By Mrs. Gayle Marek

Last weekend Mr. and Mrs. Bud Adamson, Mr. and Mrs. Mel Arrasmith and Mrs. Gayle Marek and son traveled to the Calder area on the St. Joe River to fish and raft down the river. The group enjoyed camp-ing, but the water was icy cold and

the weather rainy.
The Trail Dust Troop 4-H Horse Club spent the week preparing for the Lewiston Roundup parade and Grand Entry. The group was awarded a huge, rosette style ribbon for 3rd place Equestrian Group in Saturday's parade! The riders all were admitted free into the rodeo performance since they participated in the Grand Entry. Twelve riders made up the group with Jo Heath and Kelly Cooper carrying the 4-H and American flags.

Sunday, Mrs. Nancy Arrasmith, Mrs. Gayle Marek and son enjoyed day's entertainment ended with a hama bull hit a much too brave clown full force. The two clowns were acting on a dare and were not momentarily protecting a rodeo contestant. The act was to entice the bull to hit the "dummy" between the two clowns. The bull charged the clown instead. It is hoped he will recover from the accident. The clown was knocked unconscious for a time but regained consciousness as the ambulance crew prepared him for the trip to the hospital.

That night the pick-ups were backed into the usual semi-circle at a roadside rest area adjacent to the Dixie airfield a few miles from the now rejuvinating town of Dixie. Sunday dawned fresh and beauti-

ful following a light rain which settled dust. The caravan traveled through miles of timber on circuitous roads over rugged mountain terrain to reach the site of the extinct town of Orogrande. They then traveled south 6 miles to the Orogrande summit. Upon arrival sight-see'ers were greeted by Vid-ginia Fox, camp host from the Red River Ranger District. There the last campsite was set up. Members visited the Wild Horse Lake and nearby camp areas. That evening, Mrs. Fox was a dinner guest. Alternating periods of rain and sunshine, a 32-degree morning temperature and ice in the wash pan failed to dampen the spirit of the camping

Monday morning, following a good breakfast, the camp gear and food were stored away and the trek down the rough crooked creek road was the last jaunt before reaching the South Fork of the Clearwater River.

The Kendrick Tigers played their home opening football game Friday night against Timberline but a very poor first half performance cost them a victory. With the score tied 24-24 and just over 2 minutes left in the game, Timberline running back Todd Thueller took a pitch from the quarterback and raced 40 yards down the sideline for a touchdown. That gave Timberline a 30-24 lead, and they held Kendrick on their last possession, giving the Spartans the win. and upping their season record to

2-0.

Timberline started out the game with a bruising running attack that simply blew by Kendrick for three early touchdowns. On offense, the Tigers did everything wrong, like fumbling snaps, fumbling handoffs, and allowing the defense to penetrate nto the backield.

Kendrick's problems were evidenced after Timberline scorded their first touchdown. On the ensuing kickoff, Terry Hudson made a dazzling 80 yard return before finally being hauled down on the 10 yard line. But Kendrick fumbled on the very next play and Timberline recovered.

In the second half, Kendrick was a completely different team. On defense, Keith Ingle was outstanding in pursuit from his linebacker position. He had never played the position before, but he made a number of very solid tackles.

The offense also came together. As the defense stiffened the line began to blow holes. Hudson and Mitch Cuddy began to pick up good rushing yardage, and Hudson also lagged down 4 passes good for 64 yards. In the 4th quarter Darren Clemenhagen rushed for touchdowns of 1 and 6 yards, and Hudson powered over for another and Kendrick tied the game at 24 all. But Mueller scored his 40 yarder and the game was over. Kendrick now hopes to get back

It's hard to improve on perfection, but this year's JV team if off on the right foot in doing so. Last year's J. V.'s went undefeated winning all 13 outings. That unbeaten string was stretched to 14 by the J. V. girls. Jean Glenn and Julene Smith accounted for 7 serving points apiece during the match. Kendrick's next game is Thurs., Sept. 4 at Deary.
