

David Williams received high honors in the North Idaho District by taking first place in the public speaking contest held on Saturday. With a very inspiring speech titled "Two Heads Are Better Than One," David received the highest honors from the two judges from the U/I. David will now be going to the state convention to present his speech on March 30th.

State Farmers sifting was also held on Saturday.

Russell Brammer was accepted as State Farmer and will receive his award at the State FFA convention. Russell has one of the 2 best agricultural projects in the district and has been nominated for the Star District farmer award. Russells projects while in FFA consist of beef

production, wheat, peas and barley, crops, and steers fattened for the fair. Precise records must be kept and to qualify for State Farmer the applicant must have brooding knowledge of the FFA organization and of parliamentary procedure.

Kendrick is now in the lead in the sweepstakes for the year. We have a large lead over second place Lapwai. Behind Lapwai in order are Sandpoint, Troy, Bonners Ferry, Deary, Plummer, Culesac, Moscow, Genesee and Nezperce.

This is National FFA Week.

Through the efforts of Dean Johnson and Ricci Parsley we have posters of the activities of the Chapter in the Businesses of Kendrick and Juliaetta.

Tigers Drop First Tourney Game to Timberline 42-36

"Maybe Wednesday night we'll play all four quarters," said Kendrick Coach Bill LaMunyan, who had to watch his Tigers suffer through a disastrous first half before coming to life in the third period in a losing effort against Timberline Monday night in the first round of the District A-3 basketball tournament in Lewiston. The Spartans beat the Tigers 42-36.

The loss dropped Kendrick into the loser's bracket and Wednesday night KHS will meet Clearwater Valley at 7:00 p. m. in Booth Hall. CV was trampled 58-32 Monday night by the powerful Prairie Pivates.

Kendrick just couldn't get going Monday night and only managed 4 points the first quarter and were down 23-10 at the half. Doug Lohman and Doug Parks started working into the Timberline zone in the second half and had closed the gap to 29-23 at the end of the third quarter.

Timberline matched the Tigers point for point in the final quarter to win the game.

Doug Parks scored 15 points, Lohman 11, Tim Eichner 6 and Tony Snyder 4.

Did Braden's Birds Bring the Rain?

We don't know if Ruth White even believes it herself, but we're not going to argue with the results. Ruth, co-president of the Golden Sunset Senior Citizens, is claiming that the small, wooden "rainbirds" which were given out at the last Senior Citizen meeting really brought the rain that fell Sunday and Monday.

The little figures were donated to Ruth by Howard Braden, who had them in stock from his department store. Bill and Ruth promptly dubbed the little figures as "Rain Birds" and gave them out as favors at the Golden Sunset meeting last Monday and since then the Whites have passed them out to others and even took a supply to Rathdrum to a Grange meeting. The little critters met with resounding approval, and you all know the rest of the story. . . it rained Sunday night and Monday and is still cloudy.

COUNTY P&Z COMMISSION TO MEET MONDAY, FEB. 28

There will be a meeting of the Latah County Planning and Zoning Commission Monday evening, Feb. 28 in room 2B of the Latah County Courthouse at 8 p. m.

The purpose of the meeting will be to discuss an interim zoning ordinance and the updating of the County Comprehensive planning.

CARD OF THANKS

I wish to take this opportunity to thank my friends and family who came to visit, for the cards and flowers while I was in the hospital and also to the callers who came to visit after I got home.

Olive Dammarell

8p

CARD OF THANKS

I would like to thank all my relatives and friends for making my 80th birthday such a happy occasion. I really appreciate all your cards, good wishes and your presence at the reception.

Martha Wilken

CARD OF THANKS

We would like to thank all those who brought food, sent flowers, cards, came to visit and inquired about Pat's welfare while she was in the hospital and since returning home.

The Shirley Family

Mrs. Bob Clemenhagen and Robbie John Groseclose and Ray and Lura Butler.

Mrs. Duane Groseclose and Viola Johns took Lon Morgan back to WSU Saturday evening and enjoyed seeing the Globetrotters at the coliseum.

Cub Scout News

Cub Scouts of Den 1 would like to thank Dick Benjamin for the excellent talk on first aid and fire safety he gave them on Feb. 10 when they visited the fire hall. This completes one of the achievements in their wolf books.

They would also like to thank officers Emily and Odenborg for coming to the Den meeting Feb. 17 to talk to them about traffic and bicycle safety.

The Cubs have been busy working on decorations for the Blue and Gold dinner which will be this Wednesday evening at 6:30 p. m.

The Cub Scouts have been invited to join the Missionettes and Girl Scouts to go skating at Skateland on Friday, Feb. 25 from 4 to 6 p. m. They will be leaving right afterschool.

There will not be a den meeting this week due to the Blue and Gold dinner on Thursday, March 3rd as the Den Leader will be out of town.

Mrs. Arley Allen stayed over night with Mrs. Celia Bohn Wednesday the 17th to be near her sister, Mrs. Maude Pippenger, who underwent emergency surgery that evening at 4 o'clock, at last report she is improving slowly. Virginia Allen, of Moscow visited with the Allen's from Friday to Tuesday.

Genesee Crab Feed A "Sell Out" Success

With a boost from the weather and the reputation of a good meal, Saturday night's 12th annual Genesee Firemen's Crab Feed was a resounding success. Over 1,000 people enjoyed the dinner and more would have, but the supply of crab ran out before all who wanted to eat were fed.

Two thousand pounds of crab, 40 lbs of ham, 250 lbs of cabbage, 400 lbs of potatoes, 46 dozen eggs, 7 cases of beans in gallon cans, plus gallons of beer and pop were consumed.

Genesee Fire Dept. president Terry Geltz thanked everyone who attended the event and expressed his regret over those who did not get to eat. Terry also had a big thanks to the firemen's wives who assisted in preparing the food and also for helping that night. The meal could not be served without the help of the wives.

Juliaetta Branch Library To Open Thursday, March 3

Juliaetta's new branch of the Latah-Moscow Library System will open its doors Thursday morning, March 3 at 10:00 a. m., it was announced this week by Mrs. Carolyn Gravelle, librarian.

"Everything's looking real good," Mrs. Gravelle said Tuesday evening. She added the books are all in place and furniture and other fixtures are ready to be used.

The library will be open on Thursdays, Fridays, and Saturdays, with exact hours to be set at a later date, after the library has a chance to determine what the most convenient hours for the patrons are. Mrs. Gravelle said it is hoped that the library can also be opened at least one evening a week.

Carolyn also said she is also very interested in working closely with the schools in furnishing reading and information facilities for students of all ages.

Old Clipping Brings Back Memories of 1947 Tiger Team

As the Kendrick High School Tigers began the 1977 District A-3 competition in Lewiston this week, it brought back memories of 30 years ago to Mrs. Ed Brown who found an advertisement from the Lewiston Tribune of Feb. 26, 1947, she had clipped and put away to save. The ad, sponsored by Kendrick business firms was a "booster ad" for the KHS Tigers who were beginning the tournament that day against Kamiah. For those who don't remember, the Tigers under Coach Ross Armitage, went on to take the State Class B championship.

Pictured in the ad were team members Eugene Brooke, Allen Medalen, Kenny Brown, Delos Miller, Frank Dammarell, Harold Halseth, Boyd Thornton, Ray Easterbrook, George Brocke, Jr., and Herb Millard.

Also shown were cheerleaders June Brown and Nellie Fry; Coach Ross Armitage and manager Elroy Kuyendall.

Scholarships Available

Lewis-Clark Chapter of Sweet Adelines is again offering the annual \$100 scholarship to a high school senior girl to help her continue music studies in college. Application blanks may be obtained at the area high school offices.

The award will be presented at the Spring Show which will be held at Lewiston High School auditorium on April 23.

Eloise Hocking of Deary is the Chairman of the scholarship committee this year.

New Arrivals . . .

Emery
Mr. and Mrs. Mike Emery of Kendrick are proud to announce the arrival of a baby boy, Jacob Michael, born to them Tuesday, February 15 at 9:00 p. m. at Grifman Memorial Hospital at Moscow. The little lad weighed 7 lbs., 8 1/2 oz. and was 20 inches long. He joins five brothers and sisters.

The paternal grandparents are Mr. and Mrs. Pat Emery of Kendrick.

NOTICE OF ANNUAL MEETING

Notice is hereby given that the annual meeting of the Genesee Medical-Dental Non-Profit Association, Inc., Genesee, Idaho, will be held Saturday, February 26 at 2 o'clock p. m. in the Genesee Medical Building. Please plan to attend.

Hospital Notes . . .

Blankenship
Mrs. John Blankenship, having recently undergone surgery at Deaconess Hospital in Spokane, is now recuperating at her home.

C. C. Stout Observes 89th Birthday Anniversary

Gathering at the C. C. Stout home Sunday evening to help him celebrate his 89th birthday anniversary were Mr. and Mrs. Henry Stout and family of Uniontown; Mr. and Mrs. Martin Stout and Doug; Mr. and Mrs. Ray Stout; Mr. and Mrs. Dan Stout and Brad and Mr. and Mrs. Everett Robinson. A birthday cake baked by Mrs. Robinson was served with ice cream.

Few Complaints Heard At School Board Meeting

A special meeting of the Trustees of Joint School District No. 283 Thursday evening, Feb. 17, called at the request of several parents of school children produced more support for the board and administration than it did grievances.

Luther Parks, chairman of the trustees, presided over the meeting attended by trustees Parks, Jack Parsley, Marilyn Eichner, Doug Harris and Nolan Noren plus Supt. Richard Morton, Principal Bill Tracy and over 80 parents and interested people.

Eugene Taylor, retired Latah County Assessor and farmer in the Juliaetta area, spoke first from the floor and told the audience, "a good society must be well directed and disciplined . . . when discipline has been lacking, it is difficult for some to accept." Taylor urged support for the board and administration and his remarks were met with a round of applause from the audience.

Lawrence Wilson, a retired teacher and administrator rose to say he'd second Taylor's remarks and added, "I'll back (Supt.) Morton."

Carolyn Gravelle, Juliaetta, who serves as a part-time teacher in the district system said some of the complaints she has heard from the students were too short a lunch hour and no study hall. "We'll agree the lunch hour was too short and we're working to correct it," Parks told the group. As for the lack of study halls, the chairman said, it was a result of the school's going to a seven-period class day rather than the former six period day. "We're giving it a trial this year," Parks said, indicating that it was not a permanent arrangement. Donna Parsley appeared to defend the 7-class day with the remark, that her children, at least, seem to have, "no more home work than before and maybe a little less." Mrs. Gravelle stated she felt the students preferred the six-class day.

Mrs. Delores Cynowski said she was upset by the disruption and lack of control on school buses, citing an alleged incident when 3 children beat up another and nothing was done about it. Other complaints of high school students picking on grade school students were voiced. Both Morton and Tracy said they would investigate the matter.

There were also complaints as to why the drill team had been dropped from the curriculum. "We were one of the few schools in the district that had drill team as a class," Board member Marilyn Eichner said. Ted Fey, asked if the drill team could be worked into the P. E. program. Supt. Morton said this would be attempted. Chas. Taylor, a Juliaetta farmer and former board member rose to say that if it (the drill team) is put back into the curriculum then all girls should be allowed to participate.

When there seemed to be no more complaints forthcoming Parks said he would like for the district patrons to think about the possibility of adding a multi-purpose room on to the Juliaetta school to ease the use burden on the present gym facilities.

Principal Bill Tracy discussed the change in graduation requirements for high school students.

Frank Abrams, Kendrick businessman, rose to remind the group that the obligation bonds on the present school will soon be paid off and that he was proud of the Kendrick school.

Mrs. Roger Courtwright seemed to express the sentiment of the majority of those present when she said, "We have no gripes. We just want the board and teachers to know we support and appreciate them."

Genesee Student Receives Training

Jerry Helbling, son of Mr. and Mrs. James Helbling, Genesee, is learning to be a combine mechanic in Moscow.

Jerry has been participating in an FFA program in which the student is placed "on-the-job" and works closely with an individual skilled in a particular trade. The student must be a senior in FFA, show aptitude, and interest in a particular field, and be willing to work. We have greatly appreciated the willingness and cooperation of the area business that have provided training experiences for the students, the instructor said.

Reporter, Mike Burt

State Grange Workshop In Rathdrum Held Saturday

Six local persons were in Rathdrum, Idaho Saturday to attend a District III CWA brunch and workshop sponsored by the Idaho State Grange. The meeting was held at the Rathdrum Grange Hall with Rathdrum Grange No. 351 hosting the brunch.

The workshop was the 4th and final in the series conducted by District III OWA Ruth White for the State organization.

Forty attended the session with representatives from 8 Granges in Kootenai, Bonner and Latah County present.

Attending from Kendrick were Ruth and Delores Heimgartner, Connie Fey, Millie Corkill, Bill and Ruth White and also Grace Dahl from the Moscow Grange.

Martha Wilken Honored On 80th Birthday Sunday

Martha Wilken was honored on her 80th birthday anniversary, Sunday, Feb. 20 at 2:00 p. m. at the Cameron Lutheran church parlors with an open house reception hosted by Mr. and Mrs. Kenneth Wilken, Eva and David and Mr. and Mrs. Ted Meyer, Susan, Cathi, and Jack.

A beautiful square three-tiered cake, trimmed with lovely white Shasta daisies and pink rose buds was baked and decorated by a granddaughter, Cathi Bowers. Susan Bowers and Eva Wilken, also granddaughters, cut and served the cake. Grandson David Wilken served coffee and Jack Meyer, a grandson and Kim Kirkland, of Moscow, served punch.

Lovely music was provided by Ann Meske and Duane Meske of Lewiston who sang, "The Best To You," and "How Great Thou Art."

A daughter, Margaret Kerbert of Mission Veejo, Calif. was unable to attend.

About one hundred relatives and friends helped to make Martha's 80th birthday a memorable occasion.

LATAH ASSESSOR IN AREA SATURDAY FOR TAX REDUCTION SIGNIUP FOR SENIOR CITIZENS

Dwight Strong, Latah County Assessor will be in Juliaetta and Kendrick Saturday, Feb. 26 to assist in signing up senior citizens who are eligible for tax reductions.

Mr. Strong will be at the Juliaetta city hall from 9:30 to 12:00 noon and at the city hall in Kendrick from 1:30 to 4:00 p. m.

A persons eligibility to be granted a tax reduction is based on the total income the persons has.

Mrs. Eva Perryman 95th Birthday Observed Feb. 16

Neighbors, friends and relatives called at the Eva Perryman home Wednesday, Feb. 16 to help her celebrate her 95th birthday.

Mrs. Perryman received many beautiful cards, gifts and flowers. Ice cream, cake and coffee were enjoyed during the day. Mrs. Perryman's son, Quentin, called from his home in Marion, Indiana to wish her a happy birthday.

Advanced Ag Studies In Diesel Mechanics for GHS

Above, left to right, Steve Myers, Brian Busch, Lower, Ed Pratt, Happy Anderson, Jim Ulrich, Doug Hermann.

Advanced members of the Ag III and Ag IV classes spent one semester exploring diesel mechanics by rebuilding an H-P-II crawler. The students gained experience in the operation and repair of clutches, transmissions, ring gears, final drives, hydrolics, and electrical systems.

Many hours of welding were required in reconditioning the tracks. The painting was done by Richard Messick. A lot of practical machine work goes into a project like this. Ag instructor Dan Colbaugh commented on a great job done by all.

Reporter, Mike Burt.

Mid-Year Northern Area Graduates From U. of I.

Moscow.—A total of 372 students graduated at the close of the U/I fall semester, according to a list released this month.

Of those, 279 received bachelor's degrees, 85 received master's and doctoral degrees, two received professional certificates and six earned the juris doctor degree.

Graduates, receiving bachelor's degrees unless other wise indicated, include:

Genesee—College of Business and Economics: Charles Pratt. College of Letters and Science: Richard Schellenger. Master of Education: Leigh Davis Morrison. Doctor of Philosophy: Hugh Randall.

Kendrick: College of Education: Doris Lohman.

Kendrick-Campers Karavan Meeting Monday, Feb. 28

The regular monthly meeting of the Kendrick Campers Karavan will be held Monday, February 28, at 6:30 p. m. in the fire hall beginning with a potluck dinner.

The main business of the evening will be the approval of the season's campout schedule.

Entertainment will be a display and talk concerning Indian artifacts. All members are urged to be present. Bring a friend, too.

Mrs. Meta Wegner Observes 87th Birthday

Mrs. A. F. Wegner observed her 87th birthday anniversary Wednesday, Feb. 16, with a small dinner party at the home of her son and daughter-in-law, Mr. and Mrs. Glen Wegner.

Present were Mr. and Mrs. Wayne Wegner, Mr. and Mrs. Vern Wegner, Deana and Bobby; Mr. and Mrs. Dan Sullivan and Dale; Mr. and Mrs. Ralph McAlister of Moscow and Glen and Jean Wegner.

Do-Nut Basketball Results

Results of Do-Nut League Basketball last week: In the first game, the Whites battled the Golds. The final score was 8-6 in favor of the Whites. John Brown scored 4 points and Donnie Rice had two for the Golds. For the Whites, Lonney Powers was high scorer with 4. Galen Browning and John Arnett both had two a piece.

The Orange vs. Blue was a very exciting game. Kevin Lohman was high point man with 5, most of them coming on foul shots. Link Sherman scored two points and was the victim of two technicals. It was a well played game overall.

In the girls' game, the Whites defeated the Oranges by the score of 14-8. Lisa Vallem was high scorer for the Whites with 8 points, while Jean Glenn, Kristen Cuddy and Cindy Mead each scored two a piece. The Oranges were led by Vickie Renfrow with 4 points, with Paula Eliger and Wendy Snyder both contributing 2 each. It was a well played and action-packed game.

That's it from the basketball scene. See you next week.—Reporters, Ravnictim of two technicals. It was ady Benjamin and Jim Parsley.

Home Cookin'...

I was so pleased when my friend, Margaret Grieser brought in some recipes the other day. The one for chili (everyone loves it!) is from her mother, Mrs. Teresa Kraut, Lewiston. We know she is an excellent cook. Sounds delicious and will make a large batch.

Her other recipe is for Shoestring salad, made with shrimp. I plan to try it this weekend. I really appreciate your recipes, Margaret.

You ladies you have promised (?) me recipes—send them in, please.

CHILI

2 tablespoons oil
1 clove garlic (optional)
1 cup chopped onion.
1 cup chopped green peppers.
1 pound ground beef
2-8-oz. cans tomato sauce
1 tbl. chili powder, more if you like
1 teaspoon salt
5 cups red kidney beans or 2-No. 2 cans

Heat oil in deep 9" skillet or a 3-qt. kettle; add garlic, onion and green peppers. Cook over low heat until soft (about 5 min.); stir occasionally. Remove garlic clove. Add beef and break into small chunks. Cook over low heat until beef browns lightly, stirring frequently. Pour in tomato sauce; add chili powder and salt; stir well.

Cover and boil slowly over low heat for 20 minutes, stirring occasionally. Add kidney beans (do not drain); stir well. Simmer uncovered 20 to 25 minutes. Serve at once in bowls or soup plates.

Freezes well.

Just add a little water, when reheated.

SHOESTRING SALAD

1 cup chopped celery
1 cup grated carrots
1 cup grated cheese
(American or Cheddar)
Onion to taste
1 can shrimp
½ cup mayonnaise
Dash of lemon juice

This may be mixed ahead and refrigerated to mix flavors. Just before serving, mix in about 1 cup of shoestring potatoes.

Survey Shows Idaho Farms Will Grow Less Wheat In '77

Results of a recent survey show that farmers in Idaho intend to seed 510,000 acres of spring wheat in 1977, a decrease of 10 percent from last year. Indicated all wheat seedings, intended spring wheat plus winter seedings published last December, are placed at 1,460,000 or 7 percent below a year earlier.

Barley plantings are expected to total 910,000 acres, up 12 percent from the 810,000 acres planted last year.

The corn intentions at 100,000 acres is unchanged from last year's acreage.

Growers intend to plant 116,000 acres of sugar beets, 20 percent less than the 145,600 planted in 1976.

Plantings of oats in the State are expected to be unchanged from last year at 80,000 acres.

Nationally, the expected 1977 planted acreages and change from 1976 are: corn—81.5 million acres, up one-half percent, sorghum—17.1 million acres, down 8 percent, oats—17.8 million acres, up 2 percent, barley—10.7 million acres, up to 15 percent, soybeans—53.1 million acres, up 6 percent, durum wheat—2.9 million acres down 39 percent, other spring wheat—16.0 million acres, down 10 percent, sugar beets—1.42 million acres, down 7 percent.

BLOOD PRESSURE

It is perfectly normal for an individual's blood pressure to vary from time to time according to the Idaho Medical Association.

It may rise during excitement and drop when a person is at rest.

Blood pressure is the pressure put on the walls of arteries as the heart pumps through them.

For some people, this pressure remains at higher levels than it should. This is called hypertension, and millions of Americans have it.

Continued high blood pressure overworks the heart and circulatory system and reduces their ability to work as they should.

Hypertension sometimes causes no symptoms and only a physician can tell when it is present. Treatment can do a great deal to control it.

If you have hypertension, your physician can work to control it with an increasing number of drugs, or may recommend changes in your diet or living habits, which are also effective in fighting high blood pressure.

LIBRARY FILM PROGRAM

The Moscow-Latah County Library is starting their spring series of free films on Friday, February 11, with an evening of Charlie Chaplin movies. There will be 3 films shown, lasting about an hour, and highlighting the library's 8mm film collection.

The film will be shown one time only on alternate Fridays at 7:30 p. m. All showings will be in the Council Chamber of the Moscow City Hall. Admission is free.

The rest of film service will include February 25: Adam's Rib, starring Spencer Tracy and Katharine Hepburn; March 11, an evening with Laurel and Hardy; March 25, RED RIVER, starring John Wayne and Montgomery Clift; April 8, Silent comedy night; April 22, INHERIT THE WIND, starring Spencer Tracy and Frederic March.

First Security is making lots of car loans right now. Simple Interest car loans.

"Hold it. Simple Interest is bank talk. What's in it for me?"

A Timeway Simple Interest Loan is more than bank talk. It's a loan that's geared to make adjustments for your ups and downs. When the going is smooth, you can pay ahead and save the interest, or pay the whole loan off early without a penalty. When the road gets rough, you can call us and make arrangements to take a payment holiday or pay after your due date. Simple interest means flexibility. And our customers like it so well, that we make a Timeway loan every two minutes of each banking day. Come see us, or ask your dealer about it. It's the kind of loan that puts you in the driver's seat.

IT HAPPENED WAY BACK WHEN

Genesee News 50 Years Ago
 February 25, 1927

Mr. and Mrs. James Magee are the proud parents of a baby daughter born Wednesday at St. Joseph's hospital, Lewiston. Wt. 5 1/2 lbs. Mother and babe are reported doing nicely. Mrs. John Broemeling was very pleasantly surprised Sunday evening when a number of friends and relatives came to her home to help her celebrate her 63rd birthday anniversary.

Mrs. Geo. Hasfurth gave a very pleasant party at her home on Wed. Feb. 16 in honor of her birthday anniversary, when a number of friends and relatives were invited in to help her celebrate her birthday anniversary.

Marjorie Nebelsieck, who has been seriously ill with pneumonia is getting along nicely at present.—Mrs. Joe Anderson, who has had a long siege of the flu, is improving.

Pine Grove—Wood work seems to be in vogue now: Tom Johnson and Jack Gehrke are sawing wood.—Ted Cameron has been assisting Fred Miller in sawing wood.—Ted and Emil Dresser have been cutting wood in the Wardrobe timber.

Winter still seems to hold sway in the Genesee area.

Mr. and Mrs. W. W. Burr went to Spokane last Friday and on Saturday Mrs. Burr underwent an operation for the removal of a cataract from one of her eyes and the operation was said to be very successful.

Kendrick Gazette Feb. 25, 1927

Last Friday evening, following the basketball game, Coach and Mrs. A. L. Dawald, and Mr. and Mrs. Wade Keene entertained the basketball boys in the Dawald home. Those present were John Wallace, John B. Thompson, Rex Blewett, Frank Abrams, Nolan Weeks, James Henderson, Lawrence Kuykendall, James Kuykendall, Tommy Keene, Henry Keene, Henry Emery, J. M. Lyle, Mrs. Ullie Hardman, Mr. and Mrs. Roy Ramey and the hosts and hostesses.

With more than half a million re-

Harvey Bales, Clarkston, Victim of Cancer

Harvey Bales, 77, Clarkston, died Friday night of cancer at Sacred Heart Medical Center at Spokane where he had been a patient since January 9.

A U. S. Army veteran who saw action in France during World War II, Bales was born in Missouri, Aug. 5, 1899 to Mr. and Mrs. Lonnie Bales. He was educated in Ferdinand and Lewiston schools.

The former Hazel Longeteig and he were married in 1926. They lived and farmed in the Grangeville area until 1947 when they moved to Clarkston.

His wife and son, Robert, preceded him in death in 1969 and 1953, respectively. No funeral services were held, at Bales request. He was cremated.

Book of Poems Published By Kenneth Platt

Kenneth Platt, son of the late John Platt, has recently published a volume of collected poetry entitled "Underneath the Boughs." All the poems in the book were written by Mr. Platt.

Platt, now a Moscow resident, is well-known and recognized as an authority on Latah County history. His father, John, was the author of the book "Whispers of Old Genesee and Tales of the Salmon River."

The books of poems is on sale at the Book People store in Moscow and at Klings and Twin Rivers in Lewiston. The price is \$4.00.

fugees still moving homeward following the disastrous floods in the Ohio and Mississippi valleys, the National Red Cross estimate some 250,000 affected families will require help in rehabilitation.

February 27, 1947

Mrs. George Wilkin was the honor guest at a surprise birthday anniversary party Tuesday evening. Those present were the Messrs. and Mesdames George Wilkin, Fred Newman, Glen Wegner and family, Walter Koepf and family, Ed Mielke and daughters, Mr. and Mrs. August Brammer and daughter and Mr. and Mrs. Glenn Newman.

Arrow News—Mr. and Mrs. Dallas Groseclose and family, Mr. and Mrs. Huse Groseclose and son, Tommy, Mrs. Cliff Nelson and daughter, Karen, and Mr. Crane of Deary came to the Ed Groseclose home Sunday, bringing along many good things to eat. It was a surprise dinner, honoring the birthday anniversaries of Mr. and Mrs. Ed Groseclose.

On Sunday afternoon, callers were Mr. and Mrs. Harry Smith and granddaughter, Margaret; Marion Groseclose, Ernest and Joe Wing, and from Deary, Mr. and Mrs. Roy Crane. Mrs. R. W. Albright has gone to Seattle.

LATAH CO. WEED CONTROL

Latah County Weed Control is considering a modification of the spray program in the Kendrick-Juliaetta area. The new weed supervisor is suggesting a one time spray application in the Potlatch River canyon. This in response to the many complaints from gardeners in the area.

The early application before the planting of broadleafed crops may be supplemented with granular herbicides which eliminate the possibility of spray drift. Also the County will continue to assist private landowners in the control of Yellow-star thistle which is a growing problem in the area.

The Weed Supervisor is asking for public response and suggestions for the date of application. The time needed to complete the application is approximately one week. Interested persons please write Room 209 at the County Courthouse or call 882-8580.

Meeting Set

The Idaho Fish and Game Commission will hold a special meeting February 28 (Monday) at Lewiston to discuss the preliminary draft of a statewide wildlife policy plan.

The meeting will begin at 8 a. m. and will be held in the Department of Fish and Game's Region 2 office at 1540 Warner Avenue, Lewiston. Public hearings have not been scheduled for this one-day meeting.

Commissioners will meet in late April or early May to set closing dates for next fall's big game seasons. A public hearing will be scheduled during that meeting.

FIRST SECURITY BANK LETTER

Residential construction activity in Idaho slowed abruptly in January, a month which is typically characterized by reduced building activity. This is according to the Idaho Construction Report, a publication of First Security Bank of Idaho, N. A., said James Hoogland, Jr., manager of Kendrick First Security and Orrin S. Merrill, manager of Genesee First Security. The letter is edited by Dr. Kelly K. Matthews, vice president and economist of First Security Company, service and operating company of First Security Corporation. The letter is being distributed this week.

Building permits for nonresidential construction, however, maintained the average value of the previous quarter.

Total construction values for authorized building permit construction in 53 major Idaho locations during January 1977 was \$17,073,218 or 9.8 per cent above January 1976.

New residential construction for 422 living quarters totaled \$9,917,165 a decrease of 5.0 percent in the number and a decrease of 12.5 percent in value compared with a year ago.

Nonresidential construction valued at \$4,590,654 was up 289.4 percent while alterations and repairs, totaling \$2,565,399 were 15.8 percent below last year.

Dr. Matthews noted that with this true, the Idaho construction report has been expanded to include building permits issued in six additional unincorporated county areas. The 1976 construction data included in the report for comparison purposes have been revised to reflect these additional reporting locations.

AN OPEN LETTER
 To Electric customers of the Washington Water Power Company
Requesting Voluntary Curtailment
of the use of Electricity

Everyone realizes by now that the Northwest has had a winter with virtually no rain or snow. The situation is worse than any other year on record. The snowpack that feeds the watersheds of our great rivers is practically nonexistent. Mountains that are normally covered with perhaps twenty feet of snow now have a few scant inches.

Authorities believe that there is no immediate relief in sight. The prospect is that normal use of our water resources will have them seriously depleted by summer's end.

This water, which serves the region in so many ways, must be conserved. Crops, electricity, jobs, and fire protection all depend on it.

One important contribution we can all make is to reduce our use of electricity. Most of our power is generated by hydroelectric plants (water wheels) on the rivers. When power requirements are reduced, the plants can be cut back or stopped, retaining water in the reservoirs upstream. This water is the insurance against a possible shortage and blackouts next fall and winter.

Therefore, we are requesting that each of our customers curtail their electric use by at least 10%.

This may not be easy for everyone. Certainly it is going to mean inconvenience, perhaps some discomfort.

HERE ARE SOME SUGGESTIONS THAT MAY HELP YOU:

- Heat producing devices are the greatest users of electricity. Curtailing the operation of them is the most effective way to save.
- If your home is heated electrically, try reducing thermostats to 65°.
- Electric water heater thermostats may be turned down 10 degrees or more.
- Operate washers and dryers less frequently. Use one large load rather than several small ones. Use cold water when possible.
- Try using less hot water for baths. Shorten the time you spend in the shower.
- Use the dishwasher only once a day rather than after each meal.
- Have a family conference; get everyone in the saving habit.

We would never make this unusual request if the need were not so urgent. It is our sincere belief that a concerted, voluntary curtailment effort will work to the benefit of all concerned. Your attention and cooperation in this serious matter is most appreciated.

First Grade Reading—
 Having never taught a first grade class, I thought I should have at least one formal experience in teaching six-year-olds to read. The opportunity arose last week, as D. Ann Parks, our first grade teacher, needed a substitute for her morning instruction which included teaching five reading groups. Even though explicit plans were left for me, I managed to get through only three groups in the allotted hour and a half reading period. Feeling a little frantic about the situation I modified the daily schedule, but was barely able to finish up reading, do a little math, and read the kids a story before Mrs. Parks returned.

I am still trying to figure out why anyone would choose to become a first grade teacher. The kids are a pure joy to work with but the responsibility of teaching twenty-eight beginners to read is awesome. It is truly amazing how these little people can learn the complicated combination of sounds and symbols from our language and perform what we call reading. Of course, some are able to accomplish this task much more rapidly than others. The fact that a few cannot decipher these relationships as easily can be as frustrating to the teacher as it is to the student.

After my experience in the first grade classroom, I can readily see why primary teachers might easily be called miracle workers. Although not solely responsible for building the foundation for the future educational success of our children, they certainly contribute to a major portion of this objective.

Progress Reports—
 Progress reports for students at the Junior-Senior High School were mailed out on Friday. This communication midway through the reporting period is a means by which teachers can inform parents of progress or lack of progress being made by students before grades come out. After reading all of the progress reports that went home, I was pleased to see that many reflected improvement from previous performance rather than indicating a need to correct deficiencies. For those that did receive poor work reports, 4 1/2 weeks still remain in the quarter to try and bring up grades.

1977-78 Basketball Schedule—
 By now, most everyone has accepted the fact that boys and girls basketball will both be during the winter season next year. All District II schools have been preparing for this change so that the transition can be made as smooth as possible. Principals from each district put their heads together and outlined a master schedule proposal which would limit games to be played only on Tuesdays, Fridays and Saturdays. Unless individual districts could schedule otherwise, between 3 and 5 playing dates would be doubled, that is, either the boys' team or the girls' team would have to play away on the same night that the other played at home. Fortunately, we were able to eliminate all of our double game nights at Kendrick, through rescheduling. With 19 boys' games and 14

girls' games presently scheduled, only one game had to be scheduled on a day other than Tuesday, Friday or Saturday.

Some area schools including Kendrick are now working out a plan to move Jr. High basketball to a fall season. This will take some of the crunch off the use of the gym and will help avoid having basketball games nearly every night of the week. We still are going to be strapped for gym space and available practice time, but these planned changes will certainly help make the conversion less painful.

Open House Fair—
 Tuesday, March 15, has been set aside for the Jr.-Sr. high school open house fair. The sophomore class will have a pancake feed in conjunction with the fair from 5:00 p. m. to 7:00 p. m. All secondary teachers will be available to meet with parents and will be displaying student projects and course materials. I would encourage all parents to attend if possible as this will be an enjoyable and worthwhile evening.

FOR SAFE DRIVING
Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the difference between complete protection and or a costly repair bill.
