## Nezperce Nips Tigers In Overtime Contest

A Nezperce interception of an attempted Kendrick pass in an overtime period gave the Indians the ball and the victory last Friday afternoon as Kendrick lost the 18-12 league game, their second loss of the year.

Coach Darin Munden and his Tigers were playing minus the service of starting quarterback Rex Snyder, who had suffered a foot injury during practice earlier that week. Ned's brother Tony had moved in from a running back to fill the vacancy.

Ed Pea broke the game open in the first quarter with an 84-yard run after breaking off tackle at his own 16. Kendrick's attempt to kick the extra point failed.

Scott Riggers came back to tie the game 6-all in the second quarter for the Indians on a 5 yard after the Indians took over the ball on the Tiger 20 following a knocked punt.

Neither team scored in the third quarter but Tony Snyder took the ball in from 1 yard out in the final period.

Another blocked punt set up the game tying touchdown for Nezperce and Leach carried the ball for 2 yards and a six point score.

In the overtime play Nezperce got the first series of plays. After three tries the Indians faked a pitchout to the left and then used a bootleg to the right to go in from the one.

When Kendrick's turn came, Guy Von Borgen picked up 3 yards and then an offside penalty set the Tigers back to the 12. A pitch-out to Ed Pea gained 2 yards then Snyder attempted to pass, was intercepted and that was the game.

The Tigers picked up a respectable 272 yards offensively, all rushing. Nezperce gained 172 yards on the ground.

Fea, Brocke Players of Week  
Ed Pea's 139 yards gained during the game earned him the "Offensive Player of the Week" honors. Mike Brocke's outstanding work made him "Defensive Player of the Week"

Highland Here Friday  
"We're going to have to get the next three league games if we hope to get a shot at the championship," Coach Munden said Monday morning. The Kendrick squad will finally be back on their own field this Friday night for a game with the Highland Huskies.

## Bulldogs Bomb Huskies 41-14; Tie for League Lead

With two players gaining almost 200 yards between them, the Genesee Bulldogs kept pace with the Troy Trojans and remained in a two-way tie for the league first place spot as they bombed the winless Highland Huskies 41-14 at Craigmont last Friday night.

Genesee has a 3-0 league record and are 5 and 1 overall on the season.

Five different Bulldogs scored touchdowns and Genesee piled up 409 yards of total offense to just 130 for Highland.

Mark Kanikkeberg gained 98 yards in his eight carries and Bob Chance rushed for 96 yards on just six tries as the Bulldogs were never in trouble.

Tim Stout put the Bulldogs out in front early in the game on a 35 yard run and Bob Chance kicked the conversion. Pete Becker went 2 yards in the first to score again for Genesee and Chance kicked good on that one, too. Dave Bennett scored from 3 yards out in the second before Highland finally got on the score board with Wylie Atcheson going all the way on the kickoff return.

Kanikkeberg scored on a 14 yard play in the third and Chance on a 21 yard run in the third quarter and Bennett went 4 yards for the final Bulldog tally.

Trojans at Genesee Friday  
The tie for the first place spot in the league will be temporarily settled this Friday night as the Troy Trojans under Coach Lee Brocke invade the Bulldog gridiron.

## KHS Girls Volleyball Team Defeats Moscow—9th Win

Kendrick's Jr. Varsity Volleyball team did it in straight sets, but the Varsity had to go three games . . . the result was the same however as KHS took a two match sweep from Moscow Tuesday night. The wins give the JV's an 8-1 record and the Varsity an unblemished 9-0 record.

The Kendrick JV's disposed of their Moscow opposition in straight games, 15-3 and again 15-3.

The Varsity ran into some serving trouble in its second game and dropped a 13-15 game after winning the first 15-6. The Tigers rallied in the final game and won easily 15-4.

Coach Nancy Monroe called the evening an excellent example of team play. Thursday night the Kendrick team will host the Genesee Bulldogs in games beginning at 6:30.

## Moscow Corporation High Bidder For Kendrick Property

Meadow-Benchers, Inc., a Moscow Corporation was the apparent successful bidder for a parcel of surplus city property in Kendrick Tuesday morning, October 10. Only two bids were voiced at the public auction down at the old riding arena, the area which basically encompasses the land that was being offered for sale. The representative, of the Moscow firm bid \$29,000.00 after the opening bid of \$28,000.00 by a Kendrick man.

The auctioneer for the sale was Wm. Rogers of Kendrick.

Kendrick Mayor Wayne G. Harris said later in the day that the city has accepted a deposit by the bidder who now has thirty days to appear before the council with a plan for development of the property. This plan must be approved by the council and meet the prerequisites of the sale before the property transfer is completed.

The city had set a minimum bid of \$20,000.00 for the auction. About twenty-five people were present to witness the sale.

**Hiking Is Fascinating Pastime For Mariana Winn**

Under a heading, "She Gets a Charge Out of Hiking," a former Kendrick resident in her youth was featured in the Seattle Post-Intelligencer magazine section this summer. She is Mariana Winn, whose father, Elmer Bechtol once owned a furniture store in Kendrick and whose mother, Carrie Deobald Bechtol grew up on American Ridge.

The article in part reads, "Hiking for Mariana Winn, is a way of restoring natural batteries, of escaping the pressures of ordinary living. . . . When she started hiking, many of the pressures she sought to escape came from the task of rearing six children."

The article then tells how Mrs. Winn and other mothers started a group 19 years ago, called the "Happy Hikers" and one day a week was set aside for this purpose. The group now totals 70 members and has two rules: No one leaves the site of the hike until everyone is sure all cars are in running order. Members must leave their troubles and their children behind.

"The skills that Mrs. Winn has acquired from hiking serve her well in other areas of her life. She has become an expert at reading maps and can hold her own as an urban tourist. When she visits a new city, she pins her compass to her sweater and goes exploring. She also uses her compass at conventions, such as a recent builders meeting in Houston's Astrodome, which she attended with her husband, Bill. With that tool to navigate, she says, she made sure she never passed the same display twice.

"Bill Winn is not a hiker. His hobby is raising race horses. He and Mariana encourage each other to pursue their interests.

"When things get difficult around the house," she says, "I suggest that Bill go out to the track and he tells me to go take a hike."

"Mariana believes hiking is one of the few remaining means to the adventure kids need. She says that she once read a study of young women in detention centers, which claimed that in order to stay out of such places the girls needed three things: love, security and adventure. If they had adventure and love, they could do without security. If they had adventure and security, they could do without love. But if they had no adventure, they would be back at the detention center. 'Everyone needs adventure' Mariana says."

**SOME WATERFOWL, PHEASANT SEASON OPENERS AT HAND**

Some season openers are at hand for waterfowl and pheasant and hunters can expect favorable results in most areas.

Dick Norell, state game bird manager for the Department of Fish and Game, says local Canada goose production has been good. Pheasants and ducks, he adds, should match up with the numbers present the past year or two.

Hunters got an October 7 start statewide for ducks—also for geese, from Idaho county north.

Pheasant hunting opens in northern Idaho October 14. In Benewah, Shoshone, Kootenai, and Bonner Counties the daily bag limit is two birds of either sex: Possession limit, four of either sex. Boundary County is closed.

Daily bag limit is two cocks; possession limit, four cocks in Idaho, Lewis, Nezperce, Clearwater and Latah Counties.

Hunters are cautioned that they must wait until October 28 for all other pheasant season openers.

Goose hunting opens October 14 throughout most of southern Idaho. Exceptions are Twin Falls, Cassia, Jerome, Gooding, Lincoln and Minidoka Counties and the southern portion of Butte County where the season starts October 28.

Bag and possession limits vary and hunters should take a close look at the regulations.

In an earlier report to the Fish and Game Commission, Norell said production surveys on Canada geese in Idaho showed the number of nesting pairs to be up 130 percent in south central Idaho, up 10 percent on south western Idaho and up 9 percent in the southeastern portion of the state.

**CARELESSNESS BLAMED IN HUNTING ACCIDENTS**

**Gun Safety Rules Given—**

Some millions of American males—along with more than a few females—are taking to the woods this fall, firearms in hand, in search of live targets.

These are the hunters among us. The American Medical Association has a note of caution for those who are planning a fall safari into the fields and woods in search of birds, small animals, deer and other game.

Before you pull the trigger, know what you're firing at.

The hunter who blazes away at everything that moves is a highly dangerous animal. His quarry might well be another hunter.

Each year several hundred hunters return from fall outings via hearse. Thousands of others return with a load of bird shot or a rifle bullet to be dug out. Behind almost every hunting accident is one cause, carelessness.

Never cross over or through a fence or climb a tree with a loaded gun. It might fall and discharge. Unload first and reload after crossing. Don't shoot at a hard, flat surface. Glancing bullets can carry long distances.

Even a small bore rifle has considerable range. Know where your bullet will stop before pulling the trigger.

Keep guns away from children. Never leave a weapon unattended without unloading it. Store guns and ammunition beyond reach of youngsters, preferably under lock and key.

Always carry a gun so that you can control the direction of the muzzle if you stumble. Be sure the barrel is clear of mud, snow or other obstructions. A clogged barrel may burst. Keep the safety catch on until ready to shoot.

Leave your liquor bottle at camp and wait until you're through the day's hunting and the guns are unloaded to take that first drink.

There is a special hazard for rabbit hunters. This is rabbit fever—tularemia. It is a serious illness. One rule of thumbs is—if the rabbit does not run briskly when he is flushed, leave him alone. The bunny who lopes slowly along, or stands and waits, likely is sick.

**CIVIL PENALTIES TOTAL \$1,700 FOR ILLEGAL BIG GAME KILLS**

Mandatory civil penalties amounting to \$1,700 have been levied for big game violations since July 1, according to the Department of Fish and Game's Enforcement Bureau.

The illegal kills included 6 deer and 1 elk. 9 defendants were involved.

Under Idaho law which took effect July 1, the court is required to assess civil damages of \$500 upon each conviction of illegally taking an elk, caribou, bighorn sheep, mountain goat or moose.

An illegal kill of a deer or pronghorn antelope calls for a penalty of \$200 each. In addition, a fine or jail sentence may be imposed for any such conviction.

### Home Cookin'...

Our recipes for this week's column are from our friend and subscriber, Ethel Liberg of Coeur d'Alene. We always look forward to her welcome recipes and haven't been disappointed. Thank you, Mrs. Liberg and I'd like to tell you again how

many compliments I have heard about you and what a wonderful cook you were when you lived in Genesee.

- Chocolate Zucchini Cake**  
 1/2 cup butter or margarine  
 1/2 cup vegetable oil  
 1 3/4 cups sugar  
 2 eggs  
 1 teaspoon vanilla  
 1/2 cup sour milk  
 2 1/2 cups flour (not sifted)  
 4 tablespoons cocoa  
 1/2 teaspoon baking powder  
 1 teaspoon baking soda  
 1/2 teaspoon cinnamon  
 1/2 teaspoon cloves  
 2 cups grated zucchini (unpeeled)  
 1/4 to 1/2 cup chocolate chips
- Combine butter, oil and sugar, add eggs, vanilla and sour milk. Beat mixture until thoroughly mixed. Combine all dry ingredients and add to the first mixture. Beat well. Stir in two cups grated zucchini. Bake in prepared 8x13 pan. Sprinkle with chips. Bake at 325 d for 40 to 45 minutes. Can frost. Delicious.
- Zippy Carrots**  
 Cook 1 1/2 lb. (5 cups) carrots sliced  
 Slice 1 medium sweet onion and cook until tender, drain and chill. Cut 1 medium green pepper in rings and combine with carrots.  
 Combine 1 can (10 1/4 oz. can of tomato soup),  
 1/2 cup salad oil  
 3/4 cup sugar  
 3/4 cup vinegar  
 1 teaspoon prepared mustard  
 1 teaspoon salt  
 1/2 teaspoon black pepper  
 1 teaspoon Worcestershire sauce  
 Beat well. Pour over vegetables. Cover dish and refrigerate 12 hrs. Yield: 10 servings.
- Fresh Strawberry Pie**  
 1 baked pie shell  
 2 1/2 cups strawberries, trimmed and washed  
 1 cup sugar  
 2 tbl. cornstarch  
 1/2 cup water  
 Dash of salt  
 1 cup lightly crushed strawberries including juice. Few drops of red coloring.  
 1 cup heavy cream, whipped

- Berries for garnish**  
 Place fresh, whole berries in baked pie crust—set aside.
- In sauce pan—combine sugar, corn starch, water and salt. Mix well. Add crushed berries and food coloring and cook over medium heat until thick and mixture begins to boil.**  
 Pourily evenly over fresh berries in pie shell.  
 Serve with whipped cream or Cool Whip.
- Better Way To Degras Beans**  
 Mash and soak beans. Put in pot with sufficient water. Add diced carrot, celery and onion, 1/2 teasp. ground ginger and salt. Boil as usual.
- Eggshells vs. Slugs**  
 Here is a cost free remedy for controlling slugs—  
 Save all your egg shells. Dry them well. Crush them fine and put where slugs are bothering your plants.  
 Because the shells stick fast to them, the slugs soon die as they cannot go anywhere with the shells sticking to them.
- Lentil Tomato Soup**  
 2/3 cup dried lentils  
 4 cups water  
 1 onion chopped  
 4 carrots chopped  
 2 celery stalks  
 1 cup tomato paste  
 Chopped parsley, garlic, salt and pepper, thyme, dill weed, tarragan.  
 Put first 5 things in large pot and simmer for about 3 hours. Add more water when needed.  
 Then season with herbs and spices to suit taste.  
 Stir in tomato paste and let heat thoroughly. Serves 6.
- African Stew**  
 1 lb beef or mutton, cubed  
 3 tbls. oil or fat.  
 1 onion, diced  
 1 green pepper, finely cut  
 1 lb. okra or zucchini, cut in small pieces.  
 Salt and pepper, plus dash of red pepper.  
 Heat oil in iron kettle or skillet. add meat and brown.  
 Then add two-thirds cup water, green pepper and onion.

### Quarterly Water Billing Questioned at Genesee Council Meeting

The Genesee City Council met for a regular meeting Monday, Oct. 9th at City Hall. Mayor Sorensen presiding.

City Attorney Ron Schilling has resigned and in attendance was Attorney Ray Barker, of Moscow, who had been contacted to replace Mr. Schilling. By unanimous vote of the Council, Mr. Barker will be retained by the Council as City Attorney.

Attending the meeting to voice opinions on the proposed changes in the water and sewer department were Pat Waag, Darla Loomis, Jack Moser and Lucille Moser. All expressed concern that quarterly billing rather than monthly would create a hardship on fixed income families. One suggestion was to increase rates. Also attending was L. E. Brown, Mr. Brown by a unanimous vote of the Council was denied a permit to build a storage shed for three reasons.

Bills presented in the amount of \$13,258.00 were reviewed and approved for payment.

Building Permit application for a sheltering roof over the entrance to the Masonic Hall was discussed. Since the roof will be in place over an existing concrete slab the application will be forwarded to our building inspector, D. Mitchell. The Zoning permit application of George Wilson was approved. L. Teigen and Charles Smith, both of Mitchell's Mobile Home Park were approved as they are adhering to the set backs. Albert Walters application is held up until the survey is made.

Resolution 78-2 was read. This resolution adopts and approves the Personnel Policy that was finalized in September.

Bids for a new police car were received from Orvik Chevrolet and Hoff Ford with Hoff being the apparent low bidder. Contract has not been let as Police Commissioner Merrill is making additional inquiries into trade in possibilities, or outright sale to a city that has shown an interest.

The subdivision ordinance will be reviewed by the Planning and Zoning Commission on Monday, Oct. 16th. Councilmen were asked to attend the meeting to aid in the final decisions before public hearings will be held. The councilman and Mayor Sorensen are now privately reviewing the proposed ordinance which the Planning and Zoning Commission have been writing these past months.

Water/Sewer Commissioner Singhose reports the two new water lines are completed with all new services hooked up.

Street Commissioner Moden told of plans to build a new bed for the truck.

Treasurer Springer and Clerk Roach both gave brief resumes of the AIC annual workshop held in Coeur d'Alene in September.

City Hall will be closed Fri., Oct. 20 while Clerk Roach will be in attendance at a District 2 quarterly meeting.

### Oct. 6 Was "In-Service" Day For Genesee School

October 6 was an in-service day for the Genesee School District. During the day several professional meetings were attended here and throughout the state by our staff.

Supt. Philip Stanley; Jane Stanley, secondary special education teacher; Barbara Adair, student teacher; and Verla Peterson, elementary special education teacher, toured the Learning Center at the U. of I. Materials and reading machines which could be useful to Genesee students were demonstrated. Later they visited the Communication Disorders Clinic at the U. of I. Dr. Charles Madison, professor of Speech Pathology, showed the facilities for speech and language screening available there.

Jennifer A. Miller, our foreign language instructor, attended a meeting in Boise. The meeting was entitled "Crossing the Bridge-Intercultural Communication." She was a member of a panel which talked about teaching culture in the classroom and was elected to the office of treasurer of the Idaho Association of Teachers of Language and Culture.

Joel McDonald of the English Department attended the Northern Region Fall Conference of the Idaho Reading Council at Coeur d'Alene High School. Paul Scheller, a nationally-known expert on reading was the keynote speaker. Topics of discussion ranged from Mr. Scheller's Psychotechnics presentation Thursday evening to Dr. Terry Armstrong's discussion of the human brain and the implications for reading teachers, and Dr. Walt Powers presentation concerning criterion-referenced testing-teaching on Friday.

The elementary teachers here traveled to the U. of I. to examine the various reading series at the BMC there. They then selected the books or materials in which they were most interested and wrote letters to the companies requesting that examination copies be sent here for a more thorough review.

Our secondary staff had its own in-service program here centered around lesson plans. Dr. Scotty Hecht presented a program dealing with lesson plan organization, behavioral objectives and classroom goals. For the remainder of the day, teachers worked on individual or interdisciplinary projects.

Taken on the whole, the in-service day was very successful and beneficial.

Formal FHA initiation will be next Monday evening.

### Birthday Calendars

Birthday calendars have arrived and should be distributed by Mon., Oct. 16. If you do not receive your calendar by this date, please contact Julie Lindquist, 285-1308.

with an all day quilting session for the hostess, Betty Cowger, at her home. Four members were unable to attend, all fine quilters, and they were missed! Mrs. Marie Grant of Juliaetta, was our guest. Mystic Heimgartner was again able to be with us! A lovely dinner was served at noon by our hostess, and the weather was supreme, an Indian Summer day! The next meeting will be held Thursday, October 19 with Mildred Heath as hostess. Two comforters will be tied.

Mr. and Mrs. Robert Foss returned to their home on Monday after a ten-day visit with relatives. They were joined by son Bryan and daughter Barbara of Portland, Ore., with her little one, for a family gathering in their honor held at the home of Mabel and Alvin Steigers on Sunday, Oct. 8. A potluck dinner was enjoyed. The Foss' live at Mt. View, California.

Mr. and Mrs. Glen Stevens assisted in moving her mother, Effie Powell to a new dwelling in Clarkston 2 days last week. For the friends who may be interested, the new address is now:

Effie Powell  
630 — 10th St., Apt. 2  
Clarkston, Wa.

Mrs. Mildred Heath accompanied daughter Norma Rugg and Lisa to Winchester on Sunday where they visited with Inez Inghram and family.

Mr. and Mrs. Cletis Hoisington attended and enjoyed the Golden Wedding reception of friends Thurston and Ida Storev, held in Lewiston on Sunday, Oct. 8.

**Visitors from Canada—**  
Mr. and Mrs. Myron Holmgren of Mesa, Col., spent the past week visiting daughter Diane Pettit and family at Cherrylane. Boating on the Clearwater, with successful "catch and release" of several fine steelhead added to their enjoyment. Diane and Kelly brot the parents to the Ernest Steiger's home to "meet the neighbors".

The Pettit family sponsored a "corn feed" at their home Sunday eve. The Kip Hillman family of Lewiston; the Ken and Ernest Steigers families and members of the Curtis and Hatch families were drop in guests. The group sang "Happy Birthday" for Ernest's 78th birthday, and the Steigers cat presented him with 3 tiny newborn kittens!

**Happy Birthdays!**  
On Friday eve a birthday party was held at the Wm. and Mary Steigers home in Lewiston Orchards. Honored were Michael Ernest Steigers, 20 years old that day, and for Grandpa Ernest's Sunday anniversary. "Mike" arrived home on leave from the Montana Air Force Base where he is stationed, shortly after 6 p. m. for the waiting meal. Sister Marianne Ahles and family from Genesee, brother John from Moscow, brother Jim from Weippe, Grandpa and grandma Steigers and friend Sheila all joined the group. Nine month, 1 week old little Jayme Ahles proudly "toddled" around to help the festivities.

Ken, Linda, Bekalyn and Brant drove to Pullman for a recent Russian Concert and on Sunday eve, enjoyed the entertainment at the Elks Lodge in Lewiston. Both events were well worth the trip, in their estimation.

Cherrylane Dairy is reducing its herd! Perhaps more details on this later.

**Trip to Mt. Home—**  
After spending the summer months in our area, our Grandma Lena Zumhofs returned to Mt. Home where she has spent her winters in the home of granddaughter Marie Heimgartner Straw for several years. Those of us who failed to see her while here, send her all our love!

**At Pine Creek—**  
Life is still busy at Pine Creek Sunday for the day, gathering black walnuts across the creek, were Jan Brown and children and Merle Cooper of Lewiston—all for dinner, and drop-in callers Linda Steigers and dog, jogging. The Johnson youngsters are frequent callers! Everyone loves to visit Helena!

**Weekend Guests—**  
Mr. and Mrs. Syd Armstrong and boys of Kellogg, spent the weekend with sister Barbara Heimgartner and family. One boy, a school-ager, which shortened their stay!

# Carlson on Welfare...

When a person is physically disabled by accident, disease, or the infirmities of old age I believe we, as a civilized society, are obligated to assure them of a dignified, comfortable existence.

I am extremely incensed however when young, able-bodied people think that life should be like French Bread (a long loaf).

I believe all able-bodied welfare (including food stamp) recipients should be registered in a labor pool where any prospective employer could call in for help with anything from housework to rock-picking, and the desired help would be furnished for a long a time as needed. For this service the employer would pay a nominal fee to the welfare department, thus making it partially self supporting, and what a saving that would be of our tax \$\$.

Happiness is not a reward, it is a consequence. Suffering is not a punishment, it is a result.

**CONSTITUTIONAL AMENDMENTS**

The following are the proposed Constitutional Amendments to be voted on at the next General Election to be held November 7, 1978

Five amendments to the Idaho Constitution will appear on the general election ballot. These have been proposed to the people for ratification following action by the Legislature.

The amendment proposals, the Legislative Council's statement of meaning and purpose, and the statements for and against are listed as follows:

**CONSTITUTIONAL AMENDMENTS**

To vote on the following, mark a cross in the square at the right of "Yes" or "No."

**S.J.R. No. 102**

"Shall Article VIII of the Constitution of the State of Idaho be amended by the addition of a new Section 3B to provide for the issuance of revenue bonds by port districts in the manner prescribed by law, for the acquisition, construction, installation, and equipping of facilities and projects to be financed for, or to be leased, sold or otherwise disposed of to persons, associations or corporations other than municipal corporations; provided, that any such revenue bonds shall be payable solely from charges, rents, or payments derived from the facilities or projects financed thereby and shall not be secured by the full faith and credit or the taxing power of the port district, the state, or any other political subdivision?"

Yes   
No

**LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE**

S.J.R. 102  
 The meaning of this proposed amendment to Article VIII of the Constitution of the state of Idaho is to provide for the issuance of revenue bonds by port districts in the manner prescribed by law.

**Effect of Adoption**  
 The adoption of this proposed amendment would reduce the required majority of favorable votes needed on a question presented to the people in order for cities and other political subdivisions to be able to issue revenue bonds to finance airport facilities and air navigation facilities.

**Arguments FOR the proposed amendment:**

1. This amendment would cure technical obstacles, raised by bonding counsel, to the issuance of revenue bonds by port districts.
2. Revenue bonds would be payable solely from operating revenue of the port districts, and could not be a burden upon the tax payers of the district.
3. The ability to issue revenue bonds by port districts will provide financing for port district facilities, which should improve business and economic conditions for Idaho citizens.

**Arguments AGAINST the proposed amendment:**

1. One of the expressed purposes of this amendment would allow a port district to issue revenue bonds upon facilities to be leased to private corporations or individuals. This is preferential treatment of the worst kind; it gives these private corporations or individuals a distinct economic advantage, not shared by other tax payers, but paid for by other tax payers.
2. No other unit of government in the state has been granted this kind of revenue bond authority that is proposed for port districts.

**S.J.R. No. 115**

"Shall Section 3, Article VIII, of the Constitution of the State of Idaho, relating to limitations on county and municipal indebtedness, be amended to provide that a majority, rather than two-thirds of the qualified electors voting on the question, approve revenue bond issues to finance airport and air navigation facilities in accordance with existing requirements and that the cost of such financing be paid solely from the revenue derived from the operation of such airport and air navigation facilities?"

Yes   
No

**LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE**

S.J.R. 115  
 The meaning of this proposed amendment to Section 3, Article VIII, of the Constitution of the state of Idaho is to provide that a majority of the voters voting on the question, rather than two-thirds of the voters voting on the question, may authorize the issuance of revenue bonds to finance airport facilities and air navigation facilities.

**Effect of Adoption**  
 The adoption of this proposed amendment would reduce the required majority of favorable votes needed on a question presented to the people in order for cities and other political subdivisions to be able to issue revenue bonds to finance airport facilities and air navigation facilities.

**Arguments FOR the proposed amendment:**

1. This amendment should be adopted so that financing for airport facilities and air navigation facilities can be readily provided.
2. There will be no increased burden placed upon the property tax payers because of this amendment; all revenue bonds are to be paid off from the revenue generated by the facilities of the airport.
3. In order to attract the kind of industry to Idaho that the people want, it is necessary to upgrade and improve many of our airports and air navigation facilities; this amendment will aid in this process.
4. Many other kinds of facilities of local units of government are financed by revenue bonds with the approval of a simple majority of the voters voting on the question; this amendment merely allows the same kind of majority approval for revenue bonds for airport facilities and air navigation facilities.
5. Idaho is uniquely dependent upon air transportation; this amendment will help to assure adequate air transportation facilities.

**Arguments AGAINST the proposed amendment:**

1. There is no need for this proposed amendment; revenue bonds for air navigation facilities may be issued at present after approval by two-thirds of the voters voting on the question.
2. In this time of increasing inflation and higher governmental spending, it is not proper to reduce the required majority for approval of bond issues, even if they are revenue bonds.

**S.J.R. No. 110**

"Shall Section 5, Article IX, of the Constitution of the State of Idaho be amended to authorize the Legislature

Yes   
No

to empower the Idaho Health Facilities Authority to finance or refinance health facilities owned or operated by a church or religious society?"

**LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE**

S.J.R. 110  
 The purpose of this proposed amendment to Section 5, Article IX, of the Constitution of the state of Idaho is to authorize the Legislature to empower the Idaho Health Facilities Authority to finance or refinance health facilities owned or operated by a church or religious society.

**Effect of Adoption**

If adopted, this amendment would clarify the constitutional and statutory powers of the Health Facilities Authority, by allowing the authority to provide loans for religiously affiliated health facilities, in the same manner as such loans are now available to other private, non-profit institutions.

**Arguments FOR the proposed amendment:**

1. The United States Constitution contains no similar barrier to this kind of financing proposal as does the Idaho Constitution; adoption of the amendment would make the Idaho Constitution consistent with the United States Constitution on this matter.
2. The state of Idaho makes no tax dollars available to the Health Facilities Authority; all of the money available to the Health Facilities Authority comes from private sources. Thus, loans by the Health Facilities Authority to non-profit health facilities do not constitute lending the credit of the state.
3. All non-profit hospitals, whether religiously affiliated or not, have the same basic philosophy of providing quality health care to people in need; this amendment will provide the necessary legal mechanism for an important group of religiously affiliated hospitals to receive financial assistance through loans or leases.
4. The interest costs of capital expenditures for religiously affiliated health facilities could be reduced because of loans made by the Health Facilities Authority; this reduction would help contain the rising cost of health care to patients.

**Arguments AGAINST the proposed amendment:**

1. This proposed amendment gives constitutional recognition to the "Idaho Health Facilities Authority", which has been created by statute; however, nothing prevents the Legislature from modifying or eliminating the operation of the Health Facilities Authority.
2. There is no guarantee in this proposed amendment that facilities financed by loans from the Health Facilities Authority would be open to the general public; however, open admission and requirement of indigent care has historically been mandatory by applicable governmental standards.

**H.J.R. No. 6**

"Shall Section 13, Article V, of the Constitution of the State of Idaho be amended to authorize the Legislature to provide mandatory minimum sentences for any crime and to specify that the sentence imposed shall not be less than the mandatory minimum sentences so provided and that the sentence imposed shall not be reduced?"

Yes   
No

**LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE**

H.J.R. 6  
 The purpose of this proposed amendment to Section 13 Article V, of the Constitution of the State of Idaho is to authorize the Legislature to establish mandatory minimum sentences for the commission of any crime and to specify that the sentence imposed shall not be reduced. The Idaho Supreme Court has held that the Legislature does not currently have the power to impose mandatory minimum sentences by law.

**Effect of Adoption**

If adopted, this amendment would empower the Legislature to pass criminal laws containing provisions which would require that a person convicted of a specified crime serve a minimum period of incarceration, without the possibility of the sentence being reduced, unless the sentence is commuted by the state board of pardons as provided in Section 7, Article IV, of the Constitution. No minimum sentences would be imposed until the Legislature acted affirmatively by passing legislation to impose mandatory minimum sentences for specific crimes.

**Arguments FOR the proposed amendment:**

1. Mandatory minimum sentences would contribute to a reduction of sentence disparity based on station in life or differing philosophies of members of the judiciary.
2. The certainty of being incarcerated for conviction of a crime provides a deterrent for those considering the commission of a crime. Jurisdictions which have adopted mandatory minimum sentences have experienced a decline in crime rates.
3. The Legislature should have the authority to determine how serious a crime is, and to punish its commission accordingly. This concept does not violate separation of powers.
4. The judiciary would only lose a certain amount of discretion in those crimes for which a minimum sentence has been prescribed. Even then, the only discretion lost is the ability to mete out an inadequate sentence. The Legislature could combine mandatory minimum sentencing with fixed term sentencing to allow the judiciary to assign greater than minimum sentences under aggravating circumstances.
5. Mandatory minimum sentences represents, particularly for violent crimes, a better alternative to crime prevention and control than does regulation of ownership of firearms.

**Arguments AGAINST the proposed amendment:**

1. Adoption of mandatory minimum sentences would remove discretion from the judiciary and place it in the hands of county prosecutors. The discretion to bring a charge for which a minimum sentence is prescribed falls outside the judicial system until a charge is actually filed, and is not subject to appellate review.
2. The adoption of mandatory minimum sentences does not consider individual differences in the offenses and the offenders. It would prevent treating an offense on a case by case basis, and require that a judge sentence the category of crime, not the individual. Society at large may ultimately be injured by exposing a person convicted to a new education in prison not geared to rehabilitation.
3. Taxpayers would be faced by additional expense, both from added court congestion and an increase in prison population. If a person is charged with an offense for which there is a certainty

of prison if convicted, he will exercise all legal remedies available to him.

4. Nothing would prevent the Legislature from imposing mandatory minimum sentences for misdemeanor crimes if the amendment is adopted. If approved by the voters, the Legislature may overreact to what it feels the people demand.

5. There is no credible evidence that mandated imprisonment is an effective deterrent. Existing procedures for sentencing and the judgment of the Commission on Pardons and Paroles constitute the better method of achieving justice.

**S.J.R. No. 116**

"Shall Section 11, Article I, of the Constitution of the State of Idaho be amended to protect the right to keep and bear arms, and to prevent the confiscation, licensure, registration, or special taxation of firearms or ammunition?"

Yes   
No

**LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE**

S.J.R. 116  
 The purpose of this proposed amendment to Section 11, Article I, of the Constitution of the state of Idaho is to reinforce the right of citizens to keep and bear arms, and to prevent the confiscation, licensure, registration or special taxation of firearms and ammunition.

**Effect of Adoption**

If adopted, this amendment would provide an additional constitutional bulwark against the possibility of encroachment into the right of a citizen to keep and bear arms.

**Arguments FOR the proposed amendment:**

1. The present Idaho Constitution only guarantees the right to bear arms; this amendment would add the right to keep arms.
2. This amendment is necessary in order to more firmly establish a constitutional guarantee against a possibility of intemperate, emotional, popular efforts to impose gun controls.
3. There is no substitute for the right to keep and bear arms for freedom loving citizens living in a free country. This amendment would enhance that right.

**Arguments AGAINST the proposed amendment:**

1. This amendment is totally unnecessary; the right to keep and bear arms is already a part of the United States Constitution.
2. There is a serious question as to whether this amendment is properly prepared. It obviously embraces more than one subject; it deals with the right to keep and bear arms; it deals with concealed weapons; it deals with minimum sentences; it deals with licensing; and it deals with taxation.
3. This amendment would allow dangerous psychopaths, who have committed no crime but are nevertheless a menace to themselves and others, to indiscriminately own and use firearms, and the police could do nothing about it.
4. The present Idaho Constitution has served very well for nearly a century to protect our right to bear arms; there is no reason to change this well established document.
5. The proposed amendment is very confusing; it will cause more problems than it will solve.
6. Irresponsible actions like this amendment on the part of the states will result in additional federal control of firearms.

Troy, and Elk River high schools will be attending the annual Higher Education Day at Kendrick High School Monday, October 16.  
 Representatives of Boise State University, Idaho State University, University of Idaho, Lewis-Clark State College, and Northwest Nazarene College will be present to introduce students to their schools and answer any questions that students may have about continuing education.  
 Grades 7-12 will be dismissed at 12:30 p. m. on this day. Seniors will remain at school for the afternoon session and all other students are released. Transportation schedules will remain as normal with buses making the usual runs at 3:15.

**U SUMMER GRADUATES**  
 Moscow—A total of 204 students received degrees at the close of the 1978 U/I summer session.  
 Of those, 76 were bachelor's degrees, three were juris doctors, 110 were master's degrees, 5 were specialist in education and 10 were doctoral.  
 Among those receiving bachelor's degrees, otherwise noted, are:  
 Genesee: College of Education: Bruce Scharnhorst.  
 Juliaetta: Master of Education—Janice M. Groseclose.  
 ting their two games with Potlatch. The 7th grade girls lost, while the 8th grade girls won.  
 The boys will be hosting Lapwai Wednesday, Oct. 11, while the girls will travel to Potlatch that same day. Next game for the boys will be October 30 at Troy at 12:45 p. m. while the girls' next game is at Elk River October 23. Elk River has only one team so Kendrick will only be taking the eighth grade squad.

**WATERFOWL REGULATIONS LIST EXACT SHOOTING HOURS**  
 The timetable which fills a page of the Idaho Waterfowl regulations has a new wrinkle this year.  
 Under the column headed "Begin, A. M." the time shown tells the hunter when the first shot can be fired each day of the seasons for ducks and geese.  
 Fish and Game Commission regulations state that shooting hours are ½ hour before sunrise, to sunset. Accordingly, if the table lists a beginning time of 6:16 a. m., blaze away. But take note of October 29, when daylight savings takes effect.

 Last year at Kendrick High School a representative from the University of Idaho was the featured speaker at a meeting intended to help parents and students with information who may be planning on financing a college education. The information given was not specifically for the University of Idaho, but for any institute of higher education. Grants, loans and scholarship information will be discussed. If there is an interest for this meeting please contact Bill LaMunyan at the school or tell your son or daughter to register at the school. The meeting date has not been set and won't be until it is determined if the interest is there.

**Homecoming Next Week—**  
 This year's homecoming game will be against the Genesee Bulldogs. Game time is set for 7:30 p. m. and the homecoming dance to follow. In the past the dance was attended primarily by students and their dates, but this year's students would like to see as many parents and adults present as possible.  
 Realizing the music is not "tuned" to the parent's desires, the students would hope that the long hours of decorating, preparing, etc., will be enjoyed by their parents and community rather than only themselves.  
 At any rate, the Kendrick High School student body would like to cordially invite the community to the 1978-79 Homecoming game and dance. Hope to see you there.
