Jr. High Cagers Lose to Genesee, Defeat Deary

Coach Gale Vallem's 7th and 8th grade basketball team dropped two games to Genesee last Thursday night, but bounced back Monday to win a pair from visiting Deary.

In the 7th Graders game at Genesee Thursday, Kendrick didn't have an answer to the sharp shooting of Genesee's Art Helbling who scored 19 points to lead Genesee to a 29-22 victory. Kendrick jumped off to a 5-3 first quarter lead then went cold in the second period, scoring only 2

points while Genesee got 7.

Terry Hudson collected 11 points for Kendrick, Mitch Cuddy 6, John Silflow 4 and Robin Courtright 2. Art Helbling had 19 for Genesee, Tony Egland 4, Keven Spence 3 and

Ron Haxton 2.

Genesee pulled out to a 16-13 halftime lead in the 8th grade game then made it hold up as Genesee took a well-played 34-29 win. Jim Cvancara's 16 points led Gen-

esee with Steve Becker 8, Ed Rey-Monday Mrs. Karen Morey and nolds 5, and Brad Roach and Ray Gary Geltje and Darren Clemen drick, Keith Ingle 6, Carl Ware, Dan

Prairie Pirates Down Tigers 66-53 Friday Night; Home Games Coming Up

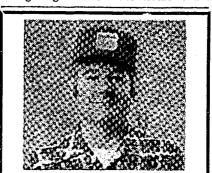

Not unexpectedly the highly rated Prairie Pirates stormed back with a 20 point outburst in the final quarter Friday night at Prairie to defeat the Kendrick Tigers 66-53 and keep their CIL record at 8-0.

The Pirates took command of the game in the first period while the Tigers were trying to get their of-fense into gear and had a 19-5 lead going into the second quarter. Kendrick came back with 18 points in the second quarter and kept up the attack into the third, outscoring Prairie 21-11 and tied the score at 44-all before the Pirates slipped back into a two-point, 46-44, lead going into the final frame. Prairie proved why they have a 10-1 overall record this year in the last quarter, ripping the Tigers 20-9 in final minutes.

Rob Maynard had 2 points, Doug Lohman 9, Doug Silflow came up this one of his best games to date with 18 points, Tim Eichner 7, Don Parks 9, Tony Snyder 2, Rus Brammer 4. The JV game was a thriller with Kendrick's Bret Gertje and Ed Pea coming up with some big points in the last seconds of play to take 53-52 win.

An old farmer was walking along talking earnestly to himself. A neighbor called to him and said, "Hey, here Henry, why are you talk-ing to yourself?"

"First," replied the farmer, "Ilike to hear a smart man talk, and next, I like to talk to a smart man."

A farmer and his wife were visiting a large city and stopped at a plush restaurant for lunch. The farmer studied the menu for a while and then ordered hambugers at \$1.85 each. Then turning to his wife he casually remarked, "The way these people have figured it, we have a steer at home worth \$50.000."

Husband: "We had a drinking contest at the club today." Wife: "Who won second place?"

"I'm looking for somebody to lend me ten dollars." "Well, you got a nice day for it."

Friendship Club-

The Stonypoint Friendship Club held its regular all day meeting at the home of Mrs. Wayne Heimgartner Thursday, Jan. 20th with 12 ladies present. One of these was our good friend and neighbor from the Lenore area, Mrs. Leslie Maguire, 'Alice" to all who know and love her! A quilt was worked on and finished for Ardythe Heimgartner in exchange for quilting done for Ruth Heimgartner at Ardythe's club meeting recently. Later came Wayne, Roy and Leslie Heimgartner who enjoyed "left overs" supper and a pleasant brotherly meeting with their wives during the evening. Next meeting is planned for Thursday, Feb. 3 at the Lenore home of Mrs. Don (Lois)

Johnston.
The Wayne Heimgartners visited Wednesday in Lewiston with her

The Kendrick School 'Principal's Corner'-By Bill Tracy

Open House Fair and Pancake Feed

Two weeks ago I met with the secondary teachers to discuss what plans, if any, we should make for a parent-teacher conference night at the Jr.-Sr. high school this year. After the groans and grumbles had sub-sided, I was able to discern a few comments about past attempts to get parents and teachers together. One teacher said, "Only a few parents ever come, usually just those of good students." — "We never get to see the parents of students we really need to talk with." Someone else remarked, "Many of us that have been here for awhile know all the parents and we see and talk with them alot at school acticities already." Another person added, "If we do have an open house this year, let's try something different." "We're as tired, as I'm sure the parents are, of doing the same thing." At this point, I was starting to regret having brought up the subject. However(as the discussion progressed, some good ideas were beginning to generate. The benefits beginning to generate. The benefits of parent-teacher communications and the probable success of an informative well organized open house were beginning to overcome the initial feelings of apathy. As the enthusiasm built, more and more reasons were becoming evident why we should try hard to get parents involved with our school and the educatved with our school and the education of their children. Some of the more obvious benefits for having an open house that were brought up are as follows: (1) Provide an opportunity for the new teachers and parents to meet each other. (2) Explain to parents what teachers have been doing in their classes and display some student accomplishments and class project. (3) Discuss individual student progress with concerned parents. (4) Establish an attitude of working together to improve the education of our kids. Our meeting culminated with the decision to have an Open House Fair in the gymnasium early in March in conjunction with a pancake feed. This informal type meeting will hopefully provide an atmosphere conducive to the bet-terment of school-community relat-

FOR SAFE DRIVING

Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the diffeernt between complete protection and or a costly repair bill.
