Kendrick Grange Open **House Promotes National Grange Week**

Open house was held by the Kendrick Grange on Tuesday, April 19th at the Kendrick Grange Hall.

A delicious 6:30 supper was served committee: Juanita Craig, Mildred Johnson, Andy and Minnie Cox, and Dick and Dee Morton.

The business meeting began at 8 p. m. with Kendrick Grange Master Lawrence Heimgartner at the Master's Station.

A special program for Grange promotion in honor of Grange Observance Week was presented by the Lecturer. This included Grange History: what the Grange represents, This included Grange tries to accomplish and has to offer for all groups and ages of people. It is the Only Family Fraternity in the World and is 100% American. There was also special emphasis on accomplishments of the Grange as a nation and some of the special accomplishments of Kendrick Grange during the

past year. A most informative and interesting Legislative program was presented by a panel consisting of Gerald Ingle, of Kendrick Grange Legislative Committee as moderator and assisted by Richard Morton, superintendent of Kendrick Schools and State Legislature, Lester Clem of Troy. A discussion of Legislature just recently completed at the State Session at Boise was presented with special emphasis on those bills particularly concerning our area and including where our tax money comes from and where it goes. This was informal with everyone given an opportunity to ask any questions with a frank, honest answer. All present felt it was time well spent with a great deal of Card for Marvin Long knowledge gained. Thanks to Lester, Dick, and Gerald.

A Really Big Birthday

Marvin Long, retired Kendrick merchant, probably has received many birthday cards in his 83 years, but he never received one like he did last Monday, April 25. A huge card

bearing signatures of approximately 380 friends was sent to him that day. The card was the idea of Mrs. Virginia Cantril, who started gathering signatures some time ago, go ing from store to store and also stop ping people as they passed by on the street. It was a wonderful surprise for Mr. Long. It was also a beauti-ful thought by Mrs. Cantril.

Glenora Braden Claimed by Cancer

Glenora Braden lost her long, brave struggle against cancer Sunday evening, April 24 and slipped quietly away at Gritman Hospital in Moscow. For the past five years, she and her husband, Howard have owned and operated Braden's, a Kendrick Department Store. She was 48 years old.

They had lived at Deary for nine years, before coming to Kendrick after purchasing Olderness Dept. Store

New Batch of Bookworms A new batch of bookworms was hatched in the Genesee school system last week. In cooperation with the national Right-to-Read campaign and in observance of National Library Week, students, faculty, and staff participated in 15 minute silent reading sessions. The secondary school read Tuesday afternoon from 1:10 to 1:25 and on Friday morning, 9:15 to 9:30 the entire school joined together

using the classroom overhead projector to make shadows of cut-out animals and characters that would illustrate the story. The story itself was about a caterpillar who ate himself BIG, and turned into a beautiful butterfly. The first graders were especially amazed that such a tiny thing could look so big on the screen

the all-seasons energy saver

built-in year round comfort and conservation

By far the greatest use of energy in your home is for heating and cooling. So, the best way to conserve energy

(and money) is with adequate insulation in your home's attic, ceiling, floors and walls.

A properly insulated home in this area should have at least 6 inches of R-19 rated insulation in ceilings and floors and 3 inches of R-11 rated insulation in the walls.

If your house does not have this depth of insulation, a lot of the heat you pay for is going right out through the roof and walls. And, a lot of the energy you use for cooling in the summer is being wasted, too.

You can do it yourself or call an insulation contractor. A modest investment in insulation right now will repay you year after year. It is the all-season energy saver.

Letters to the Editor.

The GAZETTE NEWS has just the fun of reunions and old friends, it builds community spirit. Genesee has always had an abundance of that!

It is a load, no doubt, for some of the workers to knock themselves oul every year preparing for this excelently done event. Our thanks for that good work! Enclosed is a small check to help out wherever it is most

beauty of the countryside but also couple of years ago to help preserve the lush greeness of the wheat and other field crops.

N. P. Depot. There was no occasion Nell Heimgartner enjoyed Friday provided for us to present it nor was unch with her father Charley Fey, there any interest we could find to keep the pioneer building. So we just gave back the money and felt sad. There could have been more funds provided later as time nemitted. Right now some of us are concerned about the Rudolpi. Nordby barn. It is beautifully preserved and dates back to the 1870's. We need a place to keep our museum, railes from the farming district. Where is there a richer area in his by of living on farms than around our county? These items have in so many instances just been allowed to rot, Elizabeth Havens was in Moscow rust, and be thrown on the trash heap. Is it possible to try to purchase the barn and pre erve our heritage or not? Give it some thought. Write me or Ken Plat. I'm at 110 W. First, Moscow, and Ken is at 1213 Spruce Circle, Moscow.

Let's keep Community Day. Let's keep enjoying each other. Let's preserve our heritage, our "roots."

Junior-Senior Banquet

The red carpet was rolled out for seniors last Saturday night as the Juniors honored the graduating class of 1977 at their annual Junior-Senior Banquet. The organization and effort that went into the dinner and decorations helped create a very memorable evening for the students, faculty and school board members who were invited. The Juniors' mothers helped prepare a delicious roast beef meal with green beans, rolls, baked potatoes, salad bar and straw-berry shortcake. The candlelight dinner was served by Freshman and Sophomore girls. Polly Taylor gave the invocation and benediction. The program began with a welcoming Jim Brocke, followed by the Senior congratulations to Toni and we response by Lee Deobald, Senior luck at the U of I next year. Class President, Joanne Parks and Amy Lawrence sang, "When You Amy Lawrence sang, "When You Wish Upon A Star", accompanied by Diane Silflow on the piano. The guest speaker was Bob Heppner, 30. Lions Club Scholarship-

Toni Lockett was chosen by the high school faculty to be this year's recipient of the Moscow Central Lions Club Scholarship award. Only Seniors who plan to attend the University of Idaho are eligible for the \$100 scholarships which are awarded to area high school graduates. The selection is based on scholarship, leadership, service and need. Toni, a Lewiston High School transfer, spent much of her high school car-eer in Alaska. This is her first year at Kendrick, but she has contributed a great deal to our school in this very short time. Her interests and future vocational goals lie in the area of child development. She will be honored at a Lions Club Luncheon on May address by Junior Class President 17th in Moscow. I wish to extend my congratulations to Toni and wish her

Lewiston Sweet Adeline Show a Success; Thanks Is Offered

Lewis-Clark Chapter of Sweet Adelines members wish to thank all of their friends and advertisers for the support and encouragement at their annual show. Local singers who took part in the show last Saturday evening were Flo Lyons, costume chairman; Marilyn Eichner, assistant director; Ann Meske, choreographer and Lucille Magnuson of Kendrick; Iris Qualey and Laura Lee Clark of Genesec, and Eloise Hocking of Deary. Iona Lawson of Juliaetta recently joined the Sweet Adelines but was unable to perform because of illness. Special thanks go to Jim Soyk of Arrow Junction who was Master of Ceremonies and kept the-time spar-

in the Clarkston School District to observe primary classrooms in session. The teachers got to examine different teaching materials and shared many ideas with other first and second grade teachers. Primary teachers from Lewiston also visited Highland Elementary to exchange ideas, especially in the area of reading. Mrs. Parks and Mrs. Boe returned to Juliaetta enthusiastic and anxious to try out some of the things they learned. They felt this was a vice day for them.

THE Beauty

FOR SAFE DRIVING

Safe, Dependable Winter Driving Requires Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the diffeernt between complete protection and or a costly repair bill.

DANIELS RETIRES

Marvin Daniels retired as of May 1, 1977, after 28 years of service as a PCA employee. We doubt if Marvin will have trouble keeping busy since he has plans to spend a lot more time on his farm at Anatone and some time traveling. In between farming and traveling, he will no doubt find time to do some painting. We all wish him a long, healthy and happy retirement.

CROP INSURANCE

Crop Hail and Fire Insurance are available to PCA and Federal Land Bank members through a licensed PCA representative.

It doesn't cost any more to insure early - the insurance can be cancelled anytime up to July 1st in case of drouth.
