Hi-ways and bridges. Since the speaker from Moscow Toastmasters club didn't come--we accepted Mr. Nelson's report for the speech which did not come from elsewhere.

Mr. Nelson reported that we paid off bonds in 1946—that is this Latah county. This county has been fortunate to be operating on a cash basis. In the black—not in the redsince 1946.

Interest money this past year was \$4,000 as surplus. Since 1938, the mill levy is less to day than in earlier times. 10 mills for roads or bridges and 1.2 mills for a disaster. Could levy up as high as 14.2 mills, if necessary. Gasoline tax money has increased at 10.5 each year-above

what we had before. The paper work is mostly finished for necessary information on the

tion of the bridge.
No old business—but new business

New Business— President Danielson appointed Marie Scharnhorst, Mercedes Roach and Vivien Herman on a nominating committee for officers for 1976. Mr. Roach felt a building was ne

The President appointed Adrian Nelson and Wayne Roach on a committee to look into the matter of perhaps securing the old Telephone building for the purpose of keeping the barbecue unit and other equipment that are used on annual community day affairs.

Mercedes Roach made a motion to skip the November meeting which would fall on Thanksgiving Day and it was voted that the next meeting ard.

Officers for the 1975-76 year are: 1975. It was decided to spend \$125 for candy for Christmas treats for Genesee children. Delegates from Girls' and Boys' State and their parents will be special guests. The young people will relate their experiences at their respective sessions. Each Auxiliary member is asked to bring two dishes. Rolls, butter, beverages, and table service will be provided.

It was voted that the Unit send \$10 to the Veteran's Gift Table; \$10 to the Cheerbasket Fund, and \$10 to the President's Project. Individual donations will be solicited for the Gift Table, as well. Several ladies volunteered to be hostesses for the coming meetings. #### "Senior Citizen Week Praised

We have a winner in the Senior Citizens Week according to a survey by Lloyd Craig. Most business men and women feel that it is a wonderful thing for the senior citizens in our county and according to one businessman, "it sure doesn't hurt our business either". We feel that the :senior citizens need a little bit of attention and a little help doesn't hurt some of them, either.

And the senior citizen will appreciate this very much. If you didn't know there are about 25 percent senior citizens; 28 percent young people under 21 years of age and 47 missioners from Nez Perce Cunty as enjoyable trip down the Oregon and percent making up the rest of our well as the Lewiston City Council.
