Swing Choir Tour-

The Kendrick High School Swing Choir, directed by Bob Pendergrast will leave on a five-day tour to Western Washington beginning Wednesday, April 13. On the first night of the trip the Choir will present a concert at the Mason Methodist Church in Tacoma. The next day of the tour will include a visit to the University of Puget Sound where the group will sit in on a U. P. S. choir rehearsal. They will also visit Wilson High School in Tacoma and present a joint concert with the Wilson High School swing choir. A tour of Pacific Lutheran University is also planned that afternoon. The remainder of the tour will include a trip to Kelso High School to observe music classes and present a joint concert with the Kelso music groups, attend the University of Puget Sound Adelphian Choir Concert, visit the Scattle Center and see the Lasarium. On the final morning of the tour, the Swing Choir will present "Godspell", which will be broadcast on radio during the morning service at the Mason Methodist Church. Priscilla Armitage and one other chaperone will help Mr. Pendergrast supervise the Choir students on their tour. Nineteen pooped out kids and three exhasted adults will return to Kendrick Sunday, April 17 after a very interesting and educational music tour.

FOR SAFE DRIVING

Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the diffeernt between complete protection and or a costly repair bill.
