proximately fifty people. President Merrill called the meeting to order and secretary Kathryn Zenner read the minutes of the February meeting.

Marie Scharnhorst read the treasurer's report. She has received six more membership dues for a total of \$30.

The main business concerned Community Day, whether it would be held on June 17th or whether it would be advisable to skip one year.

Pres. Merril did not wish to take full responsibility as General chairman. No one else offered to take over the responsibility so it was decided to put in the Gazette Newsanyone wishing to act on the committee to contact any officer of the

Civic Club, Also the Parade Chairman of 1977 didn't wish to act in that capacity again this year.

Evelyn Danielson reported that she asked the people on her telephone list when notifying about the meeting, if they wanted a Community Day and whether they would be willing to work on a committee, most answered that they were in favor of Community Day but since most were older people, they did not wish to be on a committee.

Pres. Merrill pointed out that there s only 21/2 months left before June 17th so it would be necessary to determine one way or the other. A motion was made to skip the celebration this year and it was seconded. The vote was 13 in favor and one

Savings certificates are another way First Security helps you get more for your savings.

They earn at the highest legal interest rate for insured bank savings.

They can be compounded quarterly, so that you earn interest on interest and principal, and your actual annual yield keeps growing up and up. Or we will pay interest to you quarterly by check or credit to your account. It's your choice.

You can arrange to have your certificates auto-

matically renewed at maturity at the then prevailing and advertised rates. This service assures you or continuing high return on your savings.

And they're with First Security, so you know your investment is safe-insured to \$40,000 and backed by the Intermountain Area's largest financial institution!

The First Security step is always up. Savings certificates are another way of proving it. Here's how they work:

Annual Rate	Length of Time	Minimum Deposit Amount	One Year Effective Annual Yield*
5½%	3 months	\$500	5.61%
6%	1 to 2½ yrs.	\$500	6.14%
6½%	21/2 to 4 yrs.	\$500	6.66%
7¼%	4 yrs.	\$1000	7.45%
7½%	6 yrs.	\$1000	7.71%

There's more expense to graduation than just buying a gift for the young person, especially if the graduate is your own child who may wish to go on to college or a vocational or technical school. That takes money.

May we suggest that one of the best sources of finance for a college education is from your own savings account set up especially for that purpose. With a saving account at a dependable, reliable bank, such as First Bank of Troy, you'll be amazed at how a regular program of savings will soon develop into a fine educational fund.

Stop in this week and talk to any of the friendly folks at First Bank of Troy.
