A Christmas Poem From Years Gone By

As the Christmas season approached, Art Johns recalled this small child's poem from out of his memory, jotted it down and brought it into the Gazette office. It's an old poem, but the truth is still there.

This poem was recited by Adrian Johns in 1920 at a Christmas program.

My Paw
My Paw says when he was a boy
All he got was just one toy.
A sling shot or a pop gun when
Twas Christmas that lived then
He said, Santa did not buy out a
whole toy store,
And go in debt for a year or more
To give to the girls and boys
A whole room full of toys.
But he real glad he lives with us.

Tigers Lose To Lapwai; Top Clearwater Valley

Kendrick's Tiger basketball team won and lost before taking a holiday break. December 19, the Lapwai Wildcats came to town and edged the Tigers 53-47. Saturday night the Tigers went to Kootenai and took a 45-32 victory over the cold-shooting Rams from Clearwater Valley.

In the Lapwai game, three Tigers were in the double figures, Doug Lehman with 15, Tim Eichner with 12 and Doug Siffow 12, but it wasn't enough to overcome the Wildcats. Rob Maynard had 6, Ron Maynard 2, Tony Snyder 2 and Jason Meyer 2.

After the 6-6 first quarter tie Kendrick broke away in the second quarter and outscored Clearwater Valley 15-8, taking a lead they never gave up. The Rams went cold in the third quarter scoring only 4 free throws. Both teams railed in the final period of play with Kendrick having the best of it 16-14 for a final 45-32 score.

The Tiger JV's took the opening game 44-37.

The next game will be at Timberline January 8th and there will be no more home games until Jan. 15th.

First Cub Pack Meeting Held In Juliaetta

The Den I Pack 101 Cub Scouts held their first Pack meeting Wednesday evening at the Juliaetta Grade School Gym. The meeting began with a flag ceremony and all 11 boys received Bobcat badges from Cubmaster David Jones.

As the badges were presented the parents came forward and pinned the badges on the boys upside down as each boy is expected to do a good deed before the badge can be turned properly.

The Cubs staged a puppet show and told what Christmas meant to them. Bradley Bae and Eric Fey were chosen Denner and assistant Denner to serve during the Den meetings.

Afterward the Cubs and guests enjoyed cookies, coffee and punch brought by parents and committee members.

Anyone interested in becoming a Den Mother please contact David Jones. There are several boys who are turning eight and want to join Cubs, and there isn't any room for more boys in the Den presently formed.

Correction, Please!

The Gazette inadvertently omitted the names of Jo Benscoter, Gertrude Pederson and Mabel Miller from the story concerning the "Pioneers of the Potlatch" December birthday honorees. All three of these ladies were also honored by the group that day.

Another item which might need clarification is that it was the family of Mrs. Gustafson who presented the beautiful bouquet of red roses to their mother, Mrs. Winnie Baker, who was among the special honorees that day, received a lovely corsage.

The Gazette regrets the omissions and any confusion the article may have caused.

Santa Welcomed to Kendrick Saturday—

(photo by Bob Bain)

Almost 200 children turned out on Kendrick's main street last Saturday afternoon to greet Santa Claus. A lack of snow made Santa leave his reindeer at home, so the Kendrick Fire Dept. escorted Jolly Old St. Nick to town. Santa had prepared 200 bags of treats and gave almost all of them to his little friends.

The movie which followed Santa's visit was also well attended. The Kendrick merchants would like to extend a special thanks to Jerry Brown, Mrs. Wm. Turner and Mr. and Mrs. Otto Schupfer for their cooperation in the presentation of this year's movie.

CHRISTMAS MASS IN SOUTHWICK DEC. 24

Christmas Mass will be celebrated Friday, December 24 at 4:00 p. m. from St. Matthews Catholic Church in Southwick.

Roy Craig, 73, Retired Leland Farmer, Passes December 18

Roy W. Craig, 73, a retired Leland farmer, lost his gallant fight against cancer and passed away Saturday afternoon, Dec. 18 at 4:17 p. m. at Tri-State Memorial Hospital in Clarkston. He had been ill for about a year and a half.

He was born January 24, 1903, at Leland to Samuel and Avia Craig and lived in the Leland area where he was a farmer until his retirement in 1972. He married Ruby S. Heffel September 20, 1936 at Kendrick. She survives at the family home in Lewiston where they moved following their retirement. He was a member of the Leland Methodist Church.

Roy was truly a native of the area, holding fast always to the love of the land and value of friendship and neighborliness. If a friend or neighbor needed help they had to look no farther than Roy Craig, he was always willing to aid them. Roy loved people and even after he moved to Lewiston and then was stricken with cancer, he enjoyed coming back home to Kendrick which just about always meant a trip uptown and a visit at the Barber Shop. It is difficult to realize that the big man won't be sitting on the bench in Dicks Barber Shop, interrupting his conversations to wave at acquaintances. Ruby has lost a loyal husband, Page a loving father and the community a true friend.

Survivors in addition to his wife include a daughter Page Nesheim of Anchorage, Alaska; one brother, Lloyd Craig, of Kendrick; two sisters, Mildred Baugh and Hazel Thornton, both of Orofino, and three grandchildren.

The funeral was held Wednesday, December 22 at 10 a. m. from Malcolm's Brower-Wann Memorial Chapel with the Rev. Steve Caskey of the Kendrick United Methodist church officiating.

Vocalists were Donna Lohman and Ann Smith. Joyce Clemenhagen was pianist.

Active pallbearers were Harlan Fey, Gerald Lohman, Jack Lohman, Wilbur Corlick, Wilbur Tarbet, and Harold Siffow.

Honorary pallbearers were Walter May, Lyle Harrison, Andy Anderson, Ed Deobald, D. A. Christensen, Leslie Hamilton, Tom Smith, Dick Cuddy, Homer Parks, Pete Lupacuel, Don Cantrell and Leo Heath.

Burial was at Lewis-Clark Memorial Gardens.

The family requests any memorial contributions may be made to the American Cancer Society.

Position of Trustee Open

The position of Trustee for the Latah County Library Board is now open due to the resignation of Ruth Hoffman, Kendrick. If anyone in the Kendrick-Juliaetta area is interested please contact Mrs. Russell Foster at Deary, Idaho. The position will be temporary until an election is held in June, 1977.

The board meets on the 4th Monday of every month at 1:30 p. m. usually at Moscow.

WE APOLOGIZE

A totally unexpected arrival of legal notices and other contracted advertising, pictures that had to run, and minor equipment trouble, put us behind the "eight ball" Monday and Tuesday when it was too late to increase the size of the paper and still make the mail schedule. The result will be pictures, news and advertising left out this week. I sincerely regret it, but just had no other way out. I hope you'll understand that this was another of "those weeks."—Bill.

LOOK AT IT THIS WAY

There is a good chance that if you believe what everybody else appears to believe, you are probably wrong. As times change and the world changes, opinions strongly held at a certain point in time might now be invalid. A lot depends on where one is standing when he makes his observation.

Saxe's ten blind men of Indostan each had his own idea of what an elephant looked like, and each from his own standpoint was correct.

If one looks at the palm of his hand, he could describe a hand as being smooth-skinned and without hair, pores or nails. The back of the

hand presents a different picture, as do the two sides of a coin.

The lesson is obvious and needs no belaboring. It is what probably inspired Emerson to write, "A foolish consistency is the hobgoblin of little minds," and gave rise to the saying of today, "My mind is made up, don't confuse me with the facts."

Next time you get to thinking that your idea is the only one that could possibly be correct, take another look. There just might be something in the way the other fellow sees it. — Bill Walkins, Reprinted from the Esco Ladle

The Kendrick School 'Principal's Corner'

By Bill Tracy

Christmas Spirit—
" 'Tis the season to be jolly." The spirit of Christmas is contagious and it seems as though everyone in our schools have caught it. At the Elementary every classroom is filled with holiday decorations, each class with their own colorful and gayly lit tree. Students are busily making gifts and decorations for their families and everyone is involved with the excitement of the Christmas Program with its songs, poems and plays. Children singing Christmas Carols can be heard each afternoon. Movies, gift exchanges and parties help contribute to the merry atmosphere. At the high school, the spirit is just as evident. Friendliness, smiles, and laughter are bountiful. Ten days of vacation, giving and receiving presents, eating good food, being together with friends and relatives are all factors which create the restless anticipation this time of year. Under all of these wonderful feelings lies the real Spirit of Christmas.

Christmas Concert—
The Jr.-Sr. High School vocal and instrumental groups, directed by Bob Pendergast entertained a delighted audience last Friday with Christmas music. The concert choir sang a beautiful selection of songs, two of my favorites being "Carol of the Bell" and "Gesu Bambino". In addition to the high school concert, the program featured the Swing Choir, Concert Band and Junior High Chorus. Donations received from the concert totaled \$162.00. This is a shot in the arm for our music fund. Thanks for your support.

Our band is quite young, composed of mostly seventh, eighth and ninth graders. I would like to see more interest generated in instrumental music at Kendrick. Hopefully, a good foundation can be established this year so that we can build a band program with which we can all take pride.

F. F. A. Leads Region—
The Kendrick Chapter of the Future Farmers of America regained its lead over the eleven other Northern Idaho Region Schools by placing 2nd in Co-ops competition and 2nd in the Poultry Contest last weekend in Moscow. Our F. F. A. has placed in the top three spots in all but two of the nine contests this year. Jim Roland, Vocational Agriculture Instructor and F. F. A. Advisor, is doing an exceptional job in preparing judging teams with the skills and knowledge necessary to be competitive. Only 5 boys in high school are not enrolled in a Vo-Ag Class. The FFA boasts a membership of 40 boys and 2 girls at Kendrick out of 64 students enrolled in Vo-Ag classes—60% of the boys in high school belong to FFA. This kind of membership in a school our size is truly amazing. More rewarding is the fact that we are not only able to compete, but are able to consistently succeed in contests against much larger schools like Moscow, Sandpoint and Bonners Ferry. Many extra hours of study and practice are necessary to remain on top; our kids are to be congratulated on their efforts thus far.

During this holiday season we wish good things for you, our valued customers and friends. We hope that 1976 has been kind, and that 1977 will be the best year of all.
