245 West State St.
Boise, Idaho 83702

Debra J. Messersmith and Douglas D. Springer were united in marriage on May 7 at the Overlake Presbyterian Church, Bellevue, Washington. The bride is the daughter of Mr. and Mrs. Dick Messersmith of Sunnyvale, California and the groom is the son of Mr. and Mrs. Don Springer of Genesee.

Debra is a graduate of San Jose City College and is a dental assistant in Bellevue. Douglas is a graduate of the University of Idaho and is a certified public accountant with Sherwood and Roberts in Seattle as credit department manager.

Steven J. Hoogland Graduates from West Point

Steven J. Hoogland, son of Mr. and Mrs. James Hoogland, Jr., was graduated from the United States Military Academy at West Point, New York, June 8th. Steve received his bachelor of Science degree and also his commission as a 2nd Lieutenant in the Army.

Idaho Weed Fighters Meet

The Idaho Weed control Association will hear from such well-known speakers as Dr. Aultis Mullins, Dean of the College of Agriculture at the U/I, and Dr. Lynn James, Research Leader of the Poisonous Plant Research Lab at Logan, Utah, at their annual convention at McCall on the 14th and 15th of July.

Joanne Parks to Appear In Lewiston Musical Production

Joanne Parks, daughter of Mr. and Mrs. Luther Parks, began practice last week at the Lewiston Civic theatre. She has a role in the production "Babes In Arms", a Rodgers and Hart musical.

CARD OF THANKS

We wish to thank the members of the Juliaetta Volunteer Fire Dept. for their quick response to our fire call last week. We appreciated your help very much.

Martin Stouts Named to Ag-Pulse Family Test Group

Martin and Joan Stout have been named members of the Ag-Pulse Family Test Group of Farm Journal magazine, according to Lane Palmer, Editor.

Seventeen Placed On Jobs This Week Says Report

17 persons were placed on jobs this week through the Idaho Department of Employment said Phyllis Dunn, Moscow local office manager.

The number of Latah Co. persons filing for unemployment insurance continued to drop for the 4th consecutive week. Currently 358 persons are filing, compared to 395 last week and 495 for the same week in 1976.

Hospital Notes . . .

Hudson—Ray Hudson, Juliaetta, entered Gritman Hospital in Moscow June 22 for surgery. His wife Mary reports that he is now making good recovery and is grateful for all the cards, inquiries and other kindnesses shown him.

Weaver—Sam Weaver of Cedar Ridge was stricken with a heart attack Sunday, July 3 while camping back in the Meadows. He was taken to Gritman Hospital in Moscow where his wife reports he is coming along as well as can be expected.

New Arrivals . . .

Zenner—Leroy and Beth Zenner are the proud parents of a 6 lb., 6 1-2 oz. daughter born June 28th at Gritman hospital. The young miss has been named Gina Marie.

Alene—Grandma Ferlic is visiting in the Zenner home and getting acquainted with her new granddaughter.

Harris—Jade and Cherry Harris of Anchorage, Alaska, announce the birth of a son, Jeremy Michael born June 28th. The new arrival weighed 6 lbs., 12 ozs. He joins a little sister, Anna Marie.

Daniels—Alan and Linda Daniels are rejoicing over the arrival of Michael Alan born June 21 at Holy Rosary Hospital in Ontario, Oregon.

Hampton—Spencer and Frances Hampton are the happy parents of a daughter, Lesley Ellen born Thursday, June 30 at 3:09 p. m. at Gritman Hospital.

Youth Group July 10—The Youth Group will meet Sunday, July 10, at 7:30 p. m. at the Cameron Church. Everyone is welcome.

**UNHAPPENED
WAY BACK WHEN**

Genesee News 50 Years Ago

The will of the late Mrs. Mary Burr was filed for probate Monday morning and W. W. Burr was appointed executor. The estate is valued at \$2,900 and is equally divided among the eight children.

A new cement walk was laid from the Hotel a half block south, completing the walk on the south street, adding much to the comfort of pedestrians who travel that street.

Mr. and Mrs. George Miller are the proud parents of a baby daughter born Tuesday.

A very interesting game of ball is scheduled on the local diamond Sunday afternoon commencing at two o'clock when the Cowcreek and the Thorncreek balltossers will try and settle an argument of long standing. This section was visited by one of the heaviest rain storms Sunday night that has taken place for a long time.

Pine Grove—During a recent electrical storm there were a number of thrills experienced by different people in this locality. Will Wardrobe had a narrow escape when a current of electricity ran down the lever of his plow, from which he had just taken his hand. Three of his horses were knocked down. Clarence Beckman, plowing in an adjoining field, was knocked down and there were several minor runaways.

With this issue The Genesee News starts on its 40th year of continuous publication. During all of its 39 years of publication not a single issue has been missed and only a very few times has it been even one day late during the tenure of the present owner who has been at the helm for 14½ years.

We don't expect any birthday presents, but this is just to remind you The News is very much alive and is starting on another year full of hope that it will fare just as well in years to come as it has in the ones that have gone. (P. C. McCreary, editor)

Kendrick Gazette June 3, 1937
Frank Parker, small son of Mr. and Mrs. W. L. McCreary, had his tonsils removed at the office of Dr. Christensen Tuesday morning. Kenneth and William Steigers, living near the foot of Hubbard gulch and

Beating the Heat

You can't really beat the heat. Whether it's the heat or the humidity, or both, it's hot in almost all of the United States in July. After weeks of sweating and steaming, it's not uncommon to find the heat is beginning to wear you down.
You can't do anything about the outside temperature. You can avoid it if you're fortunate enough to work and live in air-conditioned comfort, but it still will be hot outside.

Elmo Davis also from Hubbard gulch had his tonsils removed Wednesday morning.

Walter, Marvin and Paul Silflow and Vern Spekker in one party and George Wilkin, Edwin Mielke, Fred Newman and son, Harry in another party, motored to Elk River Sunday for fishing. They reported lots of fish and plenty of luck.

June 5, 1947

Mr. and Mrs. Frank Abrams are the proud parents of a boy, born to them Thursday morning, May 29 at the home of Mrs. Clifford Davidson.

Mr. and Mrs. Ed Halseh received a telegram announcing the arrival of their granddaughter born to Mr. and Mrs. Stan Cox (nee Margaret Halseh) at Beardstown, Illinois. Sgt. Cox is stationed in Japan and Mrs. Cox and daughter, Carol Lynn have lived with his parents since he was sent to foreign duty.

Linden news—Mrs. Marion Souders accompanied Mrs. Charles Greenwood and Burton Souders, Sr. to Spokane last Thursday.

Those attending the REA annual picnic lunch at Lewiston were Mr. and Mrs. Arthur Foster and family; Mr. and Mrs. Frank Lyons; Mrs. Anna Weaver; Clarence, Dama and Stella Weaver; Mr. and Mrs. Addie Alexander; Mrs. Pederson and children, Mr. and Mrs. Stewart Wilson and Mr. and Mrs. John Darby and Jo.
Mr. and Mrs. Elmo Eldridge and Ray Easterbrook drove to Tekoa, Wa Wednesday to attend commencement exercises there. Mrs. Eldridge's brother, Bryan Chase was a member of the class.

Paula, McKeever, daughter of Dr. and Mrs. George W. McKeever was one of the graduates at the U/I. Commencement, Monday morning of this week. The family motored to Moscow to witness the ceremony.

The American Medical Association points out that there are some things you can do to be more comfortable—things that can help you beat the heat.

Stay out of the sun as much as possible, especially during the middle of the day when rays are hottest. Wear light, loose clothing. Ladies have the edge over the men in this respect. Drink more liquids than usual, but take extra salt only on your physician's advice, particularly if have liver or kidney trouble or a heart condition.

Take a shower or dip in the pool once or twice a day to cool off. Get plenty of rest and sleep. Eat your regular diet and don't go overboard on cold cuts and salads, unless you

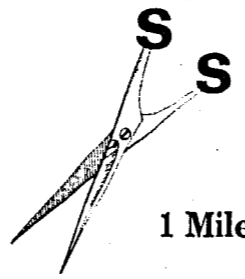

like them anyway.

Get up early in the morning to do your heavy work on the lawn or garden. Or work at dusk in the evening but try to avoid heavy exertion during the hottest hours of the day. There is sound physical reason behind the siesta custom of the tropics.

You need exercise in the summer as well as in the winter, but don't overdo it, especially on extra hot days. Don't overdo physical exertion, whether at work or play.

The more relaxed outdoor life of the summer months has many advantages to compensate for the heat.

Stay relaxed and use common sense and you can beat the heat—at least somewhat.

**FARM SALE
BY PERSONAL REPRESENTATIVE**

The undersigned personal representative of the estate of Robert A. Fowler, deceased, will sell the following real property under the terms and conditions hereafter set forth. All property is located in Lewis County, State of Idaho, and consists of plowland, pasture, timber, roads, and waste.

Lots Two, Three, Four, Five and Six (2, 3, 4, 5, 6) Southwest Quarter Northwest Quarter (SE¼ NE¼); Southeast Quarter Quarter Northeast Quarter (SE¼ NE¼); Southeast Quarter ship 34 North, Range 2 West of the Boise Meridian, Lewis County, State of Idaho.

Containing 280 acres, more or less.

According to current Agriculture Stabilization and Conservation Committee information said parcel contains approximately 146.6 acres of plowland, 30.6 acres grazing and timber, 100 acres grazing canyon land and 2.8 acres of waste, together with the following buildings:

- Main House
- Tenant House
- 2 steel Bins
- Hay shed with metal roof
- Grainary and Barn
- Large Barn & loafing shed
- Garage

Bidding will be by sealed bids. Bids must be delivered to the law office of Jones and Jones, Lawyers, 1304 Idaho Street, P. O. Box 854, Lewiston, Idaho not later than 2:30 P. M., Thursday, July 14, 1977. Bids must be marked on outside cover of envelope "Sealed Bid—Fowler Estate."

Bids will be opened on the parcel at 3:00 P. M., Thursday, July 14, 1977.

The five highest bidders on the sealed written bid, may increase their bid on oral auction, to be held immediately after the opening of the bids. The first bid on oral auction must be at least \$5,000.00 higher than highest written sealed bid. Raises on oral bidding thereafter will be in increments of \$2,000.00.

Terms: Cash. 10% earnest payment down upon acceptance of bid. Remaining principal balance due August 15, 1977, unless a short additional time is mutually agreed upon in writing, and if not so paid the acceptance of the offer will terminate and the earnest money forfeited as sellers liquidated damages.

Lease: Land is being farmed by Donald E. Fowler on written lease, the term of said lease, was modified June 16, 1977 by written agreement, to expire upon completion of 1978 harvest. The successful bidder will receive Landlord's one-third share 1978 crops, less one-third of fertilizer expense.

Possession: Possession on main house immediate upon completion of purchase price. Possession of land and other buildings and improvements after completion of 1978 harvest.

Title: Merchantable fee simple title of 100% interest, subject to lease easements and rights of way of record and real property taxes after 1977. Owners Title Insurance Policy subject to usual exceptions will be furnished.

Real Property Taxes: Real property taxes for 1977 shall be paid by Seller. Real Property taxes for 1978 and after shall be paid by Buyers.

Crops: All 1977 growing crops shall be retained by Sellers and tenant farmer. Buyers will receive Landlord's share of 1978 crops.

Inspection of premises: To view premises, telephone Barbara Ruth Hall, personal representative for appointment—276-7500 evenings.

Personal Representative reserves the right to reject any or all bids.
Dated June 17, 1977.

Noxious Weeds Blooming Earlier This Year

Latah County Weed Control would like to caution landowners that noxious weeds are blooming several weeks early this year. Many factors are responsible including the longer hours of intensive sunlight and reduced competition from less drought resistant plants. Control measures should be scheduled immediately and completed within two weeks in order to insure effective control. If mowing is to be the control measure it should be completed as soon as possible as many weeds are capable of producing seed after they are cut in the bloom stage. Also the continuation of mild weather into the fall could allow mown weeds to re-establish themselves and produce seed late in the fall. Proper control measures are very critical in an early season such as we are experiencing now. Anyone needing advice or assistance please call Latah Co. Weed Control at 882-8580, extension 46.

Fire conditions in the forests have reached the critical stage. This weather carries the seeds of disastrous fires. It's a time for extreme care with all smokes and fires out doors. Please help Keep Idaho Green.

July 10 Picnic Will Honor Departing Priest

A picnic to be held Sunday, July 10th at the City Park in Genesee will honor Father Ed. Cope back as parish priest. Time 2:00 p. m.

On Sunday, June 26th, Mr. and Mrs. Glen Baumgartner entertained with a picnic dinner and swimming party at their home for CCD teachers and their families.

Sunday, June 26th a Cursillo picnic was held from 5 to 8 p. m. at Beachview park in Clarkston.

An Idaho Institute or Seminar for Educational Enrichment was held at St. Augustine Center, Moscow, June 20 through the 24th. Attending classes from St. Mary's were Evelyn Becker, Nancy Rowley, Kay Zenger, Margaret Grieser, JoAnn Klemm and Lucy Baumgartner.

—K. Zenger

Summer Health Hazards May Be Serious

Winter is commonly the time for colds and flu and sneezes. But there are some diseases and accidents that do their worst in hot weather.

Some of these are obvious. Sun strokes and heat strokes are more likely to occur in July and August than in January. Too much exposure and too much exercise in the hot sun may produce sun stroke. Prolonged excessive heat, either in or out of doors can cause heat stroke. In either case it is important to keep the victim cool and call a physician at once.

Sunburn has hospitalized many a vacationer. Everyone should know, says the American Medical Association that gradual exposure to the sun beginning with a few minutes a day, is the recommended course. But many of us forget to watch the clock and to take precautions against sun burn in the excitement of the first day at camp or at the seashore.

The bacteria that cause diarrhea and stomach upsets multiply much faster in lukewarm foods, and it's important to keep cold foods in refrigeration and to keep hot foods hot.

Swimming is fine exercise and also is good for cooling off on a hot day. Those with sinus or ear trouble should be careful about swimming. Swimmers should make certain that the water is safe from pollution. A clear mountain stream may look attractive. It also may be loaded with germs. And there still are cases of typhoid and dysentery from drinking untreated water. Campers can disinfect water by boiling or by commercial disinfectant tablets.

If there are horses or cows around, there is likely to be tetanus. Tetanus (lockjaw) is very serious. It can be prevented by injection of tetanus toxoid. If your family hasn't had tetanus boosters recently, get your shots before going into the country.

Flies, roaches, mosquitos and ticks are troublesome in hot months. Insecticides and screens usually can keep them under control. In tick country it is important to make a close examination after disrobing, and remove all ticks.

Allergic diseases are not usually fatal, but they can cause untold discomfort and suffering. Although worry and stress might be a contributing factor, allergy is not an imaginary illness.

Sometimes the allergen is known and can be avoided, or tests can identify the cause. Physicians can often prescribe medications to relieve discomfort and sometimes can provide desensitization treatments.

FOR SAFE DRIVING
Safe, Dependable Winter Driving Requires
Extra Care and Maintenance

A leaky or faulty muffler or exhaust system can be deadly on a car or truck in the wintertime when the windows are closed tightly most of the time.

Worn or poor snow tires can cause dangerous driving conditions when winter snow and ice are on the roads.

Brakes that grab or are out of adjustment could cause you to lose control of your vehicle when streets are icy.

Worn out points or spark plugs can make your car hard to start, especially on these cold mornings. And, an old, weak battery just can't give you the power you need in cold weather.

Good Anti-Freeze in the proper amount can mean the difference between complete protection and or a costly repair bill.
