KHS To Raise Athletic Admission Prices

Inflation finally caught up with Kendrick High School athletics this week as the school was forced to raise admission prices for all athletic events. Effective immediately the price for both boys and girls will be \$1.50 for adults (up 25c); \$1.00 for students and 75c for children grade 1 through 6.

All the other schools in the area had made the price increase at the of 58 flue shots were given, sponsored Latah County Deputy John Schultz, beginning of the year. The main reason for the increase was the cost of North Central District Health Dereferees and umpires for the games. Officials now get \$22 per game plus 11c per mile travel.

Principal Bob Heppner, in announcing the increase, said the best buy for local sport fans is the season ticket, which will still be sold at the regular price.

News Items from Juliaetta School

To the Hill & Valley Garden Club:
The Juliaetta Elementary would like to thank the Garden Club for being so interested in our young people, with the Sunflowtr Fair. A special thank you to Rose Ann Holt, Dr. and Mrs. D. A. Christensen, Mrs. Linda Brocke, Patty Silflow and Localed Pail

We were happy to see Janice Jones substitute in the Library last week. Mrs. Gentry was gone due to a death in their family.

Julinetta School Auction Sale
The Elementary School annual Auction Sale will be held Friday evening at 7:30 p.m. Oct. 24, in the Elemen-

tary school gym.

If you have any articles to donate for this sale, we will be most happy to receive them by Thursday, Oct. 23

or Friday, Oct. 24.

Any articles that have a sale value will be appreciated, such as cakes, canned goods, eggs, squash and any garden produce, furniture—anything someone else might be interested in

buying.

If you call the Elementary, 276-3422. we will be happy to pick up the items if you do not have a way of getting them to school.

The money from this sale is used to buy things that otherwise the Elementary School would do without, for the class room and playground.

Under the direction of Mr. Williams, the kindergarten through the 6th grade, will put on a musical program before the sale. There is no admission charge.

Kindergarten

October brings Halloween, and we at the kindergarten are very excited about the coming holiday. We are going to wear costumes on Halloween and the Kendrick High School FHA Club, under the direction of Mrs. Sharon Hoogland, is giving us a party We have much decorating and planning to do.

Mrs. Bowie, our teacher, is back at

Mrs. Bowie, our teacher, is back at school now after being ill. We would like to thank Carolyn Gravelle for teaching us during Mrs. Bowie's absence. We learned many things while she was with us.

This week we are not having French as Mrs. Gravelle could not come to each us. She will came again soon we hope. We worked on writing our names with Shary Silflow this week. Audra Callison's mother, Judy Callison, has also been in to help us.

Last week we went to the grade school to have our pictures taken. Anna Blair's mother, (Marg) Blair, and Brenda Gustafson's mother, Lorrine Gustafson, helped Mrs. Bowie and Carolyn Gravelle get us ready for pictures. We appreciate their help and the help of all our volunteer mothers. We wouldn't do nearly so well without their help.

Some of the things we are studying at the kindergarten now are "Energy from a Good Breakfast," square, rectangle, circle and triangle; Seeds we can eat; and many more things. Each day we write, count and color.

There is much more we could tell you about the kindergarten but we haven't room; so we'll extend an invitation for you to come visit us and see for yourself the many things we do. Fourth Grade

Cindy Hadley is Student of the Week. This week she has brought a caterpillar. Willy, the Bookworm, now has 131

Kelly Campbell is moving in two weeks. We will miss her. Dale Galloway is off to Canada. He will be back in a week.

The class traced their feet and some made people out of them. The 4th grade has a grocery store set up. The name of it is the "Fabulous Fourth Grade Store." Our menus are due on Tuesday.

Halloween has begun to arrive. The class made pictures and posters.

In Math we're studying properties of addition and in Language we're starting direct quotations.

Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas milage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe.

That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
