### Dr. Leroy Gilge Named Visiting Research Advisor

Dr. Leroy Gilge, O. D., a former resident of Genesee has been named 100 a Visiting Research Advisor at the 100 Pacific University College of Opto102 metry. He is a 1971 Optometry 29 graduate of Pacific University, Forest Grove, Oregon and is now in practice in Silverton, Oregon.

Three fourth year optometry students, Gilge, and a member of the Pacific faculty, Dr. Robert L. Yolton are working on a project designed to measure a person's color vision by recording tiny electrical signals from

The measurement of these signals which is referred to as Visual Evoked Response (VER) recording, requires the use of the very elaborate computer system in the College of Optometry. This computer system is also being used to evaluate the use of VER recording for measuring the power of lenses required in spectacles and for use in detecting visual abnormalities and pathological conditions.

Leroy is a son of Mr. and Mrs. Clarence Gilge.

### YOUR CAR NEEDS HELP-

Winter driving is rough on any vehicle — proper service and repair is necssary to prevent unwarranted wear. And when the winter driving is over, it is a good policy to have your car or truck checked over to insure it will operate at its most efficient during the coming rigors of Spring and Summer driving.
