KENDRICK AND GENESEE, LATAH COUNTY, IDAHO

THURSDAY, JUNE 30, 1977

NO. 26

Mrs. Mabel Hugo, 82, Claimed by Cancer

Mabel Hugo, long-time Orofino resident died of cancer at 9:00 o. m. Friday, June 17, at the Clearwater Valley Hospital. She was 82.

She was born Sept. 4, 1894 at Yankton, South Dakota, the daughter of Albert and Mary Kleth.

She later moved to Big Bear Ridge near Kendrick. She married Otto Smith at Orofino, where he was employed. He died in the late 1920's. She then married William Hugo and lived at Juliaetta until his death in 1955 when she returned to Orofino.

She is survived by six sisters, Betty Wampler, Esther Oslund, Bertha Bowers and Marie Kaye, all of Lewiston and Mildred McGraw and Othella Morrison, both of Moscow; two brothers, Theodore Kleth and Ole Kleth of Deary; two daughters, Leora McCrery of Orofino and Marion Lynch of Paso Robles, Calif.; seven grandchildren and nine great-grandchildren. A son preceded her in death in February.

Funeral services were held at 10 a. m. Tuesday at Gilbert Chapel in Orofino with Rev. Obert Landsverk officiating.

Burial was at Normal Hill Cemetery in Lewiston.

Christensen - Holt Wedding June 11 At Cameron Church

Cameron Emmanuel Lutheran church was the setting of an impressive double-ring ceremony that united Pat Christensen and Bud Holt in marriage on June 11th.

Doug Christensen escorted his mother to the altar and then served as attendant to the groom. Jerry Smith of Deary was the best man. Debbie Christensen, the bride's daughter, was bridesmaid, and Mrs. David Thacker, sister of the bride was matron of honor. Chari and Cathy Christensen, both daughters of the bride, lit the candles.

Mr. Oscar Slind was organist and accompanied Mike Boe and Ann Meske who sang.

Rev. Peter Vorhes officiated.

A reception followed the ceremony with Mrs. Marvin Silflow, Mrs. Horst Reil, Mrs. Harold Silflow, Mrs. Phil Heinen, Hermine Meyer, and Mrs. George Brocke serving.

Following a short trip to Canada the new Mr. and Mrs. Holt are at home in Kendrick.

Mr. and Mrs. Harding Holt and Mr. and Mrs. Carl Horting are the parents of the newlyweds.

CB Radio Books Available

The CB books for 1977, giving call letters and "handles" for many citizen band radio operators in the area, are now available from Wayne May, Roy Silflow or at the office of the Daily Idahoian in Moscow.

Swim Lessons Start July 18; Registration Begins

Swimming classes for area children will be held at the Kendrick War Memorial Swimming Pool from July 18 to 27, it was learned this week. The pool will begin accepting registration for the coming classes immediately, and parents are asked to register the children who will be taking lessons as soon as possible, so

Mrs. Carrie Mattoon, 75, Passes Sunday, June 26

Carrie Mattoon, 75, a retired Kendrick and Troy area farm wife and resident of Clarkston for the past four years, died Sunday, June 26 at St. Joseph's Hospital in Lewiston of cancer.

Mrs. Mattoon had been ill for about three years. She and her husband, Perry, owned a farm near Troy for 20 years before moving to Clarkston in 1973. Mattoon survives at the family home at 722 Riverview Blvd.

The Mattoons celebrated their golden wedding anniversary February 24, 1971. Mrs. Mattoon recalled, in an interview with the Lewiston Morning Tribune that the courtship began with a buggy ride through the countryside around Lapwai, where her family had a farm and Mattoon worked as a farm hand.

Her father, George Goldner, was constable at Lapwai from 1916 to 1921. Her parents, George and Mary, came west in a covered wagon from Minnesota at the turn of the century, Mrs. Mattoon said. She was born Jan. 13, 1902, at Kippin, now Reubens. The family moved to Lapwai when Mrs. Mattoon was a child and she attended school there.

The Mattoons were married at Lewiston and made their first home on Moscow Mountain, where they cut and sold firewood to Moscow business firms for about a year. Wood sold for about \$4 a cord then, according to the Mattoons.

The Mattoons then returned to the Lapwai area for a short time before moving to American Ridge to work on a farm. Several years later they rented their own farm at American Ridge. Mrs. Mattoon also worked as a telephone switchboard operator during a number of their years in the Kendrick area.

The Mattoons farmed on American Ridge until 1950, when they moved to a farm near Cavendish. They lived there for three years, then bought their farm at Troy. They retired from farming in 1967 and leased their farm ground.

Mrs. Mattoon enjoyed doing fancy work and was a member of the Orchards Nazarene Church.

Survivors in addition to her husband are five daughters, Constance Fey of Kendrick, Helen Mattoon of Moscow, Carol Halterman of Eagle, Colorado, Beverly Stamer of Kuna, and Kathy Shove of Juliaetta; 16 grandchildren and 18 great-grandchildren. A son, Jim Mattoon, preceded her in death in 1953. Four brothers and three sisters also preceded her in death.

The funeral was Tuesday at 10:30 at Malcom's Brower-Wann Memorial Chapel with the Rev. Gene Morrell of Naches, Wash., officiating. Burial was at Normal Hill Cemetery.

The family suggests that any memorial contributions be made to the Juliaetta-Kendrick Ambulance Fund.

Valerie Renfrow's Name Omitted From List of U of Idaho Graduates

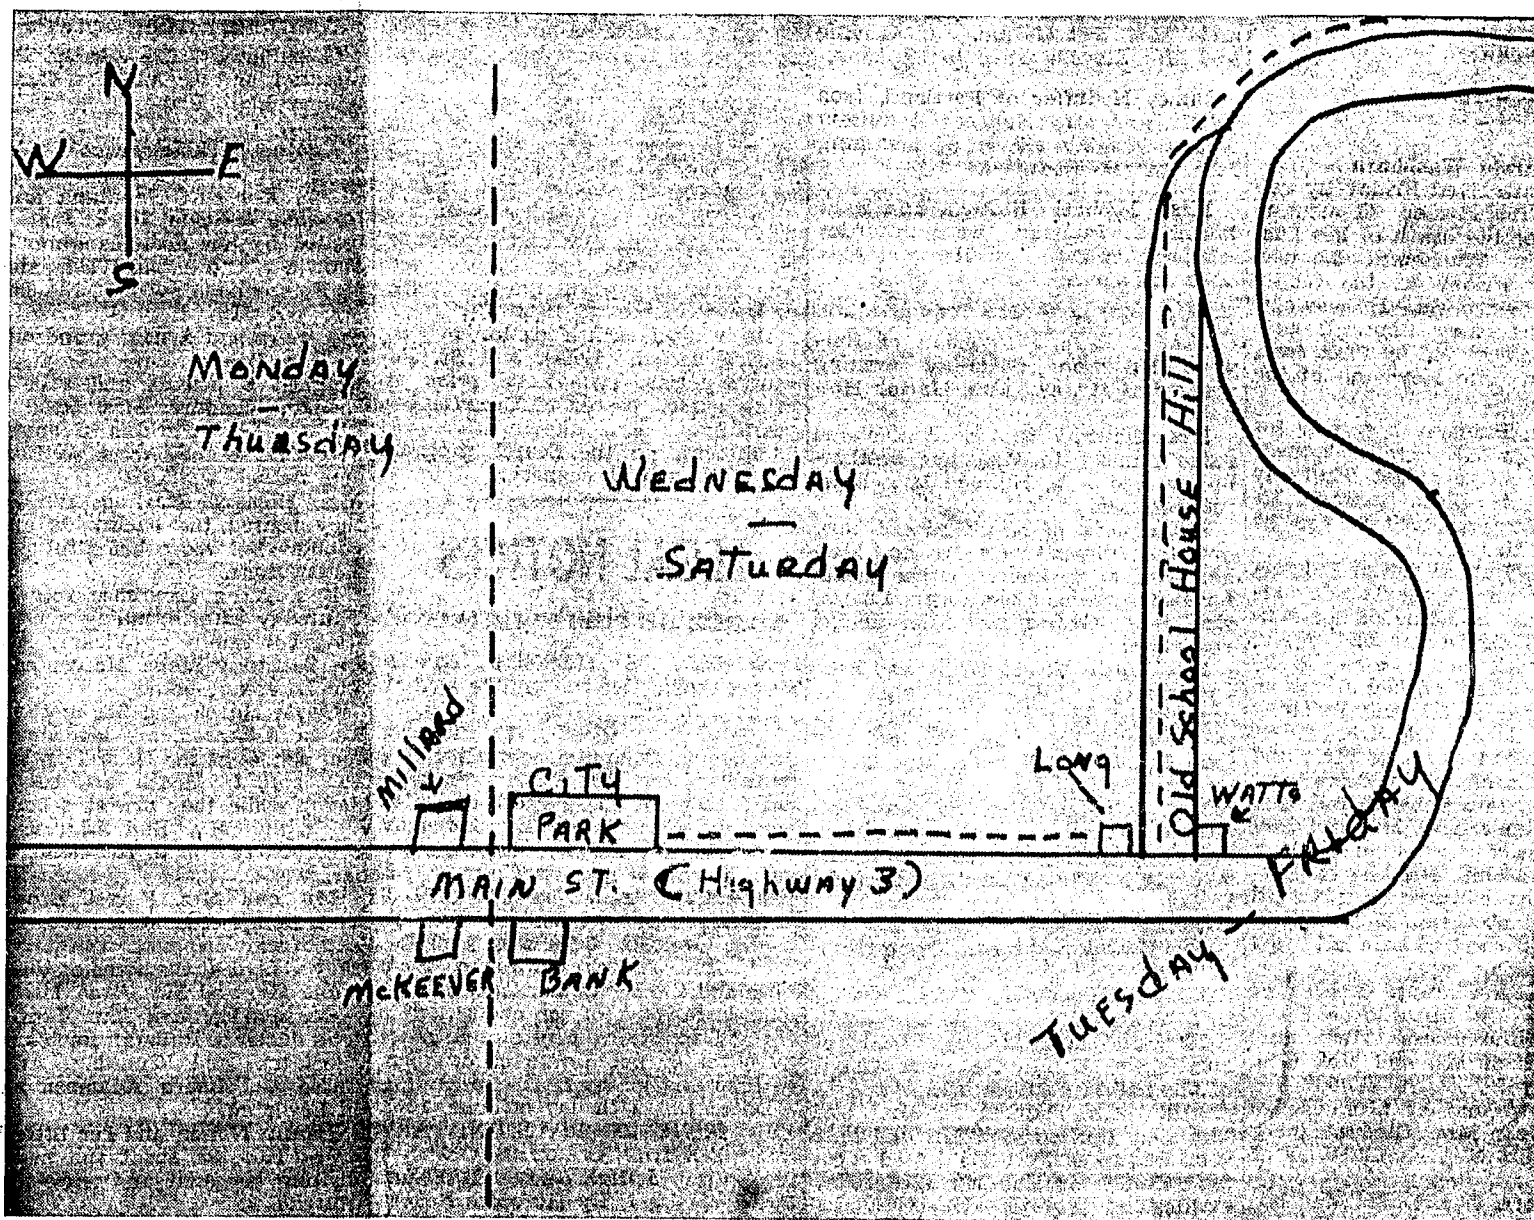

The name of Miss Vallarie Renfrow, daughter of Mr. and Mrs. Herman Renfrow of Troy, was inadvertently omitted from the list of graduates from the University of Idaho last month. Miss Renfrow received her degree in home economics.

She was also named to this semester's Dean's List at the University.

Eichners Return From Trip to Atlantic Coast

Mr. and Mrs. Bud Eichner returned home June 20th from a 12-day visit in Virginia and North Carolina. They visited for 2 days with Marilyn's sister and her family, Mr. and Mrs. Robert Morris and family of Reston, Va., and were met there by Mr. and Mrs. Mike Rishling (Becky Eichner) and daughter Erin, who drove them to New Bern, N. C. for the remainder of their visit. Mike is with the U. S. Marines, working at a weather sta-

Kendrick Imposes New Water Restrictions

The rough drawing is intended to define the new division of the City of Kendrick for the purpose of limiting sprinkling and irrigation. The city has been divided into three sections for this purpose. Section 1,

that portion of the city West of the City Park and First Security Bank, on both sides of Main Street may water on Monday and Thursday. Section 2, that section of the city from

the park East to the old school house Hill and North of Main Street only may water on Wednesdays and Fridays. Section 3, East of the old school house Hill to the city limits

and south of Main Street East from the bank may water on Tuesdays and Fridays. There will be no Sunday watering. These new regulations become effective July 1.

As hot summer sun continued to shine down from a bright, cloudless sky offering little hope of moisture in the near future, the Kendrick city council again took action which will further restrict the use of water for sprinkling and irrigation purposes.

Earlier this month the council passed an ordinance (No. 574) that, among other things, divided the town into sections with Highway 3 as the dividing line. Homes and businesses North of Highway 3 could sprinkle Tuesday, Thursday and Saturday; South of Highway 3 could water on Mondays, Wednesdays and Fridays. There would be no Sunday watering allowed.

After three weeks of this method it has been determined that the draw down on the city water supply is still too great, especially as the fire danger increases, which is doing with

each passing day.

Monday evening the council met and approved a new division of the town for watering purposes. The new plan divides the city into three sections and gives each section just two days a week to sprinkle and irrigate. The new plan becomes effective July 1 and will continue to be enforced until further notice, the council said.

The division lines are: All homes and businesses East of the City Park and the First Security Bank—on both sides of the street—may water on Monday and Thursday.

All homes and businesses East of the Park to the Marvin Long residence (school house hill) On the North Sides of Highway 3 (Main St.) may water on Wednesday and Saturday.

Homes East of Marvin Long's (Bob Watts residence) out to the city limits and those business firms East of First Security Bank out to the East city limits may water on Tuesdays and Friday.

The City Park and the School will be left on an open watering basis and will be irrigated as water becomes available.

The council earnestly requests the cooperation of every resident in this attempt to conserve water.

Crops are hurting. Crops in this area are already damaged by the lack of moisture. Where just a few weeks ago the peas and small grain fields looked good because of rain in May, they are now hurting because there has been little rain this month and there was little, if any sub-moisture available after the exceptionally dry winter.

The warm weather hastened the maturing of crops and with no moisture to draw on the peas could not form or fill pods as usual and the wheat and barley heads likewise did not fill or develop.

Haying was a quick operation for farmers in year and the few bales in the fields waiting to be picked up gave further testimony to the dry condition of the soil.

Fire Danger Increases. Dick Benjamin, warden of the Kendrick Fire Protective District, has also expressed grave concern over the danger of fire, which is increasing with each passing day. He said the fire index is on a gradual increase and the number of fires already answered far exceeds those of last year. He asked residents, farmers, motorists and campers to use extra caution while in the fields and forest.

CARD OF THANKS

I would like to thank friends, relatives and neighbors for their cards, flowers, letters, visits, inquiries and words of cheer and encouragement while I was in the hospital and since returning home. All of your kindness and consideration has helped and was certainly appreciated.

Juliaetta Library Sponsored Class was Popular—

Thirty-eight persons attended a demonstration of butter-making and frying flat bread and listened to tales of Paul Bunyon, mythical north wood logger Monday afternoon in the Juliaetta city park.

All of this was sponsored by the Juliaetta Community Library and the Moscow-Latah County Library to promote the library's summer reading program.

The Moscow Main Branch prepares a griddle of flat bread for an audience of interested students.

WRINKLES AND DRY SKIN

Wrinkles and dry skin are a part of the normal aging process, but over-exposure to the sun hastens this process observes the Idaho Medical Association.

Repeated excessive exposure to the sun's ultraviolet rays causes irreversible damage to the skin. The damage is additive and in time it results in visible skin changes. The skin may become dry and wrinkled. Blotchy pigmentation and scaly patches may develop on the face, hands, scalp and other exposed areas.

Since these lesions are sometimes the forerunner of skin cancer, they should be treated by a physician.

Anyone who has had skin cancer or precancerous keratosis should take precautions to prevent additional sun damage.

An active outdoor life is conducive to good health. Precautions against weathered skin need not limit a person to a sheltered, sedentary life. Moderation in the amount of sun exposure and a few simple precautions are helpful.

Home Cookin'...

Here's one recipe Marilyn Jenkins brought to me for the paper quite some time ago, and I guess I'm about as jinx as Don Springer about getting them in (the sun you read Don's ad this week!) Rhubarb is still plentiful and I've had several calls about the 'delicious rhubarb dessert Marilyn served' when the Happy Valley group met in her home.

Rhubarb Dessert

- 5 cups cut rhubarb
 - 1 cup water
 - 1 cup sugar
 - 1 6-oz. pkg. strawberry jello
 - 1 9-oz. carton cool whip
- Cook rhubarb and water like a sauce. Add sugar and stir to dissolve. Remove from stove and add jello—stir to dissolve. Let thicken 2 hours or so and blend in cool whip. Pour into a baked pie shell or graham cracker crust; sherbert glass, or in pyrex baking dish lined with graham cracker crumbs.

Banana Crush

- 60- 6-oz
- 4 cups sugar
- 6 cups water
- 1 46-oz. can pineapple juice
- 2 12-oz cans frozen orange juice concentrate, thawed
- 1 12-oz can frozen lemonade concentrate, thawed
- 6 bananas
- 7 28-oz bottles lemon-lime carbonated beverage or equal amounts of lemon juice and gingerale.

Dissolve sugar in water, add juice and mashed bananas. (Run bananas through blender with some of the juice so they will mix well). When well mixed it can be frozen until ready to use. Pour into 1/2 gallon milk cartons and freeze. Allow about 4 hours to thaw before using. Place in punch bowl and add your 7-up just before serving.

Persons with dark skin, or those who tan easily can also develop weathered skin if they are over-exposed to sun year after year.

Enjoy life a little more by taking a walk around your home town. Remember as you walk, to cross only at corners or in marked crosswalks. This reminder from the Idaho Traffic

More Awards for Kendrick FFA Chapter

Lyle Deobald, BOAC Projctet chairman for the Kendrick FFA chapter, (left), shows the award most recently earned by the chapter — the Sil-

ver State Award, and David Williams, newly elected Chapter president holds the Silver State Reporters award.

The Kendrick FFA Chapter received the area award for their Building Our America committees project at the state convention in April. In addition the chapter received the Silver State award for their project at state contests held recently at Moscow. The award winning chapter

project was cleaning up and painting of the tennis courts and rebuilding of the football bleachers.

Also received at state contests was the silver state award for reporters. Gary Brammer and David Williams earned this award for excellence in reporting chapter activities and for their well organized scrapbook.

It was a "deadly wood-tick" he said he picked off his leg during a visit to "The Craters of the Moon" national monument. The monument, near Arco, was dedicated

HOME

I do not care to roam;
To places far from home.
Or, go to a foreign land,
Where their language I do not understand.
But, would rather walk down the street
And say "Hello" to friends I meet.
Then stop and pass the time of day,
With some friendly words to say.
Or find some shady nook
Where I can for four-leaf clovers look.
Look! Up in that tree
There's a crested Chickadee!
There is so much to see and do at home
There is really no need to roam.
