiston helped Henry Davis with the farm work last week. Tuesday morning Raymond Dygert and his sister and brother-in-law, Mr. and Mrs. Dale Sanders and family from California visited the Henry Davis family and Virgil.

Mrs. Gladys Whittinger visited Wednesday with Mr. and Mrs. Gus Kruger in Lewiston.

Rowena Davis was in Lewiston from Thursday until Monday babysitting Mrs. Sharon Gregg's baby.

Mr. and Mrs. Ferd Puetz from Lewiston visited Mr. and Mrs. Roy Gertje Saturday morning.

Mr. and Mrs. Darwin Tarry and their guests enjoyed a Sunday picnic dinner in the woods. Their guests

were Mr. and Mrs. T. L. Van Alsdale from California, Mr. and Mrs. Neil Vaughan of Cavendish, Mr. and Mrs. Larry Nielsen from Clarkston, Mr. and Mrs. Charles Hill and Mr. and Mrs. Barney Driscoll from Lewiston.

Mrs. Alice Kenser was a Wednesday evening dinner guest of Rowena Davis.

Mr. and Mrs. Jim Whittinger and daughters Janis and Gina Ray were Wednesday evening dinner guests of Mr. and Mrs. Roy Silflow and family. The dinner was a "welcome home" dinner for Randy who had returned from Europe.

Mr. and Mrs. John Blankenship visited Mr. and Mrs. Bob Gallaway and Robbie at Rainier, Wash., from Thursday till Monday. Before returning home they visited Gus Kruger who is a patient at the St. Joseph's Hospital.

Mr. and Mrs. Arlie Armitage, Nick and Tammy, Mr. and Mrs. Jack Mustoe and Mark, Mr. and Mrs. Tom King, Rachael Reece and Mr. and Mrs. Ernie Brammer and Jolene enjoyed a Sunday of boating and fishing at the Dworshak reservoir.

Peggy Hromadka from Gardnerville, Nevada, and Mary Lynn Roemer and son David from Breckenridge, Colorado, were guests in the home of

### Letters to the Editor...

Juliaetta, Idaho  
31 July, 1975

Editor:

It is certainly a sorry "state of affairs" when city officials represented by its people have their minds made up before the people's voices can be heard.

I am referring to the recent increase of water rates printed in the City Ordinance 195 of Juliaetta, to be effective 1 August 1975.

Two so-called public hearings were held to hear the people's views, opinions, suggestions, etc. A well-representative group of citizens turned out. Both big and small water users.

The first meeting definitely revealed to Mayor Freeman the proposed increased water rates were too great; the people, however, did agree a more moderate jump would be suitable. Consequently, the main outcome of this first meeting was to assemble facts, figures, available data for the people and the Council to understand and determine an acceptable increase to meet water expenses. It was agreed upon to have a comparison of one month's water income on the old rates, with the same month on the new rates. And once all this was prepared (the outline of this budgeting, the comparison of income and outcome for the water systems), a second meeting was to be held.

The second meeting was held. But to the dismay of many citizens, no answers nor presentation was adequate to meet the justification of this new increase. Yes, numbers and figures appeared on a small blackboard in City Hall; and facts (some irrelevant) were disclosed. However, those of us who attended are still baffled at what logic was used to arrive at the present increase.

Perhaps it would have made a difference if the meetings were set up so the City's Water Commission could have run them. At this stage, it looks as if no one will ever know.

Looking back, some of us question why any of the meetings were held. The Council evidently had its mind made up before any public meeting had begun; thus, the people attending really had not say at all. In fact, one of the meetings, a vote was taken (practically unanimous; definitely a large majority) in agreement to a fixed increase of \$4.00 for the first 6,000 gallons rather than the proposed \$4.00 for the first 4,000, obviously, a vote as such meant absolutely nothing. The decision had already been made.

Then a person must turn around and listen to officials remark: "No one ever comes to meetings; no one is interested."

Dear Mayor and City Council of Juliaetta: People are interested! — but not when it means wasting time to deaf ears; and not when a vote is used as a mere pacifier.

I said at one of the meetings and I'll say it again: If people are interested in petitioning these proposed water rates in City Ordinance 195, I will write up the petition and circulate it.

There is no reason why people cannot have a say in decisions that affect them. Let me know if you feel cause to sign the petition against these rates:

**OLD RATE—**  
\$3.50 for first 6,000 gallons; each additional 1,000 gallons is 25 cents.

**NEW RATE—**  
\$4.00 for first 4,000 gallons; each additional 1,000 gallons is 50 cents.

If you are unsure of how this will affect you, I recommend you take some old water bills and convert them to the new rates. Have some foresight: within the next two years, a sewer rate will be included, along with more water usage to the home.

For those interested petitions are available at the Knotty Pine Inn, Ted's Arco Station and Bottom's-Up Tavern.

Carolyn Gravelle  
Juliaetta

Ann Meske Tuesday through Monday. They met while backpacking in the Selway Craggs the previous weekend.

Careless smoking illegal trash burning, children with matches—fire reports constantly list these causes of destructive fires. Millions of dollars of resources go up in smoke because of human carelessness, and you help pay the bill. Be careful.

## Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas mileage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe. That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
