IT HAPPENED WAY BACK WHEN

Genesee News 50 Years Ago

At a meeting of the City Council (Feb. 11) Wednesday evening the matter of greatest importance was the organization of a volunteer fire department along the lines as outlined by the State Department.

Carl Flomer was elected chief on the first ballot and Ira Larkin asst. chief. Following the joint meeting with the council, the council passed a resolution thanking Ed Vanouck who for the past 25 years has been Genesee's fire chief. Mr. Vanouck was commended for his faithfulness to the duty he has performed in past years.

Jr. Hi. had their Valentine box on Thursday p. m. Fern Erickson and Gail Sampson were the committee to make the box while Dan Aherin, president of the Jr. Hi club acted as postmaster.

Unfavorable weather again interfered with the American Legion dance last Friday staged in honor of the Rimrocker. With the thermometer far below zero and roads blanketed with snow, only those living

close to Genesee were able to reach town. The music was good and every body had a good time. In the absence of John Roach, Isaac Isaksen called the dance.

Mr. and Mrs. Matt Baumgartner were pleasantly surprised Monday evening when a number of relatives and friends came to help them celebrate their 25th wedding anniversary. Cards were played and the evening was enjoyed by all present. At midnight refreshments were served by the self-invited guests and Mr. and Mrs. Baumgartner were presented with several silver gifts. They also received a chest of silver from their son, Frederick, who teaches school at Southwick, Idaho.

Kendrick Gazette Feb. 10, 1949

This weeks' issue of the Gazette is very short on correspondence due to the storm which made it impossible for star route carriers to complete the circuits. Cecil Gruell, who operates from Kendrick, stated that he was able to get only to the Denzil Kuykendall farm Tuesday. Ben Frenhall, operating a route out of Southwick was able to get as far as the Betts ranch. We had no report on Rollin Armitage the other Southwick carrier, his story was probably the same as his route is the "Jim Dandy" in the winter.

Latah County Cattlemen's Assoc. Met In Kendrick

The Latah County Cattlemen's Association met in Kendrick Saturday night, February 3 for a dinner-meeting. The elements were against them because of snow and fog, but the main deterrent was a burned out transformer which put the VFW building in the dark and shut off the heat at 5:30 p. m. With candles, gas lanterns, old coal oil lamps—the light situation was relieved. Neighbors with power helped heat the coffee pots and other food and a gas stove was put to use. A small generator lighted floor lamps in due time. The dinner was served and shortly after nine a new transformer brought things back to normal.

Morris Hemstrom, Extension Animal Scientist, U. of I., gave a report on a large cattle operation in Ecuador. Wayne Krasselt, president, called the meeting to order. Directors elected for one year will be Doug Harris, Troy and Bud Carter, Deary. Dave Wittman, Lewiston, announced their field day to be held March 1 at Twin Cities Sales Yard to start at 10 a. m.

Gordon Dailey, Co. extension agent announced a meeting with John Early and Ray Prigge, Extension Economists. U. of I., to discuss Management in Wintering and Cow-Calf Op-

Upsets Can Alter Driving Fitness

Are you fit to drive? Before you automatically reply, "Of Course," take stock of your mental attitude and physical condition. You may be unsafe behind the wheel both to yourself and to others on the road.

You may think you are in good health. You may have an excellent safety record. Yet, under certain circumstances, it can be dangerous for you to be in the driver's seat.

The AMA reminds that the emotional stability of the driver is as important as any single factor in maintaining traffic safety. That's why you owe it to others—and to yourself—not to drive when you have serious problems on your mind. If you're thinking about that argument you had before you left home or office, if you're in a depressed or angry "I don't care what happens" mood, if you're very worried about a personal problem, you're better off not driving.

The sleepy driver causes many ac-

erations. It will be held at Kennedy Ford Grange Hall February 13 at 1:30 p. m.

A dance with the Cedar Ridge Country Music followed.

idents. In fact, a sleepy driver is as much of a hazard as a drinking one. Dozing at the wheel can occur in broad daylight as well as at night. When making long trips, rest every two hours and drink coffee or cola to stay alert.

Many medicines, not just a few can affect the way in which you handle the wheel. Certain commonly used drugs such as antihistamines, cold tablets and mild sedatives may dull your reflexes or impair your coordination. Stimulants can make you nervous. Transquilizing drugs can cloud your judgment and interfere with driving skills. Consult your doctor about the side effects of any drugs you take.

Driving calls for clear, healthy eyesight; good side vision, judgment of distance and the ability to see well at night. Have your eyes tested regularly. If you have glasses for distance vision, don't forget to wear them.

If you have a nervous disorder or a heart condition, ask your doctor whether you are a safe driver. Past 65, reflexes and coordination tend to be somewhat slower.

Student Teachers Announced

Moscow—U. of Idaho College of Education officials report that some 87 education students are engaged in 9 weeks of student teaching during the first half of spring semester.

The teaching experience is a requirement for completion of teacher certification.

Among those students teaching in Idaho and other Northwest communities are—

AGENCY: Federal Insurance Administration, HUD.

ACTION: Proposed rule. SUMMARY:

Technical information or comments are solicited on the proposed base (100-year) flood elevations listed below for selected locations in the City of Genesee, Latah County, Idaho.

These base (100-year) flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in the above-named community.

ADDRESSES: Maps and other information showing the detailed outlines of the flood-prone areas and the proposed base (100-year) flood elevations are available for review at City Hall, Genesee, Idaho.

Send comments to: Honorable Larry W. Sorensen, Mayor, City of Genesee, P. O. Box 38, Genesee, Idaho 83832.

Washington, D. C. 20410

SUPPLEMENTARY INFORMATION:

The Federal Insurance Administrator gives notice of the proposed determinations of base (100-year) flood elevations for the City of Genesee, Idaho, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U. S. C. 4001-4128, and 24 CFR 1917.4 (a).

These elevations, together with the flood plain management measures required by Section 1910-3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

Snow Schedule
On the days when inclement weather conditions justify the district operating with a late start, the following "snow schedule" of classes will be in effect:—

period	1st	2nd	3rd	4th	5th	6th
"A"	3rd	2nd	1st	6th		
"B"	3rd	4th	5th	2nd		
"C"	1st	4th	5th	6th		
"D"	1st	4th	5th	6th		

Cumberland wasn't a free pass.

But it was America's first generation gap. Between 1775 and 1880, generation after generation of American settlers plodded through the Cumberland Gap.

A natural pass through the Appalachians that became the gateway to the West.

It was tough going. The cost was great. In money. And lives. But they paid the price. Because they were

building a country. Their country.

You can help build America today by buying U.S. Savings Bonds through the Payroll Savings Plan.

That way, a little is set aside from each paycheck to buy Bonds. Automatically.

It makes saving easy. And that's something you can't pass up.

Series B Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

freeze cold" is easing off! The Ernie Fliger family made it from Moscow to enjoy Sunday dinner with "grandmother" Erma Stevens. Bill Glass from his U of I schooling came for Saturday evening lunch with his "other mother" Erma. Bill has been a summer helper there for several years. Bill Glass was also a visitor at the home of his aunt and uncle, the Glen Stevens, on Saturday. Mrs. Ruth Heimgartner visited her mother, Mrs. Hunter on Wednesday evening, while Wayne attended a meeting. Wayne and Ruth faithfully attended Kendrick Grange one evening the past week.

Hubbard Gulch—Mrs. Newt Heath made her usual weekly trip to Lewiston for 3 doctor appointments on Monday afternoon, Feb. 12. All problems are under control. The precarious walk to conveyances at home keep her house bound unless absolutely necessary this bad time of year.

Inez Inghram and Norma Rugg, daughters of Mildred Heath spent Saturday with her. On Sunday afternoon son Edgar Heath and wife Ruth with a neighbor couple of theirs, all from Nezperce, came to see how she fared. All most welcome.

On Saturday, Feb. 10, Helena Brown accompanied daughter Carol Richardson and two daughters for shopping and "dinner out" at a Lewiston restaurant, belatedly honoring Helena's January birthday anniversary. Due to icy walking conditions, Helena had refused earlier invitations. Don Brown and son Allen were her Sunday visitors.

Mr. and Mrs. Gerald Heimgartner and family of Lewiston were at his parent's (Eldon and Gertrude) home at Stony Point for Sunday dinner the 11th. Gert reports plenty of water, even to surface moisture trying to enter the well!

All is OK with the Cletis Hoisington's as of Monday morning. The weekly wash, well in hand, at the usual early hour. Not one of us keeps the old regular schedule.

Mr. and Mrs. Leslie Heimgartner drove up-river on Sunday to visit various relatives. A good snow cover was on the hills, but roads in much better shape than Hubbard Gulch! It is reported a "mess", and cannot be improved 'til after the thaw!

The Don Hoisingtons and the Skip Koopp family spent Saturday evening together at Don's. On Sunday afternoon and evening, as guests of Mr. and Mrs. Dave Bateman, the Lee Heimgartner family, the Don Hoisington family and Mr. and Mrs. Dean Weyen enjoyed a fine "get-together".

On the Go!—Mr. and Mrs. Ernest Steigers, once started, find it hard to get stopped! On Friday, Feb. 9th, at the Mark Means Day at the Nez Perce County Fair Building, the District 2 Fiddlers group played for 2 hours at the close of the affair. Most farmers had to depart homeward at that late hour, but the few remaining were treated to a good program. Our new sound

Visiting in the home of Stella Carter of Clarkston; in the Bill Steigers home, and then to the VFW Hall in Lewiston Orchards for the Fiddlers monthly business meeting and dance, followed by the late trip home (with Nellie fearing rolling rocks) finished the day.

The Ed Rantas, driving a new Subaru car have visited in the E. Steigers home during the week—Diane Pettit and son Kelly also called.

Family Gathering on Cottonwood Creek—

A "get-together" dinner and day of visiting by members of the Johnson family was held at the home of Mr. and Mrs. Wayne Hoskins on Sunday. Present were the following guests.

Mr. and Mrs. Ronald (Pearl) Wolfe of Troy; Mr. and Mrs. Phil (Iva) Johns of Juliaetta; Mr. and Mrs. Agner (Joy) Swan, Lewiston, and Ivan Johnson of Lapwai, just home from Arizona.

Wayne Hoskins, still wearing his neck brace, and wife Wanda, were at the Mark Means Day, where Wayne received a gift in the after dinner drawing. Lee Heath was also a lucky one from our community. Many received nice gifts.

Mr. and Mrs. Dan Fey and sons were Mr. and Mrs. Dick Witt and sons and Mr. and Mrs. Keith Ford and Lucas. Mr. and Mrs. Phil Bahr were Saturday night supper guests of Mr. and Mrs. Rick Arnett.
