The Grange will serve refreshments during the afternoon.

Legislators Agree Vehicle Inspection Stickers May be Voted Out

Both Sen. Claud Judd and Rep. Lester Clemm agreed that Idaho's automobile safety inspection sticker system will probably be voted out this week by the Idaho legislature. Both of the District 7 lawmakers talked to the Gazette this week by phone. Clemm and Judd said the present system is being abused and is not providing the safety guarantees it was intended to furnish. "We're all for safety," Judd said, "but the law just isn't working." Judd said revising the present law would be almost impossible. Clemm added that there may be an attempt to require more thorough safety inspection each time a vehicle changes ownership. Senate Bill 1242 has also passed the Senate this week and would allow independents to run on the ballot as independents. It would also stop a loser in the primary from switching tickets to run as a candidate for another party in the general election. Another bill Clemm predicted passage for was one allowing school district buses to cross county lines. This is especially desirable now that many senior citizen organizations are using and renting school district vehicles to provide transportation. Some school districts have been reluctant to allow buses to be used because of insurance problems. The bill would clear this matter up. Clemm was especially concerned over the passage of HB 487 which would continue the 4-mill property tax at the county level. Last session, because of surplus in the general fund, the state voted to pick up 4 of the 8-mill property tax giving the relief at the county level but still providing enough money to fund needed programs. This year, the surplus does not exist but the 4-mill levy was continued. If the bill passes, Clemm said, a shortage of 6-8 million dollars will occur in the general fund. "This will raise hob with the roads," Clemm predicted. "Thirty million dollars in federal funds could go down the drain," he added because of lack of matching funds from the state. He also said the re-routing of Lewiston Hill would be affected. Both Judd and Clemm had been present at the Jefferson-Jackson dinner held in Boise last week at which Sen. Frank Church was principal speaker. They were high in praise of Church and optimistic of his efforts to seek the presidential nomination.

District 7 Democrats Urged to Attend Meeting At Orofino March 16

"Democrats residing in Legislative District No. 7 are invited to help choose the next President of the United States," said District chairman George Brocke, Jr. in Kendrick this week. A meeting will be held at 8:00 p.m. on March 16 to elect delegates to the Democratic State Convention. The meeting will be held at Orofino Jr. High school gymnasium at Orofino. Delegates selected at the March 16 meeting will in turn select delegates to the Democratic National Convention to be held in New York City, July 12, 13, 14 and 15. The only requirements for participation are to be a Democrat and to be a qualified voter of Legislative District No. 7. It is not necessary to be a party official and no fee of any sort is required. The boundaries of District No. 7 are all of Clearwater county, precincts of Bovill, Deary, Troy, Bear Creek, Landon, Juliaetta and Kendrick in Latah County and precincts of Leland, Spalding, Rimrock, Hatwai, No. Lewiston, Orchard No. 11 and Orchard No. 12 and Lewiston No. 6 in Nez Perce County. "Those persons who wish to be a delegate to the State or National Convention must be present at the March 16 meeting," Brocke cautioned. "The National Democratic Party and our Idaho Party have made every effort to encourage all Democrats to be actively involved in the important decisions of their party. This is another instance of our Party being open and available to all Democrats, not just a selected few," Brocke added. For more information, Democrats should call George Brocke, Jr., at Kendrick 289-4231.

Genesee Stays Unbeaten In District Tournament; Potlatch Upset KHS Tigers

Genesee's Bulldogs lived up to their ratings by coming through the first round action of the District 2 A-3 basketball tourney at Lewiston with two victories. Kendrick won its first game last week but were upset Monday night by Potlatch and dropped into the loser's bracket, although the chance for a trip to the state still exists. In the opening round of the tournament last Tuesday night, Kamiah disposed of Prairie 41-28 in the first game but Genesee had to rally in the second half to defeat a determined Clearwater Valley team 51-48. Wednesday night Potlatch closed strong to defeat Timberline 46-44 in the 7:00 o'clock game and then Kendrick edged out Lapwai 42-39. Thursday night Prairie eliminated Clearwater Valley with a 63-50 win and Genesee squeaked by Kamiah 43-42 on the strength of a last second shot. The tournament broke Friday and Saturday nights and action resumed Monday night with Potlatch scoring a 46-42 win over a listless Kendrick squad and Timberline eliminating Lapwai 58-37. Tuesday night Kendrick must meet Prairie in the loser's bracket to see who continues and who falls. Timberline and Kamiah meet in the 9 o'clock game for survival. Genesee will meet Potlatch Wednesday night in the winners bracket and winners from the Kendrick-Prairie, Kamiah-Timberline games clash. CV Rough Genesee found out that last place Clearwater Valley was no push-over in the opening round of play last Tuesday night as the Genesee team had to come back from a first-half deficit to win 51-46. Clearwater Valley opened fast against the Bulldogs and were ahead 14-13 at the end of the first quarter and 28-22 at the half. Don Smith came off the bench for an injured Al Coulter and helped spark the Bulldogs to a 38-37 lead at the end of the third quarter. In the final period of play the Bulldogs pulled away by four points to finally down the Rams. Coach Kanikkeberg got a balanced scoring effort with Dan Stout's 13 points high and Aherin, Bennett and Smith all getting 10 each and Doug Green adding 8. Tigers Over Wildcats Kendrick, the league's second place team, had no easy time against the Lapwai Wildcats Wednesday night, as the locals had to use the height and strength of sophomore Tim Eichner and his 20-point effort to get by LHS 42-39. The Wildcats took an 8-5 first quarter lead and continued to outscore the faltering Tigers through much of the second quarter, leading 20-19 at the half. Coach Bill LaMunyan gave his boys the word in the dressing room at half-time and the Tigers came out strong with Eichner leading the way to outscore the Wildcats 11-6 in the third period. Kendrick used that third period bulge as a margin of victory and held on in the final period against a fast closing to win 42-39. Eichner's 20 points led all scorers with Mike Boe getting 9, Doug Lohman 5 and Earl Lawrence and Jason Meyer 4 each. Genesee In a Thriller Doug Green made only 3 points against the Kamiah Kubs Thursday night and his only field goal of the game came in the last two seconds of play, but it was just what the Bulldogs needed to put them ahead and win 43-42 in the thriller of the tournament. Doug's shot was a swishing 30-footer that sent Genesee supporters into a frenzy of happiness. Genesee took over easily in the first quarter and had a comfortable 12-6 lead at the end of the first period and a 19-12 halftime advantage. Then in the third period the Kubs rallied sharply, tied the score and with just four minutes left in the game led by a 38-30 margin. Dan Stout hit a field goal and made a free throw to cut the margin to 38-33. With 2:45 on the clock Kamiah was leading 42-35 but Pat Aherin hit two quick baskets to make it 42-39. Kamiah was desperately trying to stall but Young was called for an offensive foul with 22 seconds remaining and Aherin hit another basket and brought Genesee to within a single point, 42-41. Kamiah again tried to stall out the remaining 22 seconds and missed two free throws on the way, then with just 8 seconds remaining Genesee got the ball back and Doug Green took it over the ten-second line, glanced at the clock, and from 30 feet away, dropped in the winning shot. Stout had 13 points, Aherin 12, Bennett 9, Coulter 6 and Green 3. Tigers Tripped Potlatch, beaten by Kendrick twice during the regular season, came back Monday night and extracted a measure of revenge by knocking the Tigers into the loser's bracket with a 46-42 victory over the home team. Kendrick fell behind early in the game and never recovered as the Loggers kept the pressure on and kept the Tigers off balance. Kendrick was always within striking distance and the game was close but the Tigers just couldn't get the spark to catch up. Potlatch held a 23-20 half-time lead. Kendrick was down only two points in the final seconds of the game before Potlatch cracked a full court press to make a easy lay-in. Hutcherson scored 13 points, Lawrence had 11, Lohman and Boe each got 8 and Eichner, who was double-teamed most of the night, managed just 2. Coach Bill LaMunyan's KHS Tigers bounced back Tuesday night to defeat the Prairie Pirates 50-38 and keep their tournament hopes alive. Kendrick used a big second half to score the win. Mike Boe had 16 points for the winner and Earl Lawrence 12. Kendrick meets Kamiah at 7:00 Wednesday night and Genesee plays Potlatch at 9:00.

Plans Made For Legion Birthday Dinner March 21

The Legion Auxiliary met Wednesday, February 25, at the home of Mrs. Dick Scharnhorst. Mrs. Everet Wishard was co-hostess. Eleven members were present for the business meeting. Mrs. Laverne Anderson presided.

It was voted to send \$5 to the Dist. president for her project. She wishes to place a notice board at State Hospital North. A project for Jr. Miss will be more thoroughly discussed at the next meeting. Several dates were set. The annual birthday dinner was set for March 21st, at 5:30 at the Legion Building. The evening will begin with a social hour, with dinner following. All attending are asked to bring a main dish and a side dish. Coffee, rolls, butter, and dessert will be furnished. All Auxiliary members and their families and Legion members and their families are invited to attend.

The group is invited to the Moscow Post's birthday dinner on March 13th at the Legion Cabin in Moscow. A social hour will begin at 6 with dinner at 7. Ralph Koster is Commander of the Moscow group. Reservations should be made by March 3rd with Commander Koster at Delta Ford in Moscow, or with Mrs. Anderson, Genesee. The Genesee Post and Unit are invited to a Bicentennial Tea in Lewiston on Sunday, March 28th at 2 p. m. in the Legion Home Lewiston. Bicentennial costumes may be worn. Genesee will furnish 5 dozen cookies. Anyone wishing to attend is asked to contact Mrs. Anderson.

The March meeting of the Auxiliary will be March 17th. Mrs. Tom Boyd and Mrs. Don Bennett will be hostesses. Following the business meeting on Wednesday several junior girls were guests of the Auxiliary. Last year's Girls' State delegates, Melissa Becker and Karen Iverson accompanied them. Mrs. Ray Stout, co-chairwoman of Girls' State for the Unit introduced the girls. Following their part in the program, refreshments were served. Two girls from Genesee will be selected to attend Girls' State in June. The Auxiliary wishes to thank all the young ladies who attended the meeting.

Flu—several mild cases of the flu have kept area folks close to home the past few weeks. Everyone seems to be on the mend, including Mike Funke, Spokane, son of Mr. and Mrs. Fred Funke, who underwent emergency surgery twice. The first, on Feb. 7 was for a ruptured appendix. Showing no improvement, he had another operation a week later to remove infection from the appendix area. Improvement began immediately, and Mike is recuperating at home. When he is able, he and his wife plan a visit to his parents.

Other Items — A dinner to celebrate mid-winter birthday anniversary of the Smith family was held Feb. 22 at the home of Mrs. Eva Daniels at Julietta, with 23 attending.

Hill and Valley Garden Club Plans for Events

The February meeting of Hill & Valley Garden Club found 22 members and one guest present.

During the business meeting an invitation from Troy Garden Club to attend the Plant Party March 8 was accepted.

Civics Concerns Chairman Joyce Brammer presented a tentative plan for beautification of our community for this bi-centennial year.

Barbara Hepler, Flower Show chairman, said the "Legend of the Camas Diggers" was the title for the Flower Show, Locust Blossom Day. These are not to exceed 18"x24" and does not need to be framed. She explained that a collage is a design of various materials fastened to a background, a type of assemblage. It should include some plant material, either living or dried.

And of course, no artificial flower in any standard show. She also reported that hanging plants will be included in the show.

There will be a film on "Colonial Gardens" at the March 24 meeting at 2 p.m. Ladies of the community are invited to attend. There will also be a Chinese Auction—members are to bring items for this.

It was announced there will be a standard flower show at the Asotin County Fair April 22. Anyone wishing more information contact the Clarkston Garden Club.

Agatha Perkins presented an excellent program on cacti. She found that cactus is native to the North American continent—200 species have been identified. They can live for long periods without water. Many of them make very satisfactory houseplants. They are disease resistant, few pests bug them and they require little attention. The soft cacti such as Thanksgiving and Christmas, come from the tropic and need more moisture than the desert type.

There were several Cacti on display for this program.

Delicious refreshments were served by the hostess, Mrs. Oscar Slind.

Fund Raising Party for Senior Church March 5

March 2 — The Legislative District 5 Church for President Committee will sponsor a wine tasting party on Friday, March 5 to raise funds for Senator Frank Church's presidential bid, according to Sue Hovey, chairwoman of the fund raiser.

The event will be held from 7:30 to 10:00 p. m. at St. Augustine's Center on the University of Idaho Campus, and will feature four wines for tasting, in addition to cheeses and crackers. Musical entertainment has also been planned.

According to Mrs. Hovey, the \$3 admission charge will be sent to the National Church for President Committee. She is also seeking volunteers to assist locally in Church's campaign, and sign up sheets for this purpose will be available at the fund raising event. Various papers and literature on the Senators positions and background will also be available.

Al Rouyer, Legislative District 5 Church for President coordinator, indicated that the wine tasting party is the first in a series of activities scheduled before the May 25 primary in Idaho. His committee, which has been meeting for over a month, is also gathering names of persons interested in being Church delegates to the district caucus and State Democratic Convention.

Senior Citizen Bus Run To Moscow, March 9

The Senior Citizen's Rural Transportation Bus Service to Moscow will be on schedule next Tuesday, Mar. 9. A change in the personnel occurred recently when Ruth Hoffman resigned as informational and referral correspondent from Kendrick. Ross Armitage will take her place until further notice. We are sorry to lose Ruth, but other duties will take up all her time. Thanks, Ruth, for a job well done.

Anyone wanting reservations on the bus at future dates should call Ross Armitage. He is the bus driver for the Moscow bus and will take all calls from now on—his number is 289-5371 or Lillian Pitkin of Troy, whose number is 835-4661—otherwise, all else will remain the same.

All our bus contracts have been signed for another year from this area, assuring us of continued service. We hope you will take advantage of it — Lloyd Craig.

Mrs. Carl Paul Visited V. F. W. Auxiliary

Mrs. Carl Paul, District 2 president of Ladies Auxiliary to V. F. W. made her official visit to Baker Lind Auxiliary 3013 January 12th.

In her talk to the Auxiliary, she urged all members to write their representatives and senators concerning veterans legislation and veterans rights—most especially about pension funds, burial rights, commissaries that are closing and lack of increases to aid in education.

She ask all auxiliaries to do a special program in observance of bi-centennial week April 1-May 1.

Mrs. Paul also told of Dept. President Linda Banghart's special chapel project at the V. A. hospital in Boise. She urged members to take advantage of the bi-centennial post cards sent out by National Headquarters. Also a greeting card project in Department needs support. Mrs. Paul had copies of the original Declaration of Independence. These may be purchased from her at any time.

During the business meeting it was announced that a members and guest party will be held Feb. 21. District 2 meeting will be March 20 at Moscow—luncheon at noon.

TRIBUTE TO THE MULE

By Bud Adamson

A mule is an animal with big, long ears, He's got a lot of doubts and a lot of fears.

He was born to his mother in good green grass; His father was just an old jackass.

When I was a kid and went to school I either walked or rode a mule Not too fast, just sort of slow— That was the speed that mule would go.

So many things she knew just how For days, he pulled the walking plow As I think back through all those years, Those plow handles reaching about my ears.

We got up early—don't be late For mother's hotcakes were on my plate. This is the way it was it seems somehow, I was just born for a walking plow.

As I grew tall and a little older Those handles reached about my shoulder. Dad would say, "Now hurry up son, You have to get that field work done!"

I would watch the squirrels dig a furrow But it seemed to me an awful long burrow. I sure was lucky to be out of school So I could spend my vacation behind that mule.

Mules are no good some people say Dumb of things, that just eat hay As I think back through all the years There was a lot of brains between those ears.

From all this time that was spent in school Who learned the most? As in the rule— It was that mule!

He worked so hard from sun to sun Helping get the harvest done After all of this, as sure as sin He had to put the fall crop in.

I guess that I wasn't so very smart For now it's time for school to start This is how it was — you might just grin That mule and I were together again.

Home from school was another lark Getting the milk cows, before it got dark Then I'd put my mule away Milk the cows and fed them hay —

A senior citizens program was planned for April. Date to be set later.

At the close of the meeting, salad, sandwiches and coffee were served.

tomorrow is just another day.

Coal oil lamp would light the place And sort-of flicker across our faces. We never had a TV play It was before we had the REA.

They talk about those good ol' days The real long hours; the farmers ways I like it best, like things are now To heck with mules and walking plows.

Type A -Victoria Flu In Boise

A case of the Type A/Victoria flu in Boise has been confirmed in laboratory tests, the Idaho Department of Health and Welfare reported today. This flu can be serious, especially for young children and older adults. Dr. Fritz R. Dixon, chief of the department's Bureau of Preventive Medicine, said that while there have been reports of high absenteeism in schools and businesses, until now no confined case of the type A influenza virus which is prevalent on the east coast and elsewhere in the U. S.

The confirmed case was found in an elementary school student in the Boise Independent School District in a school which has reported a 25% absenteeism rate.

Dixon said onset of the flu is usually rapid, from 24 to 72 hours after contact. It is characterized by chills, sore throat, fever greater than 101 degrees, a lower backache and aching legs.

The preventive medicine chief said from all indications, it is fairly wide spread in Idaho and may be present for sometime. There is no specific treatment once a person has contracted the disease but previous inoculation may afford a person some protection.

Dixon also reported measles is now considered epidemic in southern Idaho. Since the outbreak in Twin Falls county in December, 315 cases have been reported to Health and Welfare.

The epidemic is occurring primarily in Ada, Canyon, Gooding and Twin Falls counties but health officials fear it may continue to spread to other areas of the state. During the same period a year ago, only 3 cases of measles were reported and only 58 cases were reported for the entire year of 1975.

Dixon urged parents to determine whether their children between the ages of one and 12 have been protected against measles. If a child has not been protected or if the parent is not sure, the family physician or local district health department should be contacted and the child should be vaccinated.

Dixon stressed that measles, while considered by many to be a harmless childhood disease, is the most serious childhood disease and can lead to serious complication or even death. "It is evident," he said, "that immunization levels among children in many areas of Idaho are not high enough to prevent the spread of the disease."

70 Students Help 'Send'

The 70 student volunteers for the Scholarship Endowment National Drive (SEND) at the U/I have brought in \$15,700 in pledges, according to the first progress report on the campaign which began February 13.

The total is based on 205 pledges from 19 of the 55 groups living on campus and is 40 per cent of the \$40,000 goal SEND hopes to reach by March 12.

The pledges towards that goal come from students who will pay the promised amount following graduation. After the student drive is completed, volunteers will seek cash contributions from the university's faculty and staff as well as the Moscow community.

Chairman Kenton Bird said, "The best selling job we can do is on a one-to-one basis." He said SEND coordinators have been selected to canvass every student group living on campus those living off campus and special student groups.

To help circulate SEND's message on and off campus, Blue Key honorary is staffing a SEND information table in the lobby of the Student Union Building to make student pledge cards and information available.

Six area directors coordinating student campaign efforts include: Eva Wilken, women's dormitories coordinator and a freshman home economics major, and Dave Wilken, Delta Tau Delta, assistant fraternity coordinator and a senior agriculture major. They are the daughter and son of Mr. and Mrs. Kenneth G. Wilken of Kendrick.

Students serving on the campaign steering committee include: Karen Ingle, a sophomore general studies major and daughter of Mr. and Mrs. Jerry J. Ingle, Kendrick. Jiorerok p uunzig

Fraternity SEND representatives include Mark Mustoe, Pi Kappa Alpha, a freshman agriculture major and son of Jack D. Mustoe, and Steve Eichner, Sigma Nu, a sophomore agriculture major and son of Mr. and Mrs. Donald H. Eichner, both of Kendrick.

Two Geese Equals Spring

By Royce Williams
Idaho Dept. of Fish and Game

Spring cannot be far off.

Already, Canada geese are showing signs of pairing off for nesting. For Idaho it is the first sign of warmer weather.

The sight of two honkers cruising the Boise River this week was a welcome sign. It took the chill out of a storm that dumped snow, rattled windows with wind and even dropped some hail.

By the end of February in normal years, Idaho's honkers will be heading for Canadian water from the northern part of the state. In southern Idaho, geese that stay in the state year-round are beginning to pick a spot for a nest.

In the main Snake River drainage, incubation of eggs will begin in March, and three to six goslings will leave the down-filled nest before the end of April.

Although enough goslings hatch, both in Idaho and farther north, to give Idaho a goose harvest in the fall that runs into thousands, nesting is not without its problems.

Water is both the Canada goose's need and nemesis. The 8 to 10 pound birds select islands in rivers and reservoirs or sometimes trees and cliffs for nest spots.

If the nest is built during low water, it may be washed away later when spring runoff raises the water level. If the water stays low through-

duction. The six-week, non-credit course will meet at 7-9:30 p. m. on Monday and Wednesday evenings, starting March 22, in the UI Agricultural Science Building room 141. Pre-registration begins March 1. Cost for the course is \$15, and enrollment is restricted to 20 students.

Russell, an experienced beekeeper, is currently a graduate student in entomology at the university. He will discuss topics ranging from beekeeping equipment to bee behavior, bee hazards to honey plants.

Russell also recommends a new, gentle strain of honeybee that is hardworking and can easily be kept in the backyard. Individuals wishing to order bees now so that they can have honey this summer may call Russell at 885-6595 or the Office of Continuing Education at 885-6488 on ordering bees.

Details on registration are also available at the continuing education office located in room 112 of the Guest Residence Center on Blake St.

Mrs. Pearl Turner, 55 Passes In Yakima

Mrs. Pearl D. Turner, 55, of 713 S. 3rd Ave., Yakima, died Sunday in New Valley Osteopathic hospital.

Born in Leland, Idaho, she lived at Kendrick, Kellogg and Lewiston, Idaho and Pasco before moving to Yakima in 1963. She and her husband, Phil Turner, managed Western Fuel of Yakima for 12 years until it was sold in 1975.

She was a member of the Women of the Moose Lodge No. 521.

She is survived by her husband; two sons, James of Phoenix, Ariz. and Donald of Yakima; a brother, Philip E. Daugherty of Yakima; two sisters, Mrs. J. F. (Phyllis) Candler and Mrs. V. N. (Audrey) Larsen, both of

Mt. Home, Idaho, and numerous nieces and nephews. Shaw and Sons, of Yakima, were in charge of arrangements.

What does it cost
to build a new school
or fix the streets
in your town?

The public has a right to know what it costs to build or improve a street or building in your town. Your local newspaper is the publication where you find that information.

For centuries, people have recognized the right of the community and of the individual to be put on notice.

Many citizens don't understand what a legal notice is, or why they're printed in your local newspaper. Many people don't read them until it's too late.

Legal notices keep a citizen informed on all school, city and county action by official

bodies. Legal notices also give a citizen an opportunity to do something about some proposed action that may affect his rights.

Your local newspaper is a long established medium for such notices as provided by law or by official designation. And, it's one of the many public services provided by this newspaper.

NEWSPAPERS DELIVER THE LOCAL STORY.

News Items from Juliaetta School

Magazines Selling Well—

The 5th and 6th grade are doing well with their magazine sale. Students may take any magazine subscriptions or renewals. If it is a renewal the student must get the name tag from the magazine you are renewing. This is to make sure you do not get two magazines a month. The 6th grade have brought in the most subscriptions so far.

The magazine sale will end Monday, March 8. We thank everyone who has saved their magazine subs

for the school.

All school lunch bills are now due.

Library News—

We have just received some new Bicentennial Posters of the famous patriots, statesmen, spirited women and spirited events. They're really interesting!

We're also viewing some films, on trial, that explain 4 types of government—*anarchy, totalitarian, monarchy and democracy*—these are very good and really explain clearly these 4 types of government. They're for the 4th to 6th grades.

Last week we received 5 new sport books which are in circulation and apparently being enjoyed.

Come and visit our library any time and see what good books we have.

Supplemental Reading—

There will be another meeting of the Parent-Advisory Council Wednesday, March 3. The meeting will be held in the Reading - Resource room at the elementary school at 7:30 p.m.

Again let me stress the importance of your attendance as well as your interest and support in the program. Let's show how much you care by attending!

The school year is speeding rapidly by! There are 13 weeks of school left, which means we are going to have to work even harder from now until we do our spring testing.

Parent-Teacher conferences will soon be here also, probably the last week of March.

Evidence of "spring fever" is beginning to make its annual appearance in school. Sorry to report it affects teachers as well as students.

Fourth Grade News—

Scott Gustafson is Student of the Week this week.

All of the fourth graders took scrap paper, tore shapes and glued them on a colored background for art.

Vicki Renfrows birthday is on the fourteenth. She is also the only one who got 12 out of 12 in the spelling test.

Team I in the Clown Contest is catching up with Team II. Now the score is 8-9. Willy the Bookworm grew 11 more circles.

We received a new Owl clock whose eyes show the times.

The new March bulletin boards, name tags and smile chart are up.

Reporters: Jim Bailey and Wayne Deeds.

Fifth Grade News—

This week we had a social studies test. It was about Lewis and Clark's expedition, the Louisiana Purchase and many other things.

In health we are studying the digestion of food.

In Art we are making marionettes. We have just made and put them together. We are making clothes for them.

We have had some science experiments. Donnie and Corey did one about light in and out of a house. Charlene and Shannon did one on the sense of taste.

In math we have just finished Geometry and are now starting fractions. Reporters: Charlene Parks and Shannon Ruark.

Sixth Grade News—

Howdy.

In math we are studying decimals. We are working with greater than and less than signs.

In language we are working with adjectives. We are having problems with them.

In Health we're on Chapter 8—Germ and the Human Body.

In Science we are doing our experiments. We had a science test on Friday and some people have to take it over.

The sixth grade magazine sales are coming along fine. It ends Monday.

In Spelling we are on Unit 22, working with Homonyms.

We are working with our Imagine and Write work books. It's fun if you have a big imagination.

We are working in our Table and Graph work books, too. We are on Page 7.

Our fantastic cooks gave us 5 work sheets on what kinds of foods there are.

We have a new student in our class. His name is Mike Guant. He comes from Minnesota.

Mr. Manfuli has changed our cur-
