

Local News Of Genesee

Mrs. Flossie Esser is a patient in Gritman hospital where she is under observation and receiving treatment of a stroke suffered Saturday at her home. She is reported to be recovering slowly, but satisfactorily.

Conrad, Wilma and Mike Swenson of Moscow were Sunday visitors at the Richard Wilson home. Ansen and Cheryl Saccamanno of Sandpoint also visited Sunday afternoon and spent the night. Monday evening, Willard and Muriel Schoeffler of Juliaetta braved the snow for a quick visit.

Mr. and Mrs. Lawrence Broemeling and family visited Sunday in Clarkston with Lawrence's parents, Mr. and Mrs. Roger Broemeling and Millie.

The second in series of card parties sponsored by the C. D. A. was held Sunday evening at Parish Hall. Eight tables of pinochle played—Mrs. Joan Moser won first for the ladies and Lee Johann first for the men. Five tables of bridge played with Mrs. Claude Dye winning first for the ladies and Mark Merod first for the men. Mark Zennor won the door prize. The third party in the series will be held next Sunday eve. Mr. and Mrs. Joe Nowakowski and Joel were Saturday evening visitors of Mr. and Mrs. Kenneth Aherin. Mr. and Mrs. Don Hermann recently returned from Seattle where they

visited her mother, and husband, Mr. and Mrs. Kermit Switzer. Mrs. Blanch King and son, Bob of Pullman were Friday evening dinner guests of Mrs. Hazel Robinson. Mr. and Mrs. Alfred Hasfurther and Mr. and Mrs. Wilson Esser enjoyed dinner in honor of Mrs. Hasfurther's birthday Wednesday at the home of Mr. and Mrs. Don Linehan. Sunday afternoon visitors of the Hasfurther's were Mr. and Mrs. Andy Grieser and Mr. and Mrs. Wilson Esser were evening visitors. Mr. and Mrs. Bill Rader and daughter and husband, Mr. and Mrs. Sherwood Swan of Colfax were Saturday visitors of Mr. and Mrs. LeRoy Harris.

Nameless Club Meets
Mrs. Don Springer entertained the Nameless Club on Thursday with a luncheon and bridge. Guests were Mrs. Robert Borgen, Mrs. Murray Myers and Mrs. Wade Hampton. Prizes were won by Mrs. Ray Linehan and Mrs. Elmer Krier.
Mr. and Mrs. Earl Lackey of Lewiston were Wednesday afternoon visitors of Mrs. Viola Scharnhorst.

Genesee Civic Association Meets at St. John's Jan. 25

The Genesee Civic Association will hold a dinner-meeting on Thursday, Jan. 25 at 6:30 p. m. at St. John's Lutheran church. Jim Sterling, Latah County Weed Supervisor, will be guest speaker. It is hoped there will be a good turnout at this interesting meeting.

Neil Sweeney, 84, Retired Genesee Area Farmer, Died In Lewiston Jan. 14

Neil Sweeney, former Genesee area farmer, died Sunday afternoon, Jan. 14 at his Lewiston home of a heart attack. He was 84.

Born July 2, 1894, just north of Genesee, Sweeney was the last survivor of a family of 10. He began farming southeast of Genesee in 1916. He married the former Esther M. Wing October 28, 1930, at Genesee. The couple farmed in that area until 1952 when they retired and moved to Lewiston.

While in the Genesee area, Sweeney served on the Fairfield School Board, a World War II draft board and the Triple A Farm Board. He was an Army veteran of World War I and belonged to St. James Catholic Church.

Sweeney is survived by his widow at the Lewiston home; two daughters, Ann Woods of Bend, Oregon, and Ruth Petrone of Hamden, Conn.; and 12 grandchildren.

Genesee Schools—

The Genesee School District would like to inform the patrons of the district in case of school closure early that the following radio stations will be notified—KRPE, Moscow—KRLC & KOZE, Lewiston—KNOI, Pullman. To date school has been released early one afternoon at 1:15—one at 2:30 and started school two hours late one time.

Thanks!

The Genesee School Board, Administrative Staff and Bus Superintendent would like to thank the Genesee South Latah Highway District for responding so quick when we had our school buses stuck in deep snow and were in a ditch. Job well done in keeping our roads open.
THANKS AGAIN

Genesee School Activities Calendar

- Jan. 18: Farm Forum, Spokane
- Jan. 18: Drill Team Food Sale
- Jan. 18: End of 1st semester
- Jan. 19: Boys BB, Kamiah, H. 6:30
- National School Assembly, 2:30
- Jan. 20 Girls BB, Kendrick here 6:30
- Film, "Alakazam the Great", Multi-Purpose Room 2:00
- Jan. 22: Adult Education Classes begin—Foreign and Gourmet Cooking, Typing, Welding
- Jan. 22: Girls BB, Kamiah Here 6:30
- Jan. 25: Girls BB, Colton Here 6:30
- Report Cards
- Jan. 28: Boys BB, CV There 5:30
- Jan. 27: State Farmer Sifting, Plummer
- Boys Basketball, Prairie there 1:30
- Film, "The Great Race", Multi-Purpose Room, 2 and 7:30
- Gymnastics Meet, Here 7:00
- Jan. 30: Boys BB, Lapwai, Here 6:30

CARD OF THANKS

I wish to thank all my friends for their thoughtfulness, visits and inquiries during and after my stay in the hospital. I truly appreciated your kindness.
it18p Weedy Esser

The man who cheapens himself in public is sure to be marked down by his neighbors.

Genesee Booster Club

The Genesee Booster Club will meet Friday immediately following the Genesee-Kamiah game, in the back room of the Corner Bar. All members please make an effort to attend.

Land Appraisals Talked At Pomona Grange Meet

Rand Lewis, formerly of Moscow, U/I graduate, and a real estate appraiser of Coeur d'Alene, spoke to members of the Latah Co. Pomona Grange Saturday evening at Kendrick.

He explained in detail the different types of appraisal reports which are given: 1. The Letter of Opinion; (a brief, general statement of the range of value of property); 2. The Form appraisal, (used by banks, etc.); 3. The Narrative Report (a much more detailed evaluation of value, use, income, etc).

Needs for appraisals were listed as Sales, Transfers of Ownership, Financing, Credit, Condemnation, Taxation, Investment Analysis. The identified "Market Value" is that which can be received from a willing buyer by a willing seller. He cited a number of examples of how inflated sale prices can change the value of your property when such exchanges take place next to yours. He spoke briefly on the effect of the 1% Initiative, and answered a number of questions from the audience.

CWA Ruth White presented Richard Benjamin Kendrick, Forest Warden of Dept. of Lands, who gave many timely suggestions for "Safety In Our Everyday Lives."

In using Pesticides of any kind, he stressed the importance of reading labels, and of following directions explicitly each time the pesticide is used. Don't depend upon your memory. Consider your neighbors, the weather, the winds before any spraying. Keep equipment operating properly; wear protective clothing. When through, bathe thoroughly, wash clothing; be alert to any symptoms of illness. Call the Dr. or poison center immediately. Dispose of empty containers properly. When using chemicals or pesticides, alert the family as to where you will be working, what you are using, and as to what time you are expected to return. This information may save your life should an emergency arise.

Many household items such as cleaners, furniture polishes are poisonous. They should be stored out of reach of small children, used carefully, and should not be swallowed. If you do not know an antidote, call the doctor, the poison center, or the emergency room at the hospital.

Do not induce vomiting in cases of strong acid ingestion, as it burns as it goes down and will burn as it comes up. Vomiting induced from swallowing petroleum products can easily cause pneumonia. Give only water or milk to induce vomiting. Acids may be counteracted by soda and water, except around the eyes when only water should be used.

When riding in a vehicle, fasten the seat belts. They won't help if left open on the car seat. Shoveling snow is particularly difficult for elderly persons, or for those with heart problems. Do dress warmly, but not so heavily as to be cumbersome. Allow room for air circulation. Shovel only a few scoops, then rest on the shovel handle. Take it slow and easy. Be particularly careful of treating frostbites. Never rub a finger or a foot which has been frostbitten. Immerse in warm water (103-108 degrees). Do not allow a person to walk on a frost bitten foot.

A resolution protesting the proposed removal of the National Weather Station from Lewiston was sent to our congressional delegates. This service was deemed most important to this particular area for Agriculture, Forestry, Industry, and Air Travel since Spokane or Walla Walla forecasts do not fit the pattern of the Lewiston area.

The Pomona Planning meeting program for the year was approved. A visitation program was set up with each subordinate Grange arranging its own visitation. Visitors will open and close the meeting, host granges will furnish the program. The County Jamboree, March 24 at Mt. Home Grange Hall will conclude the visitation program. Each grange will furnish a seven-minute number for the program, and all but Mt. Home will furnish two cakes for the CWA fund raising Cake Walk.

The 5th Degree will be exemplified in full form at Moscow on March 10. A practice is scheduled for March 4. Laura Johnson will again be degree captain, with Inez Armitage, pianist. July 14 at Kennedy Ford, Latah Pomona will observe its 50th anniversary. July 15, Rock Creek Grange will host the picnic at Pomona Park. Moscow and Kendrick Granges will serve at the Fair Food Booth Sept. 12-15.

National Incentive Awards from Coats & Clark were received by Margaret Olson, Deary. Certificates of Merit Awards and seals were received by Mt. Deary and Kendrick Granges. Ruth White, CWA Director, received a scissors award from the Fairfield Co. for Idaho's participation in the Toys for Joy Contest. She recently delivered toys to the Children's Wards of Gritman and St. Joseph's Hospitals, and The NICH at Lewiston. Other North Idaho hospital will soon receive their share of these toys.

Subordinate Grange activities reported were: Community Christmas parties; card parties; contributions to Ambulance, Library, Athletic funds; serving dinners, aiding 4-H clubs; supporting Junior Grange and thawing frozen water pipes. Lecturers met briefly to coordinate plans for their visitations and for the Jamboree programs.
Grace Ingle, reporter

Some Springer Philosophy! When a Person slaps you on the back, he is trying to help you swallow what he tells you!

The heavy snow storm this afternoon as I put this ad together reminds me of a couple of snow stories:

After a heavy snowstorm, a friend found a note on his car which read: "I have just backed into the side of your car. There are people watching me write this note. They think I am leaving my name and address. They are mistaken."

Postcard To The Weather Bureau: "I just thought you'd be interested to know that I've just shoveled three feet of partly cloudy off my driveway."

"What are you smiling at?" asked Noah.

"I was just thinking," replied his wife, "how lucky it was we could go ahead and build this ark without waiting for an appropriation from Congress and then file all the reports afterward."

A young man wanted to pass an old man in a wagon driving a mule on a country road, but the old man wouldn't pull over.

Finally, when he had passed the old man, he took his pistol out and walked back to the wagon. "Old man, do you know how to dance?" he asked, shooting at the ground near his feet and laughing uproariously, as the old man began to jump up and down.

The young man started back when the old man grabbed his concealed shotgun and said, "Young man, did you ever kiss a mule?"

The young man said, looking into the barrel of the shot gun, "No, but I always wanted to."

Park News—

By Jody Smith

It's COLD Outside! Many holiday trips were cut short this year because of the extended cold weather. Temperature readings have been as low as -20 to -30 depending on whose thermometer you read. (Two-way radios crackle each morning as the neighbors compare tubes to dials, sunny to shady sides of the house and the approximate wind chill factor.)

Because of the low temperatures, though, roads have not been slick, so one-day visits were made, with some quick trips home to stoke wood fires and check the pipes.

Seventeen relatives gathered at the Fred Funke home for parts of the Christmas holidays with snowmobiles furnishing part of the entertainment. Mr. and Mrs. Clinton Smith and daughters, Kay and Leah spent a busy holiday starting with the Smiths from her side of the family—27 in number, for the 22nd annual Smith family party December 17.

The event was shadowed by the passing Dec. 16 of Clinton's mother, Mrs. Nyda Smith of Clarkston. Her funeral was attended by Clinton's family and the Jerry Smith's on Dec. 19th.

Christmas Eve was spent with Clinton's father and family in Clarkston and Christmas day found them at home employing sleds to help celebrate a family Christmas.

Members of Mrs. Thelma Stratton's family from Colfax, Moscow and Clarkston helped her celebrate in her home over the Christmas holidays. Some of the edibles enjoyed were the result of a cookie spree baked up weeks before.

The Jerry Smith family spent an exciting holiday season, including participation in several music programs, including the Deary Community cantata on Christmas Eve.

Christmas morning saw them hosting her parents, Mr. and Mrs. C. D. Stone, Lewiston, for the first time they had been together for Christmas in 19 years. The Dean Kinzers of Pullman joined the family later in the day.

Mrs. Stratton was especially pleased over New Years to welcome her grandson, Dale Gudmunson, his wife and children of Colfax, who came for dinner and bought it with them—including turkey with dressing and all the trimmings.

Mr. and Mrs. Clinton Smith and daughters enjoying an evening of pinocle and fondue with the Jerry Smith's, New Year's Eve.

New Year's Day, the Jerry Smiths visited his brother, Don and family in Moscow. Other guests were Mrs. Don Smith's mother, Mrs. Enid Baumgartner, Pullman and her brother, Bruce Baumgartner and family of Deary.

Spring Steelhead Seasons, Limits Summarized

Here is a summary of 1979 spring steelhead seasons and limits authorized by the Fish and Game Commission. Anglers should consult the printed, steelhead and general fish-regulation for specific details about licenses, permits, certain exemptions and other information.

Season Dates and Waters

Clearwater River, Jan. 20 through April 15—From Memorial Bridge, Lewiston, upstream to the Clearwater River Bridge, Orofino.

North Fork Clearwater River, Jan. 20 through April 15—From Ahsahka Highway Bridge upstream to 300 ft. below Dworshak Dam and the west shoreline between the mouth of the Bridge upstream to 300 feet below Dworshak Dam and the west shoreline between the mouth of the North Fork and the Ahsahka Bridge.

No boat fishing between the mouth and Ahsahka Bridge, and the shoreline along the perimeter of Dworshak National Fish Hatchery is closed to all fishing.

Salmon River, Jan. 20 through April 15—From Cove Creek bridge, located about 10 miles above the Middle Fork of the Salmon, upstream to a point 400 yards below the mouth of the Pahsimeroi River.

Closed to fishing for all species from 400 yards below the mouth of the Pahsimeroi upstream to 100 yds. above the mouth.

Bag and Possession Limits

Clearwater River and North Fork Clearwater, Daily bag and possession limit, two fish; season limit, six.

Salmon River—Daily bag and possession limit, one fish; season limit, two.

Combined limit for anyone fishing both the Clearwater and Salmon; 2 steelhead per day, bag or possession, and a season limit of six.

Women's Noon Programs Set at Lewis-Clark College

Women's lives—their ambitions, concerns and psychology—will be the topic of eight noon luncheon programs at Lewis-Clark State College this Spring. Speakers from the State Board of Education, Janet Hay; the legal profession, Carolyn Just, Lewiston attorney; the health profession and the business world will be a part of the series which begins Wednesday, January 17 at 12 noon in Spalding Hall. The program is sponsored by the Office of Continuing Education.

Luncheon dates: January 31; February 7; February 21; March 7; March 21; April 18; May 3.

Gasohol Plant In Idaho

Boise, Idaho—The Idaho Wheat Commission has earmarked \$10,000 to aid in developing a Gasohol Plant in Idaho that would use wheat as a raw material.

According to Wheat Commissioner Earl Hoopes, Rexburg, one gasohol plant potentially could utilize up to 15 million bushels of wheat per year or 25% of Idaho's normal wheat crop.

Gasohol is a mixture of grain alcohol and gasoline that is used as motor fuel. The use of ethyl alcohol for gasohol was spurred by the Food and Agricultural Act of 1977 which offered grants to universities for research on alcohol-blended fuels made from agricultural commodities.

Hoopes said that Idaho's geothermal energy resources could very well be the answer to critics who say that it could take more energy to grow the crop and produce the grain alcohol than would be returned from the fuel and by-products produced.

"A distilling operation can use lower heat temperatures than many other industries. Gasohol plants powered with geothermal energy could make fuel production extremely efficient," Hoopes said.

He indicated that plant sites are now being investigated in eastern and south central Idaho.

Hoopes said that another plus is: the dried grains and high protein feeds that are by-products of a gasohol plant.

"The design of any Gasohol plant here hopefully would incorporate a cattle or pig feeding operation nearby so this by-product feed could be utilized for maximum efficiency," Hoopes added.

At present, this type of high protein feed is imported to Idaho for the livestock industry from the mid-west.

According to Hoopes Gasohol plants can operate with a variety of agricultural products, however, wheat appears to offer the highest productivity in making fuels.

"Any quality of wheat can be utilized in the production of Gasohol which offers an important economic option in years when weather damages or deteriorates a wheat crop," Hoopes said.

You'll be a safer motorcyclist if you DRIVE DEFENSIVELY! Don't travel too close to parked cars—you can get into trouble fast, when a door opens or car pulls out unexpectedly! This reminder from the Idaho Traffic Safety Commission.

BEAUTIFUL steamer
 OR
how FULTON kept HIS head above WATER.

Robert Fulton laughed all the way to the banks. Of the Hudson River that is.
 It was August 17, 1807, and Fulton's steamboat "Clermont" made its maiden voyage from New York City to Albany.
 The skeptics lined the river's edge to witness the sinking of "Fulton's Folly." Instead, Fulton kept his steamboat and his head above water. And helped shape the future of America.
 Today, you can help shape America's future. And keep your own ship afloat at the same time. By buying U.S. Savings Bonds.
 They're an investment you can bank on. Because no one ever lost money with Savings Bonds.
 So sign up for the Payroll Savings Plan. Buy U.S. Savings Bonds and your future will be smooth sailing.

Take stock in America.

Some men's idea of practicing economy is to preach it daily to their wives.

IT HAPPENED WAY BACK WHEN

Kendrick Gazette

No. 2 Jan. 12, 1899, continued
 J. B. Helpman's brief history of the 1890's continued:
 "The Gazette's first printed sheet was put out by a Mr. Frost, owner, publisher, and devil; in whose shop our first big fire started. Some thought he set it, and talked that he should be lynched. Hearing of the talk he made double-quick time down the street, not waiting to secure coat or shoes, and as far as the writer knows, was heard from no more."
 "Our first attorney was George W. Courtis.
 "Our first physician was Dr. Rothwell, and E. T. Tasmant was our first engineer.
 "Our first made school teacher, P. E. Stookey, now an attorney in Lewiston was soon followed by John Barackman, who we believe held the position of principal longer than any of his successors.
 "Our first barber was Wm. Crews. Davis Wright (brother of George Wright, deceased) opened the first real livery stable.
 Valley E. Nichols first operated a dray and delivery business.
 "The grist mill was operated by M. F. Freeman and the grain warehouse was operated by Balfour and Guthrie and managed by B. G. Peters.
 "Our first realtor was F. C. Pette, looking mostly after the interests of the Townsite Co.
 "It is doubtful if anyone could say who opened the first saloon, they came so rapidly, one, at least, opened in a tent.
 "The writer put the finishing touches on the Hamley Bros. (John and William) harness shop, they opened up early in 1891.
 "The Kendrick State Bank opened in 1891 by Captain J. M. Walker and

his son, R. M. Walker, cashier."
 Mr. Helpman adds as a footnote: might and could give more Kendrick history, but enough for now, will wait and see if this of interest.
 We have but one thing to say: and that is that everyone is interested in the history of his or her town, and I am sure our readers would appreciate the fullest and most complete description possible. We hope that he again favors us, and at an early date.
 —Ed.
 Genesee News January 18, 1929
 The Genesee district received its first good snow of the season, there being about 5 inches now covering the ground. Electric light service Wednesday was interrupted owing to the frost which clung to the wires.
 H. H. Schooler, accompanied by Co. Agent, L. B. Taylor of Moscow left Wednesday for Wapato, Wa. to attend a potato seed show there.
 At a meeting of the American Legion Wed. eve., the members voted unanimously to sponsor the annual Cow Creekers and Rim Riders dance. Mrs. Mahlon Follett entertained her bridge club Friday afternoon when 3 tables were at play.
 The management of the Cozy Theatre has thoroughly fumigated the room occupied as a safeguard against the spread of contagious disease.
 Special at Genesee Whse. Co.: Silver Loaf flour, 49 lb. bag, \$1.70; barrel, \$6.60.
 Meat special at Follett's Merc. Co.: Carstens fancy hams: 30c lb.; lean back bacon: 1b., 22c; beef roast: 20c; rib roasts: 17c; sirloin steak: 27c; oranges, good and sweet: 4 dozen, 49c.
 Last Sunday little Elaine Hove, a daughter of Mr. and Mrs. Art Hove ran into a wire fence while coasting and scratched her face quite badly, though not seriously.
 One of the most enjoyable gatherings of the season was that given by the friends of Mr. and Mrs. Larkin at their home Friday evening when a crowd of 25 invaded the place as a surprise to Mr. Larken on his birthday.
 Unemployments Claims Remaining Stable
 According to Phyllis Dunn, Moscow, local office manager for the Idaho State Department of Employment, the following jobs are currently open: keypunch operator, bookkeeper, commission salesperson, lead guitarist and waiter/waitress.
 Contact the job service at 221 E. Second Street for details.
 There are 430 claims on file for unemployment insurance benefits in Latah county, compared to 429 last week. Current totals are: Moscow, 228, compared to 196 last week; Genesee, 16, 15; Troy-Deary-Bovill 119, 147; Kendrick 12, 12, and Potlatch 54, 59.

Cumberland wasn't a free pass.

But it was America's first generation gap. Between 1775 and 1880, generation after generation of American settlers plodded through the Cumberland Gap.

A natural pass through the Appalachians that became the gateway to the West.

It was tough going. The cost was great. In money. And lives. But they paid the price. Because they were

building a country. Their country.

You can help build America today by buying U.S. Savings Bonds through the Payroll Savings Plan.

That way, a little is set aside from each paycheck to buy Bonds. Automatically.

It makes saving easy. And that's something you can't pass up.

Take stock in America.

U.S. Savings Bonds pay 4% interest when held to maturity of 10 years (5% if the first year's interest is not subject to state or local income taxes, and federal tax may be deferred until maturity date.)

A public service of this publication and The Advertising Council.

ARE YOU USING ALL THE CONVENIENCES WE HAVE TO OFFER?

We here at First Bank of Troy value our old patrons just as highly as we do our new ones. And, when we gain a new customer, we want them know of all the services our bank can offer. But sometimes even our long established and cherished accounts aren't aware that we keep improving and providing our customer services.

So if you are new friend, or an old friend, we want to remind you of conveniences such as our drive-in banking window, bank-by-mail service, our handy secure safety deposit boxes and all the other services First Bank of Troy provides to make certain that we are the only bank you'll ever need.

Letters to the editor...

January 15, 1979
 Dear Carolyn Brown:
 In response to your letter in the Gazette and the one sent to the school, I would like to thank you for your support, concern and suggestions. It's nice to see the public has taken enough interest to want to help improve our situation.
 It is very true that the spirit at K. H. S. is deteriorating and we as coaches, players, cheerleaders and student body are all at fault in some way. The cheerleaders are always open for suggestions and yours were most welcomed.
 I feel your letters have opened the eyes of many and hope a change will soon take effect. Thank you once again and I hope we have many more community supporters like you.
 Lora Howerton
 Varsity Cheerleading Capt.

1979 Personal Exemptions Increase by IRS

Boise, Idaho—The Revenue Act of 1978 allows for 1979, \$1000 for each personal and dependency exemption as opposed to \$750 in past years. It increases the "zero bracket amount" deduction from income for all Federal tax return filers.
 The new tax bill repealed the "general tax credit" which allowed a credit against taxes—the greater of \$35 for each exemption or 2% of taxable income.
 New withholding tables have been issued to employers for withholding on wages paid after December 31, 1978. Many taxpayers will owe less tax in 1979 and have less withholding. Some taxpayers may be required to pay more tax, such as taxpayers in higher income brackets.
 Example—A single taxpayer having no dependents, with a biweekly wage of \$1000, would have \$262.70 withheld biweekly for 1978 and \$262.90 for 1979. Withholding on wages of less than \$1000 biweekly would be less for 1979.
 Withholding tables for married persons were, in the past, based on

Mrs. Loeda Reil, Mrs. Emil Silflow, Mrs. Erna Nelson, Mr. and Mrs. Marvin Vincent, Rev. Caskey, Mrs. Roberta Manwaring and Manning Onstott.
 Saturday visitors of Grace Lind were Mr. and Mrs. Milton Lind of Lewiston.
 Mr. and Mrs. Dave Cuddy of Lewiston were Sunday guests of Mr. and Mrs. Dick Cuddy.
 Mr. and Mrs. Eddie Osborn left for Orlando, Florida Tuesday after spending the holidays with his parents, Mr. and Mrs. Milford Osborn. Ed will be receiving recruiter training with the Navy.

Al Zenners Spent Christmas In Richland, Washington

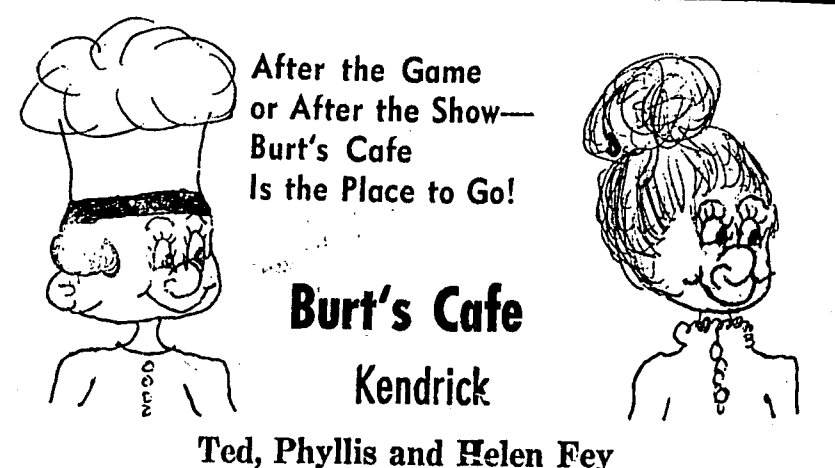

Mr. and Mrs. Al Zenner left their Genesee home Saturday, Dec. 23 for Richland, Wash., arriving at the Frank Tomisick home (daughter Kathy) at noon. Mr. and Mrs. Frank Tomisick, Sr. had arrived from Salt Lake City, Utah the 22nd to spend Christmas and the remainder of the week with their son Frank.

The Zenners reported an enjoyable Christmas and several sight seeing tours which proved very interesting. They encountered no snow until Wednesday afternoon and evening. The trip home on Thursday had a floor covering of snow until they reached Pomeroy.

Mr. and Mrs. Russell Zenner and family and Dan Zenner, U. of I. student had an early Christmas at the Al Zenner home because the Zenners were leaving the next day for Richland.

Ron and Dan Zenner were New Year's Day guests of their parents. Saturday, Dec. 30th, Mr. and Mrs. Andrew Zenner and Mrs. Al Zenner attended the reception, dinner and dance held at Reubens, Idaho for Mr. and Mrs. Jack Whitted. This was a celebration of their 25th wedding anniversary and was hosted by their children Thelma, Bud Landers, Linda Stolte and John Landers.

only one spouse being employed. If both spouses were employed, withholding in many cases, would not cover their total tax when the two salaries were combined. The new withholding tables should resolve this problem for most married taxpayers but may cause additional withholding during the year.
