Tigers Nipped For Third Place In State Tourney

Kendrick's tough-luck Tigers, seeded second out of the District, almost upset the rating but were beaten out for third place in a Saturday night "cliff langer" at the State A-3 tournament at Idaho Falls. Teton won its 68th straight game and 3 consecutive tournament by beating West Jefferson for the title.

Kendrick, paired with Rimrock in the opening game Thursday afternoon, breezed out to a 16-0 first quarter lead; were ahead 32-19 at the half and then had to hustle to beat the determined Raiders 61-52. The win was costly for KHS as senior forward Doug Lohman suffered a severely sprained ankle just at the end of the third quarter. Doug was unable to play in the remaining two games of the tournament.

Kendrick was paced by Doug Park's 17 points, Jason Meyer had 11, Doug Silflow 10, Tim Eichner 9, Lohman 8, Rob Maynard, 6.

Missing the services of the injured Doug Lohman and baffled by a sagging zone defense the Tigers were knocked into the loser's bracket Friday by powerful West Jefferson 78-42. The Tigers kept pace with the Panthers for only about three minutes then West Jefferson turned on the pressure and were ahead 35-16 at the half.

Parks put in 12 points for Kendrick, Meyers 8, Jim Brocke 7, Doug Silflow 6, Jim Peavey 4, Gary Brammer 3, and Tim Eichner 2.

Edged By Glenns Ferry Although beaten, the Tigers closed the tournament on a strong note by taking the Glenns Ferry team down Mrs. Ohman is survived by her twin sister, Mrs. Vera Howell of Eremerton, Wash., a sister Nell Crocker of Kendrick and brother third guarter, when they out-scored taking the Glenns Ferry team down to the wire before losing 62-60 in the final seven seconds. The Tigers, down 34-25 at the half, used a big third quarter, when they out-scored the Pilot's 20-8 to take the lead they

held until the final seconds.
Parks had 18 points, Rob Maynard 15, Tony Snyder 11, Tim Eichner 8, Doug Silflow 4, and Meyer and Ron Maynard each 2.

And still the leader

Ten years ago this month, First Security Bank Introduced the very first bank card in our area. BankAmericard. It became the recognized handy helper for all sorts of needs. As you've discovered over the years, it's welcome at hardware

stores, nurseries, lumber centers, building suppliers, paint stores, automotive stores, department stores, restaurants,

airline ticket counters-just about everywhere. Today, BankAmeri-

card's popularity is greater than ever. And the First Security tradition of being first in convenience still continues as Bank-Americard gradually changes its name to Visa. Visa does everything Bank-Americard does. And more. Visa is accepted by every-

one who accepts BankAmericard, worldwide. That's because Visa is BankAmericard. Just a new and easier name.

As BankAmericard gradually changes to Visa, you, as a First Security BankAmericard customer, will automatically receive a First Security Visa card on the renewal date of your. present BankAmericard. You don't have to do a thing.

And, if you don't already have the everyday convenience of First Security BankAmericard, now is the time to ask for one by its new name. Visa. Applying is simple at any First Security Bank.

Tigers End Season Strong-

The Kendrick Basketball fans witnessed a super come-from-behind ef-fort and one of the best performances this year by their team in the Tiger's final game of the State Tournament in Idaho Falls last Saturday against a strong Glenns Ferry. The Pilots hit the final shot of the game to outpoint Kendrick by two but the disappointment of losing was absent from the minds of everyone. The Tigers achieved success by proving to themselves and to the rest of the State that Kendrick was a playoff team and deserved to be represented in the Idaho Falls tournament. Their first round victory over Rimrock proved to be costly with the loss of starting forward Doug Lohman with an ankle injury. This loss in addition to the depressed spirits of the team and combined with the foul trouble encountered against West Jefferson proved to be disasterous on the second day of the tournament. Optimum conditions had to prevail in order for Kendrick to challenge the powerful Panthers but everything was stacked against the Tigers and the loss appeared to be demoralizing. On the final night against Glenns Ferry, starting center Tim Eichner, left the game early with stomach cramps and the Tigers found themselves down by twelve. Little hope remained for a serious challenge to the tall and overpowering Pilots. However, as if to say, 'Don't give up on us people we've come to play ball", the Tigers came roaring back. They hammered in 15 unanswered points to snatch the lead at halftime by three. The Tigers continued their dominance through the second half but were turned back in the final moments by a hot shooting streak from the Glenns Ferry team. Leading this valiant effort for Kendrick were 2 sophomores Doug Parks and Tony Snyder, both turning in impressive performances. Three seniors, Rob Maynard, Doug Silflow and Ron Maynard proved to be the right combination for some of the best basketball seen by the Kendrick crowd

The support from our community at the state tournament was overwhelming. I would estimate at least 100 persons traveled the 500 miles to unite behind our team. Many others were cheering us on at home. All of us are proud of the way our kids performed and are appreciative of the thrills we received by watching them play this year.

FOR SAFE DRIVING

Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the different between complete pretection and or a costly repair bill.
