## Kendrick Rips Highland 37-0; Genesee Here Friday

Kendrick, scoring in every quarter, took a 37-0 win over visiting Highland Friday night. The win boosted the Kendrick record to 3-1 in league competition and left Genesee and Kendrick tied for second place after Troy edged the Bulldogs 22-21 the same evening. The stage is now set for this Friday's game between the Bulldogs and Tigers on the Tiger field.

Tony Snyder scrambled for 24 points to pace the offensive efforts of the Tigers with four touchdowns and 140 yards in 13 carries. Bret Gertje was close behind with 2 touchdowns and 132 yards in 13 carries. The Tigers rolled up 334 yards rushing and 123 yards passing during the game. "The line was opening up some good holes all through the game," reported Tiger Coach Darin Munden.

Kendrick scored twice in the first quarter, the first on a 54 yard pass play from Rex Snyder to Tony Snyder with Tony kicking the extra point. Tony then ran 13 yards for the second touchdown and again kicked the conversion. Bret Gertje's 6-yard run in the second quarter and another good kick by Tony Snyder gave the Tigers a 21-0 halftime advantage.

Bret Gertje broke away for 52 yards in the third quarter and this time it was Tony Moran who booted the extra point. Another Rex to Tony Snyder pass covered 34 yards and was good for the final Tiger touchdown. Tony Snyder put the finishing touch on the game with a final quarter field goal from 15 yards out. Richard Wolff's fine defensive play including two interceptions earned him "Defensive Player of the Week" honors. Munden also cited the excellent defensive work of Duane Horwerton, Brian VonBargen and Mike Courtright. Tony Snyder's fine performance earned him "Offensive Player of the Week" honors again.

## Lucille Magnuson Elected President of Gem State Writers' Guild

The annual convention of Gem State Writers' Guild members was held at Nampa, Idaho last Friday and Saturday at the Norths Chuckwagon Inn banquet room. Mrs. Robert Magnuson, Kendrick, was elected president for the 1978-79 year and the installing officer was Mrs. Raliegth Albright of Juliaetta. Theme for the convention this year was "The Wonders and Beauties of Idaho". Appropriate poems were entered in the convention poetry contest with Dr. Eunice Wallace of Boise State University acting as judge and workshop leader.

Speaker for the evening banquet was Dr. James Maguire of the Boise State University English Department. Winners of the annual awards were Mrs. Helen Moffitt Carlson, Pocatello who was chosen Poet of the Year; Miss Dorothy Aldrich, Homedale, chosen Author of the Year; and E. P. Covington, Sr., Boise, who received the Traveling Trophy for excellence in poetry.

A special feature at the Friday evening banquet were garnet souvenirs furnished by some of the North Idaho members of the Guild. Other local members who were unable to attend the meeting, but assisted with these beautiful rock specimens displayed at each place setting were Art Johns, Rosalie Blankenship, Dee Morton and Cheryl McGregor. Mrs. Dana Magnuson also made the trip to Nampa with Mrs. Magnuson and Mrs. Albright. The group visited the State Historical Museum at Boise and toured the capitol city before returning home on Sunday.

## Kendrick Campers Happy With Shadowy St. Joe Trip

The Kendrick Camper Klub were royally entertained while camped at the Shadowy St. Joe Campground on the St. Joe River.

On Saturday, 5 pickups made the tour up on Old Baldy Mountain. The group had lunch at the Tingley Campground high overlooking the valley. Weather was warm and clear and the view beautiful.

The baseball fans kept score on the ball games. Each evening the big circle formed around the fire—stories, some real and some fiction were flying fast—till marshmallow roasting began over the coals. All agreed they missed our marshmallow queen!

Sunday the dinner crowd were excited while watching six hand gliders sail off Old Baldy Peak, sail awhile, then land right by them in the meadow. Several of the group visited with the young men, cheered and clapped for each glider as it made its graceful landing.

KCK's and their guests making the trip were Cecil and Crystal Gruell; Eugene and Earlen Taylor; Ben and Miriam Cook; Elmo and Marjorie Elridge, Manning and Elsie Onstott, Art and Maxine Foster. Guests were Roland "Doc" and Flora Little, Leonard and Corryell Wolff, Harold and Inez Gray and Merle and Ruby Horning of Moscow.

Kathy Gruell and a friend, granddaughter of the Gruells stopped and had dinner.

Large boats and small boats were sailing on the river. Last, but not least, Harold and Inez Gray delighted the folks with homemade ice cream they churned behind their trailer to surprise the campers. It was delicious. Our thanks to the Grays.

The next camper meeting will be Oct. 23 at the fire hall with a 6:30 pot luck supper.

## Kendrick Tops Potlatch In Volleyball; Deary Final Game Thursday

Only a Thursday game with Deary, a team they have defeated once, stands between Kendrick and a perfect season for Coach Nancy Monroe and her KHS girls volleyball team. Tuesday night the Kendrick girls chalked up victory number 11 by downing the visiting Potlatch Loggers in both the JV and the Varsity games. "Some really good serving," helped take both matches, reported Coach Monroe after the Potlatch games. The JVs won their match in two straight games 15-3 and 15-5. The Varsity had little trouble winning in two games—15-2 and 15-3.

**Tournament Saturday**—Hopefully, Kendrick will take a perfect record into the District tournament up in Genesee this Saturday. Kendrick will play Potlatch in first round action at 10:30 a. m. The winner of that game will meet the winner of the Deary-Kamiah game at 12:00 noon. Genesee opens the tournament against Troy at 9:00 a. m. and the winner of that match meets the Highland-Lapwal winner at noon on court No. 2. This is a single elimination tournament.

## Grant Clemenhagens Honored on Anniversary

Grant and Hulda Clemenhagen were honored on their 50th wedding anniversary Saturday, October 7, at the Big Bear Ridge Community Hall. A large crowd of relatives and friends wished them congratulations and best wishes. Relatives from Houston, Texas, Oregon and Washington attended the festive occasion.

The hall was beautifully decorated with baskets and bouquets of flowers. A beautiful cake centered the lace covered table, flanked by gold candles, and the coffee was served from the silver service given to Hulda's parents on their wedding day January 28, 1900.

Dana Magnuson played his guitar and sang, "The Waltz You Saved for Me", and Grant's favorite song, "I'm Just an Okie from Muskegee", and Margaret Cox, accompanied on the piano by Joyce Clemenhagen, sang Hulda's favorite song, "Somewhere My Love". A wonderful time was had by all and we wish them many more happy years together.

## Local Cub Pack Places 2nd At L-C Physical Fitness Competition In Moscow

Cub Pack 101 was well represented last Saturday, Oct. 14, at the Lewis-Clark Council physical fitness competition. This was held at the University of Idaho in Moscow with members of the University track team serving as judges.

Our team consisted of Robert Jones (age 10), Tommy Woods, (age 9) and John Gravelle (age 8). There were 8 Packs competing and the local boys took 2nd place with 1187 total points and earned a silver medal. The winning team, Pack 103, from Lewiston, scored 1206 points. They competed in standing broad jump, softball throw, situps, pushups, and 50 yard dash.

We would like to congratulate these boys and commend them for the fine way they represented our Pack. **FOR TOTAL COMFORT this winter call Tony's Multiple Services. We are experts in Heating. ## KHS Homecoming Activities Begin with Rally Thursday; Climax with Game Friday

Homecoming Week has been in full swing this week at the high school. The school rally and bon-fire are set for Thursday night. The serpentine will proceed through Kendrick, make a U-turn at the Troy junction, and then head back to the high school for the night's activities. On the football field there will be contests for the various classes, announcements of the homecoming Royalty and the annual burning of the bon fire. The public is invited to attend. Friday night after the football game the students will attend the Homecoming Dance. Music will be by the Madri from Spokane, and the dance will be from 10 to 1:00. Students at Kendrick High School would like to extend an invitation to the parents and public to attend their Homecoming Dance. Hope to see you there.

## Jr. High Basketball—

Junior High basketball for boys and girls will have a break in scheduling for a week or so. The boys team lost to Lapwal last Wed in a double header. The 8th grade team, after losing their first game to Lapwal by 30 points, gave it all they had this game and nearly pulled out the victory. Their play was much improved. The girls' teams traveled to Potlatch that Wednesday and split games. The 7th grade lost in a thrilling overtime and the 8th grade demolished their opponents 32-12. The 7th grade team had lost to Potlatch a week earlier by 14 points, so they, too, have shown much improvement. Next Girls' game will be an 8th grade game only at Elk River on Oct. 23 at 5:00 p. m. Next Boys game will be 7th and 8th grade games Oct. 30 at Troy at 12:45.

## District Volleyball Tournament at Genesee Saturday

Girls' Volleyball season has come to an end and it looks as if Kendrick will field the strongest team in the district at the tournament in Genesee this Saturday. The tournament will begin at 9:00 a. m. in the morning and continue through to completion at approximately 3:00 p. m. The tournament is a single elimination tournament with the champion receiving a District II trophy and the right to attend the state volleyball tournament in Firth Oct. 27th and 28. Firth is about 20 miles from Idaho Falls. Good luck to our varsity volleyball team!

## Cream Ridge UB Church Fried Chicken Supper Oct. 28

The Cream Ridge U. B. Church W. M. A. will have its Bazaar and Fried Chicken Supper at the Cream Ridge Church Saturday, Oct. 28. Supper will be served from 5:30 until 7:30. The sale will follow the meal.

## KHS Fall Concert Scheduled October 24

The Kendrick High School Music Department will present its fall concert next Tuesday evening, Oct. 24 at 7:30 p. m. in the KHS gymnasium. # CONSTITUTIONAL AMENDMENTS

The following are the proposed Constitutional Amendments to be voted on at the next General Election to be held November 7, 1978

Five amendments to the Idaho Constitution will appear on the general election ballot. These have been proposed to the people for ratification following action by the legislature.  
The amendment proposals, the Legislative Council's statement of meaning and purpose, and the statements for and against are listed as follows:

#### CONSTITUTIONAL AMENDMENTS

To vote on the following, mark a cross  in the square at the right of "Yes" or "No."

#### S.J.R. No. 102

"Shall Article VIII of the Constitution of the State of Idaho be amended by the addition of a new Section 3B to provide for the issuance of revenue bonds by port districts in the manner prescribed by law, for the acquisition, construction, installation, and equipping of facilities and projects to be financed for, or to be leased, sold or otherwise disposed of to persons, associations or corporations other than municipal corporations; provided, that any such revenue bonds shall be payable solely from charges, rents, or payments derived from the facilities or projects financed thereby and shall not be secured by the full faith and credit or the taxing power of the port district, the state, or any other political subdivision?"

Yes   
No

#### LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE S.J.R. 102

The meaning of this proposed amendment to Article VIII of the Constitution of the state of Idaho is to provide for the issuance of revenue bonds by port districts in the manner prescribed by law.

#### Effect of Adoption

The adoption of this proposed amendment would grant to port districts the right to issue revenue bonds to be paid off from the revenues generated by the port district.

#### Arguments FOR the proposed amendment:

1. This amendment would cure technical obstacles, raised by bonding counsel, to the issuance of revenue bonds by port districts.
2. Revenue bonds would be payable solely from operating revenue of the port districts, and could not be a burden upon the tax payers of the district.
3. The ability to issue revenue bonds by port districts will provide financing for port district facilities, which should improve business and economic conditions for Idaho citizens.

#### Arguments AGAINST the proposed amendment:

1. One of the expressed purposes of this amendment would allow a port district to issue revenue bonds upon facilities to be leased to private corporations or individuals. This is preferential treatment of the worst kind; it gives these private corporations or individuals a distinct economic advantage, not shared by other tax payers, but paid for by other tax payers.
2. No other unit of government in the state has been granted this kind of revenue bond authority that is proposed for port districts.

#### S.J.R. No. 115

"Shall Section 3, Article VIII, of the Constitution of the State of Idaho, relating to limitations on county and municipal indebtedness, be amended to provide that a majority, rather than two-thirds of the qualified electors voting on the question, approve revenue bond issues to finance airport and air navigation facilities in accordance with existing requirements and that the cost of such financing be paid solely from the revenue derived from the operation of such airport and air navigation facilities?"

Yes   
No

#### LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE S.J.R. 115

The meaning of this proposed amendment to Section 3, Article VIII, of the Constitution of the state of Idaho is to provide that a majority of the voters voting on the question, rather than two-thirds of the voters voting on the question, may authorize the issuance of revenue bonds to finance airport facilities and air navigation facilities.

#### Effect of Adoption

The adoption of this proposed amendment would reduce the required majority of favorable votes needed on a question presented to the people in order for cities and other political subdivisions to be able to issue revenue bonds to finance airport facilities and air navigation facilities.

#### Arguments FOR the proposed amendment:

1. This amendment should be adopted so that financing for airport facilities and air navigation facilities can be readily provided.
2. There will be no increased burden placed upon the property tax payers because of this amendment; all revenue bonds are to be paid off from the revenue generated by the facilities of the airport.
3. In order to attract the kind of industry to Idaho that the people want, it is necessary to upgrade and improve many of our airports and air navigation facilities; this amendment will aid in this process.
4. Many other kinds of facilities of local units of government are financed by revenue bonds with the approval of a simple majority of the voters voting on the question; this amendment merely allows the same kind of majority approval for revenue bonds for airport facilities and air navigation facilities.
5. Idaho is uniquely dependent upon air transportation; this amendment will help to assure adequate air transportation facilities.

#### Arguments AGAINST the proposed amendment:

1. There is no need for this proposed amendment; revenue bonds for air navigation facilities may be issued at present after approval by two-thirds of the voters voting on the question.
2. In this time of increasing inflation and higher governmental spending, it is not proper to reduce the required majority for approval of bond issues, even if they are revenue bonds.

#### S.J.R. No. 110

"Shall Section 5, Article IX, of the Constitution of the State of Idaho be amended to authorize the Legislature

Yes   
No

to empower the Idaho Health Facilities Authority to finance or refinance health facilities owned or operated by a church or religious society?"

#### LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE S.J.R. 110

The purpose of this proposed amendment to Section 5, Article IX, of the Constitution of the state of Idaho is to authorize the Legislature to empower the Idaho Health Facilities Authority to finance or refinance health facilities owned or operated by a church or religious society.

#### Effect of Adoption

If adopted, this amendment would clarify the constitutional and statutory powers of the Health Facilities Authority, by allowing the authority to provide loans for religiously affiliated health facilities, in the same manner as such loans are now available to other private, non-profit institutions.

#### Arguments FOR the proposed amendment:

1. The United States Constitution contains no similar barrier to this kind of financing proposal as does the Idaho Constitution; adoption of the amendment would make the Idaho Constitution consistent with the United States Constitution on this matter.
2. The state of Idaho makes no tax dollars available to the Health Facilities Authority; all of the money available to the Health Facilities Authority comes from private sources. Thus, loans by the Health Facilities Authority to non-profit health facilities do not constitute lending the credit of the state.
3. All non-profit hospitals, whether religiously affiliated or not, have the same basic philosophy of providing quality health care to people in need; this amendment will provide the necessary legal mechanism for an important group of religiously affiliated hospitals to receive financial assistance through loans or leases.
4. The interest costs of capital expenditures for religiously affiliated health facilities could be reduced because of loans made by the Health Facilities Authority; this reduction would help contain the rising cost of health care to patients.

#### Arguments AGAINST the proposed amendment:

1. This proposed amendment gives constitutional recognition to the "Idaho Health Facilities Authority", which has been created by statute; however, nothing prevents the Legislature from modifying or eliminating the operation of the Health Facilities Authority.
2. There is no guarantee in this proposed amendment that facilities financed by loans from the Health Facilities Authority would be open to the general public; however, open admission and requirement of indigent care has historically been mandatory by applicable governmental standards.

#### H.J.R. No. 6

"Shall Section 13, Article V, of the Constitution of the State of Idaho be amended to authorize the Legislature to provide mandatory minimum sentences for any crime and to specify that the sentence imposed shall not be less than the mandatory minimum sentences so provided and that the sentence imposed shall not be reduced?"

Yes   
No

#### LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE H.J.R. 6

The purpose of this proposed amendment to Section 13 Article V, of the Constitution of the State of Idaho is to authorize the Legislature to establish mandatory minimum sentences for the commission of any crime and to specify that the sentence imposed shall not be reduced. The Idaho Supreme Court has held that the Legislature does not currently have the power to impose mandatory minimum sentences by law.

#### Effect of Adoption

If adopted, this amendment would empower the Legislature to pass criminal laws containing provisions which would require that a person convicted of a specified crime serve a minimum period of incarceration, without the possibility of the sentence being reduced, unless the sentence is commuted by the state board of pardons as provided in Section 7, Article IV, of the Constitution. No minimum sentences would be imposed until the Legislature acted affirmatively by passing legislation to impose mandatory minimum sentences for specific crimes.

#### Arguments FOR the proposed amendment:

1. Mandatory minimum sentences would contribute to a reduction of sentence disparity based on station in life or differing philosophies of members of the judiciary.
2. The certainty of being incarcerated for conviction of a crime provides a deterrent for those considering the commission of a crime. Jurisdictions which have adopted mandatory minimum sentences have experienced a decline in crime rates.
3. The Legislature should have the authority to determine how serious a crime is, and to punish its commission accordingly. This concept does not violate separation of powers.
4. The judiciary would only lose a certain amount of discretion in those crimes for which a minimum sentence has been prescribed. Even then, the only discretion lost is the ability to mete out an inadequate sentence. The Legislature could combine mandatory minimum sentencing with fixed term sentencing to allow the judiciary to assign greater than minimum sentences under aggravating circumstances.
5. Mandatory minimum sentences represents, particularly for violent crimes, a better alternative to crime prevention and control than does regulation of ownership of firearms.

#### Arguments AGAINST the proposed amendment:

1. Adoption of mandatory minimum sentences would remove discretion from the judiciary and place it in the hands of county prosecutors. The discretion to bring a charge for which a minimum sentence is prescribed falls outside the judicial system until a charge is actually filed, and is not subject to appellate review.
2. The adoption of mandatory minimum sentences does not consider individual differences in the offenses and the offenders. It would prevent treating an offense on a case by case basis, and require that a judge sentence the category of crime, not the individual. Society at large may ultimately be injured by exposing a person convicted to a new education in prison not geared to rehabilitation.
3. Taxpayers would be faced by additional expense, both from added court congestion and an increase in prison population. If a person is charged with an offense for which there is a certainty

of prison if convicted, he will exercise all legal remedies available to him.

4. Nothing would prevent the Legislature from imposing mandatory minimum sentences for misdemeanor crimes if the amendment is adopted. If approved by the voters, the Legislature may overreact to what it feels the people demand.

5. There is no credible evidence that mandated imprisonment is an effective deterrent. Existing procedures for sentencing and the judgment of the Commission on Pardons and Paroles constitute the better method of achieving justice.

#### S.J.R. No. 116

"Shall Section 11, Article I, of the Constitution of the State of Idaho be amended to protect the right to keep and bear arms, and to prevent the confiscation, licensure, registration or special taxation of firearms or ammunition?"

Yes   
No

#### LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE S.J.R. 116

The purpose of this proposed amendment to Section 11, Article I, of the Constitution of the state of Idaho is to reinforce the right of citizens to keep and bear arms, and to prevent the confiscation, licensure, registration or special taxation of firearms and ammunition.

#### Effect of Adoption

If adopted, this amendment would provide an additional constitutional bulwark against the possibility of encroachment into the right of a citizen to keep and bear arms.

#### Arguments FOR the proposed amendment:

1. The present Idaho Constitution only guarantees the right to bear arms; this amendment would add the right to keep arms.
2. This amendment is necessary in order to more firmly establish a constitutional guarantee against a possibility of intemperate, emotional, popular efforts to impose gun controls.
3. There is no substitute for the right to keep and bear arms for freedom loving citizens living in a free country. This amendment would enhance that right.

#### Arguments AGAINST the proposed amendment:

1. This amendment is totally unnecessary; the right to keep and bear arms is already a part of the United States Constitution.
2. There is a serious question as to whether this amendment is properly prepared. It obviously embraces more than one subject; it deals with the right to keep and bear arms; it deals with concealed weapons; it deals with minimum sentences; it deals with licensing; and it deals with taxation.
3. This amendment would allow dangerous psychopaths, who have committed no crime but are nevertheless a menace to themselves and others, to indiscriminately own and use firearms, and the police could do nothing about it.

4. The present Idaho Constitution has served very well for nearly a century to protect our right to bear arms; there is no reason to change this well established document.

5. The proposed amendment is very confusing; it will cause more problems than it will solve.

6. Irresponsible actions like this amendment on the part of the states will result in additional federal control of firearms.

If you want to prevent an accident! Prepare for turns, don't make decisions to turn at the last moment.

He who keeps his nose pointed in the right direction he wants to go, need not worry about his feet finding the right path!

I just read that there are approximately 81 million people who are on government payrolls in one way or another — employment, unemployment, military service, etc., and welfare. Yet there are only 71 million people working in the private enterprise system to earn money to pay taxes from which the 81 million are paid. No wonder we're tired!

Here are some actual quotes from letters to the Welfare Dept.:

1. I am forwarding my marriage certificate and six children. I have seven but one died which was baptized on a half sheet of paper.
2. I am writing to the Welfare Dept. to say that my baby was born two years old when do I get my money.
3. Unless I get my husband's money pretty soon, I will be forced to lead an immortal life.
4. I want money as quick as I can get it. I have been in bed with the doctor for two weeks and he doesn't do me any good. If things don't improve, I will have to send for another doctor.

Letters

to the Editor . . .

P. O. Box 8394  
Moscow, Idaho  
Oct. 12, 1978

Dear Editor:

The following is a copy of a letter written to the Daily Idahoan:

Your coverage of the 1% initiative has been good. It has given facts on both sides of the issue but facts, not yet brought out, still need to be told.

A 1% property tax is generally considered to be reasonable. Present property taxes are unfair as they levy a tax on savings, on debt and on capital gains. Example: one takes \$10,000 from savings; borrows \$40,000; with the \$50,000 buys a house, a rental building, land or other real property. Immediately this is taxed at existing rates. Five years later the Assessor comes along and raises the market value based on inflation. It is now worth \$60,000—a capital gain of \$10,000 on which one must pay property taxes although the gain has not yet been received.

All of us know families who, under the present rate of property taxes and inflation, cannot own a home. Farmers, with two disasters in a row, will not be able to pay bills and tax-

es yet the Latah County Assessor and Co. Commissioners raised the value of all land in the county 15% across the board. Farmers, home owners and want-to-be home owners will vote YES for the 1% initiative.

It appears that most opposition comes from some who get paychecks from tax dollars. This was to be expected. The first year under the Sunshine Law, requiring all paid lobbyists to register, an astounding 213 persons registered as tax paid lobbyists trying to influence legislation in behalf of government bureaucracy. However, many people who get paychecks from tax dollars are voting Yes on 1%.

Clemm, Dohler and Hosack consistently vote for higher taxes as did Gov. Evans with his veto of H. B. 344. Our votes are for those candidates who have gotten the 1% message and will see to it that the initiative is made workable.

Editor:

At the forthcoming election, the voters of Latah County will elect one person to fulfill the duties of Clerk of the District Court, Ex-Officio Auditor and Recorder and Clerk of the Board of County Commissioners. These duties by the very nature of the various capacities are complex and numerous. Thus, the person discharging such duties should be capable and experienced.

As one who utilizes the services of these offices, I can vouch for the fact that Joan Bauer who presently holds these offices is both capable and experienced. We would be wise to retain Joan Bauer for continued efficient service.

Sincerely,  
Len Bielenberg

LETTER TO THE EDITOR . . .

In view of the fact that all too often cats, kittens, dogs, or puppies and sometimes cats or dogs in the last stages of pregnancy, are dropped off along the highway or rural roads, in hopes by the owner of the pet, that some kinder person will take their pet in, I would like to submit portions of an article written by Lyle A. Roof in which he included a letter that appeared in a Pennsylvania newspaper. People who drop pets off fail to realize that the farmer who they hope will take their pet in, already has his own farm pets to feed and care for, and often cannot afford to be burdened with drop-off pets. So what happens to these abandoned pets? They are often disposed of, or driven off to die of hunger, exposure and disease, or to become a coyote's victim. Here is a portion of this article by Mr. Roof, which tells it like it is:

"To Whom It May Concern":  
I want to tell you what happened to your cat after you dropped her off. The first few days, she just stayed about where you dropped her, waiting for you to come back. Then hunger drove her along the road, searching for food and shelter. By now she eats anything she can find, and it is a rotten, wormy, disease-laden diet.

Dogs and other animals chase her, and she is almost hit by passing cars. Exposure to freezing nights almost kills her, but your cat is tough.

I found your cat last night. She was right beside my mailbox, right where you wanted her to go—that nice farmhouse in the country. Only trouble was, your cat couldn't see me because her eyes were pasted shut with infection, every bone showing through her dirty hide, her stomach distended with worms and starvation. Too weak to stand, she made a little noise at me—but it was for you, her rightful owner, to hear. She died this morning. Do you still believe you took care of her the humane way?

Ironically, the very people who dump their pets often do so because they cannot stand the idea of having them put to sleep. Ads in the newspaper—"Kittens-puppies free to good home"—seldom work. Why? For one thing, there are already more than 65 million homeless, unwanted cats and dogs in the United States alone. These orphans of the animal world are hit by cars, chased by children, and driven off by adults. Seventeen million of them find their way to animal shelters where they are destroyed by humane methods.

What should be our attitude toward the abandonment and mistreatment of pets?

All of the 4-Hers who had livestock received a blue on their record book.

Something new was added to the fair this year in the livestock section—oral interviews. The judge would spend about 3 minutes with each 4-Her talking about his animal. This gives the judge a much better idea just how much the youngster knows about his animal. Ours came out this way: Blue plus: Jo Heath, sheep; Jack Meyer, swine, Blue; Mike Harris, swine; Mark Harris, swine; Jean Glenn, beef; Robert Blair, dairy; Barbara Czmowski, sheep, Red plus: Jack Meyer, beef; Lori Glenn, beef; Jane Glenn, beef; Jamie Lohman, sheep, Red; Barbara Czmowski, beef; Crystal Longfellow, red.

Family Affair—

"HOW TO MASTER THE ART OF RELAXATION"

It is a typical work day. Your morning starts too late for breakfast. On the way to work your car keeps stalling. You get to your ten minute meeting with your boss who is three minutes late. After a presentation to your present employees, you discover that your socks don't match and that the check you wrote yesterday was for more than the balance in your checkbook. You found you misplaced your car keys and the phone won't quit ringing.

After a hair raising near miss with another car, your drive home ends with a flat tire. Your wife's note to fix your own dinner is on the refrigerator. She tells you to clean the house because her mother is coming for two weeks. It has been the kind of a day that makes you want to collapse into a heap and go into permanent seclusion.

Though you may not have much control over what happens to you from 8:00 to 5:00, how you relax and unwind after a harrowing day is entirely up to you. And the technique to use (or don't use) can have a tremendous impact on your mental health.

Here are a few tips on learning how to unwind and master the art of relaxation:

1. Relax by trying something new and different. If you think you'll enjoy an activity—whether it is needlepoint or handball—don't be afraid to try just because it is new. Take a night course at a community college. Learn to dance, swim, jog, play golf. Become a gourmet cook. Shoot some hoops. Go for walks. Try yoga. Take a bubble bath.

2. Do something every day. Once you have hit at your favorite activities give at least one half hour of

ment of pets? A Christian author writes: "few realize as they should, the sinfulness of abusing animals or leaving them to suffer from neglect. He who created man, made the lower animals also, and His tender mercies are over all His works."—Psalm 145:9. The animals were created to serve man, but he has no right to cause them pain by harsh treatment or cruel exaction.

TREAT FOR CATTLE GRUBS NOW

Now is the best time to use a systemic grubicide for cattle, advises Gordon Dailey, County Agricultural Agent. Several products are excellent control as pour-on, one shot application. Louse control is also good with most of the products. Some are labeled for louse control and others it is just an added benefit.

Systemics are so called because they are absorbed in the circulatory system and taken to the grubs inside the animal. Lice suck blood or chew on skin and hair and are controlled, pour-on is handled easily when put-

your day to enjoy them. So goals and live by them. Your mind and body can use a break—regularly.

3. Make a personal commitment to relaxation. Whatever you choose to do for relaxation, give it everything you've got; don't hold back mentally or physically. Your own enthusiasm makes the activity even more satisfying.

The secret to the art of relaxing is finding those activities which give you pleasure, and, when pursuing them, committing all your energies to mental and physical well being.

STUDENT TEACHERS TOLD

Moscow—University of Idaho College of Education officials report that some 40 education students are engaged in nine weeks of student teaching during the first half of fall semester.

The teaching experience is a requirement for completion of teacher certification.

Among those students teaching in Idaho and other Northwest communities are Barbara Adair, Genesee, teaching at Genesee Junior-Senior High School.

Debbie Christensen, daughter of Mrs. Patricia Holt, Kendrick, teaching at Garfield Elementary School.

ting cattle through a chute. It must be measured out according to animal size.

Those dispensing the material should wear protective clothing and be careful not to spill it on themselves. Do not use on lactating dairy animals or a short time before they freshen.

Nellie Dean Steigers—Reporter

To Mt. Home and Burley—

Mr. and Mrs. Leslie Heimgartner returned Tuesday evening, Oct. 18 from their trip taking Lena Zambo to Mt. Home, and then the Heimgartners drove on to Burley where they visited Delores' parents, Mr. and Mrs. Clarence Gorman, and other relatives. A very nice trip was reported.

On Sunday, October 15th, Mrs. Heimgartner accompanied Lena Zambo Heimgartner on a trip to the mountains and then on to Burley, eating their lunch at Dworshak on the homeward route.

After Sunday dinner at the Eldon Heimgartner home, Erna Stevens, Gertrude and Eldon drove to the Wayne Hoskin home on Cottonwood Creek, then on to visit mother Myrtle Heimgartner at the home of Mabel and Alvin Steigers. Both Wayne and Myrtle are in satisfactory condition, considering their problems.

**Mildred Heath Happenings—**

Inez Ingrum (daughter from Winchester) was a Tuesday overnite guest of her mother; Norma Heath Rugg of Lewiston, her Saturday dinner guest; Mrs. Jerry Frost (Delta) and small son Mathew from Cottonwood, (Roberta has recently purchased a mobile home, situated just below her father, Gene Heath's home, on Hubbard Gulch.) and sister Roberta with daughter Anna, came for Sunday afternoon, ("the little ones are so cute" observes the great grandmother); then on Sunday evening Edgar Heath and wife Ruth were down from Nezperce.

Betty Cowger was a caller of Mildred Heath on Friday afternoon, an always fine friend, taking home one of the quilts to tie, that was part of Thursday Club planned work at the Heath home on Thursday, Oct. 19th, "to make the day easier". Relieve the pressure. Now perhaps we will be able to complete binding of both, also!

Our friend, Alice Maguire, who gave us all a scare, is safe home again after a trip to "emergency", and attended church services again on Sunday! Blood pressure problems had caused her to fall, and really "shook her up". All love her and rejoice she is better. A bright spot in her life is a visit from her oldest child, "Junior"—Leslie Lorraine Maguire, Jr.

(All folks contacted, and all were well but "no noteworthy news", they said, of those not mentioned.)

Helena Brown reports her Lewiston group were with her on Sunday, as usual. Son Don, in a group of 3, returned successfully with 2 elk, for

the party! Good, for these days.

Unexpected and very welcome old time friends Joe Lee Stephens and wife Birdie, enroute from Pierce to Elgin, Oregon, dropped in on Ernest and Nellie Steigers on Friday evening. "We saw your light was on, crossed over the bridge."

On Saturday evening, Ernest and Nellie attended the regular monthly meeting of their Old Time Fiddlers group, at the VFW Hall in Lewiston. Sunday "drop ins" were nephew Bob Coffland of Joel, with his son Douglas, Nina, wife of Bob, has made a good recovery from a recent serious surgery at Moscow hospital and is "and about".

Tom Steigers family visited in Lewiston on the home near Madsen over the weekend and Ken participated in the "marathon run" at the VFW Hall on Saturday. A new pair of running shoes made this run more comfortable than the last, when he later lost most of his toe nails! Will report on his "time" next issue!

Senator Jim McClure fights for your right to own firearms.

"Gun control is not a phony issue. It's a real threat, particularly to us here in Idaho.

"In the last session, I pushed through my amendment which beat back Teddy Kennedy's efforts to get gun registration in through the back door.

"The battle isn't over. Unless we keep our powder dry and we are alert to the threat, we can still lose the gun control fight."

Jim McClure believes in your constitutional right to own firearms. There is little evidence to support any theory that Federal gun controls will stop crime and Jim McClure has refused to allow Teddy Kennedy, other "eastern" senators and federal bureaucrats to take our constitutional rights away from us. ### EXPERIENCE, COMPETENCE, CONCERN

Senator Norma Dobler has been a tireless worker in the Idaho Legislature and strong supporter of the people in District 5. She has worked to help agriculture, forestry, business, public schools and the University of Idaho. In addition, she has vigorously supported efforts to strengthen local government so it can more effectively meet the needs of Idaho citizens.

DEMOCRAT DIST. 5

Paid for by the Committee to Elect Norma Dobler to the Idaho Senate, Sig Rolland, Treas.

## Joe Walker

Good Choice, Strong Voice

Joe Walker speaks up:

"The farmer has a right to expect fair prices for commodities, and state government should promote and encourage trade agreements to expand export markets."

Vote Nov. 7

Paid for by Walker for State Rep. Committee, Gerald Parkins, Treas.

## Boyd on the 1% initiative

"I voted for property tax relief measures the past two sessions and strongly support property tax relief today. But, as an experienced legislator, I fear a cut of \$141 million all at once would require alternative sources of revenue to fund critical services such as education and local governments. A more responsible way is to draft legislation tailored to Idaho in the beginning rather than waste more taxpayers' dollars trying to make over an ill-fitting shoe."

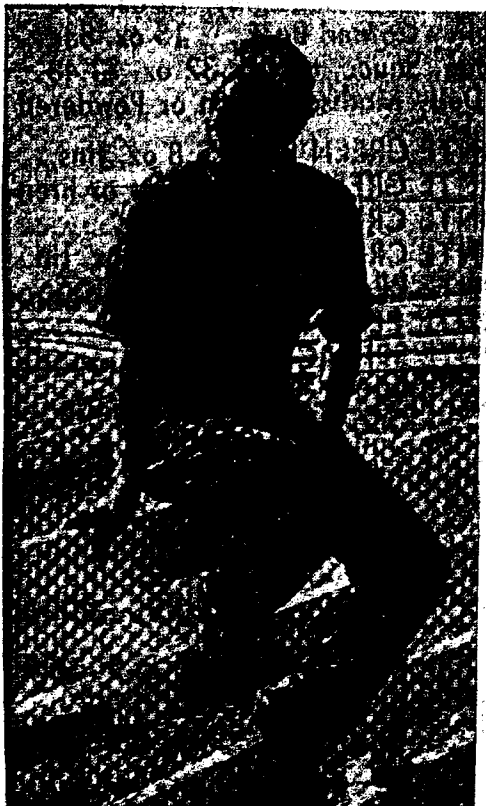

BOYD IS AN INCUMBENT LEGISLATOR, and a member of three vital committees. He offers experience and sound judgement as a representative of the people of District 5.

## Re-Elect TOM BOYD

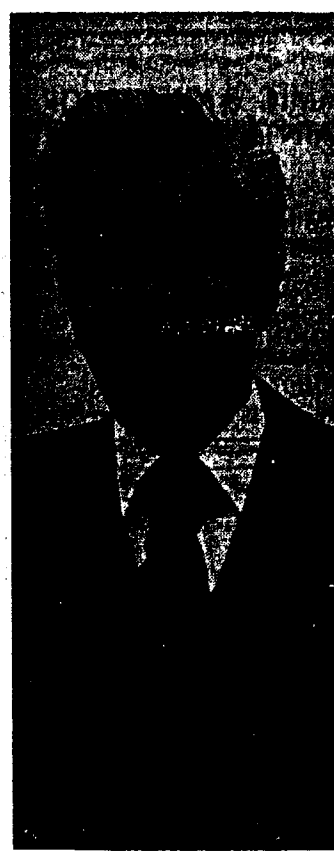

State Representative

Republican

Paid for the the committee for Boyd Bill Haxton, treasurer.

## Carlson on District 7

The most challenging factor of government in this district is its variation, with loggers, truck drivers, farmers, construction workers, contractors, heavy equipment operators, insurance agents, auto dealers, to politicians. I can identify from extensive experience with all but the last. I have never been rich but have always been able to satisfy my obligations upon demand. We own our own farm and business free of debt, and believe government should likewise operate within its means. I am confident I can serve as your representative in the State senate and make you, the voters, proud of your servant. I pledge not to follow the vote pattern of any groups or legislator from another district. If I don't represent the wishes of Dist. 7 in Boise please dump me at the polls 2 years from now.

**Brownie Troop 307 Visits  
Cherrylane Dairy**

On October 11 the Brownie Troop 307 went on a field trip to Kerby's Dairy at Cherrylane. The girls enjoyed seeing the cows being milked, a few brave ones even tried it themselves by hand. They also saw the calves and played with them. The Brownies would like to thank Kerby's Dairy for the tour and Mrs. Janet Kerby for the extra time she gave us. Also thanks to the mothers who helped with the transportation.

The leaders had a District meeting the 12th of October in Lewiston to learn the latest news. The calendar sale will start November 1st and they will cost \$1.00 each. Please contact a Brownie if you wish one.

The new Brownies will have their investiture ceremony October 25th and will receive their pins. The public is invited to this meeting at the Kendrick Blue Hall starting at 4:00. New Brownies to be invested are Lisa Gravelle, Janet Shove, Jennifer Fey, Heidi Zumbado, Lanette Heinen, Heidi Morton, Angela Ford, Andrea Butler, Rena Cook, Bernetta Stamper, Bobbi Heinrich, Sonia Gentry, Annah Harris, Laci Reddinger and Karen Clemenhagen.
