POISON IVY
Plants of the poison ivy family are probably the single most often encountered cause of painful, itchy skin rash in the United States. This family of plants can grow in the great variety of conditions of soil, water and sun present in all states. There are several varieties and all cause the same trouble. Poison sumac is a shrub or small tree. The others are vines. Except for the sumac, all are marked by 3 leaflets arising from the node. Remember the old saw: "Leaflets three, let it be."
Washing with soap and water soon after exposure might help reduce the skin rash, the Idaho Medical Assoc. says. Cold water compresses will bring relief from itching and reduce inflammation. Calamine lotion will hasten drying out of the blisters. Extensive and severely uncomfortable eruptions may require medications prescribed by a physician.
The only way to prevent poison ivy rash is to avoid the plants. There is no effective skin protectant or immunizing technique. The plants

1st: Kandi Kambitsch; 2nd: Shawn Carroll; 3rd: tie: Don and Annie Baumgartner.
Poetry winners were:
1st: Darce Broemeling; 2nd: Mike O'Neill; 3rd: Shawna Broemeling.
God Is Love—Darce Broemeling
God forgives for doing wrong. He has the power that's very strong. God washes away all our sins, And leaves love within.
Always love God and you will discover,
How to love one another. Remember what I have said, Peace will be yours in days ahead.
Discovery—Mike O'Neill
The soft, warm summer breeze Stirs through the trees While children play in the tall grass, While God looks upon us at last. The birds sing on a cool night, Our memories seem to go in flight. We discover as we grow up, time goes so fast
The birds, the breeze, and children are in the past.
Discovery of God—
Shawna Broemeling
Discovery of God is a wonderful thing, When you discover the love He can bring.
To discover that you can see, God in every flower and tree. Whenever you need someone to talk to, Remember God will not forget you. It is a great feeling to know God is with you wherever you go.

can be dug out, or destroyed by herbicides. Actually, poison ivy is misnamed. It is not really a poison. It is an allergen, which causes the body's defense mechanisms to over-react. First exposure might not produce a rash, but later exposures could trigger the reaction.

Sinusitis Is Not Usually Cause of Headache

Sinus infection, or sinusitis, is not as common as one may be led to believe, according to the Idaho Medical Association.

It is estimated that about 98% of the common frequent headaches usually attributed to the sinuses are due to some other cause.

The sinuses are air-conditioning spaces in the front of the skull and in the bones of the face. They are lined by moisture producing mucous membrane. Moisture normally drains unnoticed from the sinuses into the back of the nose and down the throat, perhaps a quart or more a day. The purpose is to humidify the air we breathe and it is necessary for the proper function of the respiratory tract.

Though frequently blamed, the sinuses usually are not the cause of nasal stuffiness and headache. Most often the upper respiratory tract is reacting allergically to some biological or physical factor in the environment. Abnormal nasal drainage is commonly related to infection, or it may be an allergic reaction to pollens and dust.

The underlying cause of sinusitis is usually some interference with normal drainage of fluid from the sinuses. Trouble develops when infection or some other abnormality causes the sinus openings to become swollen or otherwise obstructed. Unless drainage is restored the infection can become chronic.

Treatment may involve medication removal of pus, or possibly surgery. While serious sinus infection is not as common as may be supposed, its presence does warrant medical attention.

Study of Grange Basics Held by Princeton Group

Princeton Grange No. 426 hosted a meeting May 19th for a study of Grange Basics. Officers of the Idaho State Grange met with forty-two Grange members representing eleven Granges.

Idaho State Master Gordon Tate spoke in Grange needs and accomplishments. He urged all Granges to enter the Community Service program and reminded reports must be in by the last of June. He also stated a need for more new members. He said the Grange has had a large growth in membership in the State but more new members would be appreciated. He was accompanied by his wife. Other State officers attending were Idaho State Lecturer Esther Bluemer of Weiser; Idaho State Deputies, Mr. and Mrs. Edwin Condell of Troy; and Mr. and Mrs. Duane Crow of Reubens.

Special instructions were given on Draping the Charter, balloting and presentation of the flag.

State Lecturer Esther Bluemer urged everyone to learn more about and participate in the Lectures contests. She stated any subordinate member may enter the skit writing contest and Booster Night reports must be in by September 10th to be eligible for National Competition. Any reports later than the 10th will be judged in competition for State level only. She urged all lecturers and members to participate in the Grange Issue Forum.

A delicious potluck supper was served by members of the Princeton Grange.

Those attending from Kendrick Grange were Kendrick Master and Lecturer Lawrence and Nell Heimgartner.

Unemployment Claims Down From Same Period Last Year

Due to the influx of University students and idled university-connected workers onto the local job market, Latah County work availabilities began to taper off somewhat this past week, said Frank Hartstein, Moscow local office manager for the Idaho Department of Employment. He said 7 persons were placed on jobs, while notices of 5 new openings were received. Last week 16 jobs were made available and 25 job placements completed. Currently 14 positions are open, including opportunities for a qualified practical nurse, experienced secretary, experienced bookkeeper, electronics salesman, dayworker, front-end alignment man and several waitresses. Interested persons should contact the Department of Employment Job Service office at 221 E. Second, Moscow for details.

Hartstein further reported that the Latah County unemployment total remains stable, while some communities continued to see fluctuations in their unemployment picture. A total of 467 workers were counted unemployed during the past week, compared to 468 a week ago and 570 the same week in 1976. The new claim total dropped to 68 from 95 the previous week.

Senior Citizens Enjoyed "Lucky 13" Afternoon

June 13 proved to be a fun time as 34 "Golden Sunset" senior citizens enjoyed the afternoon, beginning at 1:13 p. m. with a "Lucky 13" party. During the afternoon, points—13—were given for each correct answer concerning various versions of the famed number 13.
 During the business session, Mr. and Mrs. Art Pope were elected delegates to the North Central Idaho Senior Citizens Assn. (five county), with Earl Whitinger and Lucille Hoffman chosen as alternates.
 Other features of the party were pinocle and bingo, together with visiting and reminiscing. The "galloping Goose" was awarded to Jo Benschoter and Dick Blewett. The "Gander" went home with Given Mustoe, and Bill White won the "Lucky 13" contest. Prizes awarded were a "baker's dozen" of eggs!
 Delicious refreshments were served by the hostesses, Ina Meyer, Margaret Halliday and Maxine Foster.

State Sewing Contest Awards Presented at Deary

Mrs. E. M. White, chairman, Committee of Women's Activities, Dist. III, Idaho State Grange, presented a first place award to Mrs. Edith Archibald, Deary, for her Blue Ribbon winner in Class E, of the National Grange Sewing Contest, during the Mt. Deary Grange meeting, June 10. Mrs. Archibald's entry was a striking sports jacket for her husband.
 The Grange meeting was the 47th anniversary of the Mt. Deary Grange. The evening began with a delicious potluck dinner which was well enjoyed by those attending.
 Seven 25 year membership pins and certificates were presented by Worthy Master Laura Johnson.
 A puppet show by Mr. and Mrs. Anly Jones, Clarkston, concluded the evening.
 Those attending from Kendrick were Mr. and Mrs. E. M. White and Mr. and Mrs. Gerald Ingle. Other visiting Grangers were Mr. and Mrs. Ed Condel, State Grange Deputies, Troy; and Mr. and Mrs. Murray Benjamin, Ponia Grange officers.

Johnson Family Reunion at Cottonwood Creek Home

Members of the John Johnson family, former American Ridge farmers, gathered at the home of Wayne Hoskins on Cottonwood Creek Sunday for a family reunion and visit.
 Coming from a distance were Willard and Mary Bartlett of Tempe, Arizona; Edwin and Ethel Brandon of Kellogg and Mr. and Mrs. Albert Burnett of Weippe. Other family members were present from the Lewiston-Clarkston area.

THANK YOU, FRIENDS

I want to thank my family and relatives and friends and neighbors for the lovely flowers, cards, gifts, letters, visits and phone calls also the kindness of everyone while I was in the hospital and at home. The prayers were appreciated — And Thanks to the Ambulance and crew. See you all soon.

FOR SAFE DRIVING
Safe, Dependable Winter Driving Requires Extra Care and Maintenance
 A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.
 Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.
 Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.
 Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.
 Good Anti-Freeze in the proper amount can mean the difference between complete protection and or a costly repair bill.
