Meske, delivered the sermon, "Everyone Needs Jesus". Duane and Ann sang "Amaz-ing Grace" followed by the choir sing-

ing, "Rejoice-Evermore!".

The three-fold celebration honored Rev. Meske's forty years at Cameron Emmanuel; his birthday; and the couple's wedding anniversary. Meske came to the congregation as a single man in 1935. The following year he married Lillian Sielaff of Ritzville, Wn. During these forty years he also

served Zion Lutheran at Juliaetta. Their children are: Ted, Jr., employed with the State Forestry Dept.; Duane, an elementary teacher in Lew-iston school district; Mary (Mrs. John Abitz) a computer operator in Seattle and Ann, employed at a Lewiston bank. They have three grandchildren.

Pastor Meske loves the outdoors, being an avid gardner. After his retirement from the ministry he hopes to spend time in "them thar hills" with a fishing pole in one hand.

The afternoon's entertainment included the telling of several amusing by Rev. Schnaible—a solo by Duane, 'How Great Thou Art", and group

ON THIS HOLIDAY SEASON...

As this special season is with us, our hearts are filled with the knowledge of the many Blessings God has given us — the wealth of healthy bodies and minds; the companionship and love of our families; the warmth, trust, and respect of our friends; our ability to serve the public and become useful members of our community - and most of all, the precious realization that these gifts come not so much from our own efforts, but from the mercy of God.

We thank you all, with grateful hearts, for the kindness you have shown us this year and can only hope that this Thanksgiving finds each and everyone of you with the gratitude and joy which is ours this season.

Well Tuned Cars SAVE GAS!

It has been proven that a well-tuned conditioned car or truck provides better gas milage. With the energy crunch and high prices, motorists just can't afford to pour dollars out of the exhaust pipe.

That's why we recommend keeping your car or truck in the best mechanical shape at all times. And—we can help with a good tune-up job. Why not drop in or call and set up an appointment? It'll mean savings in money and gasoline.
