Marjorie Eldridge was tner, Velma Benjamin, Millie Corkill, Delores Heimgartner, Vera Hutchison, Ruth White, Jo Benscoter, Hoilie Stevens and Heidi Zum-hofe. Little Marylou Grosclose couldn't attend at that late hour so her outfit and picture was displayed by Marie Fey and Nell Heimgarner.

C. W. A. Ruth White presented each contestant and model with gift of appreciation.

Greg Fisher of the Soil Conservation Service of Moscow presented slides and spoke on his Five Point program for erosion and sediment

control. The five points are: To eliminate summer fallow; 2. minimum tillage; 3. contour seeding; 4. Divided slopes, 5. critical area seed-Mr. Fisher stated 105 tons per ac-

re of top soil was being lost annually on some fields and they are striving to reduce this amount to 5 to 10 tons per acre. Top soil that is washed away is a great loss. His dides and talk were excellent very ably depicting the situation and suggested remedy. It was very interesting and informative. The next meeting will be held on

Tuesday, May 18th at 8 p. m. at the Grange Hall, beginning with a program of slides and explanation on Solid Waste Program in Latah county to which all interested public is invited. This will be presented by Dave Mitchell of Moscow in the absence of Dana Morse, solid waste coordinator of Latah county who will

YOUR CAR NEEDS HELP-

Winter driving is rough on any vehicle — proper service and repair is necssary to prevent unwarranted wear. And when the winter driving is over, it is a good policy to have your car or truck checked over to insure it will operate at its most efficient during the coming rigors of Spring and Summer driving.
