

**IT HAPPENED
WAY BACK WHEN**

Gonzales News 50 Years Ago

7th and 8th grade news: Pearl Springer and John Hickman are editors of The Echo this week.

The pupils of this room took the Monroe Standardized Silent Reading tests this week.

Miss Louise Herman, who has been ill in the Gritman hospital for some time is able to be moved to the home of her aunt, Mrs. Frank Slater in Mabelle Ave., Moscow.

Pine Grove: Roy Sweet, Blaine Sams, Chester Sams and two Julietta parties have gone on a hunting trip to Big Island.—Sunday was an eventful day for Sunday school people of Pine Grove. There were some 40 present. After the lesson there was a pick-up lunch besides a special treat for the Sunday school people and a good time was enjoyed by all.

W. E. English has decided to open a dry goods, furnishings and shoe store at Sprague, Wash. and the family is preparing to move to that place the first of the week.

Misses Edna and Martha Grieser gave a party in the form of a miscellaneous shower in honor of Mr. and Mrs. Jack Harris last Sunday eve.

Frank Jones, Al Snowden, Fred Miller and Bob Wardrobe left Thursday for the Priest Lake section of the country on a deer hunt—and when Frank goes after anything he generally gets it.

Little Glenn Osmundson, who had recently been so seriously ill, is again able to be out. While still weak, he is getting along nicely and will soon be himself again.

Mrs. Arthur Hampton returned Tuesday from Spokane where she recently underwent an operation.

Cliff Lumt, Harold Hallman and Dempsey Smith left Tuesday of this week for an auto trip to California.

Ed Vanouck and Sam Uin, returned Thursday from a 32-day visit at Wetaskiwin, Alberta.

Fred Have arrived Wednesday from Longview, Wash. for a 10-day visit with his parents, Mr. and Mrs. John Have.

Kendrick Gazette
October 31, 1946

Leland school news: Miss Nellie Buchler, county supt., visited our school on Tuesday. Mrs. Roy Craig visited in the primary and intermediate rooms on Friday.

Mrs. Herman Meyer and Loeda visited school Monday morning and enjoyed with us the showing of "The Northeastern States" and "Alcohol."

Those attending the community concert in Lewiston Monday were Mr. and Mrs. Roy Long, Dick and David Coulter, Danny Crocker, Dr. and Mrs. G. W. McKeever and Choe Beverly and Marilyn Schupfer, Wilma and Marybeth Benscoter, Mrs. W. L. McCreary and Patty and Jane Brown.

Quentin Perryman of Logansport, Ind., arrived Wednesday to spend some time with his mother, Mrs. Eva Perryman and other relatives.

U. I. Moscow—James M. Lyle, newly designated secretary of the U. I. Alumni Association, prepared today to take over the major job of reorganizing the office, which was a war casualty.

Beans—Thursday, Friday and Saturday were three of the busiest days seen in Kendrick for a long time, for Wednesday night at midnight the OPA bean ceiling and its attendant regulations died. Thursday morning the bean buyers began arriving and bids ebbed and flowed as the farmers came into town with a monetary gleam in their eyes and bean tickets in their pockets. Top price (of which we have learned) was reached at \$14.00 per 100 lbs.

Little precautions prevent big forest fires. Please observe all fire rules and help keep Idaho green and beautiful.

Working without a pension plan?

Learn about IRA!

Now working people not currently covered by a pension plan can invest in a tax-deductible and tax-deferred Individual Retirement Annuity (IRA).

IDAHO DEPT. OF EMPLOYMENT

Sixteen Latah County workers were placed on jobs during election week by the Moscow Office of the Idaho Department of Employment. Frank Hartstein, Moscow office manager said this was an increase from the previous week's 12 placements, and also more than the 11 workers given job help during the same week a year ago. At the end of the week 9 jobs were still open. Included among those were opportunities for a qualified enumerator, salesman, secretary and a kitchen helper.

Hartstein's report indicated that 29 workers filed new claims for unemployment insurance during the week, an increase from the preceding week, but below the figure of 86 called for the first week in November 1975. The total number of persons seeking jobless benefits now stands at 316, up from 289 last week but quite a few showed fewer idle now than a year ago, but most showed slight increase over the previous week. In the immediate Moscow area, the total is now 185 compared with 167 last week but down from last year's 233. In the eastern part of the county the current figure is 63, last week it was 59 and a year ago more than double the current figure at 147. 38 checks are going into the Potlatch area compared with 24 last week and 75 last year. At Gonzales the figures are 19, 18 and 10, while the Kendrick area the totals are 11, 11, and 8. With the approach of winter weather, Hartstein said, it is expected that the number of idle workers will increase. He felt that the total number would soon approach the figures reported for a year ago, but that the discontinuance of some of the extended programs would keep the total figure lower.

**COMMISSION TO SET
BIG GAME OPENING**

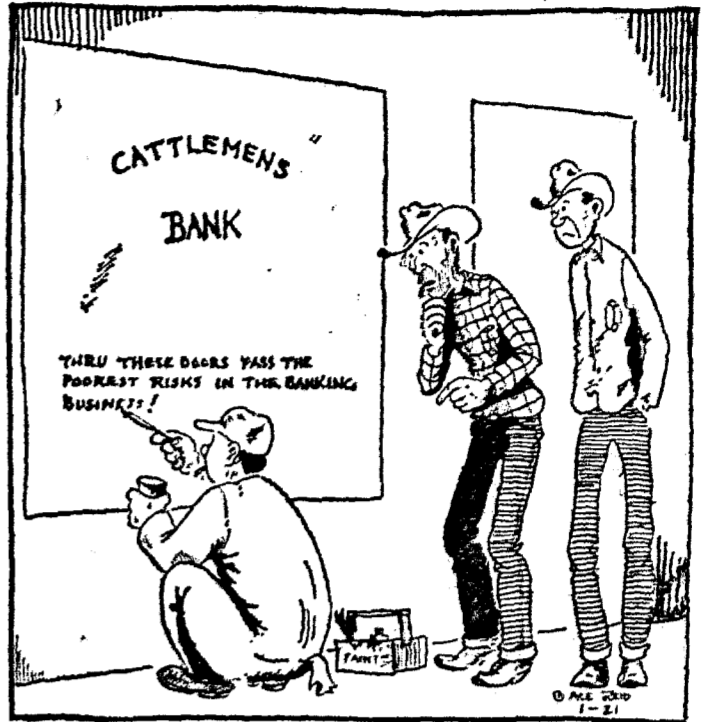

To let hunters know earlier what to expect next year on big game season openers, the Fish and Game Commission has set a meeting in Boise on December 7-8.

In the past, the meeting to set opening dates for big game seasons has been held in January.

The meeting has been scheduled this year in Boise with a public hearing during the afternoon of the first day of the 2-day meeting.

The Kendrick School
'Principal's Corner'
 By Bill Tracy

Solutions for Elementary Needs—

Last year an Elementary Needs Assessment Study was completed in the Kendrick School District to determine what areas in our Elementary School need improvement the most. Through extensive opinion polling, prioritizing, and fact findings, the Needs Assessment Committees indicated the following needs most important:

1. Stress Basic Math Skills.
2. More emphasis on Communication Skills.
3. More emphasis on Basic Reading Skills.

Other areas of concern were listed, but the above needs were considered most critical. Other areas of concern were listed but the above needs were considered most critical. The Elementary Staff and I are now in the process of seeking solutions to meet these needs as expressed by the community. We will work out a comprehensive, detailed plan for resolving the needs as well as an evaluation plan to determine how well we accomplished or are accomplishing our objectives. I will report more details later this fall.

Foreign Student for Kendrick?
 Does any family in our District wish to receive an exchange student from a foreign country? International Fellowship of New York has asked me that question. They have foreign students who want to come here and study for periods of 3 months, some for 6 months, and some for 9 months.

The American family's cost for participating would be the student's room and board. I know that this would be a great experience for any family and it would also be a good thing for our school and the entire community to have a foreign student visit us for awhile.

Remedial Reading Workshop—
 The teaching staff in our District decided at the beginning of the year to work very hard to improve the reading skills of our students. Secondary teachers find it especially difficult to help individual students with their reading problems while trying to instruct an entire class in an academic subject. Most secondary teachers are not trained to teach reading which is a handicapping factor.

Twelve staff members have indicated that they would like to take a Remedial Reading Workshop to help them work with students that have reading difficulties. Therefore, I have made arrangements to have a Remedial Reading Workshop offered this fall at Kendrick through Lewis-Clark State College. I would also like to invite parents and other interested persons to sign up for the class. Contact me for dates and cost.

High School Students Very Affectionate—
 We have a very lovable group of kids in our High School, but some students insist on displaying their affections in public more liberally than others. It may be that I'm from the old school of thought, but I feel

there is a time and place for everything. During school is not the time nor the place for students to make out. Kissing and overly affectionate embraces are not acceptable behavior at school. We have many impressionable Junior High Students in the building who really don't need this kind of exposure. The worst offenders have been counseled and have been repeatedly cautioned. Things are a little better but the problem still exists. At this point, I feel sterner action is necessary and would very much like the parents' cooperation to help improve the school atmosphere at Kendrick.

BLOOD PRESSURE SCREENING CLINIC NOV. 16
 On Tuesday, Nov. 16, the blood pressure screening clinic will be held from 10 a. m. to 12 at the Kendrick Firehall and at Johnson Manor in Juliaetta from 1:30 to 3:30. This monthly service is sponsored by the Latah County Health Unit.

YOUR CAR NEEDS HELP.
 Winter driving is rough on any vehicle — proper service and repair is necessary to prevent unwarranted wear. And when the winter driving is over, it is a good policy to have your car or truck checked over to insure it will operate at its most efficient during the coming rigors of Spring and Summer driving.
