#### Carl Simons Sells General Mills Family

Carl Simons, owner and operator of The Electric Shop in Genesee for he had sold his business to Joseph examination on December 7. the new owner assumed operation ef-Joe said he intends to operate the

shop about the same as Carl has, and Carl said he hopes the people of the community will give Joe the same al honors. loyal support he has received. The firms sells and repairs television and radic equipment and major household appliances in addition to doing elecrical contracting.

fective last Monday, Feb. 7.

**Electric Shop** 

Carl, who came to Genesee over forty years ago, first had a workshop at his home before opening up his store, located in the former Dr. W H., Ehlen building. Remodeling to the structure was done in 1943 and then again in 1953.

Carl is one of the best church, community and civic leaders Genesee has ever known. He has devoted countless hours to the St. John's Lutheran Church; was and is one of the best members of the Genesee Community Firemen, Inc., has served as president of the Genesee Civic Association and the now-disbanded Genesee Merchants Association; and has always been an active worker for Genesee's Community Day celebrations. There has never been a project or event in Genesee, which was worthwhile, that did not list Carl Simons as one of the most active workers. Any project from the Medical-Dental building to putting up Christmas decorations had help from this man.

No one in the community deserves a long rest and a happy retirement more than Carl and the News joins everyone in Genesee in wishing just that, plus good health to Carl and

#### **Grange Sewing Contest** Announced for 1977

Ruth A. White of Kendrick, women's activities chairman for Kendrick Grange No. 413, reports entry blanks are now available for persons interested in entering the 1977 National Grange Sewing Contest, Mrs. White said anyone over 10 is eligible to enter four divisions of the contest with the exception of professionals, form-

visited with Glencra Braden at Gritman Memorial Hospital Saturday and then toured the McConnell House Museum.

### Tigers Topple Trojans **But Bow to Prairie**

Kendrick's Tiger basketball team scored a major upset last Tuesday night by defeating the visiting Troy Trojans 60-46. Friday night the top-ranked Prairie Pirates came up to Kendrick and knocked off the KHS team 56-46.

Troy, highly regarded among both district and state A-3 teams fell behind in the first quarter and couldn't catch up last Tuesday. Coach Bill LaMunyan said this was one of the few balanced games his team had "We had only 7 turnovers played. and shot 44 percent from the field", he said.

Kendrick was ahead 25-23 at the half and closed with a 19 point final quarter to nail down the win. Doug Silflow paced the winners with 14 points, Rob Maynard had 10, Tim Eichner 13, Doug Parks 8, Doug Lohman 4, Tony Snyder 9 and Brocke

Troy took the JV game 62-53.
Prairie closed with rush Friday
night to defeat the Tigers 56-46 despite the 21-point effort of Doug Silflow .The Tigers were trailing 16-11 at the end of the first quarter and 28-24 at the half. A big 20 point outburst by the Pirates in the fourth quarter ended Kendrick's hopes of another upset .

Hurt by having Doug Lohman out with a torn ligament, the Tigers were forced to go to a zone defense, and "that killed us," said LaMunyan.
Rob Maynard hit 7 points, Silfle

21, Parks 4, Snyder 4, Mayer 4, Eichner 2, Ron Maynard 2 and Man-Prairie won the JV game 58-51.

### Collages To Be Made By Garden Club

The Hill and Valley Garden Club members made plans for the making of collages when they met on Wed nesday, January 26th. The committee, Joyce Brammer, Ruth Armitage and Barbara Hepler gave sugges tions for the use of materials, design, balance and rhythm in collage con-

struction.
Irene Christensen presented a follow-up report on sunflowers and their uses and on the Sun Flower Fair held in the fall at the Juliaetta Elementary school sponsored by the

Crystal Gruell, reporting as the Garden Therapy committee, told of having taken 33 houseplants to interested patients at the Lewiston Convalescent Center. Pictures were shown of this activity.

A program was given by Agatha

Perkins on planning your garden now. She gave suggestions on planting in tub or large containers, tilling, seeds, and planting.

In delayed December news coverage, it was reported that the Christmas sale and luncheon at the Fraternal Temple was very successful and the good attendance of the public was truly appreciated. Committee members for the sale were Marge Wilkin, Edith Wells and Mabel Glenn.

The February meeting will be a tour of Lewiston Valley Orchards to observe pruning and grafting procedures. Members are to gather at the Grizzley Bear restaurant in Lewiston at 11:30 for a no-host luncheon preceding the tour.

Hostesses for the meeting were Adelle Lublow, Delores Polumsky and Agatha Perkins.

#### RIRIE FISHING CLOSED

or Joe Greenley, the department said several days. high harvest and fishing pressure "is threatening to overharvest the game fish populationi.

The emergency closure is effective January 31 and will continue until May 27, the department said.

The recipes this week are some I found while looking through some recipes that had been sent to me several years ago in Genesce. They have been published once and I can't recall who sent them in. They are excellent ones for I have tried them.

Apricot Pineapple Salad

pkg. lemon jello (let set till thickens)

(drained) 1 large can apricots (strained) Add the three above ingredients to jello-let set till firm.

-9-oz, can crushed pineapple

Topping—
4 cup lemon juice cup pineapple juice

½ cup sugar 1 egg, 3 tablespoons flour,

14 teaspoon salt

1 tablespoon butter. Cook until thick in double boiler. Let cool.

Fold 1 cup whipped cream into topping. Spread on set lemon jellomixture. Then sprinkle top with grated cheese (mild kind).

large recipe.

All-Purpose Sweet Rolls
1 cup boiling water
1 cup shortening 3/4 cup sugar

2 teaspoon salt 1½ cups cold water

4 eggs 7½ cups flour

2 pkgs. dry yeast

Mix togetther in boiling water, shortening, sugar and salt. Add rest of ingredients and blend. Place in refrigerator over night. This yields a substantial amount of dough which may be made into dinner rolls, cin-

Due to high catch rates and heavy fishing pressure, the Department of Fish and Game is closing Ririe Reservoir to fishing.

In a legal notice signed by Directive Construction of the Cons

Hermits (cookies)
1 cup butter or margarine

11/2 cups sugar 3 eggs, beaten

½ teaspoon soda in enough sour milk to wet it good.

1 teaspoon cloves and all spice 1 cup raisins, ground.

Flour to roll Cream butter and sugar, add well beaten eggs. Sift flour and spices. Bake at 375 degrees, 8 to 10 min.

FISH-GAME COMMISSION

TO DISCUSS PLANNING

The Fish and Game Commission has scheduled a special meeting 'n Boise on Wed; Feb. 9th.

The meeting is for discussion of the department's proposed policy plan for Idaho's fish and wildlife. The meeting will open at 8 a. m. at the Commissioner's Office, 600 South

Walnut, Boise. Commissioners are expected to meet in late April or early May to set closing dates for next fall's hunting seasons.

A lot of people have discovered it's the last ചച്ചാ when you're buying a new car. And it stands to reason. With a Timeway Simple Interest Loan, no interest is added on in advance. You pay only for the money you use for the time you use it. You can pay ahead and save interest, or pay the loan off early with no penalty. If the going gets rough, you can call us on our hot line and arrange a payment holiday. And to make borrowing even simpler, your note is written in plain English, so you understand exactly what you're agreeing to. See us about it, or ask your dealer. A Timeway Simple Interest Loan is the route that makes the going smoother.

#### 'Principal's Corner'— By Bill Tracy

Gymnastics Performance—
For those of you that missed the

Friday night basketball game against Prairie, the team came up on the short end of the score, but the halftime performance was a smash. Following a gymnastics unit in P. E., Dick Ruark's Class put together a tumbling routine which was exhibited at intermission of this home game. The kids did a super job and were well received by the audience. The students who made up the Club were Ferris Cuddy, Steve Peron, Ted Powers, Bret Gertje, Jim Silflow, Steve Gustafson, Mike Brocke and Jody Richardson. After overcoming their initial inhibitions and recovering from a few injuries, the class got it all together for a first rate show.

Drill Team Performs Friday— The Kendrick High Drill Team has been working out in preparation for performance at the last home basketball game, Friday, February 11. Nine-teen girls turned out last week to work on a drill that many of them learned at camp over the summer. The girls have been practing after school under the leadership of Lerry Stensland, Drill Team Advisor. The girls' enthusiasm is running high over this routine. Don't miss this one.

Intramural Volleyball Begins-Steve Peron and Glenda Lohman claimed title to badminton champs of the school as the mixed doubles tournament wound down last week. Dick Ruark will now fire the starting gun to begin the fierce Intramural Volleyball competition at noon, Sixty high school students and nine staff members will make up the seven team boys and faculty tournament and the four team girls tournament. The teams are divided by grade to add even more interest to the competition. The faculty had better eat their Wheaties for the next few weeks as sixty fired-up kids are just waiting to clobber their teachers.

Think Metric-Our Junior High Math teachers, Bill LaMunyan and Dick Ruark, are turning on to metrics and have been indocrinating their students to think in terms of metres, litres, and grams. After taking the Lewis-Clark State After taking the Lewis-Clark State College Metric System Workshop in January, Mr. LaMunyan and Mr. Ruark have everyone talking the language. One eighth grade math class measured practically everything in the school, including me, using this base ten system. They posting the dimensions of what they may ed the dimensions of what they measured and will test all students in the school to see what they remembered about Metric Measurement Wast.

Roz Dennler, one of our talented volunteered aides at the elementary has also been working up a Metric Teaching unit for the primary grades (K-4) and will begin working with these children on Metrics this week. Mrs. Dennler prepared some great materials for her instruction that will be a fine supplement to our math program.

### 

FOR SAFE DRIVING

Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the diffeernt between complete protection and or a costly repair bill.
